# WELCOME...

Welcome to our Annual Ward's Red Angus Bull Sale! We would like to thank our past bidders and buyers for your support, it is greatly appreciated!

We thought 2021 was a hot dry summer..... 2022 was no different! We are sure learning how hard working and efficient our Angus cows are, still weaning off an excellent set of calves.

On offer is a strong set of sound, functional correct bulls, Red or Black, Yearling or Age Bulls, calving ease or power, we are here to help you find the right bull for your program!

As always, the bulls are fed for longevity and soundness, and are in excellent working condition. We have some tried and true genetics on offer combined with some NEW exciting Herdsires we are really excited about! The Red Six Mile Wick 60H and Lock 7047 Gunner 270G offspring have been getting noticed!

The cattle are available for viewing anytime in their pens at your convenience. We know how hard it is to get away from your operations and that the weather can often be unpredictable. Again, this year we have decided to host an open house, February 18th prior to sale day to give you another option to view the bulls and this gives you a chance to go through the mothers and grandmothers of the bulls on offer.

Sale day, Saturday March 4, 2023, is your best opportunity to come in and purchase with confidence knowing that you are getting a sound functional bull that will go out and get your cows bred.

Please consider this your invitation to join us on March 4th we look forward to seeing you!

## FROM THE DESK AT T BAR...

Welcome to the 15th Annual Ward's Red Angus Bull Sale on March 4, 2023, at the ranch, southwest of Saskatoon, Saskatchewan. Clarke, Denise, and the boys have been supplying farmers, ranchers and purebred producers, high quality sires for the breeding pastures of Western Canada. They pride themselves in producing "bulls that thrive in the real world" but moreover pride themselves in the many repeat customers who have the Ward influence in their programs.

As you read through this catalogue, you will find many opportunities to select an easy calving herd bull without giving up any performance. Whether you are looking at the Super Long Yearlings to cover more cows, bigger cows, or an exciting pick of the 2022 models Red or Black, you have a great group to select from. The sires have been very predictable, and these might be the most uniform lineup to date. Selecting your next herd bull whether it be a Buckeye, Iron Man or Wick in the Reds or a Gunner or Alaska in the Blacks, you can feel confident that they will have high maternal traits and plenty of longevity bred in.

The replacements heifers are sisters to the bulls and will make a wonderful investment for any program. We all know and have come to recognize that breeding females are becoming more and more valuable each day you own them.

The Ward's are hosting an open house and a preview the afternoon of February 18th although feel free to stop by the ranch anytime prior the sale... view the bulls and see the mothers. Don't hesitate to give Clarke or any of the gang a call to discuss which bulls will fit your breeding requirements.

If we may be of assistance, prior to or sale day, feel free to contact any of the T Bar Team or myself, we will help you in a professional manner.

- Deep fleshy bull just like his sire Gunner.
- Length of body, depth and muscle pattern combined with an actual weaning weight of 838!
- Dam 22F, is a sold producing female out of Eastondale Cassanova 126'14

## THIS IS A VIDEO SALE

No bulls will physically enter the sale barn. A video of each bull will be playing at the time of the sale. Viewing of the bulls can take place anytime prior to sale day. Give yourself time sale morning to evaluate the offering prior to sale time. The experience of choosing your bull in the ring changes somewhat at a video sale.

## CALVING EASE RATINGS

We evaluate each bull for calving ease determined by bone size, birth weight and maternal history. Scoring as follows:

- \*\*\* 3 Stars** - Recommended for use on moderate framed first calf heifers.  
Should produce minimal or no calving trouble.
- \*\* 2 Stars** - Recommended for use on large framed first calf heifers.  
Should produce minimal or no calving trouble.
- \* 1 Star** - Recommended for use on cows.  
Should produce minimal or no calving trouble.

## TERMS AND CONDITIONS...

### TERMS:

The terms of the sale are cash or cheque, payable at par at the sale location. The right of property shall not pass until after settlement has been made; no invoicing on buyers in attendance unless previous arrangements have been made. Each animal sells to the highest bidder and in cases of disputes, the auctioneer's decision will be final. Current exchange rates will be announced sale day. All monies are in Canadian funds.

### CERTIFICATE OF REGISTRATION

Each animal will carry papers issued by the Canadian Angus Association. A certificate of registry duly transferred will be furnished to the buyer for each animal after payment has been made.

### GUARANTEE

Each animal becomes the purchaser's risk immediately after the animal is sold. All animals in this sale will be sold under the terms and guarantees set forth by the Canadian Angus Association with regard to health, freedom from defects and from both reproductive and specific genetic unsoundness.

### BREEDING GUARANTEE:

We guarantee to provide a sound breeding bull capable of passing a semen test at 14 months of age. Any bull failing to be a satisfactory breeder will be replaced with a bull of equal value and quality, or a credit given towards purchase of another bull.

### LIABILITIES:

All persons attend the sale at their own risk. The seller, facility owner and sale manager assume no liability, legal or otherwise, for any accidents that occur. It is understood that T Bar C Cattle Co.(2013) Ltd. is acting only as a medium between buyer and seller and is not responsible for any obligations to collect or enforce collection of any monies between parties and any legal action that may, in extreme cases, be taken must be between buyer and seller. T Bar C Cattle Co.(2013) Ltd. assumes no responsibility of any credit extended by the seller to the buyer. The buyer must look to the seller for fulfillment of all guarantees and representations made hereunder.

### SEMEN COLLECTION:

Ward's Red Angus reserves the right to collect 100 straws of semen on any bull in this catalogue. This collection would be done at our expense and the purchaser's convenience and would be for in herd use only.

### PHONE, MAIL AND WIRE BIDS

Bidders unable to attend the sale may phone, wire or mail their bids and instructions to the sale manager, auctioneer or special representatives. Bids must be received in sufficient time prior to the sale.

### ERRORS

All announcements at sale time, written or oral, supercede any written material in the catalogue.

### WEIGHT INFORMATION:

BW – is the actual weight at birth (within 24 hours). WW is actual weight taken on September 17, 2022 unless otherwise stated. A current sale weight will be available sale day.

### LOADOUT:

**No bulls will be allowed to load out until the conclusion of the sale.**
