BULL & FEMALE SALE

AT THE RANCH | WESTLOCK, ALBERTA

THURSDAY, MARCH 9, 2017 | 2:00 PM

EXCEL
RANCHES

Welcome...

to the 2017 Excellence Sale! We are very excited to host our 29th annual bull sale on March 9 2017 at home on the Ranch for the very first time. The relationships, friendships and success's we have had in the past years, with a great group of breeders and customers is something we are very thankful for.

The beef industry is in a great position, we saw a very profitable year as cattlemen. Feed in western Canada was plentiful and its price reflected that, we saw calf prices rally as the fall went along. The limousin breed has been and continues to be a great breed to be part of. As a collective group of breeders we have worked hard on sending only the best bulls to the market place and as a result, the Limousin cross calves are topping the markets week in and week out. We are also seeing the cow calf sector and feedlot sector really looking for the pink buttons to enhance their profitability.

At Excel we have done our best to bring you the top genetics the entire industry has to offer. This year we are offering the Limousin, Angus, and Lim Flex bulls for sale in one place at one time. All the bulls are ranked against each other for terminal capabilities, maternal traits, and calving ease. They are also measured for weight at birth, weaning, and yearling, as well as scrotal development and frame score to help better choose the bull(s) that fits your breeding program. The bulls are fed a ration of silage, hay, barley and oats that we have found worked great for our bulls and customers over the years. These bulls go to work for you with nothing to hide. We welcome everyone to come view the bulls at the farm beforehand and see their dams milking and discuss your bull needs or feel free to call for up to date information on each bull. The sale cattle may also be viewed online at dlms.ca.

We are also very pleased to offer up a select group of five purebred yearling heifers out of 5 sires used at Excel and they come right out of the top of our replacement pen. We are even more pleased to offer 4 groups of four replacement females from previous bull sale customers.

Thank you to all of our supporters, family/friends and customers. We look forward to visiting with everyone on sale day!

OPEN COMMERCIAL FEMALES

New this year, our long-time customers, Russell and Jennifer Spearin as well as Jay and Robin Booth have offered to sell commercial females from the top of their pens! These are Limousin, Angus, Simmental cross heifers. They are high quality females and are the right type to go breeding for the commercial cattlemen and make them some money.

Thanks to the Spearin and Booth families for opening up their replacement pen to be a part of the Excellence Sale.
