## Site Unseen Purchase Program...

We understand in today's high tech world of social media, Twitter, Facebook and so on, it seems to become harder and harder to physically accomplish all that needs to be done in a day or a week. As we know that many of us have other jobs besides the cow business, not to mention young families involved in hockey, curling, dance, gymnastics and the list goes on, sale day is always an option. The four outfits from Wilson/Lees have been raising Purebred Polled Herefords for three, four and five generations. We know what works! Tell us what you need; growth, hair performance, calving ease or whatever and we will do our utmost to fix your outfit with the bull you need. Feel free to call any of the owners, the guys who bred them, fed them and stand behind them. If you feel more comfortable placing your bid with any of our sales staff, we have confidence in their integrity and overall appraisal.

## From the desk at T Bar...

Welcome to the 14th Annual Wilson Lees Added Value Bull Sale. Judged by independent comparison, this is the finest lineup of Hereford bulls offered. The facts are simple...at the 2017 Canadian Western Agribition, these four breeding operations dominated the Polled Hereford show. On the female side, they bred and/or exhibited three out of the four heifer calf divisional championships, the Senior and Reserve Senior Champions, the Junior and Grand Champion, along with the Reserve Junior and Reserve Grand Female. On the male side, three of the four divisional calf titles, the President's Classic Hereford Champion, Champion Breeders Herd, Junior Get of Sire, Senior Get of Sire, Premier Breeder and Premier Exhibitor were captured. Not bad for a day off the farm! Several of these champions are on offer along with brothers to the females!

The quality and genetic diversity of these breeding programs give anyone large or small, purebred or commercial an ideal opportunity to select a bull or bulls for their breeding needs. Each breeding unit is steeped in history, as all are multi-generational families who have been breeding, selecting and supplying seedstock for purebred breeders and ranchers for decades. The bulls come to you with high maternal values along with performance and calving convenience. Whether you are looking for a power bull to add pounds or a sleep easy bull for the replacement paddock, there is something for any type of breeding unit big or small and at various budgets...just come and explore.

More than ever, the "baldie" is required in the cow herds of North America. They offer identity, docility, fertility, hybrid vigor, hair, udder type and rustling ability, even when it's forty below. The easy method of making a "baldie" is with a quality Polled Hereford bull!

Feel free to stop by any of the farms prior to the sale to preview the bulls and see their mothers. Don't hesitate to give any of these four leading breeders a call, they will be pleased to give you suggestions as to which bulls would be suitable for your program.

If we, at T Bar C, may be of any assistance, prior to or sale day, do not hesitate to give myself or any of our professional team a call, as we can help you with your needs.

Chris

# Haroldson's Polled Herefords...

Leader ET 50E - Lot 1

This Leader son will catch the eye of many on sale day. He is massive middled with a lot of shape to his hip and stifle. He is as sound as they come and the kind you want more of. His mother is one of our lead donors and the mother of Renegade and Marvel 12B, who also have a lot of influence in this offering.

Probably the most meat and muscle of any of our bulls. He is soft made, with tremendous thickness and he will push the scale down. His dam, 11B was Kylee's Reserve Grand Champion Female at Bonanza in 2015.

This first crop of Rimrock sons and daughters is quite possibly the best sire group we have ever seen at BA. This guy is no exception. 297E is just an end of March bull but will weigh up with the February bulls. He would have been in the Agribition string if we had more time to get things done in the fall. You will find him on sale day, don't forget to be the final bidder!! Steven and Shawn Griffin, Osage, purchased his maternal brother last spring. Heifer Approved.

Six years ago we had the opportunity to purchase the bulk of the Charlton Farms herd and what a great investment that has been. That investment included three P606 daughters out of their great 20M donor. 18X has been Jeff's favorite since he picked them and for a good reason. 76E is one of the highest performing bulls in our offering. His extra length will add pounds to your calf crop and his daughters will be the kind to keep.

Some of you will remember Matt's bull from Agribition last fall. 2E comes out of one of the best cows at Charlton's. She raised twins last year, and Matt showed one at Beef-a-Rama where she was Reserve Champion Female. Harper, has enough performance to breed your cows and add pounds but has a very acceptable Birthweight and is heifer recommended, the opportunities are endless. Heifer Approved.

Likely Chris' favourite bull calf from day one. Many of you know his dam is a regular supplier of top females in our fall sale. Very nicely made. Clean fronted, just the right amount of bone, straight lines, smooth made. He has that characteristic herd bull head. He will work on cows and heifers. His sire, Mohican Stroker, is our calving ease sire and has been used on groups of replacement females. Heifer approved.

Very interesting set of genetics with this big guy. First off, he is an own P606 son, and we know that's a rarity in itself. Next is that he is out of one of Kurt's top McCoy cows; a solid, easy doing Ribeye. He is thick and wide topped with tons of shape. He is as good a horned bull as we think you could find. Lots of hair and a speckled face to boot. Get a look at that milk number!

## Terms & Conditions

**Terms:** The terms of the sale are cash or cheque, payable at par at the sale location. The right of property shall not pass until after settlement has been made; no invoicing on buyers in attendance, unless previous arrangements have been made. Every animal sells to the highest bidder and in cases of disputes, the auctioneer's decision will be final. Current exchange rates will be announced sale day. All monies are in Canadian funds.

**Bidding:** Each animal will sell to the highest bidder... no by-bidding will be permitted. Disputes - Bidding will be reopened between the parties involved in dispute. If no further bidding is made, the buyer will be the person from whom the auctioneer accepted the last bid. The auctioneer's decision on all disputes will be final.

**Announcements:** All announcements made from the auction block will take precedence over the printed matter in the catalogue. Buyers are therefore cautioned to pay close attention to such disclosures.

**Breeder's Guarantee:** Should any bull fourteen (14) months of age or over fail to prove a breeder after being used on females known to be breeders, the matter shall be reported in writing to the seller within six (6) months following the date of purchase or six (6) months after the bull has reached fourteen (14) months of age. The seller will have the right and privilege of six (6) months to prove the bull a breeder. No guarantee is given that semen collected from the bull will freeze.

**Exception Guarantee:** In cases where the animal is subjected to any hormonal or surgical reproduction techniques after the sale, this guarantee shall be null and void.

**Certificate of Registration:** Each animal will carry papers issued by the Canadian Hereford Association. A certificate of registry duly transferred will be furnished to the buyer for each animal after payment has been made.

**Health:** All animals in the sale have met all necessary health requirements.

**Liabilities:** All persons attend the sale at their own risk. The seller, facility owner and sale manager assume no liability, legal or otherwise, for any accidents that occur. It is understood that T Bar C Cattle Co. Ltd. is acting only as a medium between buyer and seller and is not responsible for any failure on the part of either party to live up to his obligations. Neither does T Bar C Cattle Co. Ltd. assume any financial obligations to collect or enforce collection of any monies between parties and any legal action that may in exceptional cases be taken must be between the buyer and the seller. T Bar C Cattle Co. Ltd. assumes no responsibility for any credit extended by the seller to the buyer. The buyer must look to the seller for fulfillment of all guarantees and representations made hereunder.

**Rights and Obligations:** The above terms and conditions of the sale shall constitute a contract between the buyer and seller and be equally binding to both. Resale of animals following purchase in this sale shall constitute a separate transaction and the rights and obligations of the two parties connected thereto are not covered by the terms and conditions of this sale.

**Phone, Mail, Wire Bids:** Bidders unable to attend the sale may phone, wire or mail their bids and instructions to the sale managers, auctioneer or special representatives. Bids must be received in sufficient time prior to the sale.

**Delivery:** We will assist in arranging transportation wherever possible. Each animal becomes the risk of the purchaser as soon as sold.

**Insurance:** Will be available sale day. We strongly recommend that insurance is purchased for full value.

**Errors:** All announcements at sale time, written or oral, supercede any written material in the catalogue.
