

CANADIAN CENTRAL *Bull & Female Sale* SIMMENTAL & ANGUS

Monday, March 5, 2018 :: 1:00 pm :: Winnipeg Livestock Sales, Winnipeg, Manitoba
DEQUIER CATTLE CO. = SKYRIDGE FARMS = TWIN MEADOW LIVESTOCK = TWIN OAK LIVESTOCK = WILCOX SIMMENTAL = JAYMARANDY LIVESTOCK

WELCOME TO THE 2ND ANNUAL CANADIAN CENTRAL BULL & FEMALE SALE

FROM THE DESK AT T BAR...

Welcome to the 2nd Annual Sale for these progressive breeders who have stepped out to offer their premium product to the buying public after a very successful first sale last year.

These six breeders that went together all have the very same mind set; they breed for performance oriented cattle with modest birth weights to accommodate all facets of the beef industry. The Wilcox and Twin Meadow bull pen is always impressive to look at and the paper work is certainly on the cutting edge of the business as well. These boys are the "pound crushing kind" as stated in last year's catalog, so be sure to look these pens up. Dequier, Skyridge and Twin Oak also offer the cream of their respective calf crop. Calving ease and performance bulls will be found here, not large in numbers but quality that will catch your eye. New this year, we are glad to have Jaymarandy joined into the sale; a high quality set of bulls here that is led off by a very interesting Angus bull from a superior cow.

Please make plans to join us at the Winnipeg Livestock Sales for this intriguing event. Approximately 45 bulls and also a selection of purebred heifers that will make excellent replacements at a very ideal time of year, to get them bred the way you want.

If you have any questions please contact any of us at T Bar C and your business will be handled with the upmost professionalism.

Thank you,

Ben Wright

info@tbarc.com www.buyagro.com

Terms and Conditions

TERMS:

The terms of the sale are cash or cheque, payable at par at the sale location. The right of property shall not pass until after settlement has been made; no invoicing on buyers in attendance, unless previous arrangements have been made. Every animal sells to the highest bidder and in cases of disputes, the auctioneer's decision will be final. Current exchange rates will be announced sale day. All monies are in Canadian funds.

BIDDING:

Each animal will sell to the highest bidder... no by-bidding will be permitted. Disputes - Bidding will be reopened between the parties involved in dispute. If no further bidding is made, the buyer will be the person from whom the auctioneer accepted the last bid. The auctioneer's decision on all disputes will be final.

ANNOUNCEMENTS:

All announcements made from the auction block will take precedence over the printed matter in the catalogue. Buyers are therefore cautioned to pay close attention to such disclosures.

BREEDER'S GUARANTEE:

Should any bull fourteen (14) months of age or over fail to prove a breeder after being used on females known to be breeders, the matter shall be reported in writing to the seller within six (6) months following the date of purchase or six (6) months after the bull has reached fourteen (14) months of age. The seller will have the right and privilege of six (6) months to prove the bull a breeder. No guarantee is given that semen collected from the bull will freeze.

EXCEPTION GUARANTEE:

In cases where the animal is subjected to any hormonal or surgical reproduction techniques after the sale, this guarantee shall be null and void.

CERTIFICATE OF REGISTRATION:

Each animal will carry papers issued by their breed association unless otherwise stated. A certificate of registry duly transferred will be furnished to the buyer for each animal after payment has been made.

LIABILITIES:

All persons attend the sale at their own risk. The seller, facility owner and sale manager assume no liability, legal or otherwise, for any accidents that occur. It is understood that T Bar C Cattle Co. Ltd. is acting only as a medium between buyer and seller and is not responsible for any failure on the part of either party to live up to his obligations. Neither does T Bar C Cattle Co. Ltd. assume any financial obligations to collect or enforce collection of any monies between parties and any legal action that may in exceptional cases be taken must be between the buyer and the seller. T Bar C Cattle Co. Ltd. assumes no responsibility for any credit extended by the seller to the buyer. The buyer must look to the seller for fulfillment of all guarantees and representations made hereunder.

RIGHTS AND OBLIGATIONS:

The above terms and conditions of the sale shall constitute a contract between the buyer and seller and be equally binding to both. Resale of animals following purchase in this sale shall constitute a separate transaction and the rights and obligations of the two parties connected thereto are not covered by the terms and conditions of this sale.

PHONE, MAIL, WIRE BIDS:

Bidders unable to attend the sale may phone, wire or mail their bids and instructions to the sale managers, auctioneer or special representatives. Bids must be received in sufficient time prior to the sale.

DELIVERY:

We will assist in arranging transportation wherever possible. Each animal becomes the risk of the purchaser as soon as sold.

INSURANCE:

Will be available sale day. We strongly recommend that insurance is purchased for full value.

ERRORS:

All announcements at sale time, written or oral, supercede any written material in the catalogue.

MONDAY, MARCH 5, 2018 ::: 1:00 PM

TWIN MEADOW LIVESTOCK ::: PUREBRED SIMMENTAL BULLS

Pat and I at Twin Meadow Livestock would like to welcome you to the 2nd Canadian Central Bull and Female Sale. This year we have four bulls and three open heifers on offer this year. We have bulls and heifers off two herd sires and two well known AI sires.

We run a mostly red and black Simmental herd but have been adding a few full blood and full Fleck females in the last few years.

If you are interested in any of our animals on offer, please feel free to contact us or stop by to view the bulls and heifers before hand at the farm.

Patrick & Tracey Wilcox

Red Enforcer is one of our top red bull that we have on offer this year. Enforcer is a full sibling to the bull that B2 Cattle Company purchased in last year's sale. Enforcer has looked the part from day one and has been an excellent combination of CMS Skywalker and BLCC Miss Bravado 135W. Here is a deep sided, big quartered, wide topped bull that will put size in any cow herd.

WILCOX SIMMENTALS ::: PUREBRED SIMMENTAL BULLS

Welcome to the Canadian Central Bull and Female Sale. We are extremely excited to be working with the other consignors, as well as T Bar C again this year.

We would like to thank all of the buyers and bidders at last year's sale. This year we have another great selection of calving ease bulls as well as performance bulls. We have also brought seven open replacement females to town. Some of these heifers are right out of our keeper pen. Most of our red bulls are sired by CMS Skywalker; he has sampled his offspring pretty similar in pattern. They are soggy cattle with a good amount of bone. The largest black sired group is by RF Nitro 219Z; he has done an exceptional job for us. We purchased him for the cow power that he's backed by. Our Nitro sired females are turning into excellent young cows. We will also have videos of Pat and Tracey's and all our sale consignments on our website for your viewing.

We encourage you to stop by the farm before the sale to see all of our sale animals, as well as their dams and our herd bulls. If you cannot make it to the sale, you can call us or any of the highly qualified sale management team members of T Bar C for more information. There will also be online bidding on www.dlms.ca for those who cannot make it. We look forward to seeing and chatting with you all at the sale!

Thank you,
The Wilcox Family

Emerson is out of a first calf heifer that has a great future in front of her. Emerson is a blaze faced bull that has good length, depth, and thickness. His sire Liner has left us with good functioning cattle.

DEQUIER CATTLE CO. ::: PUREBRED SIMMENTAL BULLS

Welcome to our 2nd Annual Bull Sale. We have nine bulls for your appraisal. A Lotto son off our new herdsire MRLC 51C, was one of the high selling black bulls at the MRI bull sale that year. He is homo polled hetero black. We used him heavily the first year and are more than pleased with the results. Moderate birth weights with good performance.

If we can be of any assistance please call cell: 204-745-8750 or home: 204-379-2113.

Mike Dequier

SKYRIDGE FARMS ::: FULLBLOOD SIMMENTAL BULLS

Welcome to the annual Central Canadian Simmental Bull and Female Sale. As always only the top end bulls make it to town. These bulls were raised on their dams milk (no creep feed). They are semen tested and enrolled in our herd health program. We encourage our fellow cattlemen to stop by the farm to view the bulls in their natural environment and let us take the opportunity to introduce you to the dams of these great herd bull prospects. Arrangements and options for keeping your bulls till you need them can be made anytime prior too or on sale day. Thank you to our past and repeat bull buyers, your confidence and support in our program is truly appreciated as we strive to improve and expand our program to new horizons.

If anyone has any questions, please contact us or any of the capable T Bar C sales team rest assure they will treat you with the professionalism, respect and trust you deserve. Hope to see you sale day!

Sincerely,

Gilles

DAM: COMMERCIAL BLACK ANGUS

PERF	BW	ADJ WW	ADJ YW
82	930	1320	

Ryder was born weighing in at 82 pounds and never missed a beat. He was weaned off his dam at 930 pounds, truly impressive for a little guy! His dam is a fourth generation commercial Black Angus cow and the sire is our senior herd sire Kelly's Solway Adonis. We have found the Fleck/Angus cross to work extremely well producing thick muscled calves come fall time. Calving ease and power all in one package!

TWIN OAK LIVESTOCK ::: PUREBRED SIMMENTAL BULLS

We would like to take this opportunity to welcome everyone to the 2nd Canadian Central Bull and Female Sale. This year we have decided to showcase for your consideration Simmental bulls that are sired by A.I. Sire NUG Royal Red, WS High Stakes, Winchester HR, TWL Charlie as well as our two proven senior herd sire Hills Wild Child and TWL Legendary.

We breed for genetics that builds on performance, longevity, disposition, udder functionality, and profitability. We feel that anyone of these gents will work in your breeding program. Bulls can be viewed at the farm prior to sale. Invest in our genetics and it will put \$\$\$\$ in your wallet.

Expressive is sired by A.I. Sire NUG Royal Red with a very impressive yearling EPD of ADG of 4.47. Expressive is our most strongest and powerful bull in our bull pen this year. He has a unique combination of length of side, wide topped, large testicles and extension through his front end while maintaining a high degree of structure integrity. Excellent disposition ++. His material half siblings were sold to Joseph and Sheri Upgang and David Marynowski. Once you spot him you'll be back for a second look.

Earon is sire by A.I. sire TWL Charlie 58C who was purchased by Judy Antonowich in 2016 at the Canadian Central Bull Sale. He has lots of length of spine, natural thickness, style and performance. Earon's dam Conray Wilaya has the genetics that allow her to constantly produce offspring that producers demand. She is an impressive milking female that retains her udder shape. Last year at the Canadian Central Bull sale, Eric Kopp purchased Earon's maternal half sibling.

JAYMARANDY LIVESTOCK ::: PUREBRED BLACK ANGUS BULLS

It is with great pleasure and appreciation that we consign these bulls, offering a new option to the Canadian Central Bull and Female Sale. This years bulls are a strong representation of our program and where it is heading. There are some outstanding herd bulls in our offering that represent industry leading genetics not available anywhere else in Canada. Our offering is small yet extremely strong. This suits our philosophy of "Quality before Quantity". Thank you for taking the time to read through the offering and call me or visit us at the farm or on sale day. I will assist you with any questions or interest you may have.

Mark Angus

SPECIAL NOTE:

Please like us on Facebook or check our website at www.jaymarandylivestock.com after for updated material. Current EPDs will be available sale day. Consider this to be your invitation to our Open House on Saturday February 24, 2018 from noon until 4 p.m. on the farm, 2 miles South of Beausejour, MB on Hwy 302.

 P F QUEEN MOTHER 446
 YOUNG DALE PANARAMA 66T
 YOUNG DALE GRACE 14P

Built right from the ground up; steep feet, stout bone and clean joints. He has natural power, continental like muscle shape and excellent hair quality and abundance. He combines this with herd bull character in his skull, with a up headed neck attachment, bold shoulder, chest width, rib sweep and big nuts making Johnny a great herd bull option. Johnny is a outcross bull to most present pedigrees with the performance to match any Angus bull available.

Now, factor in his mother, Young Dale Grace 169B and it just makes him that much more special. Grace has been shown for the last three years and has yet to place less than Reserve Champion in her division. She is the model Angus cow - power,

extra bone, muscle, udder excellence, plenty of shape and top quality Angus mothering ability. This year Johnny and Grace had an excellent fall show season whether combined as a pair or separated. As a pair, they were Grand Champion Female - Manitoba Ag-Ex 2017, Reserve Champion Senior Female Canadian Western Agribition 2017 and Top 10 Female Finalist in the RBC Beef Supreme Challenge at CWA, also. As an individual, Johnny was the Junior Angus Bull Calf Champion at Ag-Ex 2017, part of the Champion Angus Pair of Bulls with Jaymarandy Hard Evidence 2017, Reserve Angus Division in the Keystone Connection at MB Ag-Ex 2017 and a class winner in the President's Classic at CWA 2017.

Johnny is double bred Young Dale Pollyanna 22P, which only adds to the strength of his maternal prowess.

**If the new owner/s wish to show Johnny in the future, we would like to offer our assistance in his promotion.

TERMS TO BE ANNOUNCED.

JAYMARANDY LIVESTOCK ::: PUREBRED BLACK ANGUS BULLS

Accurate is a 15/16 sibling in blood to Sweet Johnny and is a really neat meat wagon. Muscular, extremely hairy, sound to the ground on excellent feet, built for the heifer pen and Canadian winters. Accurate is the product of another first calving Grace female that did an excellent job. Use Accurate to add muscle shape to your calves, to get the heifers calved out with ease or add him to the clubby program for an extra shot of maternal without sacrificing the hair, stoutness or style.

Like his sire, the Montana bred powerhouse Jaymarandy Chrome 502C that is a direct son of the Great Koupals Juneau 797. Chrome is structured well enough to walk a million miles in his lifetime and breed a pile of cows. 40 cm. scrotal at 10.5 months will get plenty of cows bred. He is a very long sided bull with the added bonus of calving ease blended right in. The true Cowboy bull of the offering and a bull that combines the Hazel and Grace cow families for a double down on the maternal strength. A maternal sibling was purchased last year by Chad Bartel.

THREE FLUSH MATES

In our commitment to selling excellent herd bull type bulls, we have decided to offer all three of our Traveler 004 x EXAR Blackbird 0698 sons for sale. This is likely the first time ever that three sons of the great Pathfinder Sire S A V 8180 Traveler 004 will be offered in one sale in Canada. All three do it with power, bred character, muscle, balance and big strong foot structure. In speaking with Kelly Schaff of Schaff Angus Valley at CWA this year, he indicated, "The 004 daughters are some of the industry best and produce forever."

Impressively Kelly's 004 daughter S A V Blackcap May 4136 is the number one revenue production cow in the entire Angus breed at \$8.5 million and has created more influence by the production of so many great AI sires with 170 plus sons and daughters sold to date. Here are three chances to get your hands on a son of one of the greatest female makers in the Angus breed. Not ending there, their dam is the epitome of beauty when it comes to beef cattle and her udder is as near perfect as possible.

Jaymarandy reserves the right to draw 100 straws of semen on any of these three bulls.

The oldest of the three and what a big stud he is. Tons of performance, a real deep-sided bull with the perfect Angus skull. Excellent from the ground up, broad in the chest with a big chest floor and belly sweep. He has a long deep rump, which is nicely carried down in to his hock and shapely in his stifle. Despite his powerful attributes, Hard Evidence is really smooth and should calve quite well. He has been judged by numerous different cattlemen in the last two years in which he was second in class at CWA the last two years; he was a class winner at MB Ag-Ex and was a member of the Champion Pair of Angus bulls with Sweet Johnny at MB Ag-Ex 2017. We are expecting several calves prior to sale day as he did see service in our program last year. This information will be made available on sale day.

JAYMARANDY LIVESTOCK ::: PUREBRED BLACK ANGUS BULLS

The heaviest weaning weight individual of all three bulls. Extra long bodied, smooth sided with a small skull and a broad dimension to his body. Another powerful bull with excellent feet and soft pastern set.

A personal favorite of mine because of his excellent rear leg and foot set, long flashy front end, true to the breed skull, soft body make and docility. On the move he is fluid like and does it on excellent feet and also with great joint flexion. He does have the lightest 205 day adjust weight which resulted from a foot rot set back while on his recipient mother. If you show cattle this would be a great option for the creation of show cattle. If you don't and your place is making beautifully balanced females with power and pretty front ends or extra fancy steers for the auction, here is your bull.

Here is our youngest heifer on offer, that was born in March of last year. Eloise is an interesting cross with our Horizon herd sire and is a first calving Fullblood. She a heifer that is out of our top Fullblood cow family that we are trying to build our Fullblood herd around and backed by performance females with outstanding udders.

Here a black heifer out off RF Nitro and our grandson's cow TCW Skittles. Sky is a moderate framed heifer that has black genetics on both sided of her pedigree and also backed by females with great udders.

This image shows a single sheet of white paper with horizontal blue or grey ruling lines. The lines are evenly spaced and run across the width of the page. There is no handwriting or other markings on the paper.
