

CANADIAN WESTERN AGRIBITION

CHAROLAIS SALE

THURSDAY,
NOVEMBER 23, 2017
REGINA, SK

from the desk at T Bar...

Welcome to Canadian Western Agribition and the Charolais show and sale. Agribition is Canada's showplace for the finest genetics and seed stock in the world, all presented under one roof.

The sale lineup for the 2017 sale is dynamic to say the least...packed full of breed program changers with limited risk and endless reward. Whether you are looking to add a new herd sire to propel your program to the forefront...a front pasture female with donor credentials...a show prospect that will be competitive and develop into a donor...or a flush...unlimited opportunities await.

Investing in Charolais for a program is a "no-brainer!" For decades, Charolais sired calves continue to lead the market place in price and pounds...and that basis will continue for the ranchers of our nation. On the purebred side, in many cases the first bull calf will pay for or exceed the purchase price of the mother under good management. Where the problem lies is in supply...the Charolais breeders of Canada cannot produce enough good bulls to supply demand...nice problem, eh!

The 2017 Agribition Charolais sale is one of the finest ever offered in the breed, take advantage of this world class genetic pool, it has endless opportunities!

If we may be of any assistance, prior to or sale day, do not hesitate to contact any of the T Bar Team or myself...we will be pleased to assist in a professional manner.

Selling Choice on three Bull Calves

These flush brothers come to you with breed leading growth and power being super stout featured, massive made, heavy structured, deep sided, wide topped and muscular with soundness of structure, clean sheaths, large scrotals and great haircoats Taking it one step further the consistency of quality that resulted from this mating of HRJ Crowd Favourite to our reigning Miss World Charolais - SVY Starstruck 409B - is simply amazing and adds to the breeding credibility of these future herdsires that are so consistent in type yet each possesses a subtle uniqueness enabling them to each write their own chapter.

If you're looking for unmatched consistency of quality to breed both sale topping sons and herd building females no matter the choice we're confident these herdsires will take you in the right direction.

After a hotly contested battle, we were fortunate enough to acquire SOS JESSICAH 34B! She was the high selling cow in Canada for 2016. The type of cow we strive for here at McKeary Charolais: loads of body, lots of hair, heavy milking from a perfect udder, and from a STANDOUT cow family. We are excited to consign a flush in 34B to the CWA sale, and are confident this purchase will prove to be a valuable investment. If you so choose, you are welcome to use any bull in the McKeary or Springside program. This purchase could yield huge DIVIDENDS. Guarantee of 6 Grade 1 freezable eggs. Flush to be performed at Bow Valley Genetics or Davis-Rairdan.

Hard to part with a heifer calf out of this cow family but we wanted to feature the first calf crop sired by MVY All Shock Up 18C and we thought there was no better way than to offer this heifer calf. Like her Agribition Supreme winning grandmother and mother, this heifer has as much volume and capacity as you will find in any Charolais female. Take advantage of this opportunity to be able to purchase a female from this cow family because we won't offer them for sale very often. Selling Full Interest and Full Possession.

2017 Olds Fall Classic Grand Champion Charolais Female. Watch for her as our entry in the First Ladies Classic at Agribition. 669D is also out of Desirae 012, two times Agribition Champion and 2015 Agribition Supreme Champion Female. She is sired by CML Gunslinger 410B, the \$30,000 son of Gerrard Pastor 35Z and Target Pld Ginny 40P that sold to Wells Charolais, SD. 669D could easily be the best yearling heifer we have ever taken out on the show road. Her full sister, 659D was 2016 Farmfair Legends of the Fall Heifer Calf Champion. Here's your opportunity to flush this exceptional female to the bull of your choice and get 5 embryos.

If you chose one of the five embryo packages, the flush would be done at Davis-Rairdan Embryo in the spring of 2018 after they calve and McLeod Livestock will pay all flush expenses. McLeod Livestock will keep all embryos over five. The buyer will be responsible for supplying the semen for the flush, or they can use any McLeod Livestock herdsire at no additional cost. McLeod Livestock will guarantee a minimum of two pregnancies if the work is done at DRI and the embryos are put into DRI recipients. McLeod Livestock can make the arrangements for recipients.

CONSIGED BY | McLeod Livestock

It doesn't get any sweeter than this! Sweet State is sweet to look at, has a sweet disposition and comes loaded with a sweet pedigree! This is one of our first ever consignments to this sale; she comes straight from the top of the pen and is one that is beyond hard to sell. This female is a true testament of our relentless commitment to quality. She is a sound, well-balanced heifer with lots of power and loads of style! The 927W cow has had a tremendous influence on our herd. We have used a son of hers, KCM Spectacular Bid 240Z, as a herd sire and he has done an awesome job for us. The last female we sold out of the 927W cow, ONL Obsession 5C, went to EMB Charolais of Ontario, and she went on to be the National Champion Charolais Bred Heifer at the Royal in 2016. 927W is an easy-doing tank of a cow that has lots of milk and style herself . . . one could say that Sweet State "got it from her momma!" On her sire's side, the success of the Keys All State progeny is certainly noteworthy. Sweet State has always been good haired, even in the unrelenting heat of this past summer she had lots of hair. If you are looking for a serious show prospect that will walk out of the show ring and into the donor pen, this is a heifer you don't want to miss! Like us on Facebook at Daines Cattle & O'Neill Livestock for updated pictures and videos.

Seller retaining the right to one successful flush at our expense and buyer's convenience.

What an extraordinary female!!! This is a hard one to sell. She is so striking and attractive, yet she displays incredible mass and volume. Her sire, Crowd Favourite was one of the most talked about bulls of 2016 and was one of the most anticipated calf crops of 2017. The mating of Doubletree and Crowd Favourite was a home run in our minds that we feel has produced females that will go on and do great things. 720E is maternally backed by the great Paris cow family and a super hard working dam with an excellent udder. Fancy is a front pasture female with show ring presence that great things can be built on!

A powerful bred heifer that puts outstanding geno and phenotype all together in an attractive package. Born unassisted with a moderate 90 pound birth weight, she was the number one indexing female in our 2016 calf crop with an adjusted 205-day weight of 868 pounds.; an adjusted yearling weight of 1105 pounds. and ranks in the top 10% of the breed for weaning weight and top 25% of the breed for yearling weight. This deep bodied, thick made daughter of NAILE Champion in Louisville exhibits a tremendous hip. Her mother is a solid producer with her first son a herd bull for Brent Miller, Donnybrook, North Dakota. An exciting bonus is she is bred to WC Everest 4048 P who is the reigning U.S.-National Champion; a calving ease sire by LT Rushmore 8060 PLD.

AI bred to WC Everest 4048 P on April 12, 2017. Preg checked safe for a January calf.

CONSIGNED BY | Prairie Cove Charolais, Alton Century Farm & Serhienko Cattle Co.

The Semen Auction is a fundraiser run by the Canadian Charolais Youth Association (CCYA), where semen from top bulls in the breed is generously donated from various breeders across the country. All funds directly support the youth. The semen donated is auctioned off at one of the fall sales, and all proceeds go towards programs of the National Board. Particularly, leadership scholarships are presented at the conference and show from funds raised through the Semen Auction, recognizing senior members on their contribution to the Charolais breed and their leadership among other Charolais youth members. The CCYA National Board would like to thank everyone who has donated and supported in the past for making our programs and scholarship opportunities possible for our youth.

Terms & Conditions

TERMS:

The terms of the sale are cash or cheque, payable at par at the sale location. The right of property shall not pass until after settlement has been made; no invoicing on buyers in attendance unless previous arrangements have been made. Every animal sells to the highest bidder and in cases of disputes, the auctioneer's decision will be final. Announcements from the auction block will take precedence over the printed matter in the catalogue. Current exchange rates will be announced sale day. All monies are in Canadian funds.

CERTIFICATE OF REGISTRATION:

Each animal will carry papers issued by the Canadian Charolais Association, unless otherwise stated. A certificate of registry duly transferred will be furnished to the buyer for each animal after payment has been made.

HEALTH:

All animals in the sale have met all necessary health requirements.

GUARANTEE:

Each animal becomes the purchaser's risk immediately after the animal is sold. All animals in this sale will be sold under the terms and guarantees set forth by the appropriate breed association with regard to health, freedom from defects and from both reproductive and specific genetic unsoundness.

PREGNANCY INFORMATION:

All serviceable age females have been pregnancy examined by an accredited veterinarian, giving an estimated length of gestation. This estimated gestation period shall be used only as a guideline to calving and is not a guarantee of actual service.

LIABILITIES:

All persons attend the sale at their own risk. The seller, facility owner and sale manager assume no liability legal or otherwise, for any accidents that occur. It is understood that T Bar C Cattle Company is acting only as a medium between buyer and seller and is not responsible for any failure on the part of either party to live up to his obligations. Neither does T Bar C Cattle Company assume any financial obligations to collect or enforce collection of any monies between parties and any legal action that may in exceptional cases be taken must be between the buyer and the seller. T Bar C Cattle Company assumes no responsibility for any credit extended by the seller to the buyer. The buyer must look to the seller for fulfillment of all guarantees and representations made hereunder.

DELIVERY:

Every assistance will be given in getting your purchases home. Each animal becomes the risk of the purchaser as soon as sold.

PHONE, MAIL, WIRE BIDS:

Bidders unable to attend the sale may phone, wire or mail their bids and instructions to the sale manager, auctioneer or special representatives. Bids must be received in sufficient time prior to the sale.

INSURANCE:

We strongly recommend that insurance is purchased for full value.

ERRORS:

All announcements at sale time, written or oral, supersede any written material in the catalogue.
