Driving directions from Vermilion:

Travel 14 miles south of Vermilion on highway 41.
 Turn east on highway 619 and travel for approximately 4 miles.
 Turn north on range road 62 for 1/2 a mile.
 The farm is the first set of buildings on the west side of the road.

The Bulls are available for viewing anytime. Coffee is always on.

VOLUME DISCOUNT

New this year – Receive a 5% discount with the purchase of 3 or more bulls!

CALVING EASE RATING

Our heifer bull program consists of breeding low birth weight, smaller framed cows to easy-calving bulls. This gives us more consistency on both sides of the pedigree.

- ★ Recommended for cows
- ★★ Recommended for cows and larger framed heifers
- ★★★ Recommended for heifers

WELCOME FROM **EVERBLACK ANGUS**

Ryan, Hayes and Amanda; Ernest and Judy; Laramy and Eric; Kristen, Sullivan and Jordan.

Welcome to the 26th Annual Everblack Bull & Female Sale.

I don't know what to say about this cattle market. Some days are "crazy good." Other days are just okay. I guess volatile is the new normal. The best you can do is top the market the day you sell. That's why we all buy the best genetics we can afford.

A bit about our program... We calve a few cows January to March to get some yearlings for our sale. The remainder of the herd calves from mid-April to mid-June back in the hills with very little supervision. No yearlings are sold privately which gives us a nice set of two-year-olds that aren't picked over. January to

March calves are weaned the end of September. April and younger calves are weaned the end of November. Weaning weights are actual, not adjusted.

Our bulls to use on heifers are the result of mating calving ease bulls to low birth weight cows. This gives us calving consistency on both sides of the pedigree.

Again this year we are bringing you a good selection of bulls. Stout, rugged bulls for your cowherd. Easy-calving bulls for your heifers. All are sound, semen tested, and guaranteed 100%.

Thank you for making our previous sales so successful.

The Gibson Family

EVERBLACK ANGUS WORK ETHIC

Yep, our cows work hard for a living.

They are a swath grazing, corn stalk chewing, snow licking set of mamas.

Come spring, our mid April to mid June calvers are gettin'er done out in the pasture with very little supervision. Funny how important good udders, easy fleshing, and mothering ability are with this type of program.

No bulls from Everblack Angus are sold prior to this sale, so don't miss your opportunity to own a ranch bull(s) from the top of the Everblack herd.

FROM THE DESK AT T BAR C

Chris Poley

Shane Michelson

Ben Wright

It is indeed a pleasure to welcome you to the 26th Annual Common-Sense Angus Bull Sale. Few breeders of any breed can state the record of hosting a quarter century of bull sales annually. Established in 1965, the Gibson Family are pioneers and builders of this great Angus breed of cattle. As we start the next quarter century, it begins at the Everblack farm, south of Vermilion, a new venue for this sale... but what has not changed is the strength and quality of the bull pen.

The large cow herd with a diverse genetic base allows the program to offer a stout, uniform set of seventy-five two-year old bulls for the big pastures... bulls that can cover more cows and fit our Western Canadian terrain and conditions. Packed full of performance, the bulls are athletic, hairy with plenty of testicle and offer that calving ease dimension. As always there are a large number of sleep easy bulls bred and designed to excel in the heifer pastures. The yearlings compliment their two-year old counterparts and are sons of the new genetics brought into the program. The heifers selling are selected from solid, predictable cow families that have built this great herd.

Ernie Gibson is a "common sense" cowboy... he knows what it takes to get the job done simply because he has learned from experience over the past half century. Their large herd bull battery (which is added to

Fax: 306-934-0744
info@tbarc.com www.tbarc.com

each year) is selected in parallel to their customer's needs. Remember that each bull, in addition to performance, carries a very high degree of maternal strength to bolster your replacement pastures.

Feel free to stop at Everblack any time prior the sale, preview the bulls and see the mothers. Don't be afraid to give Ernie or the boys a call to discuss your breeding intentions as the Everblack folks are always willing to assist. As usual the hospitality will be awesome, therefore plan to spend the day... it's worth the trip!

If we, at T Bar C, may be of any assistance, prior to or sale day, do not hesitate to give myself or any of our professional team a call, as we can help you with your needs.

Chris Poley

WEANING & WEIGHTS

February - March calves weaned mid October.

April - June calves weaned late November.

Weaning Weights are actual weights.

- **Scrotal measurements and actual bull weights available sale day.**
- **All bulls are semen tested.**
- **All heifers palpated for reproductive soundness.**
- **\$100 rebate on each bull purchase picked up sale day.**
- **Volume Discount – Receive a 5% discount with the purchase of 3 or more bulls!**

Your animal may remain at the farm if it is inconvenient for you to take possession on sale day.

Delivery can be arranged at a later date.

PLEASE NOTE, the animal becomes the responsibility of the purchaser after it is sold. Insurance will be available on sale day.

1.5	35	58	18

CALVING EASE: ★

Born a bit light but has turned into a stout, powerful bull. Lots of maternal strength here with NetWorth, Tank, and Brave Heart. Sons to the Iceberg Ranch, and the Plateau Cattle Co. at Nanton.

Hayes sure does love farming with his Daddy Ryan.

Nicely-made, end of May, Night Train son. Three brothers through our bull sale. Two replacement sisters.

OPEN HEIFERS

SELLING CHOICE

We couldn't decide which one to sell, so you tell us. Two broody, big-bodied heifers out of a very successful flush. Sired by the Vision bull that topped the Peak Dot sale at \$55,000. He has worked well for us, producing attractive, easy-fleshing offspring. We think a lot of the dam, 65P. The first cow we have ever flushed, she gave us twenty-three eggs on her first try. Sound and very fertile, she's still going strong at fourteen. Nice production record with four daughters retained in our herd, three daughters at the top end of the Northern Select Sales, and two sons through our bull sales.

Was our pick of the performance bulls at Hamilton's 2016 bull sale. He boasted the highest WPDA of all bulls on offer that day. His first set of calves are stout, good-footed, performance cattle.

We bought Pacesetter because of his thickness, structural correctness, and calving ease. We use Pacesetter on low birth weight cows to get "heifer bulls." A bonus, he is making females that are easy-fleshing and nice-uddered.

We call him Hi Test because 22W topped the Lakeland College bull test. He was not only the highest-gaining Angus bull, but also the high gainer over all breeds. His sire, Net Worth, has been the dominant sire for muscle and mass throughout the past decade. Hi Test is a stout, powerful bull, but we have been pleasantly surprised by his moderate birth weights.

As any good Aunnie would do, Laramy likes to teach Sully and Hayes to howl, "Dun-da-du-lun-da-du-lun, yeehaw!"

A son of the very popular Rito 9969 bull who we leased from Allandale Angus. He came out of the SAV sale and has turned into an impressive bull; long and powerful. He will add performance.

Every rancher man needs his steed.

A Wisdom son out of a low birth weight cow that we sold to the Westmans for breeding heifers. We were able to lease him back. He has some calving-ease sons in the two-year-old section.

IN MEMORY

This past year provided us with many blessings, but it also brought two irreplaceable losses.

The “Hayshaker Crew,” from the cover of the first Hayshaker sale catalogue.
Left to right: Ernie, Robbie, Jim, Shelly, Brian, Dennis.

Rob Holowaychuk was a fellow cattleman, our sale manager of many years, and one of those special lifelong friends we count ourselves lucky to have. Rob (and his team) contributed significantly to our business, and we always enjoyed our time spent together at cattle sales, family weddings, reunions, or when he'd stop in at the farm for a visit. We dearly miss our conversations with Robbie, as they were guaranteed to bring thought, perhaps a counterpoint or two, and best of all, some laughter.

Doug Arthur was our beloved brother and uncle. Doug spent many years at the farm working with us to seed, harvest, fence, and take care of winter chores, among the multitude of other ranch tasks. Doug was the first to stand in when we needed an extra hand two Decembers past, and we will always be grateful. Luncheon in the shop has us missing his comedic relief, along with our daily update from what he'd learned listening to Talk Radio, or from driving around the countryside to see what the neighbours were up to.

TERMS & CONDITIONS

TERMS:

The terms of the sale are cash or cheque, payable at par at the sale location. The right of property shall not pass until after settlement has been made; no invoicing on buyers in attendance unless previous arrangements have been made. Every animal sells to the highest bidder and in cases of disputes the auctioneer's decision will be final. Announcements from the auction block will take precedence over the printed matter in the catalogue. Current exchange rates will be announced sale day. All monies are in Canadian funds.

CERTIFICATE OF REGISTRATION:

Each animal will carry papers issued by the Canadian Angus Association, unless otherwise specified. A certificate of registry duly transferred will be furnished to the buyer for each animal after payment has been made.

HEALTH:

All animals in the sale have met all necessary health requirements.

GUARANTEE:

Each animal becomes the purchaser's risk immediately after the animal is sold. All animals in this sale will be sold under the terms and guarantees set forth by the Canadian Angus Association with regard to health, freedom from defects and from both reproductive and specific genetic unsoundness.

LIABILITIES:

All persons attend the sale at their own risk. The sellers, facility owner, auctioneer and sale manager assume no liability, legal or otherwise, for any accidents that occur. It is understood that T Bar C Cattle Co. Ltd. is acting only as a medium between buyer and seller and is not responsible for any failure on the part of either part to live up to his obligations. Neither does T Bar C Cattle Co. Ltd. assume any financial obligations to collect or enforce collection of any monies between parties and any legal action that may in exceptional cases be taken must be between the buyer and the seller. T Bar C Cattle Co. Ltd. assumes no responsibility for any credit extended by the seller to the buyer. The buyer must look to the seller for fulfillment of all guarantees and representations made hereunder.

DELIVERY:

Every assistance will be given in getting your purchases home. Each animal becomes the risk of the purchaser as soon as sold.

PHONE, MAIL, WIRE BIDS:

Bidders unable to attend the sale may phone, wire or mail their bids and instructions to the sale manager, auctioneer or special representatives. Bids must be received in sufficient time prior to the sale.

INSURANCE:

Agents will be in attendance to insure your purchases. We strongly recommend that insurance is purchased for full value.

ERRORS:

All announcements at sale time, written or oral, supercede any written material in the catalogue.

BULL WARRANTY

We guarantee to provide you with a sound, fertile bull capable of servicing a reasonable number of cows. In the event that your bull is a non-satisfactory breeder, the seller will not, under any circumstances, be responsible for more than the original selling price of any bull or female sold in the sale. The consignors will not provide replacement or credit for physical injury or mismanagement. Therefore we stress the importance of insurance on your bull. An insurance agent will be available on sale day.
