**Anders
Narcotic**

Narcotic sons are deep bodied and heavy muscled with an abundance of performance. A feature Narcotic son is Nordal Xtreme 428S from a T-Bone dam. From one of our most prominent cow families, Xtreme is one of the thickest muscled and deepest bodied bulls we have raised. He sports great performance figures with an outstanding disposition.

**Highland
Landmine**

Landmine has been one of our strongest breeding sires. His progeny have low birth weights and strong growth numbers with lots of muscle shape. His red and black sons will be again this year at the top of the group. A feature red double polled son is Nordal Select 283S from a T-Bone dam. He is impressive with his depth of body and expressive muscle.

**Navajo
RAM 130N**

Navajo was a top seller in Highland's 2005 Sale. His sons have some of the best performance and growth figures in our herd. Navajo sons display the some great foot and leg structure of their sire plus superior scrotal development. A feature son is Nordal Spotlight 450S from a Drydock dam. This fellow will give you all the growth and performance you need. He is large framed and big numbered and possibly homozygous polled.
