

Canadian Western Agribition

**CHAROLAIS**

SALE

November 22, 2018

Regina, SK

# From The Desk At T Bar...

Welcome to the 2018 Canadian Western Agribition Show and Sale in Regina. We, in the livestock industry, can be very proud of the scope of this feature event which attracts seedstock producers and dignitaries from countries around the globe. The Agribition logo is the "symbol of excellence" in livestock production and is recognized by all languages.

2018 boasts the best lineup of breeding stock ever selected for the Agribition sale and that is quite a statement after the success of 2017. The herd sire prospect will be a definite feature, ideal for any type of breeding program. The picks are exciting, giving the new purchaser an opportunity to obtain the finest from a program; while the females offered are dynamic, destined to make elite foundation females, many of which will become donors and mothers of superior herd sires in years to follow. The genetic pool assembled is filled with unlimited opportunities...many of a competitive nature!

We are all aware of the impact Charolais influence has on the commercial industry. In the purebred industry, the return on investment on bred females is amazing; as in many cases, the first bull calf produced pays for the breeding package. The problem lies in sourcing a package of good young cows...you can find them but they are seldom for sale. Only in a sale of this caliber can you get "pick" of the herd quality.

Plan to be with us at Canadian Western Agribition for the showcase of the Charolais breed. With the sale on Thursday and the show on Friday, you will be treated to great breeding stock, combined with wonderful hospitality and fellowship. It will be well worth the trip!

If we, at T Bar C, may be of any assistance prior to or sale day, feel free to contact any of the T Bar team for professional and confidential assistance.

Fantastic opportunity here! Justify is one of the best bulls ever raised here at Harcourt Charolais and we are extremely proud and excited to offer him in such a prestigious sale. After being successfully shown beside his outstanding mother this summer, excitement is continuing to build and for good reason too. He's super stout, big hipped, smooth fronted and has a great skull. His genetics only elevate his value. Milestone is an exciting new sire in Canada and has proven himself here at Harcourt Charolais. He stamps all his calves with sharp heads, solid foot and leg structure and that easy fleshing ability. Herd bulls come from great mothers and Justify is no exception. HBC Echo 614D is the type of cow people strive to produce. She's got that explosive barrel, gorgeous udder with perfect teat size and one of the deepest lower quarters we've ever seen. She moves like a cat and catches everybody's eye on the move. We think so highly of this bull and the cow family he comes from that we are retaining a 1/4 interest. HBC Justify 812F has the potential to leave a long lasting imprint on someone's herd, let it be yours! Homozygous polled, leptin tested CT.

**Retaining 1/4 interest, selling full possession.**

# CHOICE LOT

KAYR Dana 632D

KAYR Fallyn 828F

BW	EPDs	CE	BW	WW	YW	MILK	TM
74		9.4	-3.7	35	69	25	42

KAYR Fallyn 828F is sired by the \$50,000 WCR Commissioner, who has exceeded our expectations. We feel the maternal attributes of the Commissioners will be second to none. Fallyn has a stacked pedigree with a show look and her future may be as bright as any female we have ever raised. Fallyn and her dam have been a favorite since birth and the decision to sell choice has been difficult. Whatever lot you choose we feel confident that either will go on to be top end females.

# PICK OF HEIFER CALVES

Elder's Revealing 8066F

Elder's Princess 8013F

## Lot 203

## PICK OF THE KLR HEIFER CALVES

Elder Charolais Farm is pleased to present, what we consider, a great opportunity to add a functional female to your herd! We are offering the pick of our entire KLR heifer pen here at Elder Charolais. It was difficult to pick just one offering for this sale and thus we are excited to have you come to the farm and critique the heifers for yourself. You decide! You can take home the one which will work best in your female program. We have a great selection of heifers sired by our proven sires: Elder's Blackjack and Kay-R Extender; as well, we are excited with the job our new sires: HVA Baron, WCR Commissioner and Sharodon Double Vision are doing.

Whether it be a clean fronted, soft made, eye appealing show heifer - to raise you those stylish heifers that lead the way in the show ring; or that powerful long spined, deep bodied heifer with some overall mass - that will raise you those top end bulls and replacement females; we believe there is one here to meet the needs of any operation out there!

We will have three heifers on display this fall for you to scrutinize. These heifers are a good representation of what our female program has to offer you.

If anyone is planning on attending CCYA 2019 in Weyburn, this could be a great opportunity for you as we will take her home, breed her the way you want and deliver her to Weyburn.

**Pick to be made before March 21, 2019.**

# SELLING CHOICE OF 2018 AGRIBITION HEIFER CALVES

For the first time ever, we will be offering choice of every heifer calf we'll be showing at Agribition 2018!

The varied, yet proven, pedigrees and cow families involved make this a very unique choice. You'll be choosing between daughters of the outcross Debruycker sire, CJC Symbol, the calving ease, highly maternal, SVY Grizzly and the show stopping, MCF Bohannon. As powerful as these sires are, the cow families behind these females take no back seat with their family lineage tracing to such notables as the famous Gerrard Evetta, Bar K Vision 57T and VCR Miss Mac IV.

The foundation has been laid and the guesswork eliminated making this a productive and rewarding choice whichever the chosen direction!

 HRJ MISS ROXY 4R

Foxy Roxy 851F is one of the most exciting females we have ever offered and what better place than CWA. She has the massive rib, muscle and power that is so consistent throughout the Crowd Favourite 515C calves. 851F comes from the top of the heifer pen and out of a cow that has earned her place in the front pasture in a very short time. Foxy's dam is an absolute power house of a cow that exemplifies everything we strive for in the Charolais breed; powerful, functional and profitable. We truly feel this female will take your program to the next level.

It's a cliché to say Octavia will be hard to part with but it's the truth! 27F has a jam packed pedigree with maternal consistency top and bottom. Her dam, Main 648D, is a first calf heifer with a picture perfect udder and is quickly becoming a herd favourite. She's sired by SOS Gaucho 139D and let's just say his first calf crop has exceeded expectations with 27F standing at the top. She is sound on her feet, deep bodied and sweet fronted. Octavia has the style to compete in any show ring and the potential to be a front pasture cow in any herd.

BW	EPDs (PE)	CE	BW	WW	YW	MILK	TM
89		4.7	1.4	45	87	24	46

Flare is backed by some of the strongest maternal genetics in our herd. Her dam was a bred heifer when we took on the CSS herd. She has been one of the front end females since her arrival.

Maternal siblings to 1050F have been features in past bull sales. Diplomat was our high selling bull in 2017 to Cedarlea & Norheim Ranching.

The Suzanne female is no stranger to raising high sellers; her last two calves have raised \$48,000.

We feel Flare has been a standout heifer calf from the beginning. Her disposition, hip structure, length of body and thickness is admirable.

114		1.9	3.0	48	94	17	41

You really have to admire Vivian for the way she is put together, super long made, big bellied with a clean and feminine front end. She gets out and moves freely and is structurally sound. We absolutely love the udder that her dam possesses, being ideal in its type. Her grandmother was a cow that was in our flush program and was here till she was 14 years old. The Vivian cow family has always been one of our top performing families at the farm consistently having bull calves right up at the front end every year. This coming year we are highly anticipating our Downtown females entering into production, they are super consistent in their type, easy doing, soft made females that have a second to none disposition. We don't think there is any guess work on what Vivian can do once she enters into production. Take her home sale day and reap the rewards.

88		2.6	2.3	37	86	20	38

Mark Fendi down as one to watch for on the show road! We think you'll really like our 2018 Agribition offering. Fendi is out of 176W, one of our nicest made, most consistent, top producing cows in our herd. At nine years of age, she looks great, is maintaining her youthfulness and udder quality and has a good disposition. She goes back to Original who has sired some of our favourite females here at HBSF. Her 2014 and 2015 daughters are easily some of the best looking females on our farm. Fendi is a 3/4 sibling to El Paso, our 2017 high selling bull purchased by Stepler Farms Ltd. Their sire, Escobar, was the 2015 high selling bull at A. Sparrow Farms. Fendi is an exciting opportunity to add these quality genetics to your herd! Escobar's real strength might be in producing females. Our first calf, Escobar females were a must see at our 2017 bull sale. They are shaping up to be a really good looking, great haired, consistent set of females with beautiful, tidy udders and a nice teat size. Fendi is a great structured, moderate, well balanced heifer with tons of hair, shape and presence. We think with these predictable genetics she will be an asset to any program! Add Fendi's style, fashion and quality to your program!

Pleasantdawn Carla 251F

90		5.4	1.4	43	76	21	43

Temptation, no better name for this heifer. Sweet and straight fronted with explosive body mass. Standing solid on all fours, this female will leave a great impact on your herd. Her mother was shown successfully in the summer of 2016. HBC Bright Lights 509C is a flawless young female that is a front pasture cow with unlimited potential. We believe she will produce the right kind for years to come. Examine her photo. Everyone needs females like her in their herd. Take advantage of this opportunity to own an offspring off a great young cow. WC Milestone 5223P was the talk of the Denver yards in 2016. He was one of the highest selling Charolais bulls in North America in the spring of 2016, topping Wright's Charolais Bull Sale at \$125,000. He had massive ribeye of 21.66 square inches at 13 months. Extreme depth and great disposition. Add a daughter of this rising star in the breed. With a belly-swooping, angular heifer like this, why not indulge yourself with a "temptation." Homozygous polled, leptin tested CT.

**Juniors! We are willing to work with you to get this heifer bred and ready for CCYA in Weyburn 2019.**

January 5, 2018 Polled

GERRARD PASTOR 35Z  
**MVY PRECIOUS 65B**  
 MVY PRECIOUS 35X

Here is one powerful heifer with style and presence. Precious stems from our largest cow family, one we usually don't sell from. Every female on the bottom side of her pedigree is a top producer for us going all the way back to the 6P female. Her sire, Direct Deposit, was 2016 Agribition Senior Calf Champion and high selling bull in our 2017 bull sale. His first set of calves are the top calves at McAvoy Charolais. Precious will be very competitive in the show ring and go on to raise high sellers of her own.

Fantasy is long bodied, has lots of hair and is very correct on her feet and legs. She has good conformation and a real nice disposition. This Turton granddaughter is out of a perfectly made Sir Gridmaker daughter. She is sired by the Agribition 2016 Senior Bull Calf Champion. Fantasy is out of a top producing cow, who is a daughter of the 21P cow. She's a top end producer every year whose offspring have made a lot of money. This is a highly fertile line of females. Fantasy is a great investment!

DeGurse Francesca 6F

**Lot 214**

Here's the best out of my show string this year; DeGurse Francesca 6F. This January heifer is a fancy footed, eye turner and one you will want to definitely stop by and check out at the CWA! She shares the same lineage to the T Bar C Royal Elite sale's bred cow we offer. Their grand dam is the multiple year prize winner, Saunders Charolais JSR Mystique 17Y who was Reserve Senior Champion Female and Reserve Grand Champion Female Overall last year at the RAWF. This heifer calf was born unassisted and sired by PZC Bottoms Up whose calves are in high demand and rare to find. He really added tremendous depth of rib and top loin that complimented her foundation breeding out of Merit Round Up. Don't pass up this can't miss opportunity.

White Rose Sweetheart 803

The pick of the heifer calves at White Rose Charolais, only the best is headed north. A beautiful made daughter of the US Reserve National Champion Bull, TR DSUL 100 Proof. 100 Proof was Grand Champion Bull at the Black Hills Stock Show where he sold for \$35,000 to Carousel Farms. Sweetheart is upheaded, feminine fronted with extra length of body. A real standout, combining thickness, depth and a long stride. Her mother is a full sister to the renowned Baldrige Sweetheart 7M at Wright Charolais. Maternal blood runs in the Sweetheart family and this one is destined to follow her famous parents. She is ready to hang a few banners and go on to be a force in the donor pen. The Sweethearts are very hard to come by so don't miss your opportunity to own one of the best.

# PICK OF THE BRED HEIFERS

## Lot 216 PICK OF THE BECK FARMS BRED HEIFERS

Beck Farms is pleased to once again offer pick of their bred heifers in the Agribition Sale. This year's group is highlighted by the first set of daughters off Sparrows Braxton. Service sires include Braxton, Beck's Citation, LT Ledger, DC/KCM Marksman E1145 PET and RBM Kingsbury D28. With over 60 heifers to select from, the task of selecting just one will be challenging but more than rewarding. Some of our best heifer calves and feature bulls in our sale every year are out of our two year olds. This is one offering not to be missed.

**Selection to be made by April 1, 2019. If heifer selected has a bull calf at side, Beck Farms retains ¼ semen interest in the bull calf.**

**Sparrows Braxton 519C** - Sire and Service Sire to many heifers

**Beck's Citation 615D** - Service Sire  
Raised by a two year old

**Beck's Mist 12E** - Raised by a two year old

**Beck's Tassel 3E** - Raised by a two year old

 JWX REAL DEAL 297T

Envious is one of the reasons we feel Downtown will leave a lasting impression on the Charolais breed. When we talk about brood cows that will produce long term and yet maintain themselves in a commercial environment, the Downtown progeny provide that combination. Envious has a versatile pedigree and can be a cornerstone female in any breeding program. Her maternal sister was a high selling female to Elder Charolais in our Volume I Sale. We are confident 297E has the pedigree and phenotype to make a sensational cow.

**AI bred to WCR Commissioner 593P on April 7, 2018.**

## ANNUROC EXTRA STYLE 2E

SPARROWS SANCHEZ 715T  
LAE X-TRA STYLE 65X  
LAE BLUE STYLE 834U

Ben came and picked her because just like her name, she has style backed by a pedigree full of great ones! Probably the last calf to sell out of LAE X-tra Style 65X that puts the top ones out every year. A few years ago we sold a half sister to Style in the Agribition Sale that Dennis Serhienko bought and now we are offering our daughter's 4-H project. She is going to be missed for sure but Ben says you have to sell the good ones!

**AI bred to MCF Bohannon 305A on March 25, 2018. Pasture exposed to Annuroc Epidemic 5E from April 10 to June 20, 2018. Ultrasound confirmed.**

We are pleased to sell this Braxton heifer in one of the world's biggest stages, the CWA Charolais Sale. At this calibre of sale, we offer one of our best, DSY 255E. She is sired by Sparrows Braxton 519C, 2017 high selling bull in Canada. This past spring it was evident that the commercial industry embraced the Braxton sons. Braxton's consistent calving ease and explosive growth generated high demand for his sons. As our Braxton females develop, we value them more and more. These stylish, Braxton females are deep chested, correctly structured, with sound udders. DSY 255E ultra sounds safe to her April 1 observed breeding date to our elite heifer bull Pro-Char Winchester 6D.

**Pasture exposed to Pro-Char Winchester 6D from April 1 to May 22, 2018. Observed bred on April 1, 2018.**

**Lot 226**    ELDER'S **BLACKJACK** 788B  
5 Straws: Donated by Elder Charolais Farm  
and Wilgenbusch Charolais

The Semen Auction is a fundraiser run by the Canadian Charolais Youth Association (CCYA), where semen from top bulls in the breed are generously donated from various breeders across the country. All funds directly support the youth. The semen donated is auctioned off at one of the fall sales and all proceeds go towards programs of the National Board. Particularly, leadership scholarships are presented at the conference and show from funds raised through the Semen Auction, recognizing senior members on their contribution to the Charolais breed and their leadership among other Charolais youth members. The CCYA National Board would like to thank everyone who has donated and supported in the past for making our programs and scholarship opportunities possible for our youth.

# Terms & Conditions...

## **TERMS:**

The terms of the sale are cash or cheque, payable at par at the sale location. The right of property shall not pass until after settlement has been made; no invoicing on buyers in attendance unless previous arrangements have been made. Every animal sells to the highest bidder and in cases of disputes, the auctioneer's decision will be final. Announcements from the auction block will take precedence over the printed matter in the catalogue. Current exchange rates will be announced sale day. All monies are in Canadian funds.

## **CERTIFICATE OF REGISTRATION:**

Each animal will carry papers issued by the Canadian Charolais Association, unless otherwise stated. A certificate of registry duly transferred will be furnished to the buyer for each animal after payment has been made.

## **HEALTH:**

All animals in the sale have met all necessary health requirements.

## **GUARANTEE:**

Each animal becomes the purchaser's risk immediately after the animal is sold. All animals in this sale will be sold under the terms and guarantees set forth by the appropriate breed association with regard to health, freedom from defects and from both reproductive and specific genetic unsoundness.

## **PREGNANCY INFORMATION:**

All serviceable age females have been pregnancy examined by an accredited veterinarian, giving an estimated length of gestation. This estimated gestation period shall be used only as a guideline to calving and is not a guarantee of actual service.

## **LIABILITIES:**

All persons attend the sale at their own risk. The seller, facility owner and sale manager assume no liability legal or otherwise, for any accidents that occur. It is understood that T Bar C Cattle Co. (2013) Ltd. is acting only as a medium between buyer and seller and is not responsible for any failure on the part of either party to live up to his obligations. Neither does T Bar C Cattle Co. (2013) Ltd. assume any financial obligations to collect or enforce collection of any monies between parties and any legal action that may in exceptional cases be taken must be between the buyer and the seller. T Bar C Cattle Co. (2013) Ltd. assumes no responsibility for any credit extended by the seller to the buyer. The buyer must look to the seller for fulfillment of all guarantees and representations made hereunder.

## **DELIVERY:**

Every assistance will be given in getting your purchases home. Each animal becomes the risk of the purchaser as soon as sold.

## **PHONE, MAIL, WIRE BIDS:**

Bidders unable to attend the sale may phone, wire or mail their bids and instructions to the sale manager, auctioneer or special representatives. Bids must be received in sufficient time prior to the sale.

## **INSURANCE:**

We strongly recommend that insurance is purchased for full value.

## **ERRORS:**

All announcements at sale time, written or oral, supersede any written material in the catalogue.
