Welcome,

Thank you for joining us for our 25th Annual Private Treaty Sale. We are proud to present to you this selection of bulls and heifers from our 2021/22 calf crop. We offer you a combination of new and proven genetics using select AI sires as well as our own walking bulls. We have been breeding Limousin cattle for over 40 years, with predominately a fall and winter calving program and selling bulls and replacement females into the purebred and commercial markets.

The format of our sale is on a first come, first serve basis. Animals sell under the standard Canadian Limousin Association's Breeders Guarantee. All bulls offered have passed a semen evaluation prior to sale day. Video clips of animals in the sale are available online through our website and Facebook page.

Please do not hesitate to contact us with any questions or to arrange an opportunity to see the cattle prior to sale day.
