Neilson Cattle Company

Welcome to our 2020 bull sale.

24/7/365 for 30 years of developing two year old bulls. That is what brings us to this year's sale and honestly, it is hard to believe. We started our two year old program because of what our customers asked for. Today the demand remains very much the same: give our customers a bull that will sire calves the market wants. This was the case in the 90's when we sold bulls at the Bagley Livestock Exchange in Bagley, Minnesota and those Charolais cross calves still top the North American market today.

The cattle business has changed a lot but we are thankful for the support we have received from many people along the way; our customers, fellow breeders, family and neighbours. Thanks to Erin, Rory, Stephen, Vicky and Allan for their help with the cattle and sale preparation. Thanks to Chris and the T Bar C crew for their guidance. Thank you Matt and Jay for tech support.

This is a great set of bulls. Call or stop by any time before the sale, whether you know of us and our program, or are just thinking about buying your first Charolais bull. We look forward to seeing you all.

On sale day, come early to view the bulls. Lunch is at noon and the bulls sell by video at 1:00 pm.

Remember to help a young rancher.

— Mike and Joanne Neilson

## From the desk at T Bar...

Welcome to Nelson Cattle Company's Annual Bull Sale, March 23rd, Willowbrook, Saskatchewan. Located on Highway 47 just south of Willowbrook.

Going into this new decade, Mike and Joanne celebrate their 30th Anniversary of selling high quality Charolais two-year-old bulls. Their successful breeding program is based on repeat customer requirements, the type and kind which they produce. It's very interesting when you reflect on the past, their repeat customers are big pasture breeding units, pastures that are rugged and require highly sound individuals to get all the cows bred.

Mike and Joanne are wonderful people, with a great customer care program...their aim is to get your cows bred and reward yourself with heavier calves at weaning.

The powerful set of twos get an honest chance to prove themselves in order to make the sale. Late spring and summer born, they are weaned and fed a carry-over ration in the winter, then grass raised throughout the summer and supplemented with a high roughage ration to get them in sale shape...they are not pampered.

For those who have been at an auction market or a sale barn lately, you know what a Char-cross calf is worth, I don't believe there are any discounts for heavy weight carcasses. Using a Charolais bull is a credit not a debit to your program... you will not get enough Charolais. Plan to be with us so you can help yourself to your next Charolais herd sire!

If we may be of assistance, prior to or sale day, feel free to contact any of the T Bar team or myself, we will help you in a professional manner.
