

# Spring THAW

ONLINE FROZEN ANGUS GENETICS SALE

**MARCH 18 - 19 - CLOSING AT 7 PM CST**

We at T Bar C wish to extend a huge congratulations to the breeders that are involved within the pages of this Spring Thaw catalogue for offering some of the most distinguished breeding tools ever assembled, they have the potential to evolve any program in the land. When Katie sent us the proof of this catalogue as we were all driving in the Yukon it automatically energized us all, as I'm sure it will you.

The Lot 1 female carries quite the title and accolades. Being the mother of the lead off bull in the largest Canadian Angus seedstock producer's bull sale already establishes a large reputation. We absolutely fell in love with this cow as we toured Peak Dot, and believe that her son selling on the first Wednesday of April will be one of the most anticipated bulls to sell all spring. As we're on the topic of future herd sires, the Lot 2 bull calf has been a standout since birth. I easily recall seeing him on grass in July and then again this past winter, and I couldn't help but follow this guy around. And that was before I figured out who is mother is. Absolutely incredible. The Lot 3 heifer calf exemplifies all the credentials that any progressive breeding program seeks, and especially the category of a phenomenal mother. Also included is a star studded pregnancy that will make your hair stand on end, embryo's from the who's who of the Angus industry's donor batteries, and semen from sires that are industry leading and not just available every day of the week. Join us online for the power packed offering, and don't be afraid to contact any of us if we can extend our help for your spring breeding plans!

For all of us at T Bar,

*Ben Wright*

PEAK DOT BIG RIVER 139K | SON

PEAK DOT COLOSSAL 168J | SON

It took a lot of arm twisting by the T bar C crew to convince us to put this proven herd matron in this years Spring Thaw Sale but in the end they prevailed. She is the mother of the highly anticipated and featured lot 1 bull Peak Dot Big River 139K selling in Peak Dot Ranch Bull Sale on April 5. She has raised featured bulls in past sales and has stamped them all with her deep made easy fleshing model body type. She is a herd favourite and one of 4M Element 405 all time greatest daughters. She has true breed character, a rock solid production record and possesses all the qualities of an ideal beef cow. She was the top pick and top performing heifer of her calf crop year with a yearling ratio of 120. Her maternal grandam was one of the all time deepest bodied SAV 004 Predominant daughters we have ever owned. She comes with an excellent EPD profile and the credentials to advance anyone program to the next level. But here is the good news. She is safe in calf to the very popular in demand \$120,000 sire Schiefelbein Gable who now is in limited supply in Canada and due to Calve March 20th! Your getting the cow calf pair! This truly is a rare opportunity to own one of the very top cows from the long running historic Peak Dot herd and see a quick return on your investment.

**Selling 100% ownership and possession.**

Harprey LM Payweight 20K is an exceptional breeding piece, that we have decided to offer in this years sale. From day one 20K has always possessed a look that draws your attention. Loads of capacity, strong footed, masculine front structure in a super well balanced and complete package. His dam, KR Lady May 4382 an exceptional donor cow who is no stranger to the angus industry and is quite possibly one of the greatest to influence Canadian herds in the last couple years. 4832 has over 40 direct progeny in the CAA herd book, most notability a direct daughter topping the February Freeze event for \$40,000 half interest. This is a cow family you need to incorporate into your program, and bull to take you to the next level.

**JL EVENING TINGE 5110 | DAM**

**BW: 78 lbs. ADJ WW: 715 lbs.**

This electrifying female has caught the attention of many who have witnessed her. Of course her sire America is making his mark with remarkable females with performance and genetic merit. But probably the feature attribute to this Cinderella is her phenomenal dam. 5110 was a \$26,000 purchase of D&N Livestock & Jacobs Ranch at the history making Johnson Livestock Dispersal in 2020. She comes from the Evening Tinge cow family that is known for superior females with over 120 head tracing back to the original 57R matriarch. This royally bred female has all the credentials to become a foundation female wherever she resides, and with the Spring Thaw gaining momentum within the industry we felt this was a perfect place to offer her before spring breeding plans.

KR CASINO 6243 | SIRE

When you talk about blending some of the most sought after rare genetics that carry as much value as any made available in the world, this mating has to be at the forefront. Casino semen is now fetching \$1600 a dose and climbing. Madame Pride 0151 is the dam of the now deceased sire SAV Renovation who had the lead off sire group and high seller at SAV this spring. The maternal genetics incorporated with 0151 and the extra added “look” Casino cattle carry makes this very exciting. Put your own tattoo on the resulting calf and reap the rewards of something extremely special and unique that will get worldwide recognition.

**Recip is due to calve on March 18, 2023, Recip # 183H TJ.**

**BLAIRSWEST ERICA 77J** | ERICA DAUGHTER

Erica 74A is recognized as Canada's most decorated female in Angus cattle. A past CWA supreme champion but more importantly is her track record of production. From placing herdsires like Rocco (full sib to these eggs) to \$69,000 heifer calves in the fall of '21 in the Opportunity Knocks sale to selling record pricing flushes literally all over the world. All in all have Erica within in your genetic pool. Renown is the stand by sire that is coming to more life than ever now. Course being the sire of Glacier , a \$90,000 female for Meadowbridge in Ontario plus multiple others is just the current news on Renown. This is a major league mating that has endless opportunities.

**Guaranteeing one pregnancy if impanted by a certified technician. Stored on Bow Valley Genetics.**

Reckoning has made a name for himself as a highly talked about Angus show bull in the United States. Going undefeated in his division throughout his show career and getting the slap for Reserve Angus Bull at the NAILE. Reckoning is sired by the great Youngdale Believe 46B. The calves hitting the crowd make the future look bright for this young herd sire. Reckoning is extremely up-headed and clean fronted with cool neck extension. He possesses ultra flexible joints with desirable body depth, dimension, and muscle shape! He is not only a bull to improve show quality, but is also a great choice to improve herds of all types with his tremendous breed character, testicle shape, joint and foot quality, and overall phenotype.

	7.0	1.6	77	138	25

This exciting Catalyst daughter was the top selling bred of Fallsview '21 at \$30,000. Her perfect combination of Resource X Renown insures her upmost potential as she raised a Rip bull calf this past year that has really come together. A true feature is the mating to Gable that has a tremendous future and also to the phenotype type champion Sterling that will be very popular in coming sales this fall. The combo s available here are production enhancing ones that we certainly encourage.

**Guaranteeing one pregnancy per package if impanted by a certified technician.**

# Terms AND CONDITIONS

## TERMS

The terms of the sale are cash or cheque, payable at par at sale time. The right of property shall not pass until after settlement has been made; unless previous arrangements have been made. Every animal sells to the highest bidder and in cases of disputes, the auctioneer's decision will be final. Announcements from the auction block will take precedence over the printed matter in the catalogue. Current exchange rates will be announced sale day. All monies are in Canadian funds.

## CERTIFICATE OF REGISTRATIONS

Each purebred animal will carry papers issued by the appropriate breed association unless otherwise stated. A certificate of registry duly transferred will be furnished to the buyer for each animal after payment has been made.

## HEALTH

All animals in the sale have met all necessary health requirements.

## PEDIGREE ESTIMATES

Pedigree Estimates (PE) are created on the projected mating of the animal's sire and dam based on averages of the two, creating estimated values that do not hold the same accuracy of actual EPDs issued from the association and should be used as such.

## LIABILITIES

It is understood that T Bar C Cattle Co. (2013) Ltd. is acting only as a medium between buyer and seller and is not responsible for any failure on the part of either party to live up to his obligations. Neither does T Bar C Cattle Co. (2013) Ltd. assume any financial obligations to collect or enforce collection of any monies between parties and any legal action that may in exceptional cases be taken must be between the buyer and the seller. T Bar C Cattle Co. (2013) Ltd. assumes no responsibility for any credit extended by the seller to the buyer. The buyer must look to the seller for fulfillment of all guarantees and representations made hereunder.

## DELIVERY

We will assist in arranging transportation wherever possible. Each purchase becomes the risk of the purchaser as soon as sold.

## PHONE, MAIL, WIRE BIDS

Bidders unable to participate in the sale may phone, wire or mail their bids and instructions to the sale manager, auctioneer or special representatives. Bids must be received in sufficient time prior to the sale.

## INSURANCE

We strongly recommend that insurance is purchased for full value.

## ERRORS

All announcements at sale time, written or oral, supersede any written material in the catalogue.
