MOOSE CREEK RED ANGUS

Yearling Bull Sale

Welcome to our 26th Annual Red Angus Yearling Bull Sale.

First of all, we would like to thank the great cattlemen and women that have supported us through the first 25 successful sales. From blizzards to BSE to e-coli scares to venue changes to family emergencies, your unwavering support have not gone unnoticed. You are our motivation to improve, our humility to stay grounded and our strength when we need council and friendship.

I write this welcome on the heels of another tremendous 2-Year-Old Bull Sale. The market for responsibly developed, ranch raised, un-pampered seedstock has never been greater. By all accounts, we are at the bottom of the cattle cycle. This is the time to invest in maternal genetics that will enter the prime years of production at the peak of the market. Fertile, easy fleshing genetics will prove to be the catalyst for profits moving forward.

The bulls have been fed a modest, growing ration of high amounts of forage with plenty of room to exercise. In short, we are trying to develop a bull suitable for hard work in tough country that should come home looking like more than just a bag of antlers.

You will notice two changes this year, one is the **SALE DATE**, the other the **SALE START TIME**. This first change will not be long term; we felt that Easter Monday was too important to have a bull sale on. We thank our sale staff for the flexibility to make the change work in their hectic schedules. The second, sale start time may be more long term. A large portion of our customers from Manitoba have had to leave early to get home before dark as they are an hour ahead. Our hope is the earlier start will help with them getting home in time to check their calving groups before sunset.

As always, please jump in the car, bring your family and stay to enjoy a cold drink and a juicy steak on our behalf. It's our way of saying thank you.

DARREN IPPOLITO *for* **MOOSE CREEK RED ANGUS**

CONDITIONS & GUARANTEES: All entries sell with a responsible breeder's guarantee of satisfaction. In the unlikely event of any dispute whatsoever, regular terms & conditions shall apply in accordance with the Canadian Angus Association Code of Ethics.

ALL CATTLE ARE SOLD subject to tests as required for export under Regulations of the Health of Animals Branch, Department of Agriculture for Canada. Export health chart and brokerage charges are the responsibility of the purchaser.

TERMS OF PAYMENT: Cash or cheque payable to the clerk of sale on sale day. U.S. Funds will be accepted at the current Rate of Exchange on sale day.

INSURANCE: Ownership risk to purchaser commences when auctioneer's hammer falls. Full mortality insurance is available sale day. Cattle returning to Moose Creek Red Angus after the sale must be insured.

HOLDING & SHIPPING: Approximately one week is required for export transfers and other documents to be processed. Export animals will be held at the Sale location at no charge and under excellent care. Joint export shipping arrangements to obtain minimal shipping cost will gladly be made if instructions to that effect are provided to Clerk of Sale at time of settlements.

TRUCKING: Free delivery will be available for any bulls selling for \$3,500 or more. Bulls selling for less will be delivered at cost, except if multiple lots are purchased, delivery is free. Delivery will begin mid April, anyone requiring their bull for May turnout will have them delivered in April. Most deliveries will be to your yard, however some may be to central locations due to size and time. If the truck is headed past your yard, expect your bull to be on

it. Anyone taking advantage of the delivery option must insure their bull, no exceptions.

HAUL YOUR OWN: Bring your trailer sale day and receive a \$100 discount per bull.

OWNERS: Reserve the right to withhold from export shipment animals for whom Buyer or Buyer's agent have not made arrangements for payment in full, or other satisfactory arrangements, prior to time of export departure.

ALL PERSONS who attend the sale do so at their own risk, and the owners and sale staff assume no liability, legal or otherwise, for property loss or for any accidents that may occur.

VOLUME PURCHASES Any buyer purchasing three or more bulls of any breed will receive 5% off of the purchase price total. This can be used with the "haul your own" discount.

ONLINE BIDDING

Watch and bid online at DLMS.CA: Whitney Bosovich, 780-991-3025. Please register to bid before sale day. If you're planning to bid online, please feel free to contact sale staff or Darren as we are pleased to help select a bull(s) that will fit into your program. It is our utmost priority to ensure you secure the correct bull for the system and role you plan to use him in.

“Weaning weights are actuals taken the last week in September. The bulls were all younger than 205 days so their adjusted weights would be higher than their posted WW. However, we don’t sell on adjusted weights, actuals are what pays the bills.

So by definition, this mother cow has seen half of the breeders leave.... twice!

The reason she has endured isn't her show record, EPD profile or performance numbers; she has remained because she is fertile, sound, hardworking and maintenance free. Without special treatment, this is how she looked nursing her 13th calf and carrying her 14th. She would rather spend her time out grazing uninterrupted than come to the front of the ranch for photos or increased management. But the most important trait is that she can still produce. Her last son was a sale highlight commanding \$8000, in a bidding war between two ranches that know the value of longevity.

WELCOME TO MOOSE CREEK RED ANGUS

Welcome to Moose Creek Red Angus. Established in 1972, we are one of Canada's pioneer Red Angus breeders. Situated in the southeast corner of Saskatchewan, our cattle are raised on the native range south of the Moose Mountains.

Our program is committed to producing sound, fertile, easy keeping cattle designed for the commercial cowman.

Annually, we host an on-farm yearling bull sale mid-April, and sell replacement quality females from our large commercial herd each fall. In the past we have offered 2-Year Old Bulls for sale by private treaty at our Open House. New in 2016, we will have two sales at the ranch: 2-Year Olds will sell by auction at the ranch in February, and our popular Yearling Bull sale in April.
