22ND ANNUAL BULL SALE

Monday, April 10, 2017 \* 1:00 PM

Hello and welcome to our 22nd Annual Justamere Angus Bull Sale. It is the end of the first week in March and probably the coldest day we have had all winter, as I write this sale forward. I'm writing and watching four different sales on the internet and what a difference technology has made to our industry in the last 20 years.

The Bull Sale season is upon us and we at Justamere are extremely excited about the continued optimism in this cattle industry. The cattle market is back on the upward climb, futures are rising and bull sales have been very very good for the most part. On behalf of all of us at Justamere our consignors, Running Steady and Still Meadows Farm, we want to invite you to our sale on April 10, 2017 at the historic Justamere Sale Barn in Lloydminster.

We have on offer one of our most powerful set of bulls to date. They possess the EPD and performance data as well as structural integrity, calving ease, carcass merit and explosive growth to weaning as we have been able to produce in recent years. The actual data always excites me. The average birth weight on the 47 yearling bulls in this sale is 78 pounds and the average actual weaning weight is a massive 811 pounds. This helps tell us all, we are on the right track. Purebred or commercial, we all are searching for outcross genetics that are solid and backed by generations of strength in those genetics. We have some very exciting sons sired by 74-51 Sudden Look, Mohnen South Dakota, Bruns Archer 533, Sankeys Justified 101, Vin Mar Johnny Cash, PVF Insight, EXAR Outcross, Justamere Cash In, Justamere Mile High, Justamere Washington, Connealy Thunder, OSU Final Exam, C&C Priority and C&C Mc Calla.

This set of bulls is very consistent in type and kind, offering you our much valued customer the reassurance that whether you need one bull or several, you can count on us at Justamere. The bulls are semen tested and delivered and fully guaranteed. We count on and are thankful of our many repeat customers, but those of you who are new to this great business or to the Justamere program, we want you to know that from the first time you do business with us we cherish your trust in us. We offer you availability to be included in our sales and really hope to grow with you. The cattle business both purebred and commercial, is the only way we make our living on a daily basis for five generations now and we are extremely proud of that fact. Also on offer in this sale are three very exciting semen lots right from the heart of our program. Sankeys Justified 101, Justamere South Dakota and the last ten doses of 74-51 Sudden Look available this spring. Some rare embryo matings that are sure to make you serious money in the future or win you some shows.

We are very excited to also be selling 75 open replacement females from some of our great customers. I have personally selected these heifers from the programs they come from and am sure they will delight you as much as they have me.

The cattle business is on the upswing once again and we all need to stock our shelves with high quality genetics. Finally, we want to personally invite each and every one of you to the sale; it's easy to stay home but better to be there in person celebrating this great industry and all of the great people it involves. If I or anyone of my family, consignors or sale staff can be of assistance, please don't hesitate to contact us; we are able to assist you in any way. Videos will be online by early April on DLMS.ca.

Thank you and see you at the sale,

*Jon Fox*

An absolutely stunning herdsire candidate to start off the 22nd Annual Bull Sale. Sired by one of the hottest AI sires in the breed, 74-51 Sudden Look; the future of this powerful, well balanced bull is very bright indeed. His pedigree is definitely bred in the purple. He traces back to the EXAR Empress 2429 who is the descendent of the famous two million progeny producing OSU Empress female but 2429 herself is the mother to our Denver Reserve Champion Bull, Justamere Panama Jack 336U. 117D exemplifies our program, 84 pound calving ease bull to a whopping actual weaning weight on September 29 of 978 pounds. This is a bull we want to show and promote; with semen supply on his sire running low, we feel he is a tremendous opportunity to carry on his sires winning ways.

This incredible bull does it all! The never ending pursuit of elite genetics has led us to this awesome curve bending performance sire. He is in the top 2% for BW, top 4% WW, top 7% YW, ranked number 1 for milk, top 2% for Rib Eye area and top 7% for marbling. Take all those fabulous EPDs and add that he is a thick topped, big footed, phenotypically pleasing bull. This bull should be just what you are after for breeding leading outcross genetics with performance data to back it up. His mother is from the famous Silveras Elba cow family and is absolutely one of our best young females.

**Retaining 1/3 semen interest.**

**BRUNS ARCHER**

Sired by Semex sensation, Bruns Archer 533. This long bodied, deep sided herdsire puts it all together very well. Breed leading EPDs and performance data as well as tracing back to the famed, Eriskay of Rolling Rock female line. His mother is also the dam of Justamere Sailor Jerry, the Reserve Champion Bull at IPE in 2016. A very exciting genetics make up indeed. **Reserve 1/3 semen interest.**

**MOHNEN SOUTH DAKOTA**

Another AI sired herdsire by none other than the very powerful Mohnen South Dakota 402. We love the South Dakota cattle. A very high performance, big growthy scale pounder that will still calve easy and he is built on a very solid structure that will last for a very long time. Special note, his EXAR Lutton 1831 sired dam is truly one of our best mature females. Grab this thick topped herdsire and get your program kicked into high gear.

 We are very pleased with our Sankeys Justified sons and daughters. They have been champions for us in the show ring and high sellers in the sale ring. Now in production, the daughters milk very well and keep themselves in great shape. The sons are siring the right kind in the real world, low birth weights, high growth and very docile. There is not very much semen left on this Denver Champion. Get a hold of one of these great sons and make your own mark in the business.

This lead off two year old is sired by Justified and out of a tremendous Justamere Panama Jack daughter. He is an eye catcher to say the least. If you are a purebred breeder looking for that next herdsire to improve your program, we feel and hope you will consider this great bull. He is halter broke and was used for clean up last year at Justamere. We absolutely love his type and kind.

This is one cool made fall born PVF Insight 0129 son. His mother, Millbrae Eulima 1270 is a tremendous daughter of Genex sire Connealy Thunder. This stud ranks in the top 10% of the breed in every trait and he is so quiet you could ride him to town. All joking aside, we at Justamere truly believe in docility; we sell so many show cattle to Juniors and great families that docility is an extremely important trait and one that we continue to pursue along with all the others in a great breeding bull.

 We should have renamed this thick herd bull, Survivor. Last spring he was the unlucky recipient of a predator attack of which he survived and thrived from. He is a son of the great AI sire, Sudden Look and out of the famous Andee cow family, in fact he traces back to our immortal show female 911G, a Leachman Right Time daughter, truly one of the greats in this breed. If calving ease plus performance is your mission this could be your bull.

 Another really attractive son of Sudden Look out of a Panama Jack daughter that is in the prime of her production. If you want a bull for heifers the first couple years then strong enough for the cows this big rascal should fit the bill. With ever changing market conditions you need bulls that calve easy and wean off big calves. The Justamere program revolves around that principle.

 We all look for the sleeper at every sale, well cowboys, this is one of those kinds. He is a brother to our calving ease herd sire, Justamere Washington 602B. His sire is a full brother to the \$250,000.00 C&C McKinley that is blowing up the show scene south of the border. This bull is cool made and should have a show halter on him. If you get him bought, you will be very satisfied with the results.

Herdbull material here. This big, long, deep bodied, power bull combines some of the best genetics available in the Angus business of today. The Denver son, Mile High, has a very superb set of EPDs as well as being an amazing herdsire to walk the Still Meadows pastures in Langley and Salmon Arm. Now here is the best part, this bull was 70 pounds at birth and weaned off over 1000 pounds at weaning time. Buy yourself a herdbull today.

 Every year we try to offer you our much valued customers one or two of our herdsires. This year is no different. This great herdsire was born and raised at Justamere and we are proud of him. Justamere Upshot is a son of the multi trait leader, EXAR Upshot 0562B. He will sire you bulls that are easy to feed and market and females that are picture perfect uddered. His 50K test has him in the top 10% for REA Carcass weight and Marbling. His Milk number is in the top 1%. A good opportunity on a proven herdsire this bull will work.

 A past Semex sire and a full brother to none other than EXAR Classen 1422B. This son of Dameron First Class will definitely turn heads in the pasture. He is very long spined, a very growthy, good footed herdsire. We have 100 units of semen that will go along with the bull. It is Canadian Qualified, if your quest has been for a good First Class son to add to your bull lineup. The genetics and paper don't read any better than on this bull. We are excited to be able to offer this one of a kind opportunity in Canada. A full brother to EXAR Classen 1422B and 100 doses of semen. This bull sells in his entirety, we have retained 60 units of semen for our own use.

Every once in a while we are all blessed with the opportunity to own a truly remarkable bull. Sankeys Justified was that bull for us at Justamere. We couldn't help but admire him as a calf in Denver, then watching him win every major show in America to finally making a deal and owning him after he won Denver in 2013. We again thank our many stakeholders in Justified; without your support we could not have gotten the deal done. He has done a tremendous job producing show quality females and bulls. He has sired numerous champions across North America. We did have the misfortune of losing him in the fall of 2015. In turn, there is a limited supply of semen available on this great bull. We are going to offer 30 doses through this sale. Grab the chance to own some before it's gone.

One of the winningest young bulls in 2016 across Canada. He was Supreme Champion at the IPE, Reserve Champion at the Olds Fall Classic, Junior Champion at Lloydminster Stockade, Farmfair and first in class at Agribition. Owned in partnership with Still Meadows, Mr Ken Ayre. We have decided to offer a small sampling of semen to the public on this great son of Mohnen South Dakota. This bull will see very heavy use at Justamere and Still Meadows this spring in 2017. Get in on the ground floor of a great young sire.

Also when you imagine the production side of the equation, you can't go wrong. They will be fancy, big and powerful. You can take that to the bank.  
 A - 3 Embryos B - 3 Embryos

**Cattle Inspection:** All carry permanent identity tags, corresponding to Sale Lot Numbers. All shall be available for inspection prior to sale.

**All Cattle Are Sold:** Subject to such tests as required for export under regulations of the Health of Animals Branch, Department of Agriculture for Canada - those corresponding to Bureau of Animal Industry requirements.

**Breeding Guarantee:** All cattle are sound and right, and all with a responsible breeder guarantee of satisfaction. In the event of any unlikely dispute, the regular terms and conditions, standard with the Canadian Aberdeen Angus Association shall apply.

**Announcements:** Errors discovered in the catalogue will be corrected by announcements from the auction stand at sale time and such corrections will take precedence over the printed matter in the catalogue.

**Genetics Testing:** All cattle in the 2017 Bull Sale are Anthrogyrosis Multiplex Free (AMF) and (NHF) Neurotoxic Hydrocephalus Free or listed as No Carrier Ancestry.

**Holding and Shipments:** Approximately one week is required for export transfers and other documents to be processed. Export animals will be held at no charge and under excellent care. Joint export shipping arrangements to attain minimum shipping cost will gladly be made by the sale management if instructions to that effect are provided to clerk of the sale when settlement is made.

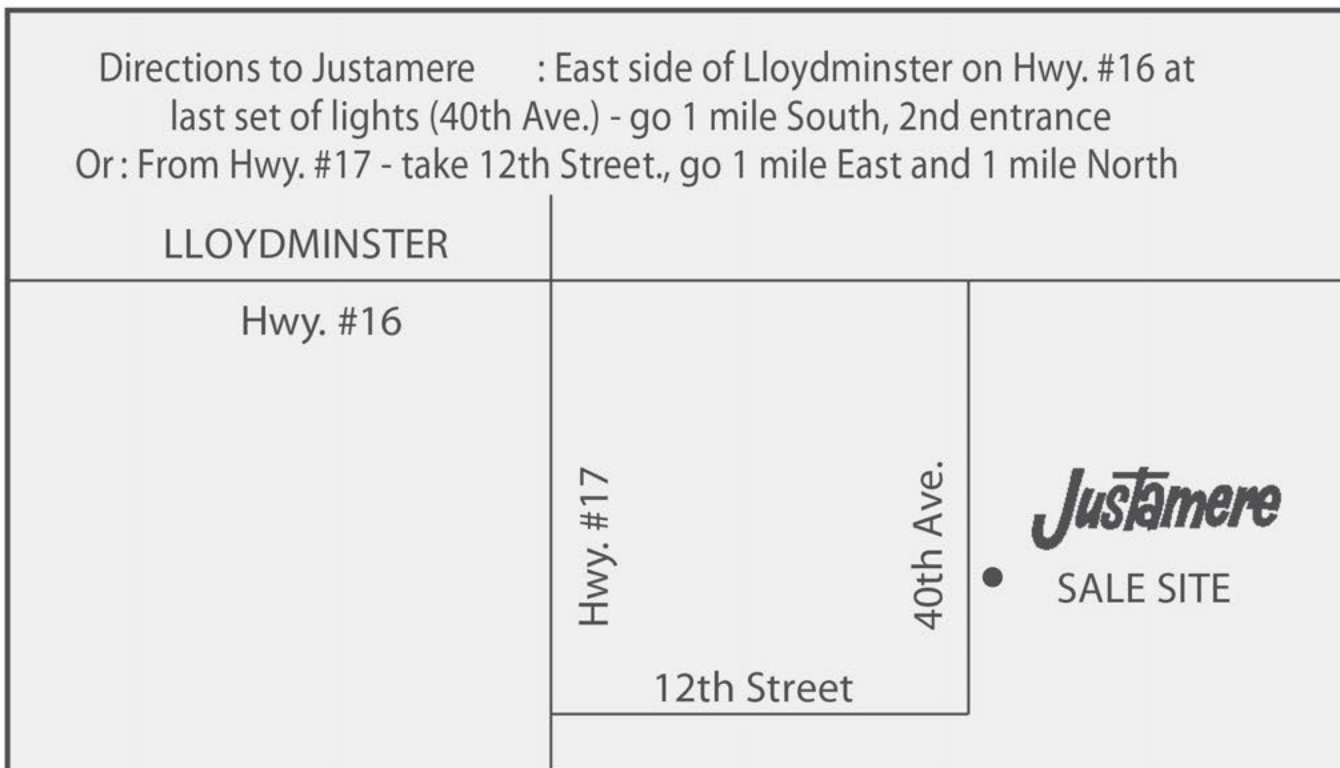

**Mail Bids:** May be entrusted in complete confidence to any of the Sale Staff listed or to Justamere Farms Ltd.

**Insurance:** Ownership risk to purchaser commences when the Auctioneer's hammer falls. Livestock coverage will be available at the clerk's desk from the appointed representatives on sale day, also from the sale management at any time.

**Terms Of Sale:** Are cash or cheque at par, payable to Clerks of the Sale on Sale Day. U.S. Funds will be accepted at the current rate of exchange. No release will be given until satisfactory settlement has been made. We reserve the right to withhold animals from export shipment for whom payments have not been received prior to departure times.

Every Animal sells to the highest bidder and in cases of disputes, the auctioneer's decision will be final.

All Persons who attend the Sale do so at their own risk, and the Owners, Consignors, Sale Management and Sale Staff assume no liability, legal or otherwise, for property loss or for any accidents that may occur.
