RICHARD & MARCIA

KEN & SHAUNA & FAMILY

MARK & JULIE & FAMILY

Welcome to our second annual Sharing the Herd production sale. The cattle industry remains steady and strong which bodes well for the future for those of us that are cattle enthusiasts.

A sincere thank you to all bidders and buyers in last year's 'Share' sale and of course our annual Best of Both Worlds Bull sale. Your support and confidence in our cattle and program is greatly appreciated.

I wish to extend a huge thank you to ALL of our hard working staff that 'get things done' at Double Bar D daily.

This year's offering is smaller in number but I believe greater in depth. Starting with the bred Fleckvieh heifers which are the mainstay here. They are sired by notable older herdbulls and also some new exciting sires. Following the breds is a powerful set of Fleckvieh heifer calves with two outstanding Polled heifers followed by a pair of ET full siblings that both sell.

Starting the Purebred division is an exciting choice lot of Lawmaker full siblings out of Swan Lake Pepsi 97A, followed by some stellar "Big Red" females.

Don't miss the exciting opportunity to invest in the three exclusive semen lots of the much anticipated Bankroll, Dagger and Law Maker bulls. These bulls are real breed improvers backed by incredible cow families.

The Red and Black females are deep and diverse in pedigree and phenotype. All of which are carrying the service of either Bankroll, Dagger or Law Maker. Among the bred purebreds is RLD 407D, the Olds Reserve Champion Female bred to Bankroll!!

Rounding out the offering are five percentage bred females, bred right and as sturdy and easy fleshing as they come.

Double Bar D reserves the right to flush any of the females in the offering at the seller's expense and buyer's convenience.

Thank you for your interest in our program and we look forward to any inquiries that you may have.

All the best to you this fall and winter season. See you at the farm Wednesday, December 6!

Regards

Ken Dimler

Welcome to the 2017 edition of Double Bar D Sharing the herd female sale. It is with great excitement that I sit and write a welcome for this year's offering. We have seen the cattle market moving in an upward and steady direction for all producers, adding more value and prosperity from the ground up.

This year's offering has been handpicked, only offering the very best on all fronts from the Double Bar D program. The genetics on offer are among some of the most sought after proven, as well as up and coming fresh and exciting in the Simmental business. Once you study this year's group you will notice many new not on the open market breeding combinations out of proven cow families, making this a real opportunity to add something fresh and exciting to your own programs.

The fullblood Fleckvieh heifers are as deep and stout as ever. Many of these females are out of time tested, proven cow families many of which can write their own chapter in Simmental history. These young genetic gems are rich in pedigree and the right type and kind to build cow families around, moving your own programs forward.

The red and black selections for this year's offering are stacked in pedigree and quality as much as ever offered from the Dimler families. Some of the highlights will include a very special American Pride bred heifer RLD 407D with a service to arguably the most talked about new herd sire W/C RJ Bankroll 811, along with a choice lot on a pair of sisters sired by the $160,000.00 KWA Lawmaker, which will be the first progeny to sell. As I mentioned in my opening remarks, this year's set has been handpicked for depth of quality that you expect from this program.

A real opportunity will present itself to invest in three exclusive semen lots; Bankroll, Dagger, and Law Maker as a special sale feature. These will prove to be among some the freshest and out of some of the most elite cow families in the Simmental breed. Jump ahead of the curve here to get in front of the ball instead of behind it.

We hope you will appreciate the time and effort that went into this sale offering from the day these cattle were mated till now. The Double Bar D team puts everything they have into providing the very best quality product for your appraisal in " Sharing the Herd." If you are unavailable to join us Wednesday, December 6, Chris, Ben and myself are very familiar with this program and offering to assist you with any appraisals or absentee bidding requirements you may have.

For the Double Bar D Families and Team,

Shane Michelson

Terms and Conditions

TERMS
The terms of the sale are cash or cheque, payable at par at the sale location. The right of property shall not pass until after settlement has been made; no invoicing on buyers in attendance unless previous arrangements have been made. Every animal sells to the highest bidder and in cases of disputes, the auctioneer's decision will be final. Announcements from the auction block will take precedence over the printed matter in the catalogue. Current exchange rates will be announced sale day. All monies are in Canadian funds.

Double Bar D reserves the right to flush any of the females in the offering at the seller's expense and buyer's convenience.

CERTIFICATE OF REGISTRATION
Each animal will carry papers issued by the Canadian Simmental Association. A certificate of registry duly transferred will be furnished to the buyer for each animal after payment has been made.

HEALTH
All animals in the sale have met all necessary health requirements.

GUARANTEE
Each animal becomes the purchaser's risk immediately after the animal is sold. All animals in this sale will be sold under the terms and guarantees set forth by the Canadian Simmental Association with regards to health, freedom from defects and from both reproductive and specific genetic unsoundness.

PREGNANCY INFORMATION
All serviceable age females have been pregnancy examined by an accredited veterinarian, giving an estimated length of gestation. This estimated gestation period shall be used only as a guideline to calving and is not a guarantee of actual service.

LIABILITIES
All persons attend the sale at their own risk. The seller, facility owner and sale manager assume no liability, legal or otherwise, for any accidents that occur. It is understood that T Bar C Cattle Co. Ltd. is acting only as a medium between buyer and seller and is not responsible for any failure on the part of either party to live up to his obligations. Neither does T Bar C Cattle Co. Ltd. assume any financial obligations to collect or enforce collection of any monies between parties and any legal action that may, in exceptional cases, be taken must be between the buyer and the seller. T Bar C Cattle Co. Ltd. assumes no responsibility for any credit extended by the seller to the buyer. The buyer must look to the seller for fulfillment of all guarantees and representations made hereunder.

DELIVERY
Assistance will be given in getting your purchases home. Each animal becomes the risk of the purchaser as soon as sold.

PHONE, MAIL, WIRE BIDS
Bidders unable to attend the sale may phone, wire or mail their bids and instructions to the sale manager, auctioneer or special representatives. Bids must be received in sufficient time prior to the sale.

INSURANCE
We strongly recommend that insurance is purchased for full value.

ERRORS
All announcements at sale time, written or oral, supersede any written material in the catalogue.

The first females on offer from our new herdsire, Schweitzer bred Ironman bull. Klaudia 41D is deep ribbed, stout, correct and easy fleshing. The dam is a first calver daughter of Hockenull Magnum going back to the donor Klaudia 80T cow.
Bred to Star West Pol Blueprint on March 28, 2017. Safe to March 28 breeding. Exposed to KWA Lawmaker 59C from April 23 to June 16, 2017.

Don't miss Nila 246C, as she is super soft made with extra dimension with a pedigree second to none! Dam is an Eclipse daughter going back to Bar None Fenella.

AI bred to LFS Balboa on April 17, 2017. Safe to April 17 breeding. Exposed to KWA Lawmaker 59C from April 23 to June 16, 2017.

Double Bar D 'Farming/Ranching' Family

For anyone looking for a Full Blood for Louisville or the Junior National in Minnesota this summer, pay attention here. This polled Blueprint daughter has all the pieces, sharp necked, strong spined, just right on muscle and shape, and plenty of flex and foot at the ground. Her Abesly mother did an awesome job on her first effort and has a tidy functional udder. As an added bonus, this heifer is exceptionally quiet and good dispositioned. She has a performance pedigree going back to the great Maria/ Mitzie cow family.

Straight out of the ET program, here are two full sisters that could show a bit before they get into production. Their pedigrees indicate a much higher than average maternal ability. We expect these heifers will make the donor pen. Dam 535S is still as sound and functional as ever at twelve years, with many of her sale topping offspring across the country, with her 2016 "Sharing the Herd" high seller going to Lone Stone Farms at Westlock, AB. One polled and one horned...you choose!

Nice angles and pattern here. She displays a higher degree of soundness than most and can really get out and move. Built for the long haul. Her dam 22P is still in production and going strong at thirteen years of age, with her offspring always rising to the top.

VCL LKC *Dagger* 605D

Sire: Profit *Dam*: BF Miss Crysteel Tango

CE: 5.5 BW: 3.1 WW: 59.3 YW: 82.9 Milk: 18.1 MCE: 4.1 MWWT: 47.6

We first noticed Dagger as a member of Vogler and Kerstens popular Reserve Champion Pen of Bulls at the Denver Stock Show. We had been impressed with the Profit sired cattle as a group and felt Dagger was a unique combination of length of side and extension though his front third, while maintaining a high degree of structural integrity. Since acquiring Dagger, he has exceeded our expectations in his development at every stage. We feel Dagger will add an abundance of look and class to power females, and incorporate the maternal values of individuals like, Crysteel Tango, Steel Force, Panorama and the legendary 3C Melody cow.

100 UNITS OF SEMEN SELLING.

The first opportunity to acquire semen on the most talked about bull of the 2017 spring campaign W/C RJ Bankroll 811!

His potent sire Loaded Up has leaving some of the most sought after and highest valued cattle across North America. His dam 8543 is simply put, the breed's greatest cow and has generated over 4 million dollars in revenue. Her ability to mother highly productive and sought after progeny is unrivaled.

Bankroll combines the hottest pedigrees in the breed, checks all the boxes in terms of data and EPD figures and does disappoint when visually appraised. Powerfully constructed in terms of muscle expression, yet soft and balanced and exceptionally fluid and competent on the move. While we do realize his cosmetics may not be considered ideal by some, for breeders willing to step outside the box, Bankroll will deliver enormous dividends.

150 UNITS OF SEMEN SELLING.

Highest bidder has choice of minimum 10 units or multiples of 10, up to 150 units. No more semen will sell before Fall of 2018.

The first opportunity to aquire semen on the $160,000.00 Ashworth record seller Lawmaker!

In his first calf crop he has proven his EPD's and index percentiles are valid. Calves are born easy and were the heaviest sire group at weaning. Sons are rugged, cowboy type bulls. The daughters are angular, display an abundance of middle and have an undeniable maternal look. As an individual Lawmaker is truly athletic. He covered large groups of heifers for both our Spring and June calving season. He is a sound structured as any bull we have ever owned and posseses a huge perfectly shaped and built foot. Study the females selling, feel free to analyze the sons in the bull pens. As one visitor commented, "This bull looks like the new sheriff!"

We wanted to showcase what Lawmaker is doing, so we dug deep and decided to offer choice on these two full sisters. Their Lock N Load mother has quickly climbed the ranks here and has become one of the farm's top donors. A daughter by American Pride sold to Rehorst Farms and a son by Captain Morgan will be a highlight in the 2018 "Best of Both Worlds " bull sale. There are subtle differences between the sisters, but both are good looking, deep ribbed, well balanced, exceptionally angular females. They are some of the most structurally correct and best footed Simmental cattle we have seen. Both of them are up in the show barn. Feel free to analyze them and the sisters out in the big pens... we don't feel you can go wrong any way you choose.

SWAN LAKE PEPSI 97A - Dam of Lots 22A & 22B

The red option on the Lawmakers. 428E displays the same softness and easy look we like about this sire group. We expect they will make excellent cows with some birthweight control built right in.

This female combines two of the breed's great bulls in Morgan and 680S. She doesn't disappoint in the flesh either and has as much power as any in the offering.
AI bred to W/C Bankroll 811D on April 12, 2017. Safe to April 12 breeding. Exposed to KWA Law Maker 59C from April 23 to June 17, 2017.

It's hard not to get repetitive when talking about the Captain Morgan cattle. He consistently adds bone, centre body, hip and hair. Bankroll is one of the most intriguing breeding pieces of any breed I have ever seen. The mating to females like this could be amazing.
AI bred to W/C Bankroll 811D on April 14, 2017. Safe to April 14 breeding. Exposed to VCL LKC Dagger 605D from April 23 to June 16, 2017.
