## BULL SALE

*March 3, 2023 • 2:00 pm*

Heartland Livestock Swift Current, SK

# Welcome to the Southland Bull Sale

We are very excited to reignite the Southland Bull Sale. The past 5 years we have been rigorously putting together a herd of cows that could lead us to this bull sale. Using heavy ET work and sourcing breed leading genetics, the Southland herd is one we're very proud of.

Using actual performance and genomic data, we are trying to give our customers as much information as we can to make an informed purchasing decision. As always, phenotype and structure, backed by a strong cow herd, have and will always be our main focus.

Whether you need a bull or not, we would love to have everyone stop by the farm for a visit or show up sale day for lunch and refreshments.

# Welcome

From the desk at T Bar....

Welcome to Southland Angus/Charolais Annual Bull sale, March 3, 2023 at Heartland Livestock, Swift Current, Saskatchewan. The Cadieux family present a stout offering of Angus and Charolais Bulls to enhance your breeding pastures. The lineup is unique combining performance with high maternal values all in one sale... you can take care of your breeding intentions all in one day.

In the Angus offering are four stout two-year-olds who will cover plenty of rough terrain and more cows. The sire group by the Guarantee bull offers consistency, with performance and tons of calving ease. You can count on the daughters being front end replacement females in the years to come.

The Charolais section leads with sons of Bellringer who is a son of the super-cow Starstruck; Serenty adds calving ease; Fireball is a son of the performance leader DutyFree and the new outcross sire at Southland – Benaiah!

Plan to spend a Southland Day with us in Swift Current to add value to your calf crop, stop by the ranch anytime before the sale for a preview or just give Shane or Lexi a call to discuss your breeding requirements.

If we may be of assistance, prior to or sale day, feel free to contact any of the T Bar Team or myself, we will help you in a professional manner.

WHITEWATER MISS 21Z

- A big, strappin' bull that will sire those steers that rally pound down the scale.
- His donor dam is a powerhouse of a cow. She goes back to the Harter Farms Anastasia cow family, a line I have admired for decades.
- Big, hairy, sound, and huge nuts. He is what the industry is looking for!

Dam of Lot 22, and a donor dam for Southland

Dam: CORNERVIEW UNFOCUSED 52G  
CORNERVIEW UNFOCUSED 44D

- The SVY Bellringer 952G offspring exhibit a ton of muscle shape in an attractive package.
- 44K is an outcross pedigree to most North American Charolais.
- He is backed by a performance cow who is made right in every way.
- Look down the top of this bull and you will be hard pressed to find on this wide.
- This is definitely the right kind of bull for the times.

SOS CHUCKWAGON 54C  
Dam: MEDONTE DIVINE 20G  
GERRARD EVETTA 1A

- If we had shown any bull calves this year, 38K would have been in the pen.
- This young Feb. 17 bull has all pieces in the right places.
- He has a lot of shape with that very cool look to him.
- He will be a feet and leg improver, but the strength behind this bull is his dam, Medonte Divine 20G, whose first calf is walking at Jared Preston's in St. Rose du Lac, MB.
- 38K is truly one of the most complete bulls in the sale, and one I am very proud of.

PLEASANTDAWN LADY 508E

SOS CHUCKWAGON 54C

Dam: WHITEWATER HALO 4H

WHITEWATER CABERNET 25C

Very interesting calf here!! The natural calf out of our prolific donor Whitewater Halo 4H. Our entire show string was out of this cow this year and nothing stood below 3<sup>rd</sup> place, with 3 out of the 4 being extremely age disadvantaged. The natural calf is always a testament to their dam's production ability. 5K can be used on Charolais heifers or commercial heifers. With his big square hip, moderate frame, and attractive front end; why not raise those cool show steers right out of your first calf heifers?

JMB FISHER 604D

Dam: LAE HARMONIE 35H

LAE MISS ELDORADO 486B

A buff coloured heifer bull in the top 1% calving ease and birth weight. With just a 75 lbs. BW, this guy will calve to any breed of heifers. His tank of a mother has the best feet and udder on any cow I've seen. She will be entering our donor program this year. If you're sick of pulling calves out of heifers, this is your bull. And, you will have a very marketable live calf at the end of the day.

# TERMS & CONDITIONS

## Terms:

The terms of the sale are cash or cheque, payable at par at the sale location. The right of property shall not pass until after settlement has been made; no invoicing on buyers in attendance unless previous arrangements have been made. Every animal sells to the highest bidder and in cases of disputes, the auctioneer's decision will be final. Announcements from the auction block will take precedence over the printed matter in the catalogue. Current exchange rates will be announced sale day. All monies are in Canadian funds.

## Certificate of Registration:

Each registered animal will carry papers issued by the Canadian Angus Association or the Charolais Charolais Association, unless otherwise indicated. A certificate of registry duly transferred will be furnished to the buyer for each animal after payment has been made

## Health:

All animals in the sale have met all necessary health requirements.

## Guarantee:

Each animal becomes the purchaser's risk immediately after the animal is sold. All animals in this sale will be sold under the terms and guarantees set forth by the Canadian Angus Association or the Charolais Charolais Association with regard to health, freedom from defects and from both reproductive and specific genetic unsoundness. All cattle are sold sound and right with a responsible breeder guarantee of satisfaction. In the event of an unlikely dispute the terms and conditions standard with the Canadian Angus Association and Canadian Charolais Association shall apply. All bulls are guaranteed exportable. Southland will incur the cost of health work. All bulls are guaranteed to pass a semen test prior to delivery. All decision deferred bulls will come back to Southland free of charge until a satisfactory breeding soundness evaluation is achieved.

## Liabilities:

All persons attend the sale at their own risk. The seller, facility owner and sale manager assume no liability legal or otherwise, for any accidents that occur. It is understood that T Bar C Cattle Co. (2013) Ltd. is acting only as a medium between buyer and seller and is not responsible for any failure on the part of either party to live up to his obligations. Neither does T Bar C Cattle Co. (2013) Ltd. assume any financial obligations to collect or enforce collection of any monies between parties and any legal action that may in exceptional cases be taken must be between the buyer and the seller. T Bar C Cattle Co. (2013) Ltd. assumes no responsibility for any credit extended by the seller to the buyer. The buyer must look to the seller for fulfillment of all guarantees and representations made hereunder.

## Insurance:

We strongly recommend that insurance is purchased for full value.

## Errors:

All announcements at sale time, written or oral, supercede any written material in the catalogue. The terms of the sale are cash, cheque, or E-Transfer payable at Par. The right of property shall not pass until settlement is made. Every animal sells to the highest bidder, and in cases of disputes, the auctioneer's decision will be final. Announcements made from the auction block will take precedence over the printed matter in the catalogue. All settlement is made with the clerks of the sale before any cattle will be released. Current exchange rates will be announced sale day. All monies are in Canadian Funds.

## Delivery:

Any bulls paid for and picked up sale day will receive a \$100 discount per bull. Delivery will begin the last week of March. Bulls will be fed for free up to the time delivery begins. Purchasers must take delivery of their bull(s) at the time Southland is in their general area. Any purchasers unable to take delivery of their bull(s) at this time will forfeit the free delivery, and will be charged \$8/head/day. Pick up will then be the responsibility of the purchaser.
