Welcome To The Sale

Welcome to this years Prairie Gold Limousin Bull Sale. This year marks the 34th Prairie Gold Sale. We would like to take this time to thank everyone who has supported the Prairie Gold sale in the past years. It takes a lot of good bulls from good breeders and support from the commercial bull buying industry for a sale to last over 30 years. So thank you for all the support and thank you for making the Prairie Gold sale the longest running Limousin bull sale in Canada.

As we head into another profitable year in the cattle industry keep in mind the crucial and direct impact your next bull purchase will have on your program. As you flip through this years catalogue, we feel all the bulls in this years sale will have a positive affect on your operation and the longevity of your cow herd. Please feel free to contact any of the consigners with any of your bull buying questions, we would be happy to help make your decision making easier, nobody knows our bulls better than we do. We thank you for taking the time to look through this years sale catalog and for giving us an opportunity to sell you your next herd sire.

Hope to see you Friday, March 27th for lunch and viewing of the bulls.

The first thing people ask when they come into the bull pen is "who is THAT bull??" and it is usually asked before I get the gate closed behind us. He is an extremely attractive, eye catching rascal with his dark cherry red hair coat and near perfect muscle pattern. His quiet disposition and light birth weight will make him a sure shot heifer bull.
