

DIAMOND M RANCH

7TH ANNUAL BULL SALE

FEBRUARY 11, 2018  1:30 PM  ESTEVAN, SK

WELCOME FROM DIAMOND M...

Welcome to our Seventh Annual Bull Sale on February 11, 2018. I would like to thank all of the people that have expressed an interest in our program and the repeat customers over the years that have purchased bulls and heifers. Your confidence and support is very much appreciated. Our year here was to say the least, challenging. Our spring was great for calving and seeding, but then it only rained an inch all summer. Our pastures held up well considering the lack of rain but our hay crop ended up half of normal (a bale an acre), causing us to be short 1000 bales. I went from plan A to plan B to plan C, and then settled for plan D as to how we were going to feed the cows. We baled all of our oats up as greenfeed, did corn silage for the first time instead of grazing it standing, and made a 1000 straw bales. This is the first time in eight years I haven't been able to bale or corn graze due to the lack of feed. It is a lot of work and expensive feeding cows a TMR ration on a daily basis. So far this winter we haven't received much snow and the temperature has been fairly mild.

We go pretty hard around here most days and could not get done what we have to do without the very dedicated crew that we have. A big thanks to Paige Wiles and Stephen McLaren.

The bull offering has never been better quality or more uniform from top to bottom. Come look and we know you will be impressed. We are incredibly proud of our bulls and hope you will take the time to go through the catalogue. We have some new sire groups represented in both the red and black groups. There are also some great red and black 1/2 cross and 3/4 cross bulls that will add that extra hybrid vigour to your calf crop. We again are selling a group of open commercial heifers. There is a group of 13 reds and a group of 18 blacks to choose from. I am truly committed to raising these two year old bulls because they are fully mature and won't melt away. The customer gets true value for every dollar spent on a bull and also many years of service out of that bull purchase.

These coming two year old bulls will benefit you, the customer, the most. These bulls are bigger, stouter, and will breed circles around any yearling bull. Simply put, these bulls will breed more cows easily, stay in great shape during breeding and will take care of themselves if put in multi-bull pastures. All of these herd sire prospects are virgin bulls, which will be semen tested and guaranteed.

Here at Diamond M Ranch, we want to sell you a bull but more importantly we want to sell you the right bull. So please give us a call as we would be happy to help make the right selection for your herd. Then when you do find the right bull, you can rest assured that we will be there to back up that sale 100%.

If time permits, come and view the bulls and sires at the ranch, 1.5 miles west of Estevan on Highway 39. If you cannot make it to the sale, I or the staff at T Bar C: Chris Poley, Shane Michelson, and Ben Wright can help you with an order or evaluation.

This year Mark Shologan will be in charge of Internet bidding through DLMS. A video of each bull will be available for viewing on the dlms.ca and www.buyagro.com websites in late January.

We would love to have the opportunity to be your hosts on February 11th. Come on out for some good food, good conversation, and a great opportunity to genetically advance your herd.

SINCERELY,

JORDAN, AMBER, SASHA, SIERRA & WYATT MANTEI

FROM THE DESK AT T BAR...

Welcome to the 7th Annual Diamond M Bull Sale! Jordan and Amber have assembled a very solid and sturdy pen of all two-year-old Simmental bulls. Born on grass in April/May, slowly developed through two winters and grassed all summer really builds the longevity in these cattle. After viewing these bulls in mid December, we were surely impressed with the size and shape these bulls have developed.

Jordan has been relentless when it comes time to purchasing his herdbulls and you'll see the effect of that through many 1/2 and 3/4 brothers in the offering. There will not be many opportunities this spring to evaluate 60 some Simmental and Sim/Angus two-year-old bulls in one location. The effort of having a strictly two-year-old bull sale does not come easy; an extra pasture the following year and yard for wintering, take advantage of these reputable bulls from a true ranching oriented family. With over 500 mother cows, you can rest assure these cattle have been through a strict culling process and in the top 25% of the year's calf crop!

Working with the Mantei family for many years has become a pleasure. They stand behind what they sell and will go the extra mile for their customers' needs. Many repeat customers have found Diamond M a real trusted place to buy bulls that will cover extra cows being two's and have those hairy pay weight calves come fall. Raised and developed the way today's cattlemen demand.

Also, this year there will be 31 commercial heifers from the heart of the commercial herd at Diamond M. Designed for replacement females, please make sure you look these girls up.

Please join us on Sunday, February 11, 2018 just outside of Estevan. Any questions, please don't hesitate to contact any of us at T Bar and we will make sure your needs are met and enjoyed.

CANADIAN SIMMENTAL EPD AVERAGES (SPRING 2018)

CE	BW	WW	YW	MILK	MCE	MWWT	CW	REA	FAT	MARB
6.3	3.7	67.5	97.7	7.3	24.4	58.1	33.3	0.61	-0.062	-0.06

TERMS & CONDITIONS

TERMS

The terms of the sale are cash or cheque, payable at par at the sale location. The right of property shall not pass until after settlement has been made; no invoicing on buyers in attendance, unless previous arrangements have been made. Every animal sells to the highest bidder and in cases of disputes, the auctioneer's decision will be final. Current exchange rates will be announced sale day. All monies are in Canadian funds.

BIDDING

Each animal will sell to the highest bidder... no by-bidding will be permitted. Disputes - Bidding will be reopened between the parties involved in dispute. If no further bidding is made, the buyer will be the person from whom the auctioneer accepted the last bid. The auctioneer's decision on all disputes will be final.

ANNOUNCEMENTS

All announcements made from the auction block will take precedence over the printed matter in the catalogue. Buyers are therefore cautioned to pay close attention to such disclosures.

BREEDER'S GUARANTEE

Should any bull fourteen (14) months of age or over fail to prove a breeder after being used on females known to be breeders, the matter shall be reported in writing to the seller within six (6) months following the date of purchase or six (6) months after the bull has reached fourteen (14) months of age. The seller will have the right and privilege of six (6) months to prove the bull a breeder. No guarantee is given that semen collected from the bull will freeze.

EXCEPTION GUARANTEE

In cases where the animal is subjected to any hormonal or surgical reproduction techniques after the sale, this guarantee shall be null and void.

CERTIFICATE OF REGISTRATION

Each animal will carry papers issued by the Canadian Simmental Association, unless otherwise specified. A certificate of registry duly transferred will be furnished to the buyer for each animal after payment has been made.

LIABILITIES

All persons attend the sale at their own risk. The seller, facility owner and sale manager assume no liability, legal or otherwise, for any accidents that occur. It is understood that T Bar C Cattle Co. Ltd. is acting only as a medium between buyer and seller and is not responsible for any failure on the part of either party to live up to his obligations. Neither does T Bar C Cattle Co. Ltd. assume any financial obligations to collect or enforce collection of any monies between parties and any legal action that may in exceptional cases be taken must be between the buyer and the seller. T Bar C Cattle Co. Ltd. assumes no responsibility for any credit extended by the seller to the buyer. The buyer must look to the seller for fulfillment of all guarantees and representations made hereunder.

RIGHTS AND OBLIGATIONS

The above terms and conditions of the sale shall constitute a contract between the buyer and seller and be equally binding to both. Resale of animals following purchase in this sale shall constitute a separate transaction and the rights and obligations of the two parties connected thereto are not covered by the terms and conditions of this sale.

PHONE, MAIL, WIRE BIDS

Bidders unable to attend the sale may phone, wire or mail their bids and instructions to the sale managers, auctioneer or special representatives. Bids must be received in sufficient time prior to the sale.

DELIVERY

We will assist in arranging transportation wherever possible. Each animal becomes the risk of the purchaser as soon as sold.

INSURANCE

Will be available sale day. We strongly recommend that insurance is purchased for full value.

ERRORS

All announcements at sale time, written or oral, supercede any written material in the catalogue.

 Platinum was a joint partnership between Mark and Jennalee Beutler of Scissors Creek Cattle and ourselves. The investment of \$25,000 was well worth it. He adds tremendous thickness and rib shape into every calf that is born. Platinum's progeny will add a lot of performance to anyone's cattle.

Sire of Lots 33 - 39

Wheatland Nitro 64X was the high selling bull at \$25,000 in 2011. We purchased him for his outcross pedigree on top and his elite dam Lady 351N on the bottom side. She is a beautifully made female that has produced some of the most powerful herd sires in the Simmental industry. Nitro has been used in the heifer pen with great success. His daughters are very powerful and have excellent udders.

 Sire of Lots 40 - 46

IPU Red Chakota 18Y was the high seller in Labatte's sale in 2012 selling to Tessier Simmentals and ourselves for \$28,000. We needed a blaze faced bull in our program and being out of two black parents was just a bonus. He adds a lot of performance and rib shape to his calves. He is also passing on the blaze face to about half of his progeny.

Sire of Lots 47 - 48

Terminator was the high selling bull at \$102,000 in Wheatland's 2013 bull sale. We had the great fortune to acquire the walking rights on this true standout herd sire. Terminator sure puts his stamp on his offspring. He makes them stout, with a ton of muscle expression, in a very complete eye appealing package. What is equally impressive is his low birth weights when used in the heifer pen.
