# Welcome...

Welcome to the 2018 edition of the JP Cattle Co. & Guest Bull and Female Sale. After consigning to the Proudly Western Bull Sale for the last three years, we are very excited to be hosting this year's sale at the farm, in our brand new sale facility. We would like to thank all the consignors that participated in the sales with us in Whitewood. It was a very rewarding experience for us. We met a lot of good people and learned a lot from them along the way. Thank you again.

With that being said, as time moves on, year after year, things certainly do change and evolve. The past year and a bit has seen some major changes at JP Cattle. In December of 2016, we were very happy to purchase all the bred heifers and the majority of the mature purebred Angus cows, from Brent and Dale Stewart at Stewart Cattle Company. We feel this is a great fit for our operation, to be able to offer both Simmental and Angus genetics to our customers. With this influx of bulls to sell, it made our decision to run our own bull sale at the farm much easier, and with the smaller numbers that the Stewarts had on offer, we convinced them to join us on March 1st and sell their bulls with us. The Stewarts have many, many, long standing customers that we all hope will come and inspect the offering on sale day. You can be certain of the fact that the genetics are the same, just the location has changed.

Over the last four years or so, we have become involved in the seedstock business. We have strived to source some of the best genetics available to us, either by purchasing actual herd sires or semen shares on others. Combine that with some elite donor females to mate them to, of which are flushed extensively, we are trying to expand our foundation cow herd. We strive to produce consistent, functional bulls and heifers that we feel will go on to have lengthy and rewarding lives for ourselves and our customers. That being said, we certainly are not new to the cattle business. Over the last 20 years between ourselves and Patemans, we run close to a 1400 head commercial cow herd and breed about 2000 females each year, including purebred and commercial cows, as well as heifers. With that many cattle around, we strive to produce cattle that are functional, fertile, efficient, as well as being able to calve by themselves and get up and suck when they do arrive. We calve our Commercial cows in May and June on grass pastures, with very little supervision. We have also fattened a lot of our own cattle, over the years so it's good to know what works best for the feedlot and packing industries.

Please come join us on March 1st, have some lunch, share some hospitality and appraise the bulls on offer. We hope you can fulfill your needs with a good quality bull at an affordable price.

Sincerely,

**JP Cattle Co.**

# Welcome...

Thanks for taking the time to view our bull sale catalogue; times have changed and so has the sale format.

We sold the majority of the mature Purebred Angus cows to JP Cattle Co. in December 2016. It was difficult, deciding to sell, but when you view the cows at their new home and get to know their new owners, the cows that worked hard at our place will continue to work for JP Cattle Co.

Our bulls have been developed the same as usual, same guarantee, same delivery. You can purchase any of these yearlings with confidence we will continue to look after you and your purchase.

We are grateful and pleased to be involved with the Lowes family and the staff of JP Cattle Co. in this new sale facility, at their farm in McAuley and the new sale date.

Please consider this your personal invite to McAuley, Manitoba, on March 1, 2018 for our first annual bull and female sale. I would be happy to talk over these bulls with you anytime, please call me at 204-773-6392.

Sincerely,

**Stewart Cattle Co.**

Brent Stewart

# JP CATTLE CO. & GUESTS STEWART CATTLE CO.

## Annual Simmental & Angus Bull Sale

March 1, 2018 • 1 PM

McAuley, Manitoba

### AUCTIONEER:

Chris Poley, T Bar C Cattle Co. Ltd. 306-220-5006

### RINGSIDE:

Shane Michelson, T Bar C Cattle Co. Ltd. 403-363-9973  
Ben Wright, T Bar C Cattle Co. Ltd. 519-374-3335  
Chad Wilson, T Bar C Cattle Co. Ltd. 306-577-1256

### SALE DAY PHONES:

Glenn Lowes 204-851-5669  
Barry Lowes 204-851-0342  
Brent Stewart 204-773-6392  
Brooke Canart 204-851-2531  
Eric Pateman 306-434-6392

### SALE CONSULTANT:

Bill McConnell 204-796-0789

### SIGHT UNSEEN PURCHASE PROGRAM:

All sight unseen purchases are fully guaranteed.

### SEMEN:

We reserve the right to draw semen on any of the sale bulls for "in herd use" at the buyer's convenience and the seller's expense.

### INSURANCE AGENT:

Alameda Agencies: Bonnie Thompson 306-483-7311

365 day weights will be available sale day.

**GUARANTEE:** All sale bulls are fully guaranteed as breeding bulls. We will be keeping back a few bulls as replacements, if one may be required.

**HEALTH:** All cattle are on a full PFizer Health Protocol. Rebecca Gervin from ValleyFlats Vet Service has done all semen test, scrotal measurement and preg-checking. Bulls were treated with ivomec at weaning, January 4, 2018 and February 15, 2018.

**FEED RATION:** The bulls have been fed a complete TMR grower ration. 3M Beef Supplies balances this ration for us. We strive to develop these bulls to grow at a steady and reasonable pace after weaning. We want to have bulls ready for our customers, at breeding season, that are in good breeding condition. We strive to raise bulls that can get out, walk, and maintain their body condition. We strongly recommend leaving the bulls at the farm after the sale, where we will keep them on this grower ration, at no cost to the purchaser, until delivery.

**THIS WILL BE A LIVE SALE WHERE YOU WILL BE  
ABLE TO VIEW THE BULLS LIVE IN THE SALE RING.**

**JOIN US FOR LUNCH AT 12:00 PM ON SALE DAY.**

*From The Desk At T Bar...*

Welcome to the first annual Simmental and Angus Bull Sale for JP Cattle Co. and Stewart Cattle Co. Together with the same goals and values, they have assembled a cross selection of Simmental, Angus and Sim/Angus bulls to satisfy the most astute cattleman.

The JP program is one that is tried, tested and runs true as they utilize the same genetics as their customers in their own commercial herd. With this approach, they can hands on see how the genetics they produce for you the consumer will grow, develop and perform from start to finish. As you study the sale book, you will soon see that the JP program is fully committed to the beef business and the Ag industry on a big level. They manage over 21,000 acres of land, run a huge commercial cow calf operation, as well as back ground a large group of feeder calves each year. Their finger is always on the pulse of the cattle industry all the time and they are always in search of the freshest genetics available to enhance and move their own program forward.

The Stewart family has been developing their program for many years with the main focus on providing a sound, constant, competitive product at an affordable price. They have always been big promoters of the agricultural industry in particular, the beef business. Countless hours and miles have been logged both promoting their program as well searching for new genetics to move their own herd forward. They have shown and promoted at the highest level across north America and focus on high quality genetics to add value to any program.

The two operations share a lot of the same thoughts and practices. Both have large embryo production programs to mass produce only the very best genetics and excel production and traits with their best genetics. They also believe in excellent customer service and satisfaction, realizing that their success depends and begins with their customers success and sustainability. As well both programs are very in touch with what the industry is asking for and demanding, moving forward to keep themselves and their valued clients on the cutting edge of the industry.

We sure hope you will be able to join us March 1, 2018 at the farm in McAuley for this first annual event. The new sale barn will be finished and the cattle will be awaiting your appraisal. We at T Bar C are very familiar with both operations and can help assist with your appraisals or any absentee bidding requirements you may have, if you are unable to attend.

See you in McAuley,  
Shane Michelson

# Full Brothers!

Very interesting pedigree, the mother of these three flushmates is a full sibling to the great SpringCreek Liner 56U. We purchased 59U from Spring Creek as the lead off, high selling black cow in the 2015 edition of The Golden Opportunity Sale. She has a perfect udder, flawless phenotype and is structurally sound, front to back. Take a close look here.

35E was part of our display pen at Agribition, Ag Days and Yorkton Harvest Hoedown where he was very well received. A bull with the length of spine, depth of body, square hip and a 68 pound birth weight doesn't come around very often. Note that he is only registered as a 7/8. We are retaining 100 straws of semen for in herd use.

**Great big thanks to fabrication crew, Justin and "Shoey"  
 for everything they built to get us into our new place.**

JP Cattle will have upwards of 70 head of top quality bred commercial heifers on offer sale day. There are about 30 red and 40 black heifers. Some are out of our commercial herd and some are non registerable out of the papered cattle. Bred to easy calving Angus bulls, due to calve late March.

**VIDEOS AND PICTURES OF HEIFERS WILL BE AVAILABLE ON OUR FACEBOOK PAGE OR AT [WWW.JPCATTLE.COM](http://WWW.JPCATTLE.COM)**

## Reference Sires

### WHEATLAND *Royal Flush* 435B

At Agribition 2015, we were fortunate to be given the opportunity to purchase Royal Flush from the Lafrenz family. We made the deal with them and how good has that turned out! We brought him home in March, bred about 50 young cows naturally to him, and took him back to Wheatland in late June. They proceeded to begin fitting him for Agribition 2016, where he was very successfully shown. He won Grand Champion Senior Simmental Bull and followed that up by being crowned Grand Champion Simmental Bull. Later, he was named a top ten finalist in the RBC Supreme Challenge. It is quite an honor to have an Agribition champion leading your bull battery, but even more importantly, the acceptance and positive comments received in the barns by other breeders and commercial cattleman was very, very humbling. Congratulations Wheatland and thank-you. We are in the middle of our second calf crop off by Royal Flush, with this being our first bulls offered for sale. They are long, stout, thick, deep ribbed, hairy and big footed. The females he sires are very consistent in their type and quality. Please join us sale day for the opportunity to purchase a Royal Flush son, as no semen has been made available to date.

### SVS *Captain Morgan* 11Z

What more can be said about Captain Morgan! Very few bulls in the industry today, have produced offspring of the consistent quality as Morgan has. This year we have a smaller selection of bulls sired by him but, they are easily as consistent as years past. Lots of length, thickness, good footed and will calve like a breeze. Buy with confidence.

11Z

### R *Plus* 5015C

We purchased a semen interest in 5015C when he was sold in the 2016 edition of R PLUS Bull Sale. He has done exactly what we had hoped. His progeny birth easily, land on their feet, lots of style, hair and thickness. A nice combination of calving ease and performance. One of the first heifers to sell off him this fall at the Shades, brought \$9000.00.

# Reference Sires

## BLACKSAND *Interest*, 4B

We purchased 4B at the last bull sale that BlackSand had. He was Craig's lead-off bull and our pick of the bulls on offer that year. He has grown into a very good herd bull; with lots of thickness, length, plenty of testicle and a huge foot under him. We also purchased his mother as the lead-off cow at the historical BlackSand Dispersal and she has turned into a leading donor cow in our embryo program. Take a close look at his progeny's pedigree.

## JPCC *Super Smooth*, 69B

We raised 69B ourselves and sold a half interest in him to Little Rainbow River Ranch. We retained half interest in this Final Answer son so we could breed our half blood heifers and produce true half blood progeny. This bull combines unmatched calving easy with extraordinary thickness and growth. If you are interested in trying a percentage bull, take a real close look at his offspring.

# Terms & Conditions

## TERMS:

The terms of the sale are cash or cheque, payable at par at the sale location. The right of property shall not pass until after settlement has been made; no invoicing on buyers in attendance, unless previous arrangements have been made. Every animal sells to the highest bidder and in cases of disputes, the auctioneer's decision will be final. Current exchange rates will be announced sale day. All monies are in Canadian funds.

## BIDDING:

Each animal will sell to the highest bidder... no by-bidding will be permitted. Disputes – Bidding will be reopened between the parties involved in dispute. If no further bidding is made, the buyer will be the person from whom the auctioneer accepted the last bid. The auctioneer's decision on all disputes will be final.

## ANNOUNCEMENTS:

All announcements made from the auction block will take precedence over the printed matter in the catalogue. Buyers are therefore cautioned to pay close attention to such disclosures.

## BREEDER'S GUARANTEE:

Should any bull fourteen (14) months of age or over fail to prove a breeder after being used on females known to be breeders, the matter shall be reported in writing to the seller within six (6) months following the date of purchase or six (6) months after the bull has reached fourteen (14) months of age. The seller will have the right and privilege of six (6) months to prove the bull a breeder. No guarantee is given that semen collected from the bull will freeze.

## EXCEPTION GUARANTEE:

In cases where the animal is subjected to any hormonal or surgical reproduction techniques after the sale, this guarantee shall be null and void.

## CERTIFICATE OF REGISTRATION:

Each animal will carry papers issued by the Canadian Simmental Association and the Canadian Angus Association, unless otherwise stated. A certificate of registry duly transferred will be furnished to the buyer for each animal after payment has been made.

## LIABILITIES:

All persons attend the sale at their own risk. The seller, facility owner and sale manager assume no liability, legal or otherwise, for any accidents that occur. It is understood that Sale Management is acting only as a medium between buyer and seller and is not responsible for any failure on, the part of either party to live up to his obligations. Neither does Sale Management assume any financial obligations to collect or enforce collection of any monies between parties and any legal action that may in exceptional cases be taken must be between the buyer and the seller. Sale Management assumes no responsibility for any credit extended by the seller to the buyer. The buyer must look to the seller for fulfillment of all guarantees and representations made hereunder.

## RIGHTS AND OBLIGATIONS:

The above terms and conditions of the sale shall constitute a contract between the buyer and seller and be equally binding to both. Resale of animals following purchase in this sale shall constitute a separate transaction and the rights and obligations of the two parties connected thereto are not covered by the terms and conditions of this sale.

## PHONE, MAIL, WIRE BIDS:

Bidders unable to attend the sale may phone, mail or wire their bids and instructions to the sale managers, auctioneer or special representatives. Bids must be received in sufficient time prior to the sale.

## DELIVERY:

We will assist in arranging transportation wherever possible. Each animal becomes the risk of the purchaser as soon as sold.

## INSURANCE:

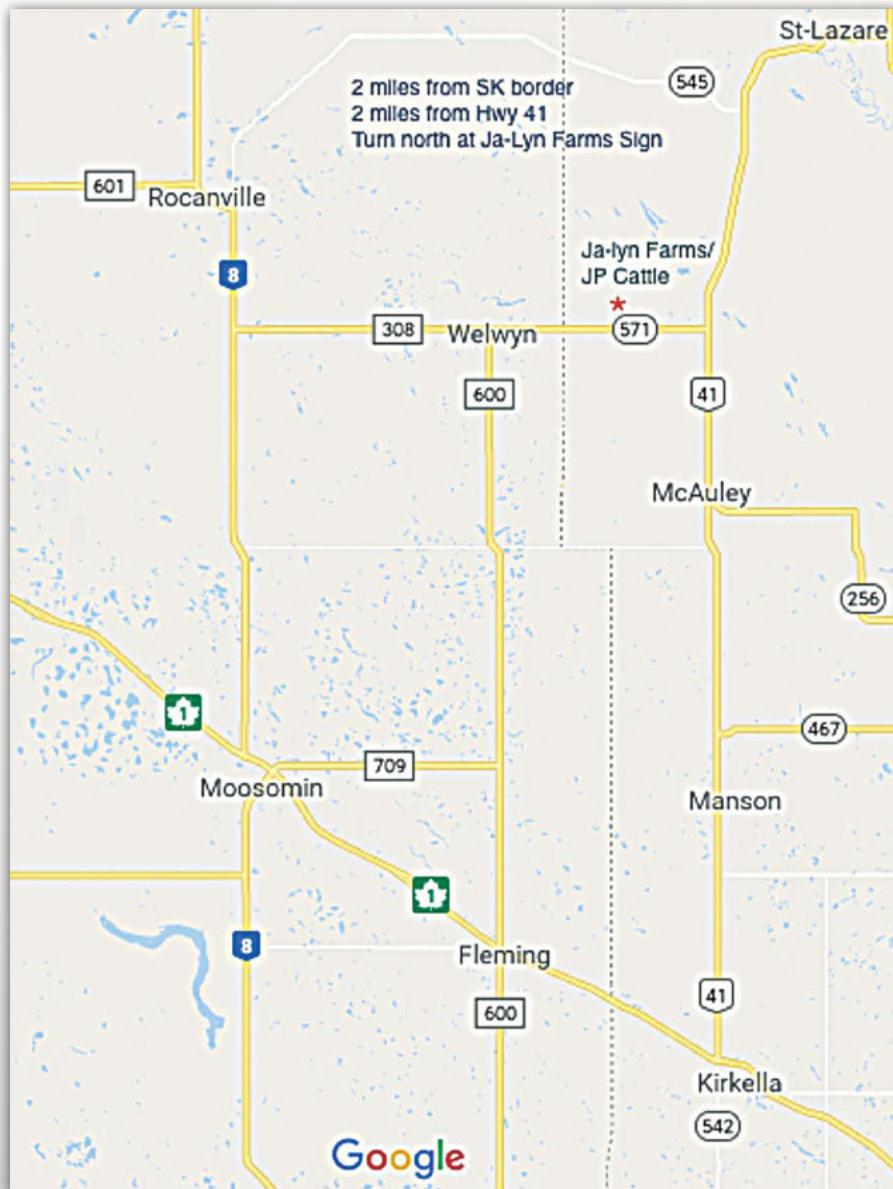

Will be available sale day. We strongly recommend that insurance is purchased for full value.

## ERRORS:

All announcements at sale time, written or oral, supersede any written material in the catalogue.

## IN-HERD SEMEN:

We reserve the right to collect on any bull sold through the sale. The semen collection will be at the seller's expense and buyer's convenience. Any semen collected will be for in herd use only.
