Welcome to Justamere's 21st Annual Bull Sale.

Welcome to the Justamere 21st Annual Bull Sale. These are tremendous times in the cattle business. Opportunity for solid profits is offered well into the future for the producer side of the spectrum especially. We at Justamere are very thankful to you our friends and customers for giving us two tremendous sales last year; both the bull and female sales in 2015 were record breakers for us and we are certainly appreciative of the confidence that was put in our program. We are busy continuing our tradition of calving ease with growth and carcass blended into a powerful made, sound footed individual that can also carry quiet dispositions and last for years to come. The bulls in this year's sale are certainly a remarkable set. We have several sons of Denver Champion, Sankeys Justified; National Champion, EXAR Fortify; AI Sensation, Mohnen South Dakota, Justamere Big Gun, Justamere Bada Bing, EXAR First Impression and EXAR Lutton 0409B. All of these bulls, with the exception of South Dakota, have walked our pastures at Justamere and we are extremely proud of this fact. If you investigate the genetics on offer in this year's sale and compare, you will find that not only do these bulls offer a certain outcross to 75% of the programs in Canada, but these bulls also surpass all breed averages across the nation. We at Justamere have spared no expense to improve our Angus program; therefore, hopefully passing proven genetics onto you, our valued customers across North America. The average birth weights on this set of bulls is 82 pounds; the BW EPD is +2.9. The average weaning weights are 770 pounds or +69 over their counterparts. Something for you all to keep in mind, as you are selecting your next herd sires in the making.

We are also committed to our customers by hosting commercial female sales in December at Heartland in Lloydminster and helping you market your calves to the best possible buyer. We work diligently to improve our relation with you and are happy to pass on our experience of being in this business for many decades. The bulls are semen tested, delivered for free and fully guaranteed. We want to stress we understand, with the cost of a great bull rising, there should be the guarantee that we will stand behind our product and that is exactly what we will do.

Shelly and I want to thank our much involved children; Tyra, Jon, Jim and Jorja. Jon has taken on a lot of responsibility and done a terrific job. Jim is a great help around the farm as well. We also want to thank Bryce Patterson and Drayce Robertson for their help throughout the winter.

Our consignors, Running Steady Ranch, Dean and Tanya Robertson and Family have brought a great set of bulls to the sale again this year and we appreciate their efforts. Still Meadows Farm has consigned a great two year old bull and a three year old herd sire, as well as a couple of yearlings. KLM Angus from Bashaw has a couple of yearlings as well. We also are again offering some special semen and embryo lots. New this year we are offering approximately 40 open commercial females from our customers.

Take advantage of the great times in the Angus business and come to the sale; we would love to have you. We will host a hospitality and viewing on Sunday, April 10 from 4 PM to 6 PM; as well as coffee and donuts, sale morning and a great lunch as always.

The videos of the bulls will again be online at DLMS.ca. If anyone of us at Justamere can help don't hesitate to call.

Thank you and see you at the sale.

Justified 807C

A tremendous high performance herdsire to start off as Lot 1 in our 21st Annual Bull Sale. He is sired by Justified, a bull that has made his mark on the breed since winning Denver for us in 2013. His sons and daughters have won shows and been sale toppers from coast to coast across Canada and the United States. This bull's mother is a superb daughter of Emblazon and traces back to the famous Evergreen cow family at Express Ranches. Very excellent set of EPDs as well as being a big thick chunk of a bull. Set your sights on this fella to make your mark in this breed.

Selling 2/3 interest and full possession.

Big Time 812C

This herd bull is aptly named Big Time. He has been a favorite of ours since early last spring. He should have a show halter on him with the potential he has. His mother traces back to the Peak Dot Barbara family. These Justifieds are long and deep, great footed, well balanced and posses high quality EPDs. He has the look and style for the show ring but will also sire high performing calves that come easy when they are born.

Terms to be announced.

All I can say is, I love it when a plan comes together. We used Mohnen South Dakota by AI and got five great bulls and two excellent females last year. The two females averaged \$12,000.00 last fall in our fall sale. This bull is worth a good look. He is extremely long bodied, wide across his top, very sound and agile; he also has a tremendous hair coat. We think he has unlimited potential as a herd sire. His mother is a successful show female out of another successful show female! Also, he was halter broke in two days and has a great temperament which is very important. Grab the chance to be in on the ground floor of a superior herdsire in the making. Excellent set of performance data.

Offering 1/2 interest with shared possession.

Here is a guaranteed calving ease sire with a superb EPD profile to back it up, as well as being a show bull next to his mother last fall where they won their class at the National Show. I couldn't make a better female than the mother to this young superstar. He is also halter broke and very quiet natured. His pedigree offers a superb outcross to many current programs. The guess work is done, now grab the opportunity.

Offering 2/3 interest with full possession.

DLMS.ca

For those of you that are looking for something extra special, this bull needs some close scrutiny. He has the look and hair of a club calf sire. Raymond Comet of C.E.G. totally loved this calf by Justified last summer and he has turned into a definite feature in this sale and any sale this spring. This bull's combination of raw power and perfect phenotype as well as a very well balanced EPD profile could put you in the driver's seat. Denver Champions on both sides of his pedigree. Grab a hold of the opportunity.

Selling 2/3 interest and full possession.

Okay, this is where the rubber meets the road. We hear all the time about Angus are great for calving ease but could have bigger weaning weights, if a 900 pound weaning weight isn't high enough for you, then this bull definitely isn't your kind. His mother is one of our very best. Proving that Angus can have it all, with calving ease, weaning performance, feed ability and a better carcass than any beast on the planet. Why not improve your herd; keep this bull's daughters and see what the Angus breed is all about. BW: 88 lbs. ADJ. WW: 800 lbs. SC: 37 cm.

Hailing from the great Carla cow family, this tremendous son of Denver Champion Justified puts it all together very well. 75 pounds at birth, 760 pounds at weaning. The look of a great herd sire with depth and length of body, big hiped and great haired. Use him with confidence on heifers or cows. Remember when cattle prices are this high, you can't afford to have open cows or below average bulls in your pastures. Only three to four good steer calves allow you to buy a top end bull this spring. Take advantage of the opportunity. BW: 75 lbs. ADJ. WW: 686 lbs. SC: 36 cm.

This awesome son of Justified is fast becoming a favourite here at Justamere. He just never stops impressing us. His mother is a tremendous daughter of TG Freedom and traces back to the Immortal Queen family of Early Sunset. Everything is absolutely correct on this awesome young stud. Buy him and get the neighbors talking.
 BW: 85 lbs. ADJ. WW: 734 lbs. SC: 36 cm.

There have been several thousand sons and daughters of EXAR Denver born all across the globe and his data gets better every report. This son of Denver is running away with WPDAs this spring over 5.50 lbs/day on a 60 day weighing period. Incredible carcass data, a perfect set of EPDs, this one should grab your attention.

One of my true favourite young bulls in the entire offering. This son of South Dakota is out of a sister to our 2009 Denver Reserve Champion Bull and Canadian Angus Show Bull of the Year, Justamere Panama Jack. He is a no nonsense type of herd sire, great birth weight of 88 pounds and a curve bending weaning weight of 763 adjusted. Totally love his type and kind.

One of our really top pedigreed bulls in this year's sale. He is sired by our EXAR Lutton 0409B herd sire that is sire of our \$150,000.00 sale topper last spring, Justamere Full Throttle 486A. His mother is a sister in blood to Denver Champion EXAR Winnie. This calf is a mid March and he made it into the top cut of bulls in this sale, pretty amazing by anyone's measurements. Grab your chance to make your herd move up to the big leagues.
Selling 2/3 interest and full possession.

Lutton 894C

BW: 78 lbs. ADJ. WW: 706 lbs. SC: 37 cm.

Baxter 895C

Exciting young herd sire that has powerful performance from this son of EXAR Lutton 0409. His EXAR Master sired dam has produced us a recent Agribition Champion in Justamere Mistress 420A, a high selling bull for \$21,000.00, Justamere Mastermind to KLM Angus last spring. This bull is the next one sure to make his mark. He also made it to the top pen as a mid March born calf last fall. Over 900 pounds adjusted weaning weight. Kick things up a notch and grab everyone's attention and get this bull bought on sale day.

Selling 2/3 interest and full possession.
 BW: 84 lbs. ADJ. WW: 814 lbs. SC: 36 cm.

The last son of our son Jonny's first and winningest show heifer, EXAR Miss Pat 83018. She won Jonney over \$26,000.00 in scholarship funds from Express Ranches, Mr. Bob Funk, second to none Junior Scholarship program. We added it up and she won 17 shows in three years, including all the jackpot and standard Canadian Angus shows; quite a female. This son of Big Gun will continue the winning tradition of his mother by siring you the best calves anyone can create. Use this big boy on your cows.

BW: 100 lbs. ACT. WW: 620 lbs. SC: 36 cm.

Another great son of Fully Loaded. His length and depth along with Angus character will make you look at him twice on sale day.
 BW: 85 lbs. ACT WW: 640 lbs. SC: 33 cm.

Cash In 461A

Our reigning Reserve National Champion Bull. We are truly in awe of this tremendous young herd sire. He is a son of EXAR Classen, a true breed changer in the ability to sire both sons and daughters that not only excel in the show ring but also in the production side of the business. Cash In is probably the stoutest, longest bodied, massive topped and hipped bull we have created in over a decade. He is truly sound and big footed. Both Running Steady and Justamere are extremely happy with calves on the ground this spring; a bit more excited to be kicking this great bull out to breed cows this year now that his very successful show career is behind him. We are offering 100 units of semen for public use in 2016 at this sale and this sale only. Grab your opportunity to create your next great one. **Semen will be selling in lots of 10 doses but selling by the dose.** Semen stored at Alta Genetics.

Bada Bing 406S

This tremendous herd sire has never stopped producing the very best in both bulls and females. His Champion list and high seller list across North America is impressive as any bull of his era. He makes them extremely thick and very powerful, but calves easy and his daughters are truly remarkable females. Semen is in limited supply both in Canada and the United States; however, we do have both available. **We are offering 20 doses on this great bull at the sale.** Semen in storage at Alta Genetics

summer and fall...

Notes...

Terms & Conditions...

Cattle Inspection: All carry permanent identity tags, corresponding to Sale Lot Numbers. All shall be available for inspection prior to sale.

All Cattle Are Sold: Subject to such tests as required for export under regulations of the Health of Animals Branch, Department of Agriculture for Canada - those corresponding to Bureau of Animal Industry requirements.

Breeding Guarantee: All cattle are sound and right, and all with a responsible breeder guarantee of satisfaction. In the event of any unlikely dispute, the regular terms and conditions, standard with the Canadian Aberdeen Angus Association shall apply.

Announcements: Errors discovered in the catalogue will be corrected by announcements from the auction stand at sale time and such corrections will take precedence over the printed matter in the catalogue.

Genetics Testing: All cattle in the 2016 Bull Sale are Anthrogyrosis Multiplex Free (AMF) and (NHF) Neurotoxic Hydrocephalus Free or listed as No Carrier Ancestry.

Holding and Shipments: Approximately one week is required for export transfers and other documents to be processed. Export animals will be held at no charge and under excellent care. Joint export shipping arrangements to attain minimum shipping cost will gladly be made by the sale management if instructions to that effect are provided to clerk of the sale when settlement is made.

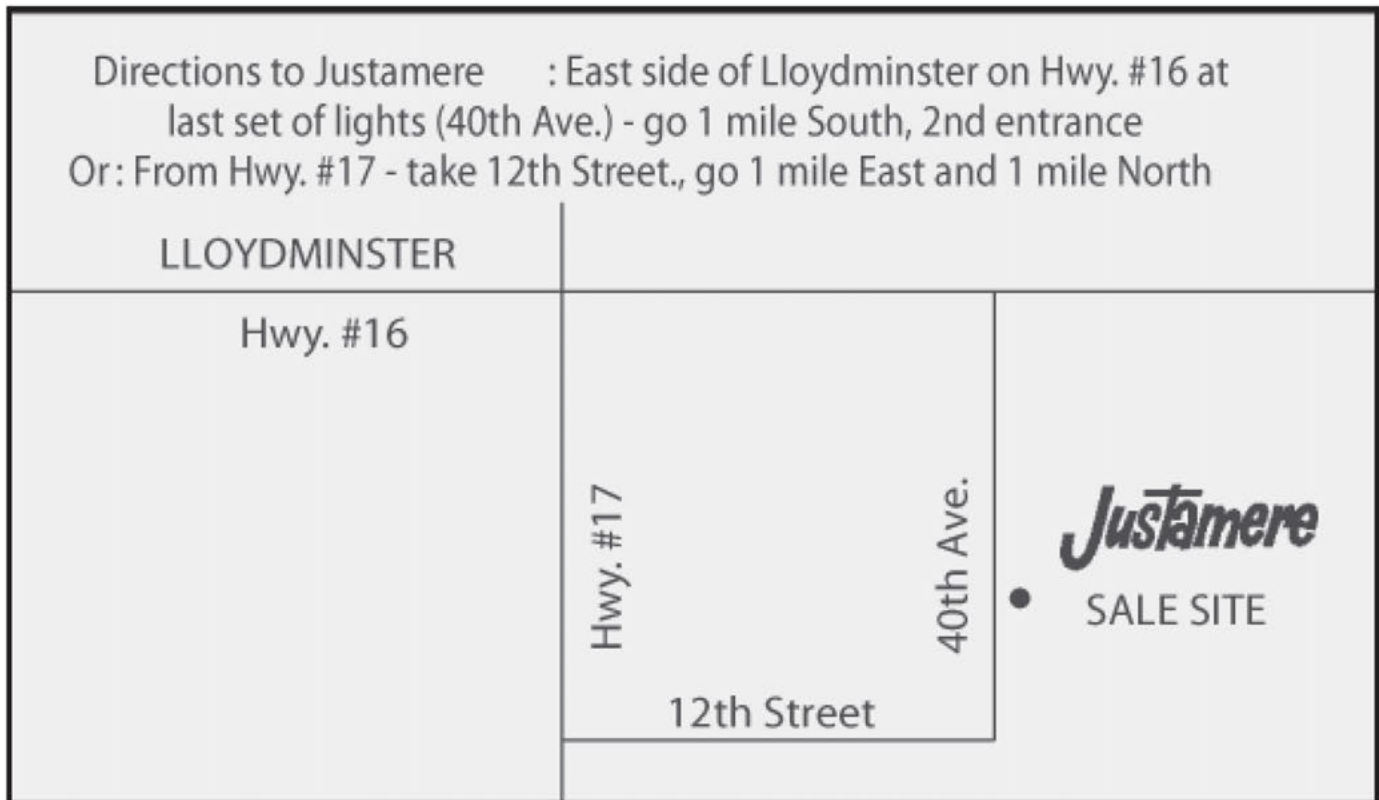

Mail Bids: May be entrusted in complete confidence to any of the Sale Staff listed or to Justamere Farms Ltd.

Insurance: Ownership risk to purchaser commences when the Auctioneer's hammer falls. Livestock coverage will be available at the clerk's desk from the appointed representatives on sale day, also from the sale management at any time.

Terms Of Sale: Are cash or cheque at par, payable to Clerks of the Sale on Sale Day. U.S. Funds will be accepted at the current rate of exchange. No release will be given until satisfactory settlement has been made. We reserve the right to withhold animals from export shipment for whom payments have not been received prior to departure times.

Every Animal sells to the highest bidder and in cases of disputes, the auctioneer's decision will be final.

All Persons who attend the Sale do so at their own risk, and the Owners, Consignors, Sale Management and Sale Staff assume no liability, legal or otherwise, for property loss or for any accidents that may occur.
