60 Yearling Simmental & SimAngus Bulls

JP Cattle Co. - Prairie Wind Farms - Scissor Creek Cattle Co. - Sun Rise Simmentals

FROM THE DESK AT T BAR...

Welcome to the 2017 edition of the "Proudly Western" bull sale. As we move forward in the beef business the premiums paid for top cut calves each fall will become more valuable and apparent. Not only with those premiums be seen at the stockyards when you sell your calves but as you grow your cowherds in both numbers and quality. Simmental and Sim influence bulls will be a major player in the success of beef producers from start to finish. They will add pounds to your calf crop each year as well the females you retain will maintain maternal strength, longevity and do ability in your programs. The value of adding an above average bull has never been greater in assuring success in the future.

The offering this year is filled with diversity in terms of choice of color, performance, calving ease and some Sim/Angus bulls. The fundamentals of soundness, phenotype and overall structure will be found throughout the group. The Proudly Western group has always offered some of the freshest genetics each year to the market place with a balanced approach of performance and calving ease back from a strong cow base. Each consignor has only brought their very best to town. Backed with a proven reputation of a quality product and service to go with it makes the Proudly Western a cattleman's choice each year to add bull, power to their pens.

Plan to be with us sale day to evaluate this years offering. We at T Bar C have been in the bull pens and are familiar with the operations they originate from. We can assist with any appraisals or absentee bidding requirements you may have with the utmost professionalism you would expect.

See you in Whitewood,
Shane Michelson

Welcome to Proudly Western 2017. Once again, we have only brought our very best bulls to the sale. The linkage of Captain Morgan and Springcreek Liner 56U has built some elite genetics in the Sun Rise Program.

It was a fortunate day, when along with Black Sand Cattle Co., we purchased Springcreek Tara 7P, the lead off cow and high seller at a Spring Creek Sale. She has been a leading lady in our down-sized herd (since 2013) and shows up on three of our five lots today. She was then flushed to Springcreek Liner 56U and Wallbanger. Daughters out of these flushes have been super productive, raising our feature sale bulls, JTC 3D and JTC 7D. A Captain Morgan son of '7P' sired another feature sale bull, JTC 40D. Presently, MBJ 7P is in the Maxwell flush program where Glen reports that she is still very sound and youthful looking. They have 'Riddler' calves on the ground that look very promising. Having '7P' in your pedigrees has proven to be a very solid building block. Look for this very progressive influence to continue by investing in these feature sale bulls.

We would be glad to discuss our program or the cattle business with you.

On behalf of the Pateman and Lowes families, we would like to take this opportunity to welcome you to the 2017 edition of "The Proudly Western Bull Sale." Once again this year, we feel we have an outstanding group of bulls on offer, both purebred and percentage, that should meet the needs of you, the cattleman.

These bulls we have on offer this year are a consistent group of long spined, big hipped, strong top, and free moving individuals. Along with a large group of Captain Morgan progeny, we have a small group of other bulls sired by; Olympian, 56U, Legacy, and a couple of Angus sired half- bloods.

We would like to take this opportunity to thank our past customers, whom we are very appreciative and grateful for showing confidence in our program.

Once again, welcome and feel free to come visit or give us a call and we can surely help you with your herd bull requirements.

Hope to see you sale day,
 THE CREW AT JP CATTLE CO.

ALL REMAINING HORNED/POLLED TESTS WILL BE AVAILABLE BY SALE DAY OR CALL BROOKE (204)851-2531 FOR RESULTS.

Mr Dynamo was part of our 2016 Champion Pen of 3 Simmental bulls at Agribition as well as our display pen at Ag Days. He has gathered many friends while on his travels. 872Z is a very functional, good milking cow who is a proven bull producer with a son working at Drakes Valleyview Farms, and another who walks the pastures here at home with the commercial cows. As we write these comments, she just dropped another bull sired by our exciting new herd sire, Wheatland Royal Flush. HOMO POLLED HETERO BLACK

RockStar is the first calf off a Captain Morgan daughter that we sold in Double Bar D She's Got The Look Sale back in 2014. Foxy was a favorite of Brooke's that she was so fond of, that she and her brother Stacy purchased a half share of her with Niko Grose, of Rocky Meadow Ranch. She sure hasn't disappointed, producing this outstanding half blood bull of RRAR 12B. Exceptional thickness, testicular development, lots of muscle and performance in this guy.

Once again we are bringing a group of bulls to town that can add value to your program. Bulls that are easy calving, sound made, have muscle and shape and backed by a mother with proven maternal strength.

Featured this year will be sons of JFRS Absolute 42A. He was the high selling bull at \$14,000.00 from JR Simmentals in Manitoba. He has sired a group of bulls and females that we really like. He is as impressive a big bull as you will find. He is long bodied, deep and packed with muscle. You will like his calves.

Also featured is a Moonshine and Stagecoach sons that will turn some heads. The bulls have been fed pelleted ration from the Co-op Feed Mill. The bulls have gained well, stayed sound and are athletic, hairy and happy. Bred and fed with longevity in mind.

We thank you for your interest in our program and look forward to working with you on your next herd bull purchase.

A low birth weight baldy bull who will impress you with his style, muscle and balance. A tremendous hip and quarter on this powerhouse. When we purchased JFRS 42A as a high seller from JR Simmentals, Carberry, Manitoba at \$14,000.00, these were the kind I hoped he would sire. You should see his daughters, WOW! Tequila's dam is a huge bodied black cow with a predictable pedigree. Tequila 29D will sire some great ones!

Welcome to the 11th annual Proudly Western Bull Sale. We are proud of the fact that we have sold bulls through this sale since the very first sale in 2006. Over the last eleven years we have not grown our bull numbers significantly but have instead concentrated on growing the quality. Currently we calve around 120 purebred cows so we have culled very hard to get down to a fairly small number of bulls to offer for the sale.

This year the majority of the bulls are out of our two main walking herd sires. DMF 2107Z was purchased from Diamond M Ranch three years ago and has been a great addition to our herd. He produces very consistent bulls and you could argue his females are even better; big bodied, deep and moderate framed. The first heifers are just calving this year and have really good udders as well. SVS Platinum is our red walking herd sire that we purchased from Sunny Valley Simmentals two years ago for \$25,000 in partnership with Diamond M Ranch. He is a Super Duty son who calves easily and has been adding performance and growth to our calves. We are also very happy with the replacement heifers in the pen out of this bull.

The bulls and the cow herd are on a full vaccination program. We creep feed the bulls 30 to 45 days prior to weaning to help transition them onto feed. They were fed an oats based ration until December and then they were switched to a forage based TMR designed by 3M beef supplies. The TMR is designed to promote longevity and allow them to reach their genetic potential without adding a bunch of extra fat.

Customer satisfaction is very important to us and we stand behind our bulls. If any problems arise we will do our best to make things right. If you have time to stop at the farm before the sale that would be great but if not we look forward to seeing you on sale day. Give us a call at any time so that we can discuss your bull needs and help you pick out a bull that will work for your program. Also, at this time we would like to thank all of our past bidders and buyers for their support and trust in our program.

Scissor Creek reserves the right to draw semen on any of the bulls in the sale for in herd use only.

All announcements made from the auction block will take precedence over the printed matter in the catalogue. Buyers are therefore cautioned to pay close attention to such disclosures.

BREEDER'S GUARANTEE...

All bulls sold are guaranteed breeders by the owners. We guarantee to provide you with a sound breeding bull. Should any bull fail to be an unsatisfactory breeder, he will be replaced with a bull of equal value, or a credit will be given toward the purchase of another bull. If you have a problem with your bull please notify us immediately. Under no circumstances will the seller be liable for more than the purchase price of the animal.

EXCEPTION GUARANTEE...

In cases where the animal is subjected to any hormonal or surgical reproduction techniques after the sale, this guarantee shall be null and void.

CERTIFICATE OF REGISTRATION...

Each animal will carry papers issued by the Canadian Simmental Association. A certificate of registry duly transferred will be furnished to the buyer for each animal after payment has been made.

LIABILITIES...

All persons attend the sale at their own risk. The seller, facility owner and sale manager assume no liability, legal or otherwise, for any accidents that occur. It is understood that T Bar C Cattle Co. Ltd. is acting only as a medium between buyer and seller and is not responsible for any failure on the part of either party to live up to his obligations. Neither does T Bar C Cattle Co. Ltd. assume any financial obligations to collect or enforce collection of any monies between parties and any legal action that may in exceptional cases be taken must be between the buyer and the seller. T Bar C Cattle Co. Ltd. assumes no responsibility for any credit extended by the seller to the buyer. The buyer must look to the seller for fulfillment of all guarantees and representations made hereunder.

RIGHTS AND OBLIGATIONS...

The above terms and conditions of the sale shall constitute a contract between the buyer and seller and be equally binding to both. Resale of animals following purchase in this sale shall constitute a separate transaction and the rights and obligations of the two parties connected thereto are not covered by the terms and conditions of this sale.

PHONE, MAIL, WIRE BIDS...

Bidders unable to attend the sale may phone, mail or wire their bids and instructions to the sale managers, auctioneer or special representatives. Bids must be received in sufficient time prior to the sale.

DELIVERY...

We will assist in arranging transportation wherever possible. Each animal becomes the risk of the purchaser as soon as sold. \$100 rebate on bulls taken home sale day. Bull must be insured by buyer.

INSURANCE...

Will be available sale day. We strongly recommend that insurance is purchased for full value.

ERRORS...

All announcements at sale time, written or oral, supercede any written material in the catalogue. The seller reserves the right to draw semen from any bull in the sale for in-herd use only. The collection will be at the purchaser's convenience and the seller's expense.
