

20th
Anniversary
Justamere
Sale of the Year

MONDAY, OCTOBER 21, 2019 1:00 PM
AT JUSTAMERE HEADQUARTERS
LLOYDMINSTER, SK

Jon, Shelly, Tyra, Jon, Jim & Jorja

Hello and welcome to our Justamere 20th Annual Angus Sale Of The Year. The Sale Of The Year series of sales was started by my grandfather, Jonathan and father, Lyal in the 1960's with their Polled Hereford cattle. I asked dad how many SOTY sales did he think Justamere/our family has had. His fairly quick response was, it would be close to 50. That is very humbling and an honor to be a part of, for myself and my family, we thank you, our many good friends and customers from around North America and the rest of the world for being a part of the Justamere dream. The purebred cattle business is one of the last free enterprise business models in this very fast paced modern world. It's a great feeling to be a part of it for many generations.

Our sale offering this year continues our tradition of exciting herdsire prospects from proven cow families sired by AI sire PVF Inauguration and our next generation herdsires, Sankeys Watchman and EXAR Next Level. Fresh exciting genetics with solid EPD data and the important ability to show and compete

anywhere in the Angus show world. Our show heifer prospects are absolutely amazing. We have been very successful campaigning our show cattle all over North America and we feel strongly that these beauties will help us continue our winning tradition. Past champions like EXAR Fortify, Justamere Panamajack, Justamere M.A.G.A, Sankeys Watchman, EXAR Next Level and the hottest AI sires PVF Inauguration, Musgrave Stunner and C&C On Cue combine with our Justamere cow families like Empress, Barbara, Rita, Blackbird and Dixie Erica to give you the opportunity to purchase or invest in something really unique and watch the future unfold. I have done extensive footnotes and have full confidence you can find that next great one in this group of show heifers. Whether you're a junior member, an established operation or just like to have fun in the cattle business, we are here to make that happen.

The Lot 14 bred female by Skyfall out of many times champion EXAR Penny is definitely a feature in this sale and would be in many other sales across the land. The solid group of bred yearling heifers by herdsires like Justamere Washington, Panamajack, South Dakota, M.A.G.A, Sankeys Justified and EXAR Inspiration, are as powerful and complete as we can make them be and they are backed by very solid above average EPD and performance data. Many are carrying AI service to Musgrave Stunner, Deer Valley Growth Fund, Sankeys Watchman and EXAR Next Level and were pasture exposed to Justamere Overdrive, an explosive Freys Opportunity son from the mother of Justamere M.A.G.A, EXAR Barbara 1075, also EXAR Cowboy Up 7288, a fascinating HA Cowboy Up son with a great set of numbers and a very solid structure and calving ease built right in.

Our cow/calf pair selection feature very hard to part with cows, with exceptional heifer calves at side. All AI bred to calve in January to the next generation herdsires like KR Pacesetter, PVF The Natural and EXAR Next Level. The Lot 37 choice pair is very difficult to decide on the wonderful OSU Empress female or her powerful Monumental heifer calf.

We also have on offer genetics direct from our current embryo program.

The donor female, EXAR Dixie Erica 5276, is a past feature sired by the champion maker, EXAR Blue Chip embryos sired by Silveras Style and PVF The Natural, these will be very exciting progeny indeed.

Our son Jon has on offer three beautiful club calf heifer prospects sired by Dakota Gold and I Believe.

Our semen offering is one we are very excited about. EXAR Express Way is the recent \$160,000 sale topper at the Big Event at Express. We are excited to offer four breeder packs exclusive for 2020 on this tremendous son of Conley Express, out of the champion, EXAR Frontier Gal 7339.

We want to invite you to come be with us for this 20th celebration of the Angus Sale Of The Year at Justamere.

Our consignor the past several years Running Steady Ranch, Dean and Tanya Robertson and family are hosting their own online sale in December. We wish them all the best and thank them for being a part of this sale the past few years.

Justamere couldn't exist currently without the leadership of the past generation, Mom and Dad, Lyal and Virginia. We want to thank them for their dedication to their family and the livestock industry in general. The day to day operations are managed by our sons, Jon and Jim, who are both doing a tremendous job taking on a lot of responsibility daily. Their crew consists of Shane Conrad, Jordan Phillips and also our daughters, Jorja and Tyra when they can help. From baling hay to washing show cattle and everything in between, it takes commitment and hard work and Shelly and I appreciate the next generation's effort. Finally, Shelly is our steadfast beacon, taking care of all the many little and big things that make a family farm run. We are fortunate to have you and thank you for all you do. Our friends Chris and Charlene Carr and family, Jess, Larissa and Colby, help out a lot throughout the year and we appreciate you. This business is the best business in the world to be in. It's not the easiest or for the faint of heart but the miles I have travelled, the people I have met and done business with from all walks of life, are truly rewarding and I thank you all personally for allowing me to do what I'm good at.

Come be with us sale day. Videos will be online by October 10, 2019 at DLMS.ca.

Any questions regarding the offering please don't hesitate to contact us or the Justamere sale staff.

See you October 20 and 21 at the 20th Annual Sale Of The Year.

Jon Fox

**Monday, October 21, 2019 at 1 pm
at Justamere Headquarters, Lloydminster, SK**

Offering 45 Lots

HERD SIRE PROSPECTS

BW: 80 lbs. Aug 20 WT: 840 lbs.
 20 years fly by. Our 20th Annual Sale Of The Year is upon us. We could not be prouder of this herdsire prospect, sired by Sankeys Watchman 7020, who has given us and our partners an excellent first calf crop but as they say, the good ones die young. We lost Watchman after breeding season to a bull fight. Emperor's mother, Empress 138X, is a stellar producer for us. The \$104,000 Justamere Sudden Look 117D is a son. The very successful show heifers, Empress 316E and the Heifer Calf Champion last year at the Royal, Empress 563F, both past SOTY highlights at \$25,000 and \$54,000, respectively. The future for this bull is very bright and the earning potential is endless. We are excited to show him this fall and even more excited for next year. He combines the power and depth, smoothness and balance on a great set of feet and legs. We expect great things for our program and the partners that utilize these genetics. Invest in the future of a great young herdsire with proven genetics.
Terms to be announced.

 This bull is very exciting; his mother is a past donor female for us and has generated an excess of \$200,000 for us in progeny and embryo sales. She is an S A V Final Answer female that is picture perfect each and every year. The sire PVF Inauguration created quite a stir at the US Junior Nationals this summer, division winners and champions at that elite show of over 1,200 females. As you know, we love to show cattle and we think this herdsire prospect has the potential to go all the way and backed by a stellar cow family, we are excited to be a part of it.
Selling half interest and half possession.

 We could not be happier with the first crop of calves off EXAR Next Level, the \$50,000 lead off bull from our bull sale in 2018. He has the perfect head and neck design with a long, deep body on terrific feet and legs. This calf has been on our radar since he was young; his brother Justamere Luke, was a \$22,000 high seller to Jim and Jodi King and family this spring. They are very happy and excited about him as are we. This bull will help propel your program where you need to be. Balanced, proven genetics that are always important, show off look, style and the real world performance we all need to have in this competitive environment.
Terms to be announced.

 Excitement abounds in this beautiful daughter of PVF Inauguration 6174. Her mother is a daughter of our Denver Reserve Champion, Justamere Panamajack 336U, that has had the show heifers in this sale before, recently a \$10,000 selection by Express Ranches in Oklahoma in 2018. She has the look of power yet refinement through her front end. That deep body, rib and top that you need to compete in the big show. Backed by our best in cow families, we are very excited to campaign her this fall and into the future.
Terms to be announced.

 We strive to offer our best each and every year. As far as no-miss show cattle that turn into superior breeding stock, this is no doubt our pick of this group of show heifers. Her dam, Justamere Barbara 855T, is 12 years old and has 11 calves. Her sister, Justamere Barbara 322E, was a past high seller at \$21,000 to Lynden Manor in Ontario in 2017. She not only has the potential to be a champion, the longevity and production is built in. This one is a definite good investment.
Terms to be announced.

The Evergreen 0048 female is without any doubt one of our very best ever purchased at Express. The Still Meadows and Justamere herdsire, Justamere Mile High 601B, is a tremendous herdsire that is producing excellent progeny for both Ken Ayre and ourselves. Justamere Evergreen 142D, a past SOTY highlight at \$52,000 is a recent champion female and will be a donor cow for Still Meadows and Justamere in 2020. This show heifer not only is stunning to analyze in person but her EPD profile is very exciting, possessing traits in the top 10% of the breed. The opportunity for excellence is here for you.
Selling half interest with the option to double.

Justamere 1676 Evergreen 733G

Justamere 7679 Barbara B740G

BW: 74 lbs. Aug 20 WT: 780 lbs.
 As many of you know, our son Jon is the herdsman here at Justamere and is doing a standout job. This heifer, sired by EXAR Next Level, would be one he talks about a lot and I agree with him. All of us know how difficult it is to predict the future with these show cattle but with this female, I'm safely saying she will be in the winner's circle. Beautiful, long necked, great haired, long and deep bodied on a perfect set of feet and legs. If there is a hole in her, we can't find it. Come have a look and see what you think.

Terms to be announced.

This end of January show prospect by C&C On Cue 6022 is very hard to miss. Her picture perfect profile, the carriage of her head and neck and that all important swoop to her belly, with beautiful hair to work with, makes her a show person's dream. When we acquired On Cue from the Callahan family, we wanted him to put the show stamp on his progeny and he has done that each and every time.

BW: 75 lbs. Aug 20 WT: 760 lbs.
 Expect to see a lot more of these Watchman cattle at the shows. This beauty happens to be a sister to the \$140,000 Justamere Full Throttle 486A. Her mother, Allegra Of Tullamore 300, is a past donor cow. We have sold progeny all over North America and even frozen genetics to Australia, you can't have a better opportunity than right now if you want to own a part of the future.

Terms to be announced.

This March show prospect by Justamere Cash In 461A is possibly the sleeper in this whole sale; we feel she has the potential to win a lot of shows in the future. Her brother, EXAR Cowboy Up, was a highlight this spring in our bull sale. Her young dam, EXAR Rita 4292, is destined for the donor pen.

Juniors don't miss out on these great show heifers; Justamere will always strive to get you a female to be competitive anywhere.

Justamere 416A Rita 817G

BRED HEIFERS

We always try to have something pretty special to begin our bred female offering in the Sale Of The Year. This year, I feel, we have outdone ourselves. This amazing female is sired by the incomparable BC II Skyfall 2812 and out of the winningest cow families ever produced at Express Ranches, of course I am referring to the Penny cow family. Not only does this female check all the boxes on superior phenotype, she exemplifies very important qualities in a beef cow. Flawless structure, incredible power yet balance throughout, beautiful head and neck carriage. She is one you just can't get enough of. Her incredible EPD profile ensures she will be a no-miss donor cow candidate in the future. Of special note, also, she is the only Skyfall Penny bred female in Canada, that certainly turns our crank even a little more than usual. We have shown her to Division Champion at the Junior Angus Showdown and guarantee she is ready for more in the very near future.

Exposed to Justamere Overdrive from April 26 to August 1, 2019. Due March 2020.
Terms to be announced

This daughter of Justamere Panamajack is as big and broody as her great dam, Hills of Home Queen 11Z. We had the misfortune of losing her last fall after weaning, so here is a great opportunity to buy a great heifer bred to Alta Genetics sire, KR Pacesetter and get a head start next year.

AI bred on April 19, 2019 to KR Pacesetter. Safe to AI, due mid January.

The Total Program

Justamere 833C Evergreen 558F

This deep bodied, sweet fronted daughter of Justamere South Dakota and EXAR Evergreen 0048 is unsurpassed in this sale offering; not only for how she is bred or what she looks like but being in the top 1% in the breed in three very important traits: WW, YW and TM. I remember Jon and I both wanting to show her last fall but she had lost her tail switch; well she looks better than ever, so we will let you all have a chance at her. She definitely is the kind to keep and the kind to buy, if you get the chance.

AI bred to Musgrave Stunner April 5, 2019, safe to AI.
Terms to be announced.

We have all heard that saying, "it takes great females to make superior bulls." I couldn't agree more, emphasize too much on one trait or another and not good things happen. This female's dam is EXAR Sandy 2730, a daughter of Sydgen Doc 9017; also mother to our herdsire, Justamere Washington 602B. Her beautiful, outcross pedigree and impeccable EPD profile has recently created some interest for us for embryo production. This heifer, we feel, is a very good candidate herself for future embryo production. She was picked for last year's SOTY sale show heifer section but was pulled, due to an abscess on her belly area. She has recovered and is 100% as good as or better than last year at this time. Get this one bought and move into the driver's seat in the future.

Exposed to Justamere Overdrive from May 1 to July 27, 2019. Due mid March.

Mid May born female out of a past donor female, Mill Brae Eulima 1270 sired by Justamere Justification. 649F has done very well on pasture this summer. **Exposed to EXAR Cowboy Up 7288 from April 16 to May 1, 2019. Exposed to Justamere Overdrive 504F from May 1 to July 27, 2019. Due mid April.**

Justamere 629B Eulima 649F

Montana Rita 8131

A definite sale highlight, straight from the Montana Ranch in Big Fork, MT. This heifer came alongside her wonderful dam, Montana Rita B026, last fall. She has really powered up this summer on grass. Her sire, EXAR Powersource, is still a go to sire for carcass and maternal superiority. At Justamere, we strive to offer what no one else in Canada can and this heifer is proof.

AI bred to Ellingson Top Shelf on April 2, 2019. Due early January to AI service.

A fall born daughter of the \$202,000 EXAR Dude 4655B who traces back to A A R Ten X and the BoBo Rita 1559 donor cow. This deep bodied, broody daughter of Justamere Mistress 420A, the 2014 Reserve National Champion Female at Agribition as a bred female, was another successful partnership for Justamere and Express Ranches. Hard to find genetics that are propellants for any program in Canada.

AI bred on March 28 to Musgrave Stunner 316. Due January 1, 2020, safe to AI.

The cow/calf pair section is probably the hardest for us to select for; we want to offer you our best in everything we do. This eight year old daughter of EXAR Lady Rito 3203 is one of a kind. She never misses; just like her mother who, believe it or not, just turned 16 this year and is still going strong. This cow is anyone's front pasture kind.

AI bred to HA Relevant on April 8, 2019.
Exposed to Sankeys Watchman 7020. Due January 1, 2020 to AI.

One of the coolest looking heifer calves in our pairs in quite some time. She could and she should be shown. Heifer calves on cows are halter broke as well, keep that in mind.

Justamere 629B Lady Rita 756G

*Selling
Choice!*

OSU Empress 2155

This pair is one we should not be selling; however we are going to offer you, our much valued customers, your choice in this amazing female that stems from the stalwart OSU Empress cow family, one of the most famous female lines in recent Angus history. This daughter of Connealy Consensus is in her prime and would be a definite donor female candidate. The Exciting EXAR Monumental heifer calf at side is bred for the future. The powerful front end and top in both of these females are electrifying. **Cow sells safe to AI PVF The Natural, due January 1, 2020.**

This Amazing daughter of the EXAR Monumental bull is absolutely breathtaking. She is one of only three in Canada with her genetic makeup here. Phenotypical profile will make the winning bidders decision a hard one but it will also be fun to watch.

Terms to be announced.

This young female is an own daughter of Dameron First Impression and out of the past donor female from Limestone Farms, LLC Rita X445. She is definitely a sale feature, definitely worth the second and third look. She is a tank with a perfect udder, an easy doing brood cow look and a pedigree for the donor pen. An exciting female to get the chance to own. **AI bred to KR Pacesetter on April 2, 2019, due January 1, 2020.**

Talk about hard to part with. This exciting daughter of Stunner should have a show halter on her and maybe the right owner will do exactly that. We would love to show them all but have to limit the show numbers this year, so here is your opportunity.

Justamere TA 1676 Rita 753G

EXAR Blackcap 3165

Our friends and partners, Chris and Charlene Carr own this great female; she was one of their first purchases in the Angus business. She has been a solid investment for 8C's but with wanting to update inventory, sacrifices must be made. Here is your chance to own the only daughter of Sandpoint Pioneer in Canada. Talk about opportunity to build something new and exciting. We all have the chance to do so in this great female, EXAR Blackcap 3165. Exposed to EXAR Next Level from April 3 to July 20, 2019. Due early February.

The recent sale topper at the Express Ranches Big Event Sale at \$160,000. We are excited to be the Canadian part of a group of very astute, mainline Angus breeders. This is a son of Conley Express 7211, the hottest up and coming sire in the US and out of the EXAR Frontier Gal 3734, a past National Junior Champion Female in the United States. This prospect has a tremendous design and look, as he is very correctly structured with his long neck and powerful front end. Also complimented by his depth of rib and stoutness of bone and hip. When we saw him, we had to be a part of the action. This is your chance to be a part of this very exciting herdsire prospect. **This will be the only semen available in Canada in 2020. Give us a Call!**

SHOW SUCCESS

Terms and Conditions

Cattle Inspections: All carry permanent identity tags, corresponding to Sale Lot numbers. All cattle shall be available for inspection prior to sale.

All Cattle Are Sold: Subject to such tests as required for export under regulations of the Health of Animals Branch, Department of Agriculture for Canada - those corresponding to Bureau of Animal Industry requirements.

Breeding Guarantee: All cattle are sound and right, and all with a responsible breeder guarantee of satisfaction. In the event of any unlikely dispute, the regular terms and conditions, standard with the Canadian Aberdeen Angus Association shall apply.

Pregnancy: Examinations shall have been conducted prior to sale on all serviced females.

Announcements: Errors discovered in the catalogue will be corrected by announcements from the auction stand at sale time and such corrections will take precedence over the printed matter in the catalogue.

All Persons who attend the sale do so at their own risk and the Owners, Consignors, Sale Management and Sale Staff assume no liability, legal or otherwise, for property loss or for any accidents that may occur.

Holding and Shipments: Approximately one week is required for export transfers and other documents to be processed. Export animals will be held at no charge and under excellent care. Joint export shipping arrangements to attain minimum shipping cost will gladly be made by the sale management if instructions to that effect are provided to clerk of the sale when settlement is made.

Mail Bids: May be entrusted in complete confidence to any of the Sale Staff listed or to Justamere Farms Ltd.

Insurance: Ownership risk to purchaser commences when the Auctioneer's hammer falls. Livestock coverage will be available at the clerk's desk from the appointed representatives on sale day, also from the sale management at any time.

Terms of Sale: Are cash or cheque at par, payable to Clerks of the sale on Sale Day. U.S. Funds will be accepted at the current rate of exchange. No release will be given until satisfactory settlement has been made. We reserve the right to withhold animals from export shipment for whom payments have not been received prior to departure times.

Every Animal sells to the highest bidder and in cases of disputes, the auctioneer's decision will be final.
