Hosting numerous online Angus genetic sales throughout the Spring may break the status quo, but when you sort through the pages of this catalogue and see that every single lot represents either up and coming, fresh genetics to revitalize and propel even the most established of operations, or the historically tried and true, rare and highly sought after options that have proven their income potential time and time again; we feel it is easy to see why we at T Bar C strive to gather and offer only the best. The Spring Flight is highlighted by Sciefelbein Ponderosa 1122, the \$86,000 high seller this past Spring to Peak Dot Ranch. If the buzz that has surrounded this bull is any indication of how valuable his service and progeny will be in years to come, we are in for exciting times. On offer is also a small but hand selected offering of both semen and embryos that we feel are suitable not only for anyone's investment, we truly believe they are the catalyst for elevation and heightened success if you want to drive forward in the Angus game.

As always, please note that it is the responsibility of the winning buyer to be in contact with the seller for release, as this will be the easiest method to arrange a quick shipment.

- Ben Wright

Introducing the \$86,000 top selling bull from Schiefelbein Farms to Peak Dot Ranch. Schiefelbein Ponderosa is regarded as one of the absolute thickest bulls in existence by those that have seen him. Ponderosa is a 3-dimensional marvel that has tons of depth, length and muscling. He offers double digit calving ease with breed leading growth and \$ values. His \$90,000 sire Connealy Big Valley is know for siring added scrotal and excellent feet with exceptional muscle expression. Ponderosa's dam is a Mogck Entice daughter. She is a moderate framed cow with a long body and deep ribbed to go along with a nice tight udder. Her EPDs are sensational with 10 of the 12 major traits in the top 15% of the breed. Ponderosa is the one we have been looking long and hard for, a changer that takes the terms "easy fleshing, thick made, deep bodied" to a whole new exciting level.

Peak Dot Barbara 807H is a model female from our program. Perfect udder, perfect feet, long level hip, wide based and very sound structured. Her dam Peak Dot Barbara 483A is a proven donor with 35 progeny. We have an extremely nice set of daughters at Peak Dot and her sons have been topping our bull sales. We think the world of this mating to SAV Magnum 1335 and would expect to see sons with an abundance of muscle, body shape and depth of rib and daughters that are easy fleshing, deep ribbed with beautiful udders.

TERMS AND *Conditions*

TERMS

The terms of the sale are cash or cheque, payable at par at sale time. The right of property shall not pass until after settlement has been made; unless previous arrangements have been made. Every animal sells to the highest bidder and in cases of disputes, the auctioneer's decision will be final. Announcements from the auction block will take precedence over the printed matter in the catalogue. Current exchange rates will be announced sale day. All monies are in Canadian funds.

PEDIGREE ESTIMATES

Pedigree Estimates (PE) are created on the projected mating of the animal's sire and dam based on averages of the two, creating estimated values that do not hold the same accuracy of actual EPDs issued from the association and should be used as such.

LIABILITIES

It is understood that T Bar C Cattle Co. (2013) Ltd. is acting only as a medium between buyer and seller and is not responsible for any failure on the part of either party to live up to his obligations. Neither does T Bar C Cattle Co. (2013) Ltd. assume any financial obligations to collect or enforce collection of any monies between parties and any legal action that may in exceptional cases be taken must be between the buyer and the seller. T Bar C Cattle Co. (2013) Ltd. assumes no responsibility for any credit extended by the seller to the buyer. The buyer must look to the seller for fulfillment of all guarantees and representations made hereunder.

DELIVERY

We will assist in arranging transportation wherever possible. Each purchase becomes the risk of the purchaser as soon as sold.

PHONE, MAIL, WIRE BIDS

Bidders unable to participate in the sale may phone, wire or mail their bids and instructions to the sale manager, auctioneer or special representatives. Bids must be received in sufficient time prior to the sale.

INSURANCE

We strongly recommend that insurance is purchased for full value.

ERRORS

All announcements at sale time, written or oral, supersede any written material in the catalogue.
