CMT Farms

Hello and welcome to our 2020 Annual Bull Sale. First and most important, we would like to thank our customers, bidders and buyers and anyone that has shown interest in our cattle in the past.

All our bulls are raised with commercial cattlemen in mind, as we are commercial cattlemen at heart. We calve out over 300 commercial cows and if bulls are not good enough for our cows, they don't come to town. Be it performance, maternal or calving ease, we feel we have a bull to fit all programs.

These bulls were weaned September 14. Creep feeder was out one month before weaning and a month after to help with pre and post weaning stress. Then put in a large pen and fed a TMR of silage, oats and a supplement. We guarantee our bulls 100% and if a problem arises, we want to be the first to know.

Videos will be available online at www.dlms.ca or www.buyagro.com. Feel free to come view our bulls or cows anytime before the sale.

From the Desk at T Bar...

Welcome to the 14th Annual Four Bar X and CMT Farms, Black Angus Bull Sale, April 6, 2020 at the Spiritwood Stockyards, Spiritwood, Saskatchewan. In it's fourteenth year, this sale has been a source for high quality Angus bulls...no-nonsense bulls that are bred to thrive and survive anything that mother nature supplies them with, while getting your cows bred.

Being a pasture manager, Kevin Anderson has seen what happens to unsound bulls in wooded northern pastures, so structure of foot and limb become an important selection tool. In addition, fertility is not ignored. The Four Bar X bulls, sired by many of the new leading artificial insemination sires are out of a cowherd where soundness and udder quality are basic without sacrificing performance. Because he lives it every day, Kevin knows what it takes to run cows in the bush bringing in fat calves in the fall. As we enter this new decade, Kevin and Becky offer this great group of uniform bulls full of performance, hair and testicle.

Chad and the gang from CMT are in the same parallel when it comes to livestock principals. Running a large commercial herd, Chad has experienced what his customers require and the fundamentals in the bulls he supplies; muscle, performance, hair with calving ease and including high maternal values with every bull that leaves the farm. Although both operations are similar in many respects, Chad is featuring ET brothers sired by Bar-E-L Natural Law and out of donor HF Rosebud 103Y. These exciting prospects are worth the trip alone...let alone the rest of their powerful pen.

Stop by their outfits for a preview and see the mothers as well. Don't hesitate to give Kevin or Chad a call so you can discuss their bulls and which bulls are suitable for your breeding pastures.

If we may be of assistance, prior to or sale day, feel free to contact any of the T Bar team or myself, we will help you in a professional manner.

Bar-E-L High Resolution is an ET bull we selected from Longshores that is out of one of their top donor cows, DBRL Bride 4W. She has many sons and daughters working in purebred herds. We used him on heifers and cows with good results. He sires calves that come easy with lots of style and shape. We lost him due to injury so this will be the only sons offered.

NOTES:

Terms & Conditions

TERMS: The terms of the sale are cash or cheque, payable at par at the sale location. The right of property shall not pass until after settlement has been made; no invoicing on buyers in attendance unless previous arrangements have been made. Each animal sells to the highest bidder and in cases of disputes, the auctioneer's decision will be final. Current exchange rates will be announced sale day. All monies are in Canadian funds.

CERTIFICATE OF REGISTRATION: Each animal will carry papers issued by the Canadian Angus unless otherwise specified. A certificate of registry duly transferred will be furnished to the buyer for each animal after payment has been made.

PEDIGREE ESTIMATES: Pedigree Estimates (PE) are created on the projected mating of the animal's sire and dam based on averages of the two, creating estimated values that do not hold the same accuracy of actual EPDs issued from the association and should be used as such.

HEALTH: All animals in the sale have met all necessary health requirements.

GUARANTEE: Each animal becomes the purchaser's risk immediately after the animal is sold. All animals in this sale will be sold under the terms and guarantees set forth by the Canadian Angus Association with regard to health, freedom from defects and from both reproductive and specific genetic unsoundness.

LIABILITIES: All persons attend the sale at their own risk. The seller, facility owner and sale manager assume no liability, legal or otherwise, for any accidents that occur. It is understood that T Bar C Cattle Co. (2013) Ltd. is acting only as a medium between buyer and seller and is not responsible for any obligations to collect or enforce collection of any monies between parties and any legal action that may, in extreme cases, be taken must be between buyer and seller. T Bar C Cattle Co. (2013) Ltd. assumes no responsibility of any credit extended by the seller to the buyer. The buyer must look to the seller for fulfillment of all guarantees and representations made hereunder.

PHONE, MAIL & WIRE BIDS: Bidders unable to attend the sale may phone, wire or mail their bids and instructions to the sale manager, auctioneer or special representatives. Bids must be received in sufficient time prior to the sale.

INSURANCE: We strongly recommend that insurance is purchased for full value.

ERRORS: All announcements at sale time, written or oral, supersede any written material in the catalogue.
