

EASTERN EXTRAVAGANZA
SATURDAY, OCTOBER 1, 2022
ONTARIO STOCKYARDS INC.
COOKSTOWN, ONTARIO

A LONG HISTORY OF *heritage* BEHIND IT

Eastern Extravaganza has trademarked itself as the place to obtain some of the most coveted Angus cattle in the province, set in the ideal location of Central Ontario. The notion of Eastern Extravaganza not only brings to mind quality Angus cattle, but with it the novel of success that has been written for the purchasers of cattle through this esteemed event. And how could I speak upon EE achievement and not name Worth-Mor Shakura 5E, a past high seller to Mitch McGrady who stamped her mark on every show ring she graced, not to mention producing a \$30,000 bull calf. Past Curraghdale consignments have distinguished themselves, with one in particular raising a \$40,000 herd bull in the LLB Angus program. Gillco Allegra 5A was a past EE graduate to Gilchrist Farms, and later commanded \$40,000 to Strongbow Farms. The great people at Whiskey Lane consigned a high selling bred heifer, Whiskey Lane Queenette 24C, who went on to raise the Jr. Calf Champion at the RAWF and a \$14,000 high selling female to Premier Livestock. These examples are just a small sample of how extensive the offering is annually at this sale, as well as how these cattle have gone on to pay tremendous dividends to their new owners. After visiting these highly revered consignors this summer and selecting this offering, I can attest to you that Eastern Extravaganza 2022 has increased the intensity in regards to the quality of stock you have come to expect. I encourage you to make plans to join us in October in Cookstown. This is an extremely fun group who enjoy the social aspect of this great industry. The fellowship surrounded by superior Angus cattle is not to be missed. As always, please do not hesitate to contact any of us at T Bar C, as we are proud to represent the respected breeders of this sale.

This Marion female is beautifully-made and has quite the pedigree stacked with Young Dale and SAV genetics. Her mother is a Young Dale Believe female out of a Young Dale Touch Down cow, while her sire goes back to both SAV Eliminator and SAV Pioneer. We liked this mating so much we opted for round two and ended up with a full sister to 15J this past January. To top it all off 15J is bred to our newly acquired herd sire Merit Aftermath 1123J, one of the high selling bulls in Merit's 2022 bull sale this past spring. 15J comes halter broke to tie and has a lovely disposition.

Here is a female that will add some shape to your program. JPDH 45J is a thick made, ultra-correct female who has caught the attention of visitors this this summer. The Margaret line has quickly become a staple for us at JPD. Generation after generation of Margaret females impress us with their quiet dispositions and what has become their trademark hip shape. The Colossal baby inside is sure to be a chunk! 45J comes halter broke to tie.

AI bred Musgrave 316 Colossal 137 on April 10, 2022. Pasture exposed to Merit Aftermath 1123J from April 15 to August 1, 2022. Examined safe to AI mating.

Here is another SAV Ten Speed daughter on offer from JPD this fall. Ten Speed has worked very well in our program over the past few years by combining ideal phenotype with a very balanced set of EPDs. A full sister to 27J was sold to Gravel Lane Livestock, the Ernewein family, in 2021 where she continues to produce for them. You can expect 27J to be a hard-working brood cow who gets the job done year after year. She is safe to her AI mating and comes halter broke to tie.

We are very pleased to be a part of the Eastern Extravaganza and felt that we should dig deep into our herd in our inaugural sale. 33J is a true product of our Angus breeding program, going back to our foundation cow, Mountain Holly. Jasmine Holly's maternal power is unmatched in our herd. Currently 33J's maternal brother is making a mark in Saskatchewan for Blairs and Gold Bar herds. Jasmin Holly catches your eye with her killer profile, but it is not until you get behind this gem, as her massive volume is what really grabs your attention! These SAV Quarterback females come at you with some power. When Chris and Ben were through the pen this spring they selected her as their pick – she might be yours too!

CNS is very excited to partake in the Eastern Extravaganza sale and we are extremely pleased about our offer this year. We got some advice when we first started out to always sell the best ones! CNS Rosebud 4K is a full sister to the multiple time Champion bull PM Thunderstruck. Need we say more! I had the opportunity to tour Popular Meadows a few years ago and I was very impressed with the depth of Tanya's breeding program. We ended up purchasing some embryos from the famed Rosebud cow family. We hope CNS Rosebud 4K will follow in her brother's footsteps but more importantly turn into a great cow prospect. When the thunderstrikes this time you might better be the one buying this opportunity.

VIN-MAR O'REILLY FACTOR
ROB ROY O'REILLY LADY 10C
 FIRST LADY OF ROB ROY 5T

Ben had his choice of the Rob Roy heifers and Rob Roy Reilly 11J was definitely on his list. Her sire came to Rob Roy Angus from LLB and he has had a very positive impact on our herd with great weaning and yearling weight EPDs. 11J's dam has been a strong performer in our herd and is an easy keeping deep bodied female. that has Final Answer in her pedigree. 11J is quiet, easy fleshing, and checks all the phenotype boxes. Do not miss this opportunity on sale day.

AI bred to SAV Brilliance 8077 on April 14, 2022. Exposed to Rob Roy Stunner 5J from May 4 to June 2, 2022. Preg checked safe to AI breeding.

TERMS:

The terms of the sale are cash or cheque, payable at par at the sale location. The right of property shall not pass until after settlement has been made; no invoicing on buyers in attendance unless previous arrangements have been made. Every animal sells to the highest bidder and in cases of disputes, the auctioneer's decision will be final. Announcements from the auction block will take precedence over the printed matter in the catalogue. Current exchange rates will be announced sale day. All monies are in Canadian funds.

CERTIFICATE OF REGISTRATION:

Each animal will carry papers issued by the Canadian Angus Association unless otherwise stated. A certificate of registry duly transferred will be furnished to the buyer for each animal after payment has been made.

PEDIGREE ESTIMATES

Pedigree Estimates (PE) are created on the projected mating of the animal's sire and dam based on averages of the two, creating estimated values that do not hold the same accuracy of actual EPDs issued from the association and should be used as such.

HEALTH:

All animals in the sale have met all necessary health requirements.

GUARANTEE:

Each animal becomes the purchaser's risk immediately after the animal is sold. All animals in this sale will be sold under the terms and guarantees set forth by the Canadian Angus Association with regard to health, freedom from defects and from both reproductive and specific genetic unsoundness.

PREGNANCY INFORMATION:

All serviceable age females have been pregnancy examined by an accredited veterinarian, giving an

estimated length of gestation. This estimated gestation period shall be used only as a guideline to calving and is not a guarantee of actual service.

LIABILITIES:

All persons attend the sale at their own risk. The seller, facility owner and sale manager assume no liability legal or otherwise, for any accidents that occur. It is understood that T Bar C Cattle Co. (2013) Ltd. is acting only as a medium between buyer and seller and is not responsible for any failure on the part of either party to live up to his obligations. Neither does T Bar C Cattle Co. (2013) Ltd. assume any financial obligations to collect or enforce collection of any monies between parties and any legal action that may, in exceptional cases, be taken must be between the buyer and the seller. T Bar C Cattle Co. (2013) Ltd. assumes no responsibility for any credit extended by the seller to the buyer. The buyer must look to the seller for fulfillment of all guarantees and representations made hereunder.

DELIVERY:

Every assistance will be given in getting your purchases home. Each animal becomes the risk of the purchaser as soon as sold.

PHONE, MAIL, WIRE BIDS:

Bidders unable to attend the sale may phone, wire or mail their bids and instructions to the sale manager, auctioneer or special representatives. Bids must be received in sufficient time prior to the sale.

INSURANCE:

We strongly recommend that insurance is purchased for full value.

ERRORS:

All announcements at sale time, written or oral, supersede any written material in the catalogue.
