Free delivery for bulls within a 200 mile radius of South View Ranch. Bulls delivered further will be to central locations, or the nearest port of entry to the USA, on purchases of \$4000.00 or more. Deliveries beyond the Saskatchewan border will be on a cost share basis.

From the Desk at T Bar...

Welcome to the South View Ranch 23rd Annual Bull sale on Thursday, April 6, 2023 at the ranch headquarters, Ceylon, Saskatchewan. Situated in the rolling hills near Ceylon, this seedstock operation has been supplying Red and Black Angus breeding bulls to the livestock industry for two and a half decades. The 2023 lineup is powerful with depth of quality in all divisions be it yearlings, two-year-olds or hybrids.

The uniformity of this offering must credit the large cow herd base. The hills of Ceylon have been the culling committee over the years as optimal frame, fault-free udder type with plenty of milk, and basic soundness in foot and leg structure, have dictated the strength of the herd. They run their herd in the same manner as that of their many repeat customers... as there is little time for special treatment except for the few days at Agribition.

You will love the muscle, style, shape, hair, and optimal birth weight of the bulls. The majority of the individuals are born in March and April with many turning a year of age at sale time. SVR has been a source for quality purebred herd bulls over the decades. 2023 is no different as their feature bull, Red SVR Bankrupt 53K will be a headliner... his dam is the "super" cow admired by all visitors to the ranch. 53K was declared Junior Bull Calf Champion at the 2022 Canadian Western Agribition. He fits nicely into the high-quality pen of Red and Black yearling bulls. For those who have bigger pastures or bigger cows, the two-year-old bulls can aptly handle those chores.

Thursday, April 6th will be opportunity day in Ceylon, as ranchers and breeders alike will be offered an outstanding group of value-added bulls to select from.... bulls for all types of programs and all types of budgets. Stop by the ranch any time prior the sale and preview the bulls and see the mothers or just give the boys a call... they can help you find bulls that will fulfill your breeding intentions.

If we may be of assistance prior to, or sale day, feel free to contact any of the T Bar Team or myself, we will help you in a professional manner.

He was Reserve Champion Bull at Farm Fair International as well as Senior Bull Calf Champion at Agribition. His dam DMM Blackcap Essence 7Y is a cow that has proven herself very well with her progeny being successful in the pasture and the show ring. Impressive calves are moderate at birth with great performance. This is a very strong sire group in this year's sale. The Impressive calves are stout made and loose hidged with nice hair and a good look to them. We are very happy with what he has done.

Home Town is bull we purchased from Greenwood Cattle. He is extremely long spined, deep sided and soft ribbed. Hometown is backed by an awesome cow, 23D, and his sire Natural Law surely needs no introduction to the angus breed. Home Town's sons are long stout and very good haired with lots of bone. His daughters in the replacement pen have us very excited. They have a great look about them that grabs your attention when you are in the pen. Home Town has met the expectations of what a herd bull should in our eyes.

Bankrupt is a long bodied, easy doing Banknote son. With a herd bull look. He is deep sided with adequate bone structure and has performance written all over him. 53K has a nice angus head. His dam Red SVR Coca 9E is arguably one of the best looking cows on the whole place, she never strikes out. 9E is the dam of the high selling bull in last year's sale that sold to Thistle Ridge. Bankrupt made lots of friends at Agribition this past fall. He was Bull Calf Champion in the junior division. Here is your chance to own a lead herd bull prospect backed by a proven cow.
