WELCOME FROM THE GIBSON FAMILY

It is with great pleasure that we welcome you to the 31st annual Everblack Angus Bull and Female sale. By now I feel we are all used to the ups and downs that the Agriculture industry presents us. With the beef cow herd at it lowest levels seen in decades, it seems it might be the Ranchers turn to go on a "Bull Run" as Wall Street would call it.

In 2018 we thought long and hard but made the decision to move our sale home to the Ranch and transition to a video sale. This has turned out to be a very good decision as the stress level on the sale cattle has been substantially minimized. We have been very fortunate to be a part of such a great industry over these passed 31 years. Many customers have become friends who we maybe would not have got know if not for the bull sale.

Over the past 3 years there has been a renewed appreciation for the Ag sector, people want to know now more then ever where their food came from and how it was produced. They are also willing to make the extra effort to shop local to support their rural neighbours. This truly does mean a lot to us.

We are extremely proud of our offering this year, we feel this is the deepest set of bulls top to bottom that we have raised to date. We source the best herd sires we can find, and walk these bulls in two breeding seasons. The large sire groups present a clearer picture of what the end product will look like as you are able to evaluate many 1/2 and 3/4 brothers.

There are a couple new sire groups this year as well for our long time repeat customers.

We calve 1/4 of our cows mid Jan-Mar so that we can select a handful of yearling bulls for our sale. This enables us to market some replacement females into early calving operations. The majority of the herd calves May-June, back in the hills with very little supervision. With two calving seasons, our cows are calved in the same manner as 99% of our customers, giving us a good indication of what works and what doesn't. We can then select for these desirable traits when producing bulls. The early calves are weaned the end of September, with the young calves staying on the cow until late November. Weaning weights are actual, not adjusted. No yearling bulls are sold privately, this gives us a good selection of two year old bulls that aren't picked over. Our focus truly is the two year old bulls; they are mature, can cover more cows and there is almost no guesswork in visualizing what the end product will look like.

Our bulls to use on heifers are the result of mating calving ease bulls to low birth weight, smaller framed cows. This gives us calving ease consistency on both sides of the pedigree. The cow bulls are stout, rugged bulls with some added performance. All are sound, semen tested, and 100% guaranteed.

We take the most pride in our customer service, our youngest shareholder is 7 yrs old, so what I'm saying is we plan to be around for a long time. If you have an issue don't hesitate to let us know and we will remedy it for you in a timely manner.

We have an 85% repeat buyer rate and feel that speaks in itself. We would like to send out a heartfelt thanks to all who have supported us in the passed and we hope to continue into the future.

We would be more than happy to have you join us March 27th for a steak and a bull sale!

EVERBLACK CREW

Charles Dunk

This summer will mark Charles' 10th year with us and we sure do appreciate all he does. Charles excels in equipment operation. He is in charge of our combine crew during harvest and is a jack of all trades the rest of the year. Charles recently joined the Islay Fire Department and is working on getting all of his certifications.

Steve Riley

Steve joined us in the fall of 2020 and continues to be a great addition. He is handy on a horse and has a great love for all animals. Steve is in charge of the day to day feeding and herd health around the ranch.

Thank you!

Just another day in paradise...

From The Desk at T Bar C

Welcome to the 31st Annual Everblack Angus Bull and Female Sale on March 27, 2023, at the farm, Vermilion, Alberta.

With over a half century of Angus experience and selection, the folks at Everblack offer an exciting lineup for your inspection whether you are a purebred breeder or a cow/calf producer enjoying the great surge in the marketplace. The hundreds of Everblack repeat customers will tell you that these bulls work... packed full of performance, with bred in calving ease and outstanding maternal values. We all know that uniformity in a calf crop brings premiums in the sale barns. As you read through this catalogue, check out the uniformity of the weaning weights. This uniformity relates to the strength of the cow herd in type, milk, and fertility... traits which the Gibson's have bred for over the decades.

The yearling bulls selected out of the early calving section offer unlimited opportunities. Many are candidates for heifer pastures with new and proven genetics. The two's are the stoutest ever offered by Everblack... rugged bulls, big middled, thick topped with optimal birth weights and ready to cover lots of cows on all types of terrain. The diversity of sires both new and proven offer selection for all types of programs and budgets... take advantage of the endless opportunities to add value to your breeding pastures. The females selling have been selected from a cross-section of the many cow families and will make front pasture brood matrons. Ideal for 4-H'ers of any age.

Stop by the ranch any time prior to the sale and preview the bulls or stop by on Sunday for viewing with hospitality and fellowship. Feel free to call Ernie or the boys to discuss the bulls and those that will suit your breeding intentions. Most importantly, plan to be with us on March 27th for an outstanding lineup of Angus breeding cattle.... "The Everblack Kind!"

If we may be of assistance prior to, or sale day, feel free to contact any of the T Bar Team or myself, we will help you in a professional manner.

INFORMATION

Volume Discount

Receive a 5% discount with the purchase of 3 or more bulls.

\$100 rebate on each bull purchase picked up sale day.

Possession & Delivery

Your animal may remain at the farm if it is inconvenient for you to take possession on sale day. Delivery can be arranged at a later date.

PLEASE NOTE: The animal becomes the responsibility of the purchaser after it is sold. Insurance will be available sale day.

Weaning & Weights

February - March calves are weaned late September
April - June calves are weaned late November

Weaning weights are actual weights.

Scrotal measurements and actual bull weights will be available sale day.

All heifers are palpated for reproductive soundness.

All bulls are semen tested and 100% guaranteed.

Calving Ease

Our heifer bull program consists of breeding low birth weight, smaller framed cows to easy calving bulls. This gives us more consistency on both sides of the pedigree.

- ★ Recommended for cows
- ★★ Recommended for cows and larger framed heifers under supervision
- ★★★ Recommended for heifers

CALVING EASE: ★★

A nice numbered bull with some performance here. From a 76 lb Bw to a 780 lb WW, that's impressive from a first calf heifer. The dam 14H, came as the top selling female in the ShortGrass sale where Everblack and Full Draw partnered up on her. She has turned into a nice young cow being sound with a nice udder and very milky. Sired by Motive who needs no introduction in the cattle business.

Co owned with Hardy Fischer at Full Draw Angus.

CALVING EASE: ★

Square topped, well balanced bull that came out of our transplant program. Sired by the famed female maker Natural Law and our number one income cow, Kathleen 65P. 65P has 31 registered progeny, 4 of them being daughters through select sales and 5 through our bull sale. Our 2022 bull sale saw a flush brother sell at the top end to Mike & Annabelle Kotun at the Bar K Ranch, Spiritwood, SK. This guy will make you some momma cows. We had a full sister calve this spring and she is something special.

84	840		-0.1	59	104	24

CALVING EASE: ★★

A bull that has always been easy to find, even as a calf. 10K came out of our transplant program and sired by the calving ease bull Coleman Triumph. The dam was a top selling bred heifer at the Brooking Invitational at \$25,500. You will definitely see more of her in the future as she has become a major donor here at Everblack. Lots of calving ease here with Triumph, Capitalist 316 and Motive. Rose 9328's first calf topped the yearling division in our 2022 bull sale to the Bielenys at Rocking Heart/Anchor Lazy U. Being so stout we didn't know if to make him a 2 or 3 star for calving ease. We decided 2 1/2 stars would work.

CALVING EASE: ★

Stout Stamina son that is easy to find. Out of a good young Annie cow whose mother was in our transplant program. A 3/4 sister to 276J sold this fall in the Ladies of the West sale for \$20,000 to Elk Ridge Angus at Rosssburn, MB. Also a full sister to 276J would arguably be our best open heifer in the spring calving group. Power in the blood here! Remember these are actual weaning weights. This bull ranked 8/132 with an index of 111.

JZT 276J

3/4 Sister

Stamina son with some extra stretch. Nice actual weaning weight for a mid June calf. From a Blackrock daughter who has been a never miss momma. Three daughters in herd. A son topped the 2018 sale to Jamie Mills at Frenchman Butte. Another son was our top selling yearling in the 2020 sale to our good neighbour Cody Squire. Check this guy out. He will make you some females.

**Maternal Brother
Everblack Vision 18E**
Was the top selling bull in 2018 to Mr Jamie Mills at Frenchman Butte

Real Estate or ROI as we call him has raised the bar at Everblack. We now have the final piece of his puzzle in place. We have 2 sets of daughters calved out now and are very excited. They are soft made, big middled, very sound and have exceptional udder quality. His sons are proving to be highly marketable. They have ample performance in them while being very easy keeping, correct and sound to the ground. We have 147 calves sired by him so the sample size is large. The maternal strength is strong with the Beautys, Rose's, and Echo cow families in the pedigree.

Money Made was the top selling bull at Bar H in the spring of 2017 for \$43,000. We dug deep on him as we needed to start a new calving ease line, we're glad we did. With 174 calves registered to his name, we are very confident in his calving ease consistency. They have long spines and clean front ends. We have daughters calving now and are not disappointed, they are carrying on the calving ease without giving up too much in performance. This will be the last group sired by the Cash bull, we lost him too injury 3 summers ago, so don't miss out if you've been waiting for a son.

Vison as we call him, was the top selling bull at Peakdot in 2015 for \$55,000. Dad got a little carried away with his hand in the air, in hind sight we won't be holding that against him! His calves have moderate birth weights with exceptional ease of fleshing and explosive early growth. We have many daughters in the herd now, the udder quality is extremely high, he would be an udder fixer without a doubt. The sons are easy to find on sale day no matter where they are in the sale order. Vison sired roughly 380 offspring whom were all sired naturally. He will be missed!

Big Sky as we call him was selected as a performance sire from HF. With a modest 85 lb birth and a 910 lb weaning weight, we have found he bred very true to these characteristics. His sons will add pounds to your calf crop pure and simple. They have length, frame, wide tops, lots of rib, heavy boned and are sound. An added bonus, his daughters are very good as well. Big ribbed, nice uddered females that have an abundance of milk. This is a bull we truly lost too early in life, we are really realizing that now after calving his daughters. This will be the last group sired by Big Sky.

We purchased Acclaim in the spring of 2020, we all remember the buzz around the Bravo sire group that spring. He has not disappointed, there are still high-end bulls sired by Bravo selling this spring, his popularity seems to be picking up steam. Our Bravo son, 144G has become a real swiss army knife at our place. Very handy, he can be used on large cows to moderate birth weight, all while still keeping enough performance and an abundance of stoutness. He can be used on virgin heifers for trouble free calving while still having that stoutness that will add pounds at weaning time. With being out of a nice Coalition mother, we are confident in his maternal merit. Based on 86 calves so far he boasts a nice EPD spread of -0.3 BW to 100 YW.

A Sky High son we purchased from Duralta. With a nice balanced EPD profile, he has sired true to that. The sons have a nice rib shape, ample performance, with lots of hair and really nice head carriage. We are very happy with his first daughters calved out last spring. They were a pasture calving dream, nice tidy udders with excellent suspension, good mothering ability and very easy to look at with nice extended front ends. We lost this bull to injury, this will be his last group of sons.

We purchased Final Exam to add another consistent calving ease bloodline. You cannot go wrong when you have Final Answer on the top side and Bismarck on the bottom. We are very confident in there calving ease ability. They are wide based, very easy fleshing cattle in a moderate frame that wont get too big to breed heifers anytime soon.

Everblack Vision 119F was the top selling Bull in our 2020 sale to HBH Angus out of Manitoba for \$21,000, fortunately we were able to retain a half interest. We wanted to keep a Vision son to carry on his lineage and what better cow to be out of then the Roseholm Dyna cow. She is a model angus cow, extremely sound, nice uddered, moderate in frame and still producing at 13 yrs of age, what more can you ask for. Since 119F she has entered our donor pen. Look for 119F to sire a bit more length and a touch more performance than the old Vision bull himself. Check out his sons in the 2 yr old section. **Owned with HBH Angus.**

Showtime was the top selling bull at Six Mile in the spring of 2021 for a \$63,000 valuation. He was our pick of the infamous Showman 338 calf crop that spring. We are very pleased with his first calf crop, the daughters are soft made, eye appealing females that look like they will make cows! The sons are versatile having very user-friendly birthweights for the heifer pen but still enough performance to be used in the cow pasture. We are excited for his future here! **Owned with Six Mile Ranch**

BAR-E-L Global is a bull we were able to lease from our good friend at Allandale, Mr Wayne Stetson. Sired by the Koupals Atlas bull, he boasts a very nice EPD profile spread of -0.9 Bw to a 103 YW. You can find numerous light birth sons in the 2 yr old section. **Owned by Allandale Angus**

Wilbar Executive Order 835H was the top selling black bull at Wilbar in the spring of 2021. He has sired true to his picture as his calves are stout with an abundance of muscle that also possess some ruggedness. If you browse through the Wilbar catalogue this spring, 835H has 2 full sisters that are slated to enter the Wilbar donor program and that is no easy feat at that operation! With just a small sample size this yr, expect to see large sire groups in the near future.

Colossal 126H was our pick of the calving ease bulls at Peakdot in the spring of 2021. He has sired true to that statement as the calves have come easy. They are soft middled and we think will end up with a moderate frame score. The grand sire Capitalist 316 needs no introduction as he was just awarded the Pathfinder Sire status in the USA which is no easy feat.

Pacemaker 226C was a top seller in our 2017 sale down the road to Westman Farms. We were fortunate enough to lease him back for a couple breeding seasons to carry on the Pacesetter lineage that we dearly valued. He's a sleep easy heifer bull option with sons in the 2 yr old section.

FARM AND FAMILY

TERMS & CONDITIONS

TERMS:

The terms of the sale are cash or cheque, payable at par at the sale location. The right of property shall not pass until after settlement has been made; no invoicing on buyers in attendance unless previous arrangements have been made. Every animal sells to the highest bidder and in cases of disputes the auctioneer's decision will be final. Announcements from the auction block will take precedence over the printed matter in the catalogue. Current exchange rates will be announced sale day. All monies are in Canadian funds.

CERTIFICATE OF REGISTRATION:

Each animal will carry papers issued by the Canadian Angus Association, unless otherwise specified. A certificate of registry duly transferred will be furnished to the buyer for each animal after payment has been made.

PEDIGREE ESTIMATES:

Pedigree Estimates (PE) are created on the projected mating of the animal's sire and dam based on averages of the two, creating estimated values that do not hold the same accuracy of actual EPDs issued from the association and should be used as such.

HEALTH:

All animals in the sale have met all necessary health requirements.

GUARANTEE:

Each animal becomes the purchaser's risk immediately after the animal is sold. All animals in this sale will be sold under the terms and guarantees set forth by the Canadian Angus Association with regard to health, freedom from defects and from both reproductive and specific genetic unsoundness.

LIABILITIES:

All persons attend the sale at their own risk. The sellers, facility owner, auctioneer and sale manager assume no liability, legal or otherwise, for any accidents that occur. It is understood that T Bar C Cattle Co. (2013) Ltd. is acting only as a medium between buyer and seller and is not responsible for any failure on the part of either part to live up to his obligations. Neither does T Bar C Cattle Co. (2013) Ltd. assume any financial obligations to collect or enforce collection of any monies between parties and any legal action that may in exceptional cases be taken must be between the buyer and the seller. T Bar C Cattle Co. (2013) Ltd. assumes no responsibility for any credit extended by the seller to the buyer. The buyer must look to the seller for fulfillment of all guarantees and representations made hereunder.

DELIVERY:

Every assistance will be given in getting your purchases home. Each animal becomes the risk of the purchaser as soon as sold.

PHONE, MAIL, WIRE BIDS:

Bidders unable to attend the sale may phone, wire or mail their bids and instructions to the sale manager, auctioneer or special representatives. Bids must be received in sufficient time prior to the sale.

INSURANCE:

Agents will be in attendance to insure your purchases. We strongly recommend that insurance is purchased for full value.

ERRORS:

All announcements at sale time, written or oral, supercede any written material in the catalogue.

BULL WARRANTY:

We guarantee to provide you with a sound, fertile bull capable of servicing a reasonable number of cows. In the event that your bull is a non-satisfactory breeder, the seller will not, under any circumstances, be responsible for more than the original selling price of any bull or female sold in the sale. The consignors will not provide replacement or credit for physical injury or mismanagement. Therefore we stress the importance of insurance on your bull. An insurance agent will be available on sale day.
