

DOUBLE 'F' CATTLE CO.

5th Annual Bull Sale

**Double
Cattle Co.**

Thursday, March 30, 2017 - 2:00 pm
HEARTLAND LIVESTOCK, PRINCE ALBERT, SK

Our family would like to invite you to our 8th Annual Bull Sale.

This year has been busy year at Double 'F'... Garret graduated from Grade 12, the boys played at the 'A' National Fastball Championship and both teams placed in the top. Garret also competed as a underage player in the U21 'A' National Fastball Championship in Ontario and Jacob played AA hockey in North Battleford. Words cannot describe how extremely proud we are of our boys and their accomplishments. Family is our life but cattle is our livelihood!!

First, we would like to extend a heartfelt thank you to our repeat customers for their continued confidence in our program. It is your commitment in our program that makes us successful.

As you look through our catalog you will see, we have another excellent sale offering. At Double 'F', our goal is to have the bull you select work for you and bring top dollar for your calves in the fall. A lot of care is taken in choosing our sires as

we have a natural breeding program and these bulls need to go out and produce top offspring. We also are very proud our 140 pure bred herd that we choose our sale bulls from and feel our cows have proven their potential over and over again. The steps taken ensure our bulls have the qualities that true cattlemen expect... consistency, productivity, soundness and efficiency.

Thank you for taking time to look through our catalog and if you have any questions please don't hesitate to contact us. You are always welcome to come view the cattle prior to the sale.

On sale day make your purchase with confidence as we stand behind all our bulls.

Please join us for lunch March 30 at noon. Sale to follow 2PM..

Rarely does one have an opportunity to bid on and own a member of the Agribition Supreme Champion Pen of Bulls! These Champion Angus sire prospects had a leading weight per day of age of 3.79 pounds. But not to be outdone, Double 'F' Davinci, a March bull weighing 1104 pounds, at Agribition with a weight per day of age of an amazing 4.18 pounds and declared Reserve Junior Bull Calf Champion. When you add in Double 'F' Diesel 59D who had a weight per day of age of 3.93 pounds, the Double 'F' trailer is loaded with high performance and genetic power which is destined to change the direction of programs for whoever gets ownership.

To achieve such performance takes muscle, body depth and capacity. Add in lots of hair, plenty of testicle and a very important criteria....maternal values. Plan to visit Double 'F' and view the mothers of their bull pen; you will be impressed with big tanky cows, great udders and loads of milk. You can rest assured that your Double 'F' sire will add performance and you will keep every daughter. Located a mere mile or so east of Parkside, it is handy to stop by the farm and have Kelly give you a preview tour of the operation or give him a call and he will be happy to assist and advise as to bulls that will suit your requirements.

Plan to be with us for the 8th Annual Double 'F' Cattle Co. power-packed Angus Bull Sale.... it will be worth the trip to be a part of this exciting day! Ranchers don't forget the packages of commercial heifers that are sired by Double 'F' sires.

If we may be of assistance prior to or sale day feel free to call any of the T Bar team or myself, we are willing to assist you in a professional, confidential manner.

If you are looking for a HERD BULL this year...CHECK OUT THIS MARCH BIG DAWG SON!!! DAVINCI has had the WOW factor since birth!!! 120D is admired by many for his stoutness, deep rib, hair, testicle, huge top and overall correctness. His pedigree is packed full of power with the dam being our HOT GIRL cow representing the top cow family here at DOUBLE 'F'. We are extremely proud of this cow family as they are a group of outstanding females that are the strength of our herd. 120D's sire, MERIT BIG DAWG has given us many great calves but we think DAVINCI is the best one yet!!! This is also the last chance to get a BIG DAWG son as we lost him last year. With the consistency of these genetics there is no guess work here.

DAVINCI was JUNIOR CHAMPION BULL at Lloyd, RESERVE JUNIOR CHAMPION BULL at CWA and PRESIDENTS CLASSIC CLASS WINNER. DFCC 120D was the highest weight/day bull at CWA4.18 lbs/day.

With what DAVINCI offers you owe it to yourself to give this bull serious consideration.

DFCC 3049A DAVINCI 120D might be the best bull to sell this year anywhere....DON'T MISS OUT!!!!

SUPREME CHAMPION PEN OF BULLS - AGRIBITION 2016

60D is the lead off bull in our SUPREME BULL PEN at CWA this year. DOZER is very similar to our high selling CAPITAL ONE bull in last year's sale purchased by YOUNG DALE ANGUS. A very eye appealing bull with HERD BULL presence that makes him a stand out in any pen. He captures your attention with his excellent structure, depth, top, rib, thickness and testicle.

DOZER'S sire is our WINDMILL bull that keeps producing excellent offspring to go out and work. The dam is a TURBO daughter who is hard to beat in correctness. This strong pedigree is going to be a real herd builder. Take a good look at DFCC 1Z DOZER 60D for your next HERD BULL!!

WINDMILL has proven himself over and over with his consistency and here is just another example. The WINDMILL bulls all offer depth, deep rib, muscle, big top, hair, testicle, length and power and 42D is no exception!!!! DAWSON's dam is an excellent cow that has an elite pedigree.

He is a paternal brother to our high seller, CAPITAL ONE bull, last year.

DFCC 1Z DAWSON 42D is a bull with lots of power in performance as well as pedigree. We know you will be impressed with him.

DIESEL, A BIG DAWG son is super fronted, long and has great muscle. 59D was very successful in the show ring this fall placing in the top where ever he went.

DIESEL's maternal brother was high seller last year at \$40,000.00.

Jacob purchased 59D's dam out of the CLARK dispersal sale and the consistency of her calves is unreal. Since 3T has been here she has produced all bull calves and they have been all high sellers at our sale!!! Quite a feat!!!
