

Justamere Sale of the Year

21ST ANNUAL ANGUS SALE

MONDAY, OCTOBER 19, 2020 1:00 PM

AT JUSTAMERE HEADQUARTERS LLOYDMINSTER, SK

Jon, Shelly, Tyra, Jon, Jim & Jorja

Welcome to Justamere's 21st Annual Angus Sale of the Year. 2020, the year that changed the world, but none of us are sure if in a good way or a bad way. We hope you are all safe and healthy and enjoying your fall harvest. We, in agriculture, are very blessed that while the world shut down and stayed inside, we seeded crops, fixed equipment, built corrals, fixed fence, baled hay, fed cattle and worried about our family's future. But...we all carried on! Why? Because we had to and because we wanted to. Business needs to go on, people need to eat, and they need it from safe, reliable sources. Agriculture is the shining example of what essential means. We are confident that the end of the craziness that is COVID-19 is near and the rebuilding of our society will happen and happen quickly.

This year's sale offering is our greatest effort to help move our Angus breed forward. The tremendous herd sire prospects are each outstanding in their own right and will definitely help shape our future, as well as our partners, whoever that may be. Lot 1, the incredible son of Turning Point out of the \$140,000 Full Throttle dam is sure

to excite. Lot 2, son of HA Relevant is destined for the show ring, we love his type and kind. Lot 3, the son of a first calf heifer by EXAR Cowboy Up 7288, has the quality and potential to be a breed leader in many traits.

The bred heifer offering is being referred to by many as our best set ever. Anchored by the one of a kind, EXAR Zulu sired, EXAR Frontier Gal 9230 heifer as Lot 10. Excitement and enthusiasm abounds here for this great female. We have several unbelievable daughters of Sankeys Watchman 7020 that will blow your socks off. Also, some very deep, broody, anchor type females by Justamere Cash In 461A. These heifers carry AI service to the Alta Genetics sires, KR Pacesetter, Stevenson Turning Point, HLC GQ, Sankeys Watchman and they were cleaned up by a member of the Denver National Western Champion Angus Pen of 3, EXAR Entitlement 9743B, also our second highest selling bull sale 2020 highlight, Justamere BattleCry 709G, owned with Running Steady Ranch. This son of, now deceased, Musgrave Stunner 316 is sure to continue the future of his family lines. EXAR Resistol 829 finished up the season for us in the heifer pen. This son of EXAR Resistol is close to one of the best herd sires we have acquired from Express Ranches in recent times and we expect some great progeny in the near future from him.

The show heifer offering is understandably smaller than normal in number of lots, but with no doubt, the most mind-blowing group of show cattle we have ever assembled. These six females are definitely the future. From the big numbered, big bodied Lot 4 and 6, AI daughters of Attractive and KR Pacesetter, to the amazing EXAR Ruth x Silveiras Style Lot 7, the Blue Chip daughter Lot 3, two heifers that will not miss being shown in 2020. The Sankeys Justified and the Sankeys Watchman heifer calves in Lots 5 and 8 round out this offering of one of a kind show heifers. This will be exciting to watch the future unfold in these great females.

Our feature cow/calf pair are two amazing females that make me wonder if I have not lost my mind. A Cross Rita 1003 is just so damn good, you can not go wrong. She is deep, huge ribbed, beautiful fronted on a perfect set of feet and legs with an impeccable udder. Her heifer calf, by Semex AI sire, Varilek Geddes, is a total replica of her mother but with an incredible EPD profile. We will only sell one or the other or half interest in both females. This will be exciting to watch unfold. The final four cow/calf pairs are anchored by a tremendous two-year-old daughter of 4M Element 405, that is ready for the embryo pen herself. Her heifer calf is exciting and as always, these heifer calves are halter broke for the juniors that want to show one. Justamere Overdrive 504F was the service sire to these great cows and what an individual he has become.

The embryo and semen section of our sale, again, offers rare and exclusive but rewarding genetics. Justamere Maga, Northern Improvement and 74-51 Sudden Look will help propel any program forward. EXAR Barbara 1075 and EXAR Penny 8755, our two newest donor females, with embryos by \$56,000 Justamere Justice 610F and KR Pacesetter as the donor sires, gives you the opportunity to be a part of our program and build your own program at the same time.

In closing, we want to thank each and everyone of our customers, neighbors and friends for your support of our program, each and every year. Also, more show related, we want to commend Lloydminster Exhibition for having the vision and the fortitude to host the Stockade Round Up Show this fall and all others that hosted events to promote our purebred industry. It's extremely important in times like these to continue on a positive, forward thinking track. Shelly and I want to also thank our family; Tyra, Jon, Jim and Jorja for their hard work and their efforts for our farm, it is very rewarding to work with your family. Jon would like to thank his crew: Shane Conrad, Jordan Phillips and Drayce Robertson for all the help throughout the year.

Online bidding through DLMS.ca, Mr. Mark Shologan will have our videos available beginning of October, as well as LiveAuction.TV will be at the sale this year.

Please join us Monday, October 19 at 1:00 pm for the Sale of the Year. Cattle can be viewed the entire week before the sale this year. As always, Sunday afternoon, we ask you to come for a visit and hospitality. We have to practice safe social distancing and will be happy to follow the protocols to ensure proper safety. But my Grandpa and Dad always said, "There is nothing better than a cattle sale and we must continue as best we can." We look forward to a great sale. Safe harvest to you all.

This is our 21st Annual Sale Of The Year for the Angus at Justamere. 2020 has been a challenging year in many ways, however some positives are the consumer is becoming aware of how essential us in agriculture really are. This son of Stevenson Turning Point and out of none other than the \$140,000 Justamere Full Throttle dam, Allegra of Tullamore 30W. His overall mass and muscle shape coupled with a powerful, yet balanced front end, makes him one, we feel very strongly about, for future use and show ring potential. He weighed 911 pounds at the end of August. We still sell them by the pound at the commercial level, we want this type of performance with calving ease for our commercial customers. We are excited to head into the future with him and show him off for ourselves and his new owners.
Terms to be announced.

Different is good, in fact, we feel it is great. This son of Genex AI sire, HA Relevant, is very cool. Big testicles already as a calf, super modern look and style. Big topped, nice haired, easy fleshing and a nice solid EPD profile. His dam, Remitall F Eileen, is a very complete, well balanced, big bellied, powerful female. We intend to use this outcross sire in our herd and show him this year and next year as well.
Selling 1/2 interest, full possession after his show career.

We love it when our first calvers can produce these big strapping calves that can get to the top, as that is no easy task around here with the cow power at our disposal. His sire was a past bull sale feature to Willow Spring Angus, Bruce Reimer at Kitscoty. We had the misfortune of losing him to an injury his first breeding season with no semen available, this makes this great calf a true opportunity. His mother is a beautiful South Dakota daughter with a great udder and very sound feet and legs. We love the future in this herd sire. He is entered in the Lloyd Fall Fair and we are excited to show him off.

This is our first opportunity to offer the exciting elite genetics by KR Pacesetter. We are thankful that Terry White at Alta Genetics mentioned this exciting young sire to us. This female's mother, EXAR Evergreen 0048, has never missed ever. A rough estimate of her progeny exceeds \$160,000 in her lifetime and that is without flushing her. Needless to say, we are proud to offer this breed leading female in this year's sale.

Terms to be announced.

We always strive to offer something very special to begin our bred female offering. I mince no words stating this was extremely difficult selecting this one of a kind bred female out of a group of very deep, very good, one of a kind females. First off, you will not find another EXAR Zulu 403 daughter or son in Canada, add to this the most dominant show female line in North America in the past decade, the EXAR Frontier Gals. We are excited to be offering you, our highly regarded customers, this huge opportunity. She is an end of March showstopper. Her genetic makeup confirming her donor cow status. The blending of this royal blood is very exclusive if you want only the best, EXAR Frontier Gal 9230 is the one.

Pasture exposed to EXAR Entitlement 9743.

The daughter of the \$75,000 Justamere Maga 105D is a definite feature in this sale or any sale across the land. The Maga bulls and females are rising to the top of the heap. Fundamentals are the main reason you won't find better udders, feet and leg structure, calving ease or just plain cow power. Our partner in Maga, Larry Nielson, is definitely a very demanding cattleman and he loves what Maga has done for him. This female is halter broke and very show worthy, if that is where your heart is.
Pasture exposed to EXAR Resistol 829B. Due end of March 2021.

Another very good Justamere Maga daughter out of the Rosebud cow family, a part of Justamere since the beginning. This female is the kind to add to your herd for do-ability, longevity, temperament and strong carcass data. With her service to the Alta Genetics herd sire, KR Pacesetter, you will be in the driver's seat with her first calf.
AI bred to KR Pacesetter on April 7, 2020. Due January 14, 2021 to that service.

A Cross Rita A1003 is a past donor female for A Cross Ranch in Oklahoma. She has produced extremely well for us at Justamere. The soggy, deep body with a beautiful udder and excellent feet and legs. An own daughter of the Pathfinder sire, Rito 6EM3 Emblazon, and out of the legendary Vintage female, V A R Rita 6100. The chance to create your next herd sire of female lines through ET is right before your eyes in this female with a -1.6 BW EPD. A +0.54 marbling EPD, she checks all the boxes for an aged female, that still looks young with many years left.

AI bred to Sankeys Watchman on April 9, 2020. Due January 11, 2021.

The \$75,000 high seller in the Sale Of The Year in 2017. Justamere Maga was Reserve Champion in Lloydminster that fall and division winner at FarmFair in Edmonton. His first two crops of calves are very good here at Justamere, as well as Running Steady and Nielson Land and Cattle. The females are deep and long with perfect udders and the bulls are easy calving with thickness, mass and balance. His sire, EXAR Paystub, also sired the 2014 Reserve Champion Female at Agribition, Justamere Mistress 420A. His awesome dam, EXAR Miss Barbara 1075, is our leading producer of elite quality bulls and females. With all of us looking for outcross genetics, Maga fits the mark. Limited quantity of semen left on this now deceased sire.

Penny is a beautiful female doing a remarkable job on her first calf. Justice went straight to work this spring breeding over 50 females at Justamere and NLC. Grab an exciting opportunity here.

Terms and Conditions

Cattle Inspections: All carry permanent identity tags, corresponding to Sale Lot numbers. All cattle shall be available for inspection prior to sale.

All Cattle Are Sold: Subject to such tests as required for export under regulations of the Health of Animals Branch, Department of Agriculture for Canada - those corresponding to Bureau of Animal Industry requirements.

Breeding Guarantee: All cattle are sound and right, and all with a responsible breeder guarantee of satisfaction. In the event of any unlikely dispute, the regular terms and conditions, standard with the Canadian Aberdeen Angus Association shall apply.

Pregnancy: Examinations shall have been conducted prior to sale on all serviced females.

Announcements: Errors discovered in the catalogue will be corrected by announcements from the auction stand at sale time and such corrections will take precedence over the printed matter in the catalogue.

All Persons who attend the sale do so at their own risk and the Owners, Consignors, Sale Management and Sale Staff assume no liability, legal or otherwise, for property loss or for any accidents that may occur.

Holding and Shipments: Approximately one week is required for export transfers and other documents to be processed. Export animals will be held at no charge and under excellent care. Joint export shipping arrangements to attain minimum shipping cost will gladly be made by the sale management if instructions to that effect are provided to clerk of the sale when settlement is made.

Mail Bids: May be entrusted in complete confidence to any of the Sale Staff listed or to Justamere Farms Ltd.

Insurance: Ownership risk to purchaser commences when the Auctioneer's hammer falls. Livestock coverage will be available at the clerk's desk from the appointed representatives on sale day, also from the sale management at any time.

Terms of Sale: Are cash or cheque at par, payable to Clerks of the sale on Sale Day. U.S. Funds will be accepted at the current rate of exchange. No release will be given until satisfactory settlement has been made. We reserve the right to withhold animals from export shipment for whom payments have not been received prior to departure times.

Every Animal sells to the highest bidder and in cases of disputes, the auctioneer's decision will be final.

Directions to Justamere : East side of Lloydminster on Hwy. #16 at last set of lights (40th Ave.) - go 1 mile South, 2nd entrance
