As we celebrate 27 years, we would like to welcome you to our 27th annual bull sale on behalf of the Howe and Rosso families. We are extremely proud of the set of bulls we have on offer this year. These bulls are the result of many years spent in the purebred business by the contributors to the sale.

We have followed a strict selection protocol to bring you the very best set of bulls that we have offered in the last 27 years. These bulls are the result of a hardworking set of cows where good feet, legs and udders are taken very seriously.

This will be the 11th year we have sold our bulls by video auction. Our customers are happy with the video auction concept and find it much easier to analyze the bulls when you are able to see them move freely in a natural environment.

We are very proud of our offering and are willing to stand behind all of these bulls. If you have any questions about the sale offering please feel free to contact any of the consigners for further information. If you cannot make it sale day, we are more than happy to help you find your next bulls through our Sight-unseen program. You can buy with confidence from our programs.

Thank You and See You Sale Day!

The Howe and Rosso Families

TANYA HOWE DAMSGAARD MEMORIAL SCHOLARSHIP

\$1000 Post Secondary Scholarship Opportunity Available to:

- **Full Time Students having completed 1 year Post Secondary Education are Eligible.**
- **Applications available at www.howefarm.ca**
- **Eligible areas of study are located on the website.**
- **Scholarship Application Deadline is June 1, 2017.**

1:00 PM • Howe Farm, Moose Jaw, Sk

SIGHT UNSEEN PROGRAM

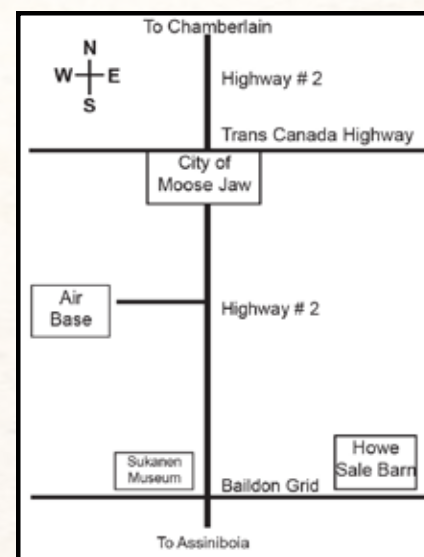

This program is for anyone who cannot attend the sale. Contact any of the owners of the bulls and let them know what you are looking for. We then can select the bull that meets your criteria. Upon delivery if you are not 100% satisfied with the bull selected for you - you do not have to accept the bull. This is simply a no risk bull buying program for the purchaser.

DELIVERY

\$50 will be deducted from the purchase price if you haul your own bull home sale day OR \$50 delivery charge per bull to a max of \$150 within Saskatchewan.

INSURANCE

An insurance representative will be available sale day.

ROSSO CHAROLAIS

For over 30 years, Rosso Charolais has been committed to a breeding program using very few sires to maintain a consistent product. We purchase herd bulls to walk in our pasture allowing us to analyze their breeding drive under ranch conditions and sire large numbers of half brothers. We have selected for structural soundness, calving ease, performance EPD's allowing us to provide this product.

We welcome you to join us for our 27th Annual Sale. Please join us for lunch, a visit and a beverage. If you have any questions feel free to give us a call.

THE HERD BULLS

We have 6 main herd sire groups on offer this year!

Rosso Double Down 8Z - 3 Sons

Merit Round Up 9508W - 7 Sons

LAE X-Ceptional 46X- 10 Sons

GBR Rambler 78U- 4 Sons

MXS Iressistabull 357A- 11 Sons

WMN Arthur 328A - 4 Sons

Rosso Double Down 8Z - Homozygous Polled

Double Down 8Z was purchased in our 2014 sale by the Stuart's of Cabri, SK. He went on to be National Champion Bull in Brandon and Agribition Champion Charolais Bull, Top 10 in the RBC Beef Supreme and BOSS Show Bull of the Year. He breeds true.

CE: 74.9 BW: 2.3 WW: 48 YW: 97 M: 16

Merit Round Up 9508W - Homnozygous Polled

9508W was selected for his hair and growth traits but has proven to be a great calving ease bull. His daughters are making excellent females.

CE: 85.1 BW: -1.3 WW: 55 YW: 104 M: 12

LAE X-Ceptional 46X - Polled

46X was selected with Wood River Charolais for his calving ease. He has produced excellent hair, structurally sound bulls for the last three sales. Very nice udders on the females.

CE: 93.8 BW: -1.7 WW: 34 YW: 68 M: 19

THE HERD BULLS

GBR Rambler 78U

A bull we selected for his meat structure and structural soundness. We used him as a purebred and then commercially, but realized we need to use more of him as his sons and daughters matured. Excellent milking females. Sons have muscle.

CE: 77.0 BW: 0.4 WW: 46 YW: 52 M: 12

MXS Iressistabull 357A

Was selected for his numbers, soundness and excellent muscle and length of body. We have used him to breed our heifers for the last two years. Excellent calving bull. Daughters are just calving this year. The 4-H heifers look excellent, nice udders.

CE: 80.8 BW: 0.7 WW: 56 YW: 108 M: 16

WMN Arthur 328A

328A was selected for his length of body, frame and disposition along with great numbers. Was purchased to be used on Round Up and 46X daughters; which is working well.

CE: 73.6 BW: 1.7 WW: 55 YW: 103 M: 19

THE PERCENTAGE CALVING CHART

1. An average cow of any breed should be able to calve 7% of her body weight.

2. Most Charolais cows will weigh between 1400 - 1800 lbs., expected calf weight to range from 98 to 126 lbs.

3. Most Red Angus cows will weight between 1200 - 1600 lbs, expected calf weight range 84 to 112 lbs.

4. Calving ease is MORE important than birth weight because a longer sided calf may calve easy, but the birth weight is higher.

7% Calving Chart	
COW WT	CALF WT
1200 lbs	84 lbs
1400 lbs	98 lbs
1600 lbs	112 lbs
1800 lbs	126 lbs

AOD: 2

A good butted, medium framed, excellent disposition bull. He was unassisted out of a 2-year-old Heifer. He is built for calving ease.

Take a look at the bulls actual weaning weights to compare the weights of your weaned calves.

From weaning, Rosso Charolais bulls are fed rations to grow and develop, not fatten. The bulls are fed a 11-13% CP, 62-65 TDN grain ration and alfalfa hay.

Numbers are subject to amount of feed fed. We believe in calving ease, and cattle that will work for you on the range.

Lunch Supplied by

WHITE CAP CHAROLAIS

With the increasing demand for 2 year old bulls, we decided to set aside a group of young and promising calves to sell to this market. We brought these bulls along with our yearling bulls on a moderate developing ration until April. They were then switched on to a high forage backgrounding ration until turned out on pasture in August. In November, we brought these bulls in along with our own herd sires to finish their development into the phenomenal set of bulls you see.

All of our cows calving after April 1st are out on pasture. They do not have birth weights because we simply cannot weight them. If there were any concerns with calving ease in these bulls, they would not be catalogued. This is as strong as a set of 2 year old bulls as we have ever offered to producers and feel you will find something to fit your program needs.

With the increasing demand for 2 year old bulls, last spring we decided to set aside a group of young and promising calves to sell to this market. We brought these bulls along with our yearling bulls on a moderate gain/developing ration until April. They were then switched on to a high forage backgrounding ration until turned out on pasture in August. In November we brought these bulls in along with our own herd sire's to finish their development into the phenomenal set of bulls you see. All of our cows calving after April 1st are out on pasture. They do not have birth weights because we simply cannot weight them. If there were any concerns with calving ease in these bulls, they would not be catalogued.

Mike & Kelly

TERMS AND CONDITIONS

Terms: The terms of this sale are cash or cheque at par at Moose Jaw unless satisfactory credit arrangements have been made previous to the sale. The right of property shall not pass until settlement is made. All settlements must be made with the clerks of the sale before any cattle will be released.

Disputes: In case of disputes, bidding will be re-opened between the parties involved. If no further bid is made, the buyer will be the person from whom the auctioneer accepted the last bid. The auctioneer's decision is final.

Purchaser's Risk: Each animal becomes the risk of the purchaser as soon as sold. Animals will be cared for at the purchaser's risk for a reasonable length of time.

Announcements: Errors discovered in the catalogue will be corrected by announcements from the auction stand at sale time and such corrections will take precedence.

Certificate of Registry: Each animal will carry papers issued by the Canadian Angus and Charolais Associations. A certificate of registry duly transferred will be furnished to the buyer for each animal after settlement has been made.

Breeder's Guarantee: Should any bull, 14 months of age or over, fail to prove a breeder after being used on cows known to be breeders, the matter shall be reported in writing to the seller within 6 months following date of purchase or 6 months after the bull has reached 14 months of age. The seller will then have the right of privilege of 6 months to prove the bull a breeder. No guarantee is given that semen collected from the bull will freeze.

Exception Guarantee: In case where the animal is subject to any hormonal or surgical reproduction techniques after the sale, this guarantee is null and void.

Settlement: Transportation charges on animals returned to the seller are for account of purchaser. No incidental expenses such as feed, care, AI, signing fees, interest, veterinary charges etc. will be charged by either party when making settlement. If the seller is successful in proving the animal in question to be a breeder then said animal will be reclaimed by the purchaser at their expense. Should the seller fail to prove the animal a breeder, then the buyer is guaranteed a satisfactory replacement FOB ranch or locations of origin or a refund of actual price FOB selling point. In no event, shall the seller be responsible for more than the purchase price paid FOB selling point. Should a dispute arise over the quality of the replacement animal, Sales Management will appoint a mediator.

Accidents: Although every precaution will be taken to protect the safety and comfort of buyers, neither sales managers, auctioneer nor Association assume any responsibility in this matter and disclaims any liability legal or otherwise, in the event of accident or loss of property.

Right to Draw Semen:
The consignors of the White Cap Charolais, Rosso Charolais and Howe Red Angus reserve the right to draw semen on any bull at the buyer's convenience.

Rights and Obligations: The above terms and conditions of the sale shall constitute a contract between the buyer and the seller and be equally binding. Resale of animals following purchase in the sale shall constitute a separate transaction and the rights and obligations of the two parties concerned there to are not covered by the terms and conditions of this sale.

Health: Cattle will be guaranteed exportable.
