

DOUBLE BAR D FARMS

"Best of Both Worlds"
Simmental & SimAngus Bull Sale
with Guest Consigner ... Swan Lake Farms

Tuesday, February 28, 2017 1:00 PM
At the Farm, Grenfell, Saskatchewan

Welcome From

Double Bar D Farms

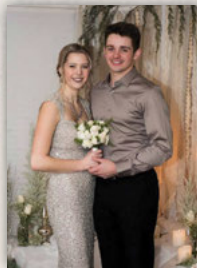

Richard & Marcia

Ken & Shauna & Family

Jacob Hassler
(Josh and Morgan Hassler)

Logan and Aynslee Dimler
joining the family at
Double Bar D

Mark & Julie & Family

Welcome to our 17th annual Bull Sale! All of us at Double Bar D really appreciate your patronage in our cattle year after year. That support gives us the confidence to keep on pursuing to improve and accelerate our genetics into the future.

We try to raise bulls that are pasture ready, raised on a high roughage based ration with mostly silage and ground hay keeping the longevity of your bulls in mind. Take note of the 100 plus bulls that are age advantaged, that are willing and able to count on to cover more cows and ground similar to that of your walking, mature bulls.

We once again welcome Greg and Brandon Goudy of Swan Lake Farms with their stout, ranch ready bulls!

We are very confident in our offering this year with a diverse, yet consistent offering to meet your herd bull needs. The Fleckvieh group offers some new and exciting sire groups of power bulls along with moderate bulls to suit your calving needs. The Red and Black Purebred sector has ranch ready bulls with good substance and dimension that calve well and add pounds to your calf crop. This year we arguably have the best group of SimmAngus bulls to date that are easy doing and moderate. Ready for the commercial cattlemen!

Thanks to all of the Double Bar D Crew who throughout the year, in whichever season, are dedicated and willing to do and complete all of the jobs that need to get done on the farm.

Thanks to T Bar C and all sales consultants and staff, making sale season enjoyable! Please don't hesitate to contact any one of them for your purchase needs! As well, please don't hesitate to call me anytime before or after the sale regarding any questions about the offering or concerning your purchase.

Welcome to our family farm! Please join us Tuesday, February 28 for our 17th annual Bull Sale and complimentary lunch. It is our pleasure to host you! See you sale day!

On behalf of the Dimlers

Ken Dimler

Double Bar D Warranty

All bulls born prior to January 1, 2016 will be semen evaluated and have passed the test by a licensed Veterinarian. 2015 born bulls will have a physical breeding soundness exam and deemed likely to pass a semen evaluation. Please indicate when you need your bulls. All bulls will be semen tested prior to shipment. We encourage you to buy insurance on your newly purchased bull to protect your investment. Insurance agents will be available on sale day. If your bull or female should fail to be a satisfactory breeder, he or she will be replaced with a bull or heifer of equal value. If this cannot be agreed upon, an adjustment will be made or a credit will be given towards the purchase of another one of our animals.

Please check your animal frequently and contact us early if you have any questions or concerns. Double Bar D Farms will not be responsible for any financial loss above the purchase price of the animal. Double Bar D Farms will not cover the loss of an animal that has been mismanaged or physically injured, however, we will assist you in providing another bull to use if needed. We always have back-up bulls available. In cases where a heifer has been subjected to any hormonal or surgical reproduction techniques following the sale, warranty shall be null and void.

Directions to Double Bar D...

Terms & Conditions...

TERMS:

The terms of the sale are cash or cheque, payable at par at the sale location. The right of property shall not pass until after settlement has been made; no invoicing on buyers in attendance, unless previous arrangements have been made. Every animal sells to the highest bidder and in cases of disputes, the auctioneer's decision will be final. Current exchange rates will be announced sale day. All monies are in Canadian funds.

BIDDING:

Each animal will sell to the highest bidder... no by-bidding will be permitted. Disputes - Bidding will be reopened between the parties involved in dispute. If no further bidding is made, the buyer will be the person from whom the auctioneer accepted the last bid. The auctioneer's decision on all disputes will be final.

ANNOUNCEMENTS:

All announcements made from the auction block will take precedence over the printed matter in the catalogue. Buyers are therefore cautioned to pay close attention to such disclosures.

BREEDER'S GUARANTEE:

Should any bull fourteen (14) months of age or over fail to prove a breeder after being used on females known to be breeders, the matter shall be reported in writing to the seller within six (6) months following the date of purchase or six (6) months after the bull has reached fourteen (14) months of age. The seller will have the right and privilege of six (6) months to prove the bull a breeder. No guarantee is given that semen collected from the bull will freeze.

EXCEPTION GUARANTEE:

In cases where the animal is subjected to any hormonal or surgical reproduction techniques after the sale, this guarantee shall be null and void.

CERTIFICATE OF REGISTRATION:

Each animal will carry papers issued by the Canadian Simmental Associations. A certificate of registry duly transferred will be furnished to the buyer for each animal after payment has been made.

LIABILITIES:

All persons attend the sale at their own risk. The seller, facility owner and sale manager assume no liability, legal or otherwise, for any accidents that occur. It is understood that Sale Management is acting only as a medium between buyer and seller and is not responsible for any failure on the part of either party to live up to his obligations. Neither does Sale Management assume any financial obligations to collect or enforce collection of any monies between parties and any legal action that may in exceptional cases be taken must be between the buyer and the seller. Sale Management assumes no responsibility for any credit extended by the seller to the buyer. The buyer must look to the seller for fulfillment of all guarantees and representations made hereunder.

RIGHTS AND OBLIGATIONS:

The above terms and conditions of the sale shall constitute a contract between the buyer and seller and be equally binding to both. Resale of animals following purchase in this sale shall constitute a separate transaction and the rights and obligations of the two parties connected thereto are not covered by the terms and conditions of this sale.

PHONE, MAIL, WIRE BIDS:

Bidders unable to attend the sale may phone, mail or wire their bids and instructions to the sale managers, auctioneer or special representatives. Bids must be received in sufficient time prior to the sale.

DELIVERY:

We will assist in arranging transportation wherever possible. Each animal becomes the risk of the purchaser as soon as sold.

INSURANCE:

Will be available sale day. We strongly recommend that insurance is purchased for full value.

ERRORS:

All announcements at sale time, written or oral, supercede any written material in the catalogue.

It is with great enthusiasm as I sit and write my sale management comments for the 2017 "Best of Both Worlds" sale. We are constantly writing new chapters in the beef business lately and I feel 2017 will be no exception. After a rather turbulent ride in the 2016 marketplace, I feel we are starting to see a positive correction moving upward at a more attainable pace and fashion.

The 2017 offering is the strongest to date. This group of bulls is the result of countless hours both searching and planning these genetic gems. The Double Bar D team has always prided themselves in providing the freshest most sought after genetics in the marketplace. Coupled along side of one of the largest Simmental cowherds in North America, the Double Bar D program has produced some of the breeds finest. This year's group is what you would expect to find, a diverse group of stout, sound, hairy, phonetically correct set of yearling and extra aged bulls ready to go to work and built to last. As always, the sale offering will consist of Fullblood, Red, Black and Sim/Angus bulls to more than meet any producers needs, adding maternal strength to you cowherd and more pounds to each calf crop you market.

The Double Bar D breeding program is constantly progressing, improving and evolving. They never seem to take their eye of the ball and are constantly raising the bar higher regarding the type of product they produce and the commitment to service for you the customer. They have been in the agriculture and the seed-stock business for multi generations and continue to grow and excel as time progresses. This program is truly one to tie to and propel your own operations forward in the future.

Once again, we will have the very top cut of Greg Goudy's Swan Lake program for your appraisal. Greg's passion and knowledge of the Simmental breed is evident as you flip over his offering. As only the very best from the Double Bar D program is slated for sale, the Swan Lake program follows the same guidelines along selection and customer service.

As always Chris, Ted, Ben and myself will be through the bull pens ahead of time and are able to answer any questions about the offering you may have. We can also assist you with any appraisals or absentee buyer requirements you may have with the utmost professionalism you deserve and expect.

See you in Grenfell,

Shane Michelson

"Best of Both Worlds" Simmental & Simangus Bull Sale

We really like this SimAngus group of bulls. Good useful bulls for the commercial cowmen that really are the "Best of Both Worlds." These bulls are loose hided, good doing and moderate framed. These age advantaged bulls will go out and cover a lot of cows. Buy with confidence as the feedback on these SimAngus bulls is very favourable.

- 431D is a serious herd bull contender whose dam is a superior producer and donor cow at DBD. This flush has met and exceeded our expectations
- 431D is soft made and is probably the easiest fleshing bull in the entire offering. He has a huge hip and quarter with a big, wide back on a sound frame in an attractive and moderate package.
- Maternal sister sired by Captain Morgan, sold in 2015 Lights sale for \$20,000.00 going to Blacksand Cattle Co.

simmentalman@hotmail.com

It is with great pleasure that we offer for sale, the best set of bulls ever as a group.

Our cattle and farming operation is family owned, managed and operated. We pride ourselves very deeply in the fact that we built our operation based on family values and we breed and AI to the best genetics possible. My son has come home and has been active in helping and learning the purebred business.

Wow and what a year. We purchased the Johnson Stock Farms purebred cows this past spring and increased our herd to 170 cows. So we invite their customers to come on over and take a look at our great set of bulls. We also have bulls for sale in the pen as well as a selection of open purebred heifers.

This year we decided to hit the show road and WOW, couldn't of asked for any thing better. Winning Grand Champion Female and Bull Calf Champion in Olds, AB; winning Grand Champion Bull at Manitoba Ag Ex and Reserve Grand Champ Heifer and Premier Exhibitor; Farm Fair we won Reserve Junior Champion Bull Calf; plus the honour of having the opportunity to make the Supreme show in Manitoba, Edmonton and the RBC in Regina. It shows me that we are on the right track producing good genetics for you the cattleman.

The bulls were fed a balanced pellet ration and free choice hay and some corn silage. The bulls were given two doses of Ivomec and Express 5 Vista once, SQ modified live vaccine and first shot of Fusogard.

I would like to thank the buyers in advance for their purchases and if you have any questions give me a call at 306-457-7730 or my son Brandon at 306-631-8818.

We also reserve the right to collect semen on any bull being sold, for in herd use only.

GRAND CHAMPION SIMMENTAL FEMALE - OLDS FALL CLASSIC 2016

MAR MAC MISSY 63Y - DAM OF LOT 170

• Dark cherry red. I just love the phenotype of Red Circuit. Red Circuit has a nice hip and top, plenty of rib and still soft to the ground. He is long bodied and has an excellent foot on him and is very fluid in his movement. Red Circuit was Champion Bull Calf at Olds Fall Classic, Manitoba Ag Ex Grand Champion Bull and Reserve Junior Champion Bull at Farm Fair. His dam and what a cow she is, she's good footed, deep ribbed and is always a eye catcher with her stunning profile; she just has that presence about her. She was Olds Fall Classic Grand Champion Female and went on to show quite successful at all the shows along side Red Circuit.

• Smooth made baldy bull here that is easy moving. His dam keeps producing the top end ever year. A daughter is working at Meadow Acres and produced them a \$27,000.00 bull calf last year. EDN Simmentals bought a high selling Teddy bull that worked well for them. We retained a heifer in the herd and sold one in my production sale. This year she just calved to Big Red, my high selling bull from last year.
