

A herd of cattle is gathered in a field, with many white leaves falling from the sky, creating a festive atmosphere. The scene is set in a rural landscape with a clear horizon.

HOMECOMING 2020 *Speckle Park Sale*

Wednesday
NOVEMBER 4
5:00 PM **2020**

AT STOCKADE ROUNDUP
LLOYDMINSTER, SK

From the desk at **T Bar...**

Welcome to Homecoming 2020! This has been a year none of us will ever forget, for many reasons. This event will be one of those things you will never forget. We invite you to where the Speckle Park roots begin, for a special event celebrating the advances and successes the breed has accomplished.

This offering has been hand-picked, every lot in this catalogue is backed by solid, proven breeding and will move any program forward to be ready for the next decade. The next decade is going to be one of the best the Canadian beef industry has ever experienced. Beef cow numbers are at the lowest level they have been in the past decade and beef sales are high. The only way to take advantage when numbers are low and demand is high is to have inventory. Don't miss this opportunity to increase inventory with some of the most elite available this fall.

The greatest thing about a sale held in conjunction with a show is you know this is the cream of the crop because only the best of every program get shown. Hats off to the staff and committee of the Lloyd Ex for following through with this event! This will be your only chance this fall to come and see the best of the top programs from across Western Canada and get to compare them all in one spot. Even better is you will have the chance to take them home and add them to your own program. Thank you to the consignors for opening your gates and allowing us to come in and select your best, you are all leaders in the breed.

For those of you unable to join us in the Border City, both the show and sale will be broadcasted live on DLMS. As always, feel free to contact any of the T Bar team if we may be of assistance prior to or sale day.

Show stopper here! Halo has been a favourite with all our visitors throughout the summer, she has that eye appeal we all desire. Wide topped, big hipped and tons of middle; she is complete from tip to tail. Off our foundation cow; A&W 7Y, she has a promising future ahead. 7Y progeny are as consistent as you can make them. Halo is a maternal sibling to the 2018 Agribition Grand Champion Heifer Calf and Reserve Champion Female, Greenwood First Lady DJP 7F, that sold to Prestwould Parke for \$22,000. Whether you're looking for your next front pasture donor or banner chasing show heifer, this is the one.

Offering a package of three (3) Grade A embryos from Baxter and one of our favorite cows who consistently produces exceptional natural and ET calves regardless of the sire. Full siblings to these embryos include Colgan's General 20G (2019 CWA President's Classic Speckle Park Bull Calf) and two standout powerhouse females; Colgan's Genesis 21G and Colgan's Forget Me Not 22F, who we have kept in our herd. The calves are eligible to be registered as purebred. SNP50K has been completed on sire and dam. This will be the only offering of this mating for this year, as the remainder of the embryos will be used in our 2021 program.

Storage, delivery and insurance fees are the responsibility of the purchaser.

Qualified for AUS, EU, North and South America.

Stored at Davis-Rairdan Embryo Transplants Ltd., Crossfield, AB.

Length. Power. Style. Future 20F can add it all, he is a bull with tons of added shape, length and neck extension. Phenotypically Future is flawless, admired most for the perfect foot under him and the elegance of his smooth stride. A calving ease sire with extremely high rates of gain, he will work on just about any female out there. Calves sired by Future are on the ground at Greenwood and have stayed very characteristic to Future himself; big hipped, wide topped, and high performance. He is one of the most exciting young sires with a promising future ahead. Use him with confidence that he will produce both high performance and banner chasers. Whether you are looking to raise show stopping heifers or eye-catching bulls, look no further.

Semen Qualified for Canada and Australia.

The Ferrari 27X cow falls into the top 5% of our cow herd for lifetime profitability. She has now had three heifer calves in a row sell on the plus side of \$10,000/head. We use a different sire across Ferrari 27X each year, yet she makes them fancy and functional every time. We finally flushed Ferrari for the first time this summer and with positive results, we are able to offer a set of four exportable embryos. When we talk about output, the joining Excalibur 345E bull produced the Grand Champion and Reserve Champion Bull Calf at Agribition 2019. Excalibur goes back to some of the most influential breed developers like; Traffic Jam, Moo Fassa and Masterplan. Unfortunately, Excalibur is no longer alive, so this combination is a very unique opportunity on many fronts. These are the first embryos to go on offer from Ferrari 27X and the only for 2020.

Qualified: Canada, USA, Australia, EU and Brazil.

Embryos harvested at a controlled flush station and stored in an international government inspected tank.

Buyer pays shipping from Boviteq, Quebec Canada.

Terms & **Conditions...**

TERMS: The terms of the sale are cash or cheque, payable at par at the sale location. The right of property shall not pass until after settlement has been made; no invoicing on buyers in attendance unless previous arrangements have been made. Every animal sells to the highest bidder and in cases of disputes, the auctioneer's decision will be final. Announcements from the auction block will take precedence over the printed matter in the catalogue. Current exchange rates will be announced sale day. All monies are in Canadian funds.

CERTIFICATE OF REGISTRATIONS: A certificate of registry duly transferred will be furnished to the buyer for each animal after payment has been made.

HEALTH: All animals in the sale have met all necessary health requirements.

PREGNANCY INFORMATION: All serviceable age females have been pregnancy examined by an accredited veterinarian, giving an estimated length of gestation. This estimated gestation period shall be used only as a guideline to calving and is not a guarantee of actual service.

LIABILITIES: All persons attend the sale at their own risk. The seller, facility owner and sale manager assume no liability legal or otherwise, for any accidents that occur. It is understood that T Bar C Cattle Co. (2013) Ltd. is acting only as a medium between buyer and seller and is not responsible for any failure on the part of either party to live up to his obligations. Neither does T Bar C Cattle Co. (2013) Ltd. assume any financial obligations to collect or enforce collection of any monies between parties and any legal action that may in exceptional cases be taken must be between the buyer and the seller. T Bar C Cattle Co. (2013) Ltd. assumes no responsibility for any credit extended by the seller to the buyer. The buyer must look to the seller for fulfillment of all guarantees and representations made hereunder.

DELIVERY: Assistance will be given in getting your purchases home. Each animal becomes the risk of the purchaser as soon as sold.

PHONE, MAIL, WIRE BIDS: Bidders unable to attend the sale may phone, wire or mail their bids and instructions to the sale manager, auctioneer or special representatives. Bids must be received in sufficient time prior to the sale.

INSURANCE: We strongly recommend that insurance is purchased for full value.

ERRORS: All announcements at sale time, written or oral, supersede any written material in the catalogue.
