Extravaganza

ANGUS SALE

Saturday, October 3, 2020 — 1:00 pm
Ontario Stockyards Inc.
Cookstown, Ontario

From the desk at T Bar...

The first Saturday in October has been a long tradition in the Angus business for breeders to gather in Central Ontario to appraise some of the best cattle the area has to offer. This year being no exception, the cream of the crop has been selected in this growing consignment sale. Please make note of the location

change now being in Cookstown, just minutes off the 400 Expressway.

This year we welcome some new consignors that are fresh in the business and want to forge ahead and do their best for the sale and the breed. The 19 consignors involved in the sale have all stepped out to represent their product and herd to the best of their ability and we thank them for doing so. I truly believe events like the Eastern Extravaganza Sale are healthy and active for fellow breeders to have competition within each other to produce the best kind of cattle they can while also have fun, entertainment along the way. As some may criticize, others will forge on and I truly believe as you study through this catalogue and see the depth of the offering you will agree.

This sale has probably never seen calendar year heifer calves like this set. The quality is deep, heifer calves that are jaw dropping gorgeous with pedigree to burn. Study through this set and trust me, you'll get the itch to inquire! We have a select few of pairs in the prime of their life that are waiting to continue on and produce what they have on display beside them. Interesting to note some of the most intriguing and high selling cow families within the province have come through the Eastern Extravaganza sale ring. The largest portion annually are the breds. Hand selected for many traits... not only looks, but pedigree and service sire. The research is literally complete, and the homework is done on this fantastic group of females!

Please feel to contact any consignor or the sale staff for any questions as we would be glad to help. Come anytime Friday before hand and or sale day and let's make this year's sale the best yet! Never before has there been a better time to pull together and be one large Angus community and charge on into a great Angus future!

Thank you,

BEN WRIGHT

This is a powerhouse, foundation female if we ever did raise one! 2H is an S A V Renovation daughter out of a hard-working Cash Flow female that we bought from the Kemp Brothers out of the Eastern Extravaganza Sale. This stout, soggy made, sound calf has turned heads ever since she was a baby. On sale day you will appreciate her depth and thickness.

S A V Renovation 6822: - Sire

Kemp Brothers Royal Lady 24E: Dam of Lots 1 and 2

This Flat Top female is really long sided and powerful with a lot of performance. A maternal sibling to the 2H heifer calf (Lot 1) that is in this sale. This heifer is bred to Musgrave 316 Colossal 137 and due to calve on January 1. This will be a great way to ring in 2021!
AI bred to Musgrave 316 Colossal 137 on March 25, 2020. Due to calve on January 1, 2021.

Ross Bailey always told me, "You gotta sell the good ones kid!" As much as I don't want to let this one go, I know he is right! Simply a beautiful Attractive daughter with an abundance of body, depth and style. She is out of a 13-year-old cow that we raised that has had 11 calves and never misses. What is going to be very exciting is the calf she is carrying.
AI bred to Premier Fusion 809F on March 27, 2020. Due to calve January 3, 2021.

Here's a package you will want to pickup in a hurry! An opportunity to get in on the cornerstone female line from Gillco Farms. Allegra 2G is a daughter of a full sister (Net Worth) to the great Gillco Allegra 2A, a donor female in the Strongbow Farms program. 2G herself is a full sister (Conversation) to Gillco Allegra 2E, the top selling 2017 Extravaganza Sale calf, purchased by Johnson Livestock. And there is more!! 2021 will start off right with her sexed female mating to Stevenson Turning Point. She is haltered and quiet.
AI bred to Stevenson Turning Point on April 6, 2020. Due to calve January 13, 2021. Vet checked safe.

Gillco Allegra 2A - Full Sister

Once again, Gillco Farms are pleased to be able to offer another great foundation female from the top of our herd. Velvet 3A represents what we strive to build at Gillco. She is deep bodied, big butted and perfectly uddered, just a beautifully designed donor type female. Her maternal sister, Gillco Velvet 1Z, was the top selling cow in the 2018 Extravaganza and is now working as a donor in Dudgeon's program. As an added feature, 3A is bred to the very popular S A V President bull for an exciting January 1 calf. Whether you are a new breeder to the industry looking for that cornerstone female or an established herd just looking to add new genetics, 3A will not disappoint. She is haltered and quiet. **AI bred to S A V President 6847 on March 25, 2020. Due to calve January 1, 2021. Vet checked safe.**

Roxy 1D is a stylish, moderate framed, broody, nice uddered, quiet female. Her pedigree speaks volumes with Density and New Frontier at the forefront maternally and goes back to the great Harron Roxy 13D cow. Roxy 1D has produced many great females for Gillco. Her service to Musgrave Colossal for an early January calf will be another great one for her new owner.

AI bred to Musgrave 316 Colossal 137 on March 31, 2020. Due to calve January 7, 2021. Vet checked safe.

Here is your chance to get a Raindance female. Raindance progeny are the talk of the Angus industry from coast to coast. 6H is a long bodied, square standing, good footed calf with a sweet profile. A great outcross option along with the great maternal qualities of Blackcap May 4136. Don't miss this one on sale day. She is haltered and quiet.

Herd Bull Alert! We don't normally sell bulls in the fall but Ben thought we needed to make an exception for this guy! The old saying goes, "save the best for last," well we believe our old Favorite cow from Brockhill did just that. This was the last embryo in the tank and she has passed on to greener pastures after being our foundation female for years! What a job she has done on this guy, he has been a standout to everyone that has seen him and will be the heaviest calf we have ever weaned off here at Worth-Mor. If you're in the market for a bull next spring take a look now and don't miss this great opportunity!

Emmy 911G is a very attractive daughter out of our herd sire from LLB in Alberta. Long sided and big footed she is sure to become a great young cow next spring. Due to the popular herd sire at Peak Dot, Bushs Easy Decision, for a January baby! **AI bred to Bushs Easy Decision 98 on April 14, 2020. Due January 22, 2021. Checked safe.**

Here is a very exciting opportunity to pick one of what we feel to be our best two calves of 2020. A pair of SAC Conversation flush mates out of our North Perth Barbara donor dam. The Barbaras from North Perth continue to flourish everywhere for their new owners since moving to new homes after their dispersal. 513C is no exception of a tremendous Angus cow; tonnes of power and a beautiful udder you can compare to the best dairy cow around! We are offering these two sweethearts and will be happy to take what is left back home to develop the next generation of Barbaras here at Worth-Mor. Juniors get ready for 2021 with your new purchase!

Headliner 252B is what her name says! A Final Answer, safe in calf to sexed Conversation, for an early January baby! A rare opportunity to find a Final Answer dam for sale is our loss and your gain. Very stout and long sided with a beautifully attached udder. She is what we strive for in an Angus cow. She is doing a tremendous job on her Barstow Bankroll heifer calf beside her that is very quiet and halter broke. Heidi would make a great junior project for next spring!

AI bred to sexed SAC Conversation on April 8, 2020. Due January 16, 2021. Checked safe.

Another beautiful Resource daughter. You have to like the easy doing type of cattle these Resource daughters are. Makes great cows, out of a well bred dam.

AI bred to Musgrave 316 Stunner on March 27, 2020. Pasture exposed to Curraghdale Innovation 7F from June 3 to August 10, 2020. Preg checked safe to AI service on August 11.

A beautiful Authority daughter with lots of extension in her. Long as a train and very feminine. Bred to Stunner, definitely a great service to this female.

AI bred to Musgrave 316 Stunner on May 7, 2020. Pasture exposed to Curraghdale Innovation 7F from June 3 to August 10, 2020. Preg checked safe to AI service on August 11.

Patricia 22G is going to be a power cow. Bred to be a maternal powerhouse. Out of the great Density. Dam is a big volume cow raising top end calves, year after year. Very hard to part with her.

AI bred to PVF Insight 0129 on April 10, 2020. Pasture exposed to Curraghdale Innovation 7F from June 3 to August 10, 2020. Preg checked safe to AI service on August 11.

Eclipse 5G is a very feminine yearling heifer with lots of style and length of body. Sired by LLB Eliminator who has done an excellent job here at Tullamore. Her dam, HLC Eclipse 276A, was shown very successfully by Tullamore as a yearling heifer and has become a very prolific cow with a picture perfect udder.

AI bred to Baldrige Herdsman, a new young sire from Select Sires Genetics, on May 14, 2020. Pasture exposed to Tullamore Answers 22F, an S A V Final Answer grandson out of a top producing Connealy Earnan 076E cow from June 14 to August 10, 2020.

Idelette 21G is a younger February heifer with the same style and structure of our other LLB Eliminator consignments. Her dam is sired by the mighty S A V Density, a bull that has produced many great females. This heifer has it all; S A V Eliminator, S A V Net Worth and S A V Density in a very complete package.

Bred to Baldrige Herdsman, a bull with stellar EPDs and excellent phenotype, rich in pedigree and top performance on May 14, 2020. Pasture exposed to Tullamore Answers 22F from June 14 to August 10, 2020.

Lot
22

Smoko 14G is the complete package, a smaller framed heifer that has put it all together with lots of substance and style throughout. Her dam is by S A V Radiance 0801 and out of a highly productive cow from Clover Lane by Duff New Attraction 6110 has done it all. **AI bred for a February calf to Baldrige Herdsman, a Basin Payweight 1682 son on May 14, 2020. Pasture exposed to Tullamore Answers 22F from June 14 to August 10, 2020.**

Betsy 15G is a super fronted, stylish bred heifer, great length of body carried on a great set of feet and legs. Again sired by LLB Eliminator 420D. This will be the first set of bred heifers by LLB Eliminator to sell. Her dam is a very stout, productive cow by S A V Heavy Hitter out of an Eastondale cow still in production here at Tullamore. **AI bred to Baldrige Herdsman, whose dam Isabel Y69 has produced more AI stud bulls than any dam in recent history, on May 14, 2020. Pasture exposed to Tullamore Answers 22F, a son of JL Answers 4013 and a Connealy Earnan dam, from June 14 to August 10, 2020.**

This calf has tremendous extension throughout her overall makeup. She exhibits loads of performance and has a great disposition. One of the standouts of this year's calf crop, we are sure this heifer is bound to do great things. Halter broke and itching to show.

This female is extremely clean in her lines. She is well made with a picture-perfect udder. Selected from the heart of our Agnes cow family, which has been very kind to us over the years. Agnes 6C is a maternal sister to our top donor cow, Agnes 5Z. As you can see from her 2020 calf, she is a hard-working cow and never fails to outproduce herself. Agnes 6C has had a long and successful show career.

AI bred to female sexed S A V Raindance 6848 on April 20, 2020. Ultrasound preg checked safe to AI date.

Bonnie 2B is a maternal sister to the 2019 Supreme Champion Female of the National Junior Beef Heifer Show. Hawthorne Fantasia now resides at IRCC as the foundation female to head their Angus program. Bonnie is the first calf out of dam, Agnes 5Z, who remains our cornerstone donor cow. As a calf, she was second in class at the RAWF and has developed into one of our most consistent and productive cows.

AI bred to female sexed S A V Raindance 6848 on April 13, 2020. Ultrasound preg checked safe to AI date.

Blackbird 4F is an exceptionally long sided female sired by the great Pioneer. Out of our Saugahatchee cow female, she is my pick to go on to be an outstanding brood female. She is flawless in her makeup and has been shown with great success as a calf and yearling.

AI bred to female sexed S A V Raindance 6848 on April 21, 2020. Ultrasound preg checked safe to AI date.

Dam: Hawthorne Blackbird 9U as a calf

Lot
27

Phyllis is the definition of cow power. She is deep, soggy, free-moving and still maintains a feminine front end. Longevity, strong udders and natural thickness are all classic traits of our Phyllis cow family. Her dam and granddam are still producing strongly in our herd at 8 and 11 years respectively. She is bred for a January calf to Conley Express. He was a standout of the 2018 Denver pens and continues to make waves in both the show and sales ring. His first 14 progeny to sell averaged \$29,500 at Express Ranches Big Event Sale. This mating should be explosive.

AI bred to Conley Express 7211 on April 17, 2020. Preg checked safe to breeding date.

Conley Express 7211 - Service Sire

We all know how impressive Boss Lake Bonafide was in the show ring and if this lady had her chance to be out there this year, she would've been one to watch for. Hillary has crisp lines and a pretty front end. Her dam is one of our most impressive Angus females who continues to produce excellent calves year after year. Her two-year-old maternal sister has a flawless udder passed down through the Missie cow family and surely, we expect the same for Hillary.

Boss Lake Bonafide 722E - Sire

Lot
29

Donovandale Harmony would make an excellent junior project for 2021. She is a calf we are very proud of. S A V Renovation 6822 is used extensively in the S A V flush program. Harmony is very attractive with a feminine front end, deep middle and an impressive, wide, deep hip that she gets from her easy keeping dam, Donovandale Brittany.

Coming from Willdina is Blackbird 96G by Harvestor bred to the great young bull Premier Fusion. Ben Wright came and picked her as our first consignment for the Extravaganza Sale. T Bar C have assisted us with many of our new purchases over the past five years.

Blackbird is a quiet, halter broke heifer, that is youthful and off pasture. Her dam, BFLC Blackbird 74B, purchased as a heifer through the Gilchrist sale, has and is breeding very well, with a great udder. We believe Blackbird 96G has a great future.

AI bred to Premier Fusion 809F on April 2, 2020. Pasture exposed to Whiskey Lane Custom Built 3C from May 6 to September 26, 2020. Pregnant to AI service.

Lot 31

Talk about a heifer with a sweetheart personality and the look to back it up, Lucy 2004 has been a farm favourite since day one. Her Final Product three-year-old dam has a picture perfect udder and expect this one to follow in her footsteps. Sired by Raindance, this combination has endless potential and would be a great addition to any herd.

When it rains it pours! Raindance has been making waves in the breed as of late with his progeny and this heifer is no exception. Eulima 2003 is a heifer with lots of shape and dimension from the ground up, wrapped up in an attractive package. Her dam hails from the legendary LLB herd and was a past sale highlight in 2018. This will be one to watch for on sale day.

Sired by Colburn Primo 5153, this easy fleshing and well-balanced female is a great choice to add to a herd. Her dam is a well uddered cow with a +25 on milk EPD. We have retained many heifers out of this cow family and have never been disappointed. Take a look at the pedigree on her and see for yourself.

AI bred to Musgraves 316 Stunner on April 7, 2020. Pasture exposed to RMCC Image 21F from June 15 to July 18, 2020. Due January 14, 2021.

4G is a thick made, stylish, eye appealing female from a solid cow family with lots of milk and picture perfect udders.

Bred to Quaker Hill Columbus 6V48 on April 13, 2020.

Checked safe in calf by ultrasound to this date.

From the Bardetta family, this big heifer catches our eye every time we go out to the field. She's clean fronted with a real broody look. Her dam, PFLG Bardetta 38E, is a very easy keeping cow with lots of milk and has been a great addition to the Willowside Angus herd. Expect a good Flat Top calf in January!

AI bred to Werner Flat Top 4136 on April 16, 2020. Checked safe to this date. Due on January 24, 2021.

We are very proud to be offering another Willowside Jillian. 9G is deep sided, wide topped, perfect fronted and has brood cow written all over her! Willowside Jillian 9G will make an excellent addition to any herd and as a result, we are finding 9G difficult to part with! Jillian 1X, her dam, consistently delivers top quality calves for us and she produced the Champion Senior Heifer Calf at the Royal Winter Fair. You will not be disappointed! Bred to our new herd sire here at Willowside, DFCC 244B Foley 25F, that we purchased from Double F Cattle Company in Saskatchewan. He is a Six Mile Complete 244B Son. **Bred to DFCC 244B Foley 25F on April 29, 2020. Vet checked safe. Due on February 6, 2021.**

Here is an opportunity to acquire a maternal sister to the 2019 Royal Winter Fair Reserve Champion Angus Bull and Canadian Angus Jr Show Bull of the Year. Graco Shedaisy 77H is a long-bodied calf with a feminine front end built to grab attention. She is poised to follow in her mother's footsteps as a productive cow and will make a great addition to your herd.

Graco Zara 66H is a Brilliance daughter with lots of eye appeal. Her dam is a moderate framed Cash Flow cow with superb udder quality. Zara, herself, has exceptional thickness and internal dimension. She pairs all that power with a smooth hind leg and overall balance. Exciting show prospect for 2021.

With S A V 004 Density semen getting harder to find, the opportunities to procure a Density bred heifer is getting fewer. Rob Roy Annie 2G is what one would expect from her sire as well as her dam, Buck Lake Annie 176X, who came to our farm through Gold Bar Livestock. She is real feminine in appearance, has a quiet disposition and will make a great contribution to any cow/calf operation. It was difficult to commit her to the sale but she was Ben's first pick out of our bred heifers.

AI bred to the multi-time champion, MICH Wheatland Hicaliber 7197E on April 15, 2020. Pasture exposed to Rob Roy Final Product 1G from May 1 to July 31, 2020. Preg checked safe to AI conception.

Rob Roy PC Allegra 4G is a strong, well structured bred heifer with lots of potential in her future. Her dam goes back to Glen Islay genetics on both the top and bottom side and she has consistently left us with great calves every time. Her AI sire is the 5T Power Chip 4790 bull who is increasingly well known for what he adds to his offspring. A chance to acquire a great female on this consignment.

AI bred to MICH Wheatland Hicaliber 7197E on April 15, 2020. Pasture exposed to Rob Roy Final Product 1G from May 1 to July 31, 2020. Preg checked safe to AI conception.

Heidi Fleiss is a prototypical Insight daughter, with her flashy front, flawless motion, wide sweeping rib cage and that beautiful back leg/hip combo. She comes out of our top two-year-old, a high powered EF Titan daughter. With a group of Titan daughters in production now, they are everything a cowboy can ask for, easy calvers, great udders and phenomenal mothering instincts. If you are looking to make your mark on the tanbark next year when the shows resume, then be sure to give this peach a look on sale day.

Harlow 28H is a heifer that is very tough to see go down the road, but the best ones must sell. This February heifer is just oozing with power and substance and puts it all together in an eye appealing, balanced package. 28H is another beauty Cash Flow daughter like many we have here and her dam, 130X, is a cornerstone cow who knows how to get it done. If you're a pedigree guy you can't help but notice the likes of Heritage, Battle Cry and a cow that started our herd from the great Ross Bailey. If you're in the hunt for a heifer you can drag to town and then kick her out and watch her raise your herd builders year after year, then check this girl out.

It was with mixed emotions that last year we offered our first heifer from the Dixie Erica family to leave the farm but as they say, "you need to sell the good ones," which is why two of them are in this year's sale. This Baldrige Bronc daughter offers balance and style. She is complete in her makeup and take note of the EPDs on this female. Don't miss this heifer on sale day.

Here is a female we're proud to pass on to a buyer with a sharp eye that can pick a future production cow. This long sided, feminine fronted female passes on traits from her show competitive dam that Abby successfully campaigned for us in 2016. The power this girl oozes comes from our herd sire, Ontario's 2018 Angus Show Bull of the Year, Lazy JB Compound Effect. Analyze this one however you want, we think you'll find success!

47G is a beautifully designed heifer with balance, performance and style. Out of a super productive, beautiful uddered, nine-year-old Rosebud cow, this Renovation heifer is loaded with future cow power potential and ready to go to work.

AI bred to S A V Radiance 0801 on March 26, 2020. Ultrasound preg checked safe to this breeding.

A few years ago we started using Boyd Authority in our program; this bull brings with him a lot of practical traits that most of us in the cattle business, to make a living, can really appreciate. We kept a pick of his sons to walk in our program, Kemp Brothers Exit 53E. This is the first offering out of this promising herd sire. 118G is a smooth made, deep ribbed, moderate framed heifer made just how we like 'em.

AI bred to Musgrave 316 Colossal 137 on April 8, 2020. Ultrasound preg checked safe to this breeding.

Lot
53

Lot
54

I guess you should never say never. Here's one out of the proven show bull, Colburn Primo. We've always stayed away from bulls that were noted show cattle producers in our sire selection. But as the saying goes, if you can't beat 'em, join 'em. 73G sure has "that look". Out of a really practical, nice uddered, deep ribbed cow, I think she'll hit the mark for her next owner.

 S A V BISMARCK 5682
 KEMP BROTHER'S MS BLACKCAP 54W
 KEMP BROTHERS WARRANT 5W
 STALBURN ROYAL LADY 18R

Julia's 4-H calf from last year never got to go to town this year, till now. This Radiance daughter is sure to impress in terms of her overall balance, style, depth of rib and an incredible amount of docility. **AI bred to Kemp Brothers Cherokee 98C on March 22, 2020. Ultrasound preg checked safe to this breeding.**

Here's a really nice Cherokee daughter out of a South Dakota cow that we sold to Galten Farms. We feel like these Cherokees need no introduction but for those of you who are new to our program, they just flat out work. We've walked him in our program since he was a yearling fresh off being slapped Reserve Grand Champion Bull at the Royal. He's very consistent at managing BW without sacrificing YW. His calves are always among the best in our replacement pen. If you haven't brought home a Cherokee, I'd suggest giving 101G a good hard look.

AI bred to LT Converse 8011 on April 28, 2020. Ultrasound preg checked safe to this breeding.

After the long Cherokee speech on the 101G heifer, we'll keep this simple; ditto on this offering!!

AI bred to Werner Flat Top 4136 on March 16, 2020. Ultrasound preg checked safe to this breeding.

Terms & Conditions...

TERMS:

The terms of the sale are cash or cheque, payable at par at the sale location. The right of property shall not pass until after settlement has been made; no invoicing on buyers in attendance unless previous arrangements have been made. Every animal sells to the highest bidder and in cases of disputes, the auctioneer's decision will be final. Announcements from the auction block will take precedence over the printed matter in the catalogue. Current exchange rates will be announced sale day. All monies are in Canadian funds.

CERTIFICATE OF REGISTRATION:

Each animal will carry papers issued by the Canadian Angus Association unless otherwise stated. A certificate of registry duly transferred will be furnished to the buyer for each animal after payment has been made.

PEDIGREE ESTIMATES

Pedigree Estimates (PE) are created on the projected mating of the animal's sire and dam based on averages of the two, creating estimated values that do not hold the same accuracy of actual EPDs issued from the association and should be used as such.

HEALTH:

All animals in the sale have met all necessary health requirements.

GUARANTEE:

Each animal becomes the purchaser's risk immediately after the animal is sold. All animals in this sale will be sold under the terms and guarantees set forth by the Canadian Angus Association with regard to health, freedom from defects and from both reproductive and specific genetic unsoundness.

PREGNANCY INFORMATION:

All serviceable age females have been pregnancy examined by an accredited veterinarian, giving an estimated length of gestation. This estimated gestation period shall be used only as a guideline to calving and is not a guarantee of actual service.

LIABILITIES:

All persons attend the sale at their own risk. The seller, facility owner and sale manager assume no liability legal or otherwise, for any accidents that occur. It is understood that T Bar C Cattle Co. (2013) Ltd. is acting only as a medium between buyer and seller and is not responsible for any failure on the part of either party to live up to his obligations. Neither does T Bar C Cattle Co. (2013) Ltd. assume any financial obligations to collect or enforce collection of any monies between parties and any legal action that may, in exceptional cases, be taken must be between the buyer and the seller. T Bar C Cattle Co. (2013) Ltd. assumes no responsibility for any credit extended by the seller to the buyer. The buyer must look to the seller for fulfillment of all guarantees and representations made hereunder.

DELIVERY:

Every assistance will be given in getting your purchases home. Each animal becomes the risk of the purchaser as soon as sold.

PHONE, MAIL, WIRE BIDS:

Bidders unable to attend the sale may phone, wire or mail their bids and instructions to the sale manager, auctioneer or special representatives. Bids must be received in sufficient time prior to the sale.

INSURANCE:

We strongly recommend that insurance is purchased for full value.

ERRORS:

All announcements at sale time, written or oral, supersede any written material in the catalogue.
