

 **STRONGBOW**
FARMS LTD.
3RD ANNUAL BULL SALE

Friday, March 27, 2020

AT THE FARM, HARTNEY, MB

Welcome to the 3rd Annual Strongbow Farms Bull Sale

With the very trying summer mother nature threw at us, we have been blessed with a very satisfying winter. We are proud to be offering up this great set of bulls this year with many progeny off of the last few years top seedstock sires around the world.

Our cattle herd has been making many changes and expansions over the last few years, taking our young herd into some of the country's top functioning, hardworking, mature female cows. Many of our cows are entering into the Elite and Premier Dam categories, producing top indexing progeny and continuing to stay functional in our breeding program year after year.

We would like to thank everyone involved in making these sales and our everyday lifestyle work. From sales staff at T Bar and family working each year's sales and prepping cattle, to neighbors and friends getting our children to some of the year's extracurricular activities like hockey and 4-H. Without any of these people in our program none of it would be possible.

I encourage anyone to come and look through our bulls at any time, as we know sale day can be a rush and getting a chance to associate with everyone is a challenge. Don't hesitate to call myself or Heather at any time - we are always looking forward to talking cattle with people!

Devon and Heather Bertholet

Directions

DIRECTIONS:

From Highway 83

Go 10 miles east on Grande Clairière Road (road 33). Turn south onto PR road 254, follow it 2.5 miles south to the farm on the east side of the road.

From Highway 21

Turn west and follow road 541 past Grande Clairière for 1.5 miles. Turn south for 3.5 miles to the farm on the east side of the road.

From Highway 2

Turn south on Grande Clairière (road number 144) road for 5 miles to the stop sign. Continue south over the intersection onto PR road 254. Follow the 254 for 1 mile south then 1 mile west to the stop sign. Turn south for 2.5 miles to the farm on the east side of the road.

From Highway 345

Turn north on PR road 254. Continue on road 254 following the signs for 5.5 miles to the farm on the east side of the road.

★ Signs will be posted on these major roads on sale day ★

From the desk at T Bar...

Welcome to the annual bull sale here at Strongbow Farms. This year the Bertholet family is putting forth their largest offering of quality Angus bulls. This ever-growing cow herd has become well known for quality backed by excellent customer service. This past December we witnessed excellent demand for the females Strongbow had on offer and these bulls will be no different.

Heading up this pen is a powerful set of SAV President sons that are stout from bottom to top. This sire group is ideal in birth weight and loaded with performance in a very ideal shape and form. Rainfall sons that are situated for the heifer pen are on offer, along with an excellent set of Angus Ranch bulls that meet all the credentials for your checklist when acquiring your new herd sire. The Stunner sire group offers some outcross genetics not to be passed, followed with various sires that round off this very good pen of bulls. When analyzing through this catalogue I can only suggest paying close attention to the tremendous weaning weights and EPD profiles these cattle carry. The effort and emphasis on strong maternal traits have been built into these cattle, which in turn will help your bottom line when selling offspring off the resulting bull purchases.

To finalize, we encourage you to appraise these bulls that the Strongbow operation has to offer. They have been very progressive in making and breeding a very uniform and sturdy cow herd. When touring through the mothers that back these bulls up, it is very impressive when looking at udders, feet and style. They have been bred for profit and predictably and we strongly endorse doing business with them. Any questions please call or text as we have been through the bulls and very familiar with the operation.

For Strongbow,

Ben Wright

Terms & Conditions...

TERMS:

The terms of the sale are cash or cheque, payable at par at the sale location. The right of property shall not pass until after settlement has been made; no invoicing on buyers in attendance unless previous arrangements have been made. Every animal sells to the highest bidder and in cases of disputes, the auctioneer's decision will be final. Announcements from the auction block will take precedence over the printed matter in the catalogue. Current exchange rates will be announced sale day. All monies are in Canadian funds.

CERTIFICATE OF REGISTRATION:

Each animal will carry papers issued by the Canadian Angus Association. A certificate of registry duly transferred will be furnished to the buyer for each animal after payment has been made.

PEDIGREE ESTIMATES:

Pedigree Estimates (PE) are created on the projected mating of the animal's sire and dam based on averages of the two, creating estimated values that do not hold the same accuracy of actual EPDs issued from the association and should be used as such.

HEALTH:

All animals in the sale have met all necessary health requirements.

LIABILITIES:

All persons attend the sale at their own risk. The seller, facility owner and sale manager assume no liability legal or otherwise, for any accidents that occur. It is understood that T Bar C Cattle Co. (2013) Ltd. is acting only as a medium between buyer and seller and is not responsible for any failure on the part of either party to live up to his obligations. Neither does T Bar C Cattle Co. (2013) Ltd. assume any financial obligations to collect or enforce collection of any monies between parties and any legal action that may in exceptional cases be taken must be between the buyer and the seller. T Bar C Cattle Co. (2013) Ltd. assumes no responsibility for any credit extended by the seller to the buyer. The buyer must look to the seller for fulfillment of all guarantees and representations made hereunder.

GUARANTEE:

Each animal becomes the purchaser's risk immediately after the animal is sold. All animals in this sale will be sold under the terms and guarantees set forth by the Canadian Angus Association with regard to health, freedom from defects and from both reproductive and specific genetic unsoundness.

PREGNANCY INFORMATION:

All serviceable age females have been pregnancy examined by an accredited veterinarian, giving an estimated length of gestation. This estimated gestation period shall be used only as a guideline to calving and is not a guarantee of actual service.

DELIVERY:

Assistance will be given in getting your purchases home. Each animal becomes the risk of the purchaser as soon as sold.

PHONE, MAIL, WIRE BIDS:

Bidders unable to attend the sale may phone, wire or mail their bids and instructions to the sale manager, auctioneer or special representatives. Bids must be received in sufficient time prior to the sale.

INSURANCE:

We strongly recommend that insurance is purchased for full value.

ERRORS:

All announcements at sale time, written or oral, supercede any written material in the catalogue.
