

CANADIAN WESTERN AGRIBITION

National Speckle Park Sale

Wednesday, November 22, 2017 4:30 PM
John Deere Sale Arena, Regina, Saskatchewan

FROM THE DESK AT T BAR...

Welcome to Canadian Western Agribition and the Speckle Park Show and Sale. It was here at Agribition, where this Canadian originated breed was introduced to the world and look at it now... WOW! The 2016 sale was the talk of the barns as the high averaging sale offering was dispersed throughout Canada, England and Australia.

2017 offers new opportunities as the Speckle Park gene pool expands, but the problem of supply still exists. In most cases, the progeny of a female exceeds her acquisition value but as you travel throughout the nation, Speckle Park cows are very seldom for sale. The lineup is stellar with bred females (always a highlight) that have donor tendencies...new generation 2017 female models that will be front pasture females, while still retaining their competitive edge. A large offering of embryos that are exportable and suitable to go anywhere...out of proven donors with stellar track records...taking the guesswork out of your selections.

Each spring the demand for quality sires is highly sought after by the "cowboys," as these calving ease sires produce feeders and stockers that bring a premium in the market place...as there is virtually no problems and a higher return. "Down Under" the demand for Speckle Park has gone crazy as they sweep carcass shows. As the consumer looks more and more at meat quality and its sources...Speckle Park ideally fit the scenario with their portion size and marbling quality...and most importantly, a great future in years to come.

This international event is the highlight of the fall season for Speckle Park...it's full of great seed stock, excitement, opportunity and let's not forget hospitality...don't miss it!

If we may be of any assistance, prior to or sale day, do not hesitate to contact any of the T Bar Team or myself...we will be pleased to assist in a professional manner.

TERMS: The terms of the sale are cash or cheque, payable at par at the sale location. The right of property shall not pass until after settlement has been made; no invoicing on buyers in attendance unless previous arrangements have been made. Every animal sells to the highest bidder and in cases of disputes, the auctioneer's decision will be final. Announcements from the auction block will take precedence over the printed matter in the catalogue. Current exchange rates will be announced sale day. All monies are in Canadian funds.

CERTIFICATE OF REGISTRATIONS: A certificate of registry duly transferred will be furnished to the buyer for each animal after payment has been made.

HEALTH: All animals in the sale have met all necessary health requirements.

PREGNANCY INFORMATION: All serviceable age females have been pregnancy examined by an accredited veterinarian, giving an estimated length of gestation. This estimated gestation period shall be used only as a guideline to calving and is not a guarantee of actual service.

LIABILITIES: All persons attend the sale at their own risk. The seller, facility owner and sale manager assume no liability legal or otherwise, for any accidents that occur. It is understood

that T Bar C Cattle Co. Ltd. is acting only as a medium between buyer and seller and is not responsible for any failure on the part of either party to live up to his obligations. Neither does T Bar C Cattle Co. Ltd. assume any financial obligations to collect or enforce collection of any monies between parties and any legal action that may in exceptional cases be taken must be between the buyer and the seller. T Bar C Cattle Co. Ltd. assumes no responsibility for any credit extended by the seller to the buyer. The buyer must look to the seller for fulfillment of all guarantees and representations made hereunder.

DELIVERY: Assistance will be given in getting your purchases home. Each animal becomes the risk of the purchaser as soon as sold.

PHONE, MAIL, WIRE BIDS: Bidders unable to attend the sale may phone, wire or mail their bids and instructions to the sale manager, auctioneer or special representatives. Bids must be received in sufficient time prior to the sale.

INSURANCE: We strongly recommend that insurance is purchased for full value.

ERRORS: All announcements at sale time, written or oral, supersede any written material in the catalogue.

1A

WRANGLER FARMS | WESTLOCK, ALBERTA

WRANGLER WESTERN EXPRESS 8E

Once again we are proud to offer you choice of our two top bull calves. Sired by Notta 101Y Barcode, who is doing a remarkable job on his first two calf crops. They are stout, deep sided and structural sound cattle with excellent temperament and style in their make up. Not only is he breeding true, but his sister was Grand Champion Speckle Park Female at last year's show. Another sister sold for \$30,000 this spring at the Notta Supreme sale. Wrangler Western Express 8E is a maternal brother to Wrangler Mr. Prefect 8D who sold last year at the Agribition sale to River Hill and Codiak for \$16,000. Outback Greystone's full brother had a testicle measurement of 37 centimeters at a year of age and sold to Jason Goodfellow and Ken Friesen last fall. Both bulls are Myostatin negative.

RAVENWORTH CATTLE | MIDDLE LAKE, SASKATCHEWAN

RAVENWORTH CLOVER 101E

We are incredibly excited but extremely torn about selling this heifer. She is the first calf born by Ravenworth Invictus 103C. Her dam is a first calf heifer who has outdone herself. All of the qualities we look for in a heifer are rolled into one on this female: straight lines, depth of body, feminine front end, natural muscle and thickness, growth and performance, structurally correct and easy fleshing. Clover 101E will make a tremendous addition to anyone's herd.

CALICO CREEK SPECKLE PARKS | YORKTON, SASKATCHEWAN

CALICO CREEK ETERNITY 8E

This is a lot to sell that cuts deep, as I am offering choice on my top two 2017 heifer calves. With this being the first opportunity at a Calico Creek female, I wanted to offer my best, so naturally it's a Petula daughter. The quality between these two sisters is so comparable, I'll let you be the judge. I feel they are exactly the type I have been striving for; size and power, yet feminine and stylish. These are heifers that should develop and mature into top end donor females.

RIVER HILL 60A EYE APPEAL 44E

Everyone is looking for a little "Eye Appeal"! This heifer has it all - depth, width, length and has always been the quietest calf in the pen. 44E has a stacked pedigree with some of the most influential parentage in the breed. Her Grand Dam lasted past 13 years of age with perfect udder, feet and legs. She is a full sib to River Hill 60A Deva-Jade 59D which was the high seller at the 2017 Summit 3 Sale. Embryos off of the dam were the two high selling lots at the Summit 3 Sale as well. Eye Appeal is going to be a powerful female that will produce for years to come.

17A UNDERHILL SPECS I GUELPH, ONTARIO 3 EMBRYOS I ALL OUT x WAVE

Looking for a maternal milk line combined with a style bonus? The 12W cow, a Raven Meadows Magnum daughter is one of our greatest milk production cows that contains extra depth and a dark undercarriage. Combine her with the tidy 2016 CWA Bull Calf Champion, All Out and the resulting offspring won't disappoint. We feel this trait combination is an ideal match. Fall 2017 – first flush for the 12W cow. Embryos are stored at Boviteq, Woodstock, ON.. Consignor will split the cost of shipping to anywhere in Canada.

3 Canadian, United States and Australia exportable embryos. All resulting calves will be percentage registered.

UNDERHILL SPECS I GUELPH, ONTARIO

3 EMBRYOS I MEAT WAGON x WAVE

Looking for a maternal milk line combined with a paternal milk line? Double-double this combination is built around big production. The Meat Wagon dam has been the most successful and profitable dam in our herd and would compare to 12W in terms of total milk output. We expect the resulting offspring from this flush combination to come extra thick, durable and deep flanked. Fall 2017 – first flush for the 12W cow. Embryos are stored at Boviteq, Woodstock, ON. Consignor will split the cost of shipping to anywhere in Canada.

3 Canadian, United States and Australia exportable embryos. All resulting calves will be percentage registered.

Big Mac

20

FLEETWOOD SPECKLE PARK | IONA STATION, ONTARIO

3 EMBRYOS | BIG MAC x DESIREE

We are offering 3 IVF embryos out of Desiree x Big Mac. Desiree is a powerful female with style anyone can appreciate. She has had a very prosperous show career, and as of October 1 has been undefeated. We feel that this cross with Big Mac will produce solid calves with excellent style and production that we are looking to produce in our breeding. These will be the only embryos offered for 2018. If IVF is not exportable to your country, we will provide a package of 3 embryos exportable to your country after she has her natural born calf in February 2018.

Guarantee one pregnancy if implanted by a certified technician. All shipping costs are the responsibility of the purchaser. Embryos are stored at Kirkton Veterinary Clinic, Kirkton, ON.

D.A.M. DOTS RANCH | UNITY, SASKATCHEWAN

3 FEMALE SEXED EMBRYOS | CRIKEY X LIGHTNING LADY

Lightning Lady is an exceptional cow who consistently throws the BEST calf in my herd year after year. Her milking power is second to none proving this with her current year bull calf that has a 205 day weight over 850 pounds. She's a female I would love to have a whole herd of and here is your chance to get some females that will work just as good as she does. If you're wanting to improve your herd, these female sexed embryos will do just that. Don't miss out on this rare opportunity to get 31X's genetics. *3 Canadian use only female sexed embryos. Stored at Bow Valley Genetics, Brooks, Alberta. All shipping costs are the responsibility of the purchaser.*
