SALE DAY INFORMATION

FROM THE DESK AT T BAR C...

Welcome to Blair-Athol/ Haroldson's and Friends Female Production Sale, on Sunday, October 16, 2022, at the Blair-Athol Sale Headquarters, Arcola, Saskatchewan. This annual event, which has supplied superior seedstock worldwide, celebrates its twenty-fifth anniversary... quite an accomplishment and a credit to their progressive breeding of quality Polled Hereford seedstock.

Congratulations to the Blair-Athol clan and Charlton Farms for their success in the junior season and at Bonanza. As well to Roselawn and the Mann's' at the Manitoba Field day for their achievements and lastly to Chad and the family from Haroldson's on winning Premier Breeder at the Canadian Western Agribition 50th anniversary show... making 10 premier breeder awards in a row... that's quite a track record for their breeding program.

Since it's beginnings 25 years ago, heifer calves have always been a feature for this event. The source of many divisional championships for the fall shows and into the summer shows including Bonanza; Blair-Athol/Haroldson's is a shopping center for juniors of any age.

This is the largest offering of bred heifers this fall. Diverse in phenotype and genetics, these females with early services to the breeds leading sires are destined to be foundation builders in the years to follow. Unlimited opportunities abound in the lineup of breeding females suitable for all types of breeding programs and all types of budgets. With a diminishing national cow population, these young females will be valuable property in the future.

Feel free to stop by any of these breeding operations and preview the sale offering. Don't hesitate to give them a call to discuss their offering and the individuals that will upgrade your breeding program... they love to talk cattle.

Plan to be with us on "Super Sunday" of the great Saskatchewan Sweep "Steaks" weekend. We have graded this exciting offering... feel free to give any of the T Bar Team a call and we will assist you with your purchases in a professional and confidential manner.

SALE DAY INFORMATION

• **BW: 88 lbs.**
 Our first Justice daughter to sell. Lots of length, and top, with a gorgeous front end. Out of the Heidi family that traces back to the Bar RZ herd. She is sure to see a show halter and maybe a banner or two!!
Owned with HBM Polled Herefords

• **BW: 88 lbs.**
 We have had great success in the show ring with Patent daughters, Applause 122G and this year Sassy 145J. We've been watching Oh Susannah from Day 1 thinking she will be our 2023 show heifer. She's soft ribbed and big topped and when she puts her head up you'll fall in love. To further add to her appeal, the Patent Daughters in production are Awesome!
Show Rights Reserved for Agribition 2022

We are more than excited to have our first calves by the Phantom Creek Glitz bull. 27K is the first we are offering for sale. Tremendous cow power, big barreled, stout made and long as a truck. Same cow family as Lot 1.

Show Rights Reserved for Agribition 2022

• **BW: 90 lbs.**

Last fall we knew we bought a good one from the Brooks boys and when she calved we hit a homerun. This might be as good of a first calf heifer as we've purchased up till now. 14K is a Rimrock granddaughter and we all know how good they can be!! She'll look good in a show halter or in the Donor pen!

 Fancy profile, lots of shape and neck extension. Her dam 19F might have the nicest udder on the place

• **BW: 78 lbs.**

The first of the Benchmark Daughters to sell, and out of a potential donor dam. 155F is one that many of you may remember us showing in 2019. "Mayday" as we affectionately called her due to her May 1st birthday was Champion Heifer at the Manitoba Field Day and was 2nd in class at Agribition. 40K looks just like Momma and I expect her to be just as nice after calving.

- Real nice made Diablo daughter out of my favorite Lohner cow. I bought a package of heifer calves from Matt Lohner a few years ago and have liked them all. 119J's mom was Debbie Doo's natural calf. Debbie Doo was our 2015 high seller to Matt Lohner and Kris Gordon and was successfully flushed a number of times after her fantastic show career. This one will be nice this spring!

AI bred to Remitall-W MHPH Justice 2H on May 7, 2022. Projected due date is Feb 15, 2023.

My pick of the Bred heifers here. This one is special!! Super stout and still classy and elegant. She's stood out since day 1. Her momma is absolutely perfect in every way, udder, body type and look!! 63D became a donor this spring and I expect we will hear a lot more from her. When you see this one in person you'll have trouble believing she's a May born. I like her well enough that if the new buyer would like, I'd be willing to buy half back and keep her here on shares.

Exposed to TH 529B 531E Benchmark 505H ET from June 2 to August 17, 2022. Preg check indicates March 10 due date.

22

Purchased 125J's sire from the Charlton's to clean up on AI pasture. About a week later, a good customer needed a bull so we let him go. He got to breed one cow and the result is Dotty West. One of our very best heifers. Dark coloured, easy fleshing, and distinctive from end to end. This one deserves a few check marks.

Exposed to NJW 103Y 174X Diablo 156C ET from May 21 to August 15, 2022. Observed bred on June 12, 2022. Projected calving date is March 23, 2023.

Jackson bought a cow in the Guilford dispersal a few years ago and keeps cashing in! This one works her way to the top of the offering with most of our visitors and us as well. The Ace daughters are real nice and she's out of Rimrock, this one really shouldn't be leaving. Jackson doesn't pay a ton of bills though so I told him she needs to go.

Bred to NJW 103Y 174X Diablo 156C ET on June 9, 2022. Due date March 20, 2023.

23

Love this 109J heifer. Patent on Max daughters has been fantastic! Pretty as a picture, big boned, and just so cowy. Udder will be perfect!

Exposed to NJW 103Y 174X Diablo 156C ET from May 21 to August 15, 2022. Preg check indicated a March 1 calf.

JJAC 24J is a very stout bred heifer with a powerful hip and tons of length. She has a lot of eye appeal with 100% eye pigment. She is the one Jade should have been showing all summer but then we wouldn't have convinced her to let us sell her if she had. We bought her Classic mother from Blair Athol as a bred heifer and have been very happy with all her offspring. Our Homerun daughters have been easy calvers and we expect this one to be even better than her mother.

A.I bred to GHC C5 Attention 155E on May 20, 2022. Pasture exposed to GHC LRL Rewards 94F from June 16 to August 12. Preg check favourable to pasture exposure with projected calving in early April.

A flush Masterplan out of our donor cow 11E. This heifer is exceptionally long spined with a lot of depth. So much potential here! Her great set of numbers look pretty good too!

48

Mann's Polled Herefords will pay for DNA testing at our expense if service is not to the AI. We unfortunately had a bull get hurt at pasture.

This heifer is a very well-made female and comes from a great cow family, she's very clean fronted with lots of pigmentation.

AI bred to SHF Horizon D427 H022 on May 3, 2022. Exposed to Manns Kingsmen 47B 36J from June 1 to June 3, 2022. Exposed to PBHR Trapper 57A 90J from June 10 to August 10, 2022.

Ellie has a tremendous amount of depth and thickness, she's a 9F daughter, and any daughter from him has been milking extremely well for us.

AI bred to SHF Horizon D427 H022 on May 3, 2022. Exposed to Manns Kingsmen 47B 36J from June 1 to June 3, 2022. Exposed to PBHR Trapper 57A 90J from June 10 to August 10, 2022.

A real dark coloured, short marked Royal daughter out of the Sara cow family, that I think will turn in to a very nice, feed efficient female. Take advantage of this opportunity to assemble some Royal females.

Bred to Haroldson's Genesis ET 114J on May 24, 2022. Exposed to Brooks 1F 12B Action 31J from June 18 to August 1, 2022.

Here is a half-sister to Pavati. She is a moderate easy doing female that really looks like she will turn in to a very productive young female.

Bred to Brooks 1F 12B Action 31J on April 26, 2022. Then exposed to him until August 1. Preg check favorable to exposure.

TERMS & CONDITIONS

TERMS:

The terms of the sale are cash or cheque, payable at par at the sale location. The right of property shall not pass until after settlement has been made; no invoicing on buyers in attendance unless previous arrangements have been made. Every animal sells to the highest bidder and in cases of disputes, the auctioneer's decision will be final. Announcements from the auction block will take precedence over the printed matter in the catalogue. Current exchange rates will be announced sale day. All monies are in Canadian funds.

CERTIFICATE OF REGISTRATION:

Each animal will carry papers issued by the Canadian Hereford Association. A certificate of registry duly transferred will be furnished to the buyer for each animal after payment has been made.

PEDIGREE ESTIMATES:

Pedigree Estimates (PE) are created on the projected mating of the animal's sire and dam based on averages of the two, creating estimated values that do not hold the same accuracy of actual EPDs issued from the association and should be used as such.

HEALTH:

All animals in the sale have met all necessary health requirements.

GUARANTEE:

Each animal becomes the purchaser's risk immediately after the animal is sold. All animals in this sale will be sold under the terms and guarantees set forth by the Canadian Hereford Association with regard to health, freedom from defects and from both reproductive and specific genetic unsoundness.

PREGNANCY INFORMATION:

All serviceable age females have been pregnancy examined by an accredited veterinarian, giving an estimated length of gestation. This estimated gestation period shall be used only as a guideline to calving and is not a guarantee of actual service.

EXPORT:

Purchases going to the United States will be delivered at cost.

LIABILITIES:

All persons attend the sale at their own risk. The seller, facility owner and sale manager assume no liability legal or otherwise, for any accidents that occur. It is understood that T Bar C Cattle Co. (2013) Ltd. is acting only as a medium between buyer and seller and is not responsible for any failure on the part of either party to live up to his obligations. Neither does T Bar C Cattle Co. (2013) Ltd. assume any financial obligations to collect or enforce collection of any monies between parties and any legal action that may in exceptional cases be taken must be between the buyer and the seller. T Bar C Cattle Co. (2013) Ltd. assumes no responsibility for any credit extended by the seller to the buyer. The buyer must look to the seller for fulfillment of all guarantees and representations made hereunder.

DELIVERY:

Assistance will be given in getting your purchases home. Each animal becomes the risk of the purchaser as soon as sold.

PHONE, MAIL, WIRE BIDS:

Bidders unable to attend the sale may phone, wire or mail their bids and instructions to the sale manager, auctioneer or special representatives. Bids must be received in sufficient time prior to the sale.

INSURANCE:

We strongly recommend that insurance is purchased for full value.

ERRORS:

All announcements at sale time, written or oral, supercede any written material in the catalogue.
