*Welcome...*

Our family extends a warm welcome to friends and neighbors and cattlemen to our 24th Bull Sale.

Once again we are selling the Bulls on Video with Chris Poley auctioneering and DLMS on line.

We are always thankful to our customers for giving our program a chance to work in theirs and for coming back year after year with solid support.

Whether you are a buyer, a bidder or come for a visit, you are important to us and we look forward to seeing you February 10th!

*Sincerely,*

**Mick & Debbie,  
Kurt & Shannon, Matthew, Ryan and Casey  
Mark & Kristi, & Kaden**

---

**90% OF OUR CUSTOMERS ARE REPEAT BUYERS!**

---

**MJT** bulls are raised with the basics in mind.

Basics is what have made the Hereford and Angus breeds attractive for generations.

We decided a long time ago that we didn't want to produce just numbers to sell. At **MJT** we want to raise sound, economic, high performance traits without sacrificing birth weights or milk.

We feel our commitment to this should help you, the rancher, produce predictable and profitable cattle from **MJT** genetics.

Our cows can wean a calf crop under almost any conditions.

**MJT** cattle are sold with 100% guarantee and we strive to be #1 on service. We know sometimes things go wrong with bulls and if you have trouble we want to be the first to know.

**MJT** isn't in this for the short haul. We have been in the "Bull Business" for many years and this is our 24th sale at home. We know good cattle can sell themselves and we try to offer a good selection of bulls that are affordable to the budget of the rancher. We consider it a privilege to

have our bulls working in so many ranchers programs. 0% of **MJT** sale bulls have had their feet trimmed and we consider our herd bull battery to be the best genetics available.

The most significant concern of any rancher is the profit he makes from his cows. We feel that having kept the basics in the cattle business in mind our genetics should produce cattle that can put profit in your jeans.

**MJT** has many options to buy your bulls – in person, online with DLMS or on the phone with us or one of our sales staff. We have a sight unseen option too and if you are not happy with your purchase when the bull is delivered you are not required to purchase the bull.

There is always ups and downs in this business, but there is one thing that never changes – the many ranchers and their families we have had the privilege to get to know and call our friends.

*We sincerely thank those who have supported our program along the way.*

# Thank You!

*We would like to thank these 2017 MJT sale buyers...*

Lincoln offspring are well marked, fully pigmented and have beautiful hair coats. His sons are heavy muscled and the daughters are feminine, fancy and perfect uddered. They have the capacity and rib that make them super mama cows! His progeny have done very well in the show ring and in the pasture for us. Lincoln is no stranger to the show ring himself. He was the Farmfair International Grand Champion Hereford bull in both 2013 and 2014. Mick judged him at Farmfair in 2013 and purchased him out of the stall from Flewellings right after. His daughters have done well for us in both in the pasture as well as the showing. MJT 495Y Cindy 105C was Champion Horned Hereford Female at Lloydminster Stockade Roundup in 2016 as a bred heifer, and again in 2017 with her calf at side. She was also Champion Senior Female at Canadian Western Agribition. We are considering offering a limited number of Semen Packages on Lincoln, so please contact us if you would like to be added to the waiting list.

Rocky is the type of bull we strive for at MJT. He is long bodied, deep, square hipped, and big topped. Combine those traits with a dark cherry color he carries to the ground, and his clean front, we believe he is a package that combines performance with showability. We are confident in his maternal traits. We purchased Rocky from Lohner Herefords, out of an MJT dam. Backed by a powerful pedigree, he is sure to stamp his calves. Rocky has drawn international interest this fall, and we look forward to what his future may hold.

**NJW 73S W18 HOMETOWN 10Y ET**

Denver 2014 Res. National Champion and 2013 National Champion Polled Bull  
• BW 90 lbs. Adj WW 739 lbs. Adj YW 1204 lbs.  
• Square hipped, big topped, upstanding, dominating, and red to the ground!  
A Hereford 10-Trait Leader!

**REMITALL PILGRIM 93P**

Pilgram was a bull ahead of his time. He was a unique combination of heavy natural muscling and calving ease and a bull anyone could use. Average birth weights for Pilgram-calves in Canada have been 88 lbs. We sold semen interest in Pilgram to Moeskaer in Denmark. Pilgram-sons have been very popular and topping several sales in Denmark and the UK. Pilgram is sired by the renowned Remitall Online 122L and dam Justamere Debbie 786L was one of the very top cows in the Remitall herd. Other top sires like Remitall Trustfund 33T and Remitall Seabreeze is out of this great producing cow.

**LIMITED SEMEN PACKAGES AVAILABLE ANNUALLY**  
*We are currently taking a list for the next release of packages*

## CALVING EASE

We have several customers who take home our bulls for use on their first calvers. We decided to make a system to help you when choosing your next heifer bull.

*This system is based on the following...*

1. BW in lbs.
2. Consistency of BW of sire
3. Consistency of BW of dam
4. Consistency of calving ease of both sire and dam.  
(eg. build of calf)

*The following is what we recommend...*

- ★ Recommended for cows only
- ★★ Recommended for cows or larger framed heifers that were not big at birth
- ★★★ Recommended for heifers

*Always keep in mind - 50% of your calf's BW relates back to his mother.*

## Hereford Two Year Old Bulls

A solid group of Hereford Bulls ready to go to work. They have been fed with their futures in mind. No feet have been trimmed. We calve a small group of cows in January and the rest of the cow herd calves mid April to May.

### 205D

### MJT Red 205D

**BW: 86 lbs. Aug.19/16 WW: 790 lbs. Apr.19/17 YW: 1580 lbs.**

**CALVING EASE: ★ ★ RECOMMENDED FOR HEIFERS**

We showed this big rascal at Lloydminster Stockade Roundup and FarmFair this past fall. 205D was Junior Champion at both shows! He has plenty of style and looked awesome in the show ring. If you want to have some fancy steers to sell, this fella would do it! Behind every good bull is a great cow and 28Z is just that...she is moderate, nice footed, has a balanced udder and is sweet fronted. Red 205D has "Herd Sire" qualities.

CALVING EASE: ★ ★ RECOMMENDED FOR HEIFERS

This fella is smaller framed and has everything in the right places. Will calve nice and should put great hair coats on your calves that help bring the top end prices on your calf crop. His mama goes back to the Pilgrim 93P bull.

# Life In Pictures

## Cows, Kids & Character

Now, the smartest of God's creatures, a **cow** may never be,  
But they can build a little common sense in folks like you and me.  
There's a peaceful, kind contentment when you drop a load of hay,  
For a bunch of bovine critters on a cold and snowy day.

And the antics of the babies sorta make you want to laugh,  
'Til that good ole mamma cow tries to fight you for her calf.  
Working, caring for cattle, has allowed your kids to grow,  
And you've watched them learn some lessons that the town folks just don't know.

About the beauty found in nature and a faith in God above,  
Of the dignity in labour, and the strength of family love.  
So when the cattle market weakens and it starts to get you down,  
And you think the time has come to sell the farm and move to town,  
Just remember what it means to be a farmer or his wife,  
And know you children have a future, cause they've led a farmer's life,  
Since you've raised 'em in the country where they grew up proud and free,  
Your sons and daughters now can be what e'er they want to be,

And the **best** thing you and those old beef cows ever did,  
Was to build some depth and character on the inside of a kid.

LLB 1145P Bando 571S bred here well. He left us a little extra stretch and his progeny all had more length of body than average. This added pounds at weaning. We chose 531Z to join forces with his sire to give us that extra rib and length. 531Z's mama is from one of our strongest cow families. His grandmother "MJT Eline 46N" raised herd bulls and she sold into a purebred herd in our cow dispersal.

EPDs BW: 6.4 WW: 36 YW: 62 Milk: 20 TM: 38

We selected Sizzler from Double F as a yearling. His dam CFS Queenette 3T is one of Kelly's top producing females - her bulls are high sellers in Double F's annual sale. Sizzler's sire HF Hemi 176W was a power bull and did very well on the show road. Sizzler's progeny are outstanding in the bull pen and Matthew's show heifer, MJT Miss Sizzle 45D is a great example of the daughters.

Act BW: 94 lbs.

EPDs BW: 2.9 WW: 44 YW: 83 Milk: 20 TM: 42

We bought Improvement as a yearling sight unseen, based on his dam and Owen's confidence in the calf. On delivery, we liked him when he walked off the trailer. We have used him on heifers successfully and the offspring are comparable to the mature cows' calves at weaning. His grandsire, HF Tiger 5T is appreciated for early gestation and calving ease. He is also designated as an Elite Sire in the CAA. Tiger 5T had many championships awarded to him in the show ring.

MJT ELNORA 2E

Act BW: 80 lbs.

EPDs BW: 2.2 WW: 36 YW: 57 Milk: 19 TM: 37

When we lost our 20/20 Touchdown 20X herd sire, we picked 505Z to replace him. 505Z follows the pattern we admire of 20X! That round muscle, good feet and soundness were qualities of the old bull. 505Z's mama is out of a top cow family that never misses. Longevity, excellent milk and sound feet and leg structure. 505Z travels well. He is athletic and breeds consistent birth weights. A 76 pound birth weight and a short gestation make him a valuable sire in the MJT Herd Bull Battery.

Act BW: 81 lbs.

EPDs BW: 2.5 WW: 47 YW: 86 Milk: 27 TM: 51

Mick found First Impression as a calf in 2015 at the Denver National Stock Show. He was a mid-April calf and at 9 months old, his natural muscling and early maturity were impressive. Seeing his mother sealed the deal for us! This pedigree is new to Canada. First Impression's sire – Dameron First Impression – was the 2012 Denver Grand Champion Angus Bull. His progeny have been dominating shows across North America. The dam of Dameron First Impression is a First Class daughter and is of the best Angus females we have ever seen – her sire Lagrande MAF Antidote 5775 has earned the respect of many cattlemen. You can find many of her progeny in championship rings across North America. With a loaded pedigree and the combination of calving ease and performance, MAF First Impression 4420 has the best of both worlds! With an 81 pound birth weight, early maturity and great carcass numbers, he is hard to overlook. His gentle disposition and ability for feed conversion make him a valuable herd bull in our program.

**BW: 78 lbs.**

We wanted to offer a female from our 20/20 37A sire group. He's a Tiger son and his dam is one of 20/20's top producing females. When you anticipate mating these females, you always do so with the hopes of them giving us what we want. Samantha 478Z is that female - how ever you choose to mate her, she delivers. Matthew's pick of the heifer calves in 2016 was a 478Z daughter. He has shown her successfully this past show season and she is truly a flawless individual. 641E has the style and presence to be a standout. This heifer is selected from our later calving group in April.

**MJT SAMANTHA 641E**

## Here are 10 reasons why you should buy your next bull from MJT:

1. MJT delivers your bull FREE.
2. MJT has delivery options.
3. Pay 1/3 sale day and a post-dated cheque for 2/3 on July 1, 2018.
4. MJT's sight unseen. We guarantee you will like the bull or you don't take him.
5. MJT's 100% customer guarantee.
6. MJT bulls are ranch raised.
7. MJT bulls are semen tested.
8. NO MJT bulls have had their feet trimmed.
9. MJT bulls are affordable.
10. 90% of MJT customers are repeat buyers.

# TERMS & CONDITIONS

## TERMS

Payment Options: 1/3 down on sale day and a post-dated cheque for July 1, 2018. See Mick for other arrangements.

## INSURANCE

Insurance will be available on sale day and **we ask that all cattle left be fully insured.**

## DISPUTES

In cases of dispute, bidding will be reopened between the parties involved. If no further bid is made the buyer will be the person from whom the auctioneer accepted the last bid. The auctioneer's decision in such matters will be final.

## PURCHASER'S RISK

Each animal becomes the risk of the purchaser as soon as sold.

## LIABILITY

MJT and staff accept no liability on sale day for accidents. However, all precautions will be taken to ensure safety.

## HEALTH

All animals will be sold in compliance with the health laws of Alberta. All sale bulls have been treated with Ivomec. All bulls are vet inspected.

## BREEDING GUARANTEE

All bulls are guaranteed breeders. The Standard Canadian Hereford and Canadian Angus Association guarantee applies. All bulls are semen tested and vet inspected. Under no circumstances shall MJT be responsible for more than the purchase price paid for the said animal.

## ANNOUNCEMENTS

Any announcements from the stand take priority over catalogued material.

***MJT has the right to collect semen at their expense and the owners convenience on any bull sold.***

***MJT will offer a rebate of \$150 per lot when picked up within 7 days of the sale.***

## CATTLE CO. LTD.

*Hereford & Angus*

At MJT, we are a 4th generation purebred Hereford & Angus ranch and run our cows along the hills of the Battle River near Edgerton.

We host our annual MJT "Back to the Basics" bull sale each year at the ranch and we are looking forward to hosting our 24th sale on February 10, 2018!

Our philosophy: Breed the optimum mother cow. Our culling process is simple... the basic fundamentals in genetics should NEVER be compromised.

*MJT enjoys showing cattle, but we don't raise show cattle... we show the cattle we raise.*

The females have to be sound on their feet and good uddered. A natural instinct to mother is essential to our calves survival as we calve our majority on pasture in April/May.

The majority of our bull battery are walking bulls. MJT has an embryo and AI component to our program on the early calving females.

MJT enjoys showing cattle, but we don't raise show cattle... we show the cattle we raise. We have been successful in the show ring and pull our show string from a strong base of females at the ranch.

Having the 4th generation actively involved in the day-to-day operation of the ranch helps ensure the values and benefits of a strict culling program, animal welfare and a reputation you can be proud of will continue in MJT's future.

# WE WELCOME YOU TO TOUR OUR CATTLE AND STOP FOR A COFFEE ANYTIME!
