ROY MAC ANGUS

BULL SALE PRIVATE TREATY

Welcome

We welcome you to the 2023 version of the Roy Mac Angus Private Treaty Bull Sale. We would like to take the opportunity to thank everyone who has supported us and shown interest in our program.

We take a lot of pride in this group of bulls offered, we have confidence they can move your program forward. If we didn't they wouldn't be here. We put in the hours sourcing the genetics we feel can thrive in today's cattle industry and we know they will do the same for you.

This group was weaned mid September with the exception of a couple of bulls that were shown at Stockade Roundup. What you see is what you get, bulls were not on creep feed and WW's were on mommas milk and grass. Our cows are not pampered and neither are these bulls, they must show the ability to convert feed and hold condition in order to make the cut. We run these bulls in a large pen and promote exercise to build muscle. They are fed a 13% pellet and a combination of oat greenfeed and straw. Structure, foot quality and temperament are paramount.

We really do appreciate your business. We encourage you to come out to the farm to view these bulls and mothers in their natural setting. Give us a call to discuss your needs if you would like to take advantage of our sight unseen program. Again this year videos will be available of the entire offering.

Cheers

THE MACDONALDS

ROY MAC ANGUS

INFORMATION

ON OFFER BY PRIVATE TREATY

- 25 black angus yearlings
- 6 red angus yearlings

TERMS

- \$1000 down upon selection with the remainder due April 1/23

WINTERING/SEMEN TESTS/DELIVERIES

- Bulls will be wintered by Roy Mac Angus free of charge. We do recommend that bulls remaining here through the winter be insured as accidents can occur.
- All bulls will be semen tested, if your bull does not pass a semen test before delivery you will be offered a replacement bull or your deposit will be refunded.
- All bulls will be delivered in a timely manner, free of charge.

TRANSFERS

- All pedigrees will be transferred and forwarded to you upon full payment

DIRECTIONS TO THE FARM

- 6 miles north of Cut Knife on grid road 674. Located on the east side of the road with a Roy Mac Angus sign at the entrance.

VIDEOS AVAILABLE AT
www.buyagro.com

SALE BULLS

LOT 14K

- Heifer bull.
- 2 years in a row this bulls mother has produced the lead off bull, I don't like to pick favorites but she is right near the top.
- Production combined with phenotype.
- Cattle View Ranch purchased last years maternal brother.
- Moderate, easy doing and added thickness.
- Call for details on this herdsire.

LOT 19K

- Impressive individual that commands your attention.
- Weaned off at 950 lbs on only mommas milk and grass, he is extremely long and deep and carried that 950 lbs well.
- Extremely balanced for a bull with that much performance.
- His Dam is a powerhouse cow with a near perfect udder. She unfortunately lost her calf the previous year to no fault of her own. Her first calf was a standout that sold to great operation at Scallywag Farms. The monarch females are hard to beat.
- This bull is more than just power bull, he offers a maternal punch and stand on great feet.

SALE BULLS

LOT 36K

- We are excited to offer the first bulls off HF Center Stage 126H, he was selected out of the first group of showman calves from Hamilton Farms and proved to be a valuable breeding piece. Unfortunately we lost him after one breeding season so take a look at these Center Stage calves, they won't disappoint.
- Showman 36K is a bull that maybe has stood out the most since he was born, from day 1 he looked like a herdbull.
- The showman calves are extremely thick and offer up impeccable structure and foot quality.
- Eston Anne 34C has been very productive to date, producing 2 daughters retained in herd. One of those daughters produced a bred heifer that sold this fall to Bar Double M for \$9750. 34C has also produced 2 sons selling to Lloyd and Brenda Malenfant and Marcel Doucette.

Another high quality showman, we showed this bull this fall at Stockade Roundup in Lloyd. It's just hard to fault this bull, you can analyze him and he checks all the boxes. 108B has become one of the most productive cows we have and looks good doing it. Maternal brothers have sold to Mac Mcmillan, Shane Nordin, and one working in Jim Kings purebred herd. She has had a daughter sell to Wraz Red Angus and an outstanding heifer retained in herd.

Heifer bull. We think very highly of Renovation females and we continue to use Renovation in our AI program. We haven't found a better female maker in recent memory. You'll notice the grand dam of this bull is the mother to Lot 82K. Top 2% for yearling weight, top 3% for weaning weight.

SALE BULLS

LOT 25K

- Cow bull.
- The Iceberg Quest sire group this year is very impressive, this bull exemplifies what he is all about.
- This bull stems from a cow family that has been the most productive within the last 5 years, with the matriarch being the Erica 5Z cow. This bull is related to the lead off Bloodline 19K bull.
- Really eye appealing bull that catches everyone attention, added length and depth.
- Maternal brother sold to Ron and Cindy Schlekeway and a daughter retained in herd.
