Howdy Folks,

We are hosting our 5th annual Bull and Female sale here at the Ranch at Bench Farming Co. With immense pleasure we would like to extend a warm welcome to all friends, neighbors, colleagues, observers and anyone that has a few hours to check out our Program.

First and foremost we want to thank all previous buyers for the support of our program, without you we could not exist. T Bar staff also needs to be mentioned as they play a great part in this operation, Marketing and General advice throughout the year. SW Animal Health Centre provides our Veterinarian needs, hearty thanks to all staff there. Also to Proveta, our feed suppliers, thank you. I will not get into names as there's not enough space in this catalogue to mention all neighbors and friends we consult with throughout the year.

This year we are presenting another set of almost 2 year old bulls that are as good as any we have raised. A few new sires to mention, as we are always striving to give our buyers the best bang for their buck. Gold Buckle 17G is a sire we acquired from Circle 7. Jackson 115F we bought from Bear Creek's 2020 Sale. As good a sire as we've ever had. And the heifer bull Cowtrax Strength 39G, who goes back to the great easy

calving Musgrave 316 Stunner. we are still dedicated to bring you longevity, good feet, easy fleshing and generally docile animals. But in this profession things can turn sour at the drop of a hat. Animals will be animals.

The Bred Heifers on offer are all up to date regarding vaccines, the latest being their Scour Guard Booster. They were run separately for the first cycle with Sires SLD 310H Ambush or WJD 13J Southpoint. Not a lot to comment on the heifers as they kind of speak for themselves. But I will say this, Some of my best heifers are on offer merely because of DNA reasons. As of 2021, no offspring could be registered if the Dam or Sire is not Parent Verified. I'm big on longevity and cannot have a cow that's had 13 calves if she can still conceive and produce a calf. So I'm passing on some pretty fancy bred heifers.

So with that I will close and once again, please consider this as your invitation to our sale on Feb 9. Lunch will be served starting at 10:30. Do not hesitate to call or stop in to tour the animals. Sale day I have noticed can be a little hectic, please bring a friend or two to partake our hospitality here at Bench Farming.

Thank you for your interest,

Joseph

FROM THE DESK AT T BAR...

Welcome to the Bench Bull Sale 2023

Welcome to the 5th Annual Bench Bull and Female Sale, February 9th at the ranch Shaunavon, Saskatchewan. Over the past four years, we at T Bar have enjoyed working with this Angus operation. They produce real bulls for real cowboys! Their large cow herd base which runs on the southwestern Shaunavon hills is a pleasure to tour.

Joseph and his wranglers are top cattleman... they calve from the back of a saddle horse and for the most part it is where they cull them along with Mother Nature's help although Mother Nature has not been very kind the last couple of January's.

The 2023 lineup of bulls is rugged and exciting. These coming twos exhibit muscle with volume, lots of hair and performance yet maintain moderate birth weights and calving ease traits. For those who have seen the mothers, you will appreciate the maternal power bred into the bulls. The Bench boys do a great job selecting their herd sires and when they acquire a new bull... they give him a chance to prove himself in the big pastures.

The heifers are sisters to the bulls and are only weeks or a

month or two from calving. Selected from the replacement pasture, these coming two's will be a wonderful asset to a program, be it purebred or commercial. Deep, roomy with a cowy look and nice udders.

Each spring, it is difficult to find virgin two-year-old bulls that can cover more cows, more ground in rougher terrain... Bench is where you will find these herd improvers... affordable and most importantly profitable.

Feel free to stop by the ranch any time prior the sale and preview the bulls and see their mothers and the sires... give Joseph and the boys a call to discuss the bulls and those that will fit your breeding intentions.

See you at the Bench. If we may be of assistance, prior to or sale day, feel free to contact any of the T Bar Team or myself, we will help you in a professional manner.

TERMS & CONDITIONS

Terms:

The terms of the sale are cash or cheque, payable at par at the sale location. The right of property shall not pass until after settlement has been made; no invoicing on buyers in attendance unless previous arrangements have been made. Every animal sells to the highest bidder and in cases of disputes, the auctioneer's decision will be final. Announcements from the auction block will take precedence over the printed matter in the catalogue. Current exchange rates will be announced sale day. All monies are in Canadian funds.

Certificate of Registration:

Each registered animal will carry papers issued by the Canadian Angus Association, unless otherwise indicated. A certificate of registry duly transferred will be furnished to the buyer for each animal after payment has been made.

Pedigree Estimates:

Pedigree Estimates (PE) are created on the projected mating of the animal's sire and dam based on averages of the two, creating estimated values that do not hold the same accuracy of actual EPDs issued from the association and should be used as such.

Health:

All animals in the sale have met all necessary health requirements.

Phone, Mail, Wire Bids:

Bidders unable to attend the sale may phone, wire or mail their bids and instructions to the sale manager, auctioneer or special representatives. Bids must be received in sufficient time prior to the sale.

Guarantee:

Each animal becomes the purchaser's risk immediately after the animal is sold. All animals in this sale will be sold under the terms and guarantees set forth by the Canadian Angus Association with regard to health, freedom from defects and from both reproductive and specific genetic unsoundness.

Liabilities:

All persons attend the sale at their own risk. The seller, facility owner and sale manager assume no liability legal or otherwise, for any accidents that occur. It is understood that T Bar C Cattle Co. (2013) Ltd. is acting only as a medium between buyer and seller and is not responsible for any failure on the part of either party to live up to his obligations. Neither does T Bar C Cattle Co. (2013) Ltd. assume any financial obligations to collect or enforce collection of any monies between parties and any legal action that may in exceptional cases be taken must be between the buyer and the seller. T Bar C Cattle Co. (2013) Ltd. assumes no responsibility for any credit extended by the seller to the buyer. The buyer must look to the seller for fulfillment of all guarantees and representations made hereunder.

Delivery:

Assistance will be given in getting your purchases home. Each animal becomes the risk of the purchaser as soon as sold.

Insurance:

We strongly recommend that insurance is purchased for full value.

Errors:

All announcements at sale time, written or oral, supercede any written material in the catalogue.

ADDITIONAL INFORMATION

Load out:

No load out of cattle will be allowed until the conclusion of the sale.
