It seems like the 13th sale was yesterday and here we are at 14 already. With the driest year I can remember I think the cattle proved who could hack it and who couldn't in the dry pastures. We were lucky to be able to graze second growth canola at least to help. That being said we will board bulls at zero charge until needed to help with any feed concerns. We are proud of the bulls we have raised as our customers generally say they age phenomenally and the longevity is to be

admired. Our biggest base are return customers and great have support from neighbors and friends. With so many choices we do appreciate each decision to have faith in our program old and new. Thank you again to our great sale partners and sales group. Feel free to come tour anytime and or see the bulls a few days before the sale at SLS. Financing is available upon request. Nice to say come for lunch before the sale as the sale is once again LIVE!!!! Any questions feel free to call me or any sales staff. Online bidding is also available on dlms. Good luck calving, hope to see you on the 26th!!

Welcome to the 14th edition of the Impact Bull Sale! 2021 was truly a year that the majority of us I am sure is glad that it is over! Pretty well every Farm/Ranch from late July had some sort of major struggles. Whether it was hauling water because the dugouts went dry in late July, to having to buy feed for the cattle or doing some culling to get through the winter, old mother nature was definitely testing us.

This year we have a few new herd sires represented, Merit Sting 7047E, Easton Dale Sting 64'19, Young Dale Goal Line 57G, Baldridge 38 special, HA Cowboy up 5405 and Valley Blossom Blaster, as well with some herd sires from the past; including Peak Dot Tour of Duty20C and Peak Dot Herdbook 301F.

The bull calves were weaned at the start of October with some nice weights. Since then, the bulls have been fed green-feed, oat bales and 15lbs of a pellet ration per day. Due to the drought, there was no silage available for these guys. No matter what type of bull you are looking for there will be one here to suit your needs. There is a great selection of calving ease bulls, power bulls and damn-good all round bulls for sale on March 26th, 2022.

Thank you to our customers from the past years that have put their faith in our breeding program to help improve their own program. Please feel free to stop by the farm anytime for a look and a visit. If you don't have time to stop by, please feel free to call me or one of the sale staff to help with your bull needs. Weights, scrotal size, and the bulls themselves will be available for viewing at SLS a few days before the sale.

Thanks again for showing interest in our program!

Welcome to the 14th Annual Impact Bull Sale. 2021 was another trying summer in agriculture in this part of the world with some of the driest conditions we have ever seen. Calves here weaned off the cow lighter but we managed to get the cows through the summer and round up enough feed to get them through the winter.

November came and our show at Agribition brightened our spirits quiet a bit. MVY Backdraft 35J was selected Presidents Classic Charolais Champion and then a few days later was judged by over 55 of our fellow breeders to be the \$50,000. Players Club Champion Bull. What made it even more special for us was him being sired by our own home raised genetics.

Our 2022 line up of bulls are a very good group for you to select from. They are available anytime for viewing at the farm and we would love to have you stop in to check them out. Bulls will be videoed and they will be posted mid march for viewing also.

If you can't make it to the sale give us or any of the sale staff a call and we can give you our recommendations on the bulls that will fit your program and needs. The DLMS crew will be there sale day to handle your bids if you choose.

Hope to see you sale day!

Mike

From The Desk At T Bar C...

Welcome to the fourteenth Annual Impact Angus and Charolais Bull Sale, Saturday, March 26, 2022, at Saskatoon Livestock Sales, Saskatoon, Saskatchewan. This annual event has given breeders and ranchers alike an opportunity to select Charolais, Red and Black Angus all in one day to round out their herd bull requirements. The breeds represented here are most popular in the pasture, in the feedlot and in the packing house offering calving and maternal values from the Angus and performance and pounds at weaning from the Charolais.

The Charolais division is represented by the McAvoy family. Their lineup is headlined by sons of SVY Bojangles and SVY Fortress. Many of us remember the success of the McAvoy program at the Fiftieth Agribition last fall where they captured Champion Charolais Bull in the President's Classic event and also were voted Champion Players Club Futurity Bull Calf.

The Angus component to Impact is provided by Triple L Angus, Randy, Kim and family, with Red and Black bulls and Jason and Shauna, J&S Cattle with Black yearling bulls. These Angus bulls offer calving ease, hair and are strong in maternal traits. As we stock our ebbing National cow herd, replacement females shall become dear to acquire and are valuable assets. Remember that the Angus cow is "Queen of the Pasture."

The genetics and diversity of these programs offer a "one stop" sire selection opportunity... with bulls for all types of operations and all types of budgets. Feel free to stop by any of their farms prior to the sale and preview their offering. Don't hesitate to give any of these producers a call to discuss their bulls and your requirements.

Plan to be with us the last Saturday in March to add Impact sires to your breeding intentions, whether it be in person, online or on the phone. We have graded the offering, so feel free to give any of the T Bar C team a call and we will be pleased to assist you in a professional confidential manner with your selections.

Triple L Angus, J&S Cattle and McAvoy Charolais would like to keep 1/3 semen interest in all bulls, collection at owner's convenience and our expense.

BULLS WILL SELL BY LIVE AUCTION. THE BULLS WILL BE AVAILABLE FOR VIEWING AT SLS ON MARCH 24. VIDEOS OF THE OFFERING WILL BE AVAILABLE TWO WEEKS PRIOR TO THE SALE.

COWMAN FORMULA

Increase in pounds per calf from a top performance bull
X number of cows bred to him per year
X number of years to keep the bull
X expected selling price of calves
= Additional dollars you can pay for a better bull

Example: A bull who will add 30 lbs. to the weaning weight of each of his calves, mated to 25 cows per year for 4 years, and you sell his calves for \$1.00 per pound. 30 lbs x 25 cows = 750 x 4 years = 3000 x \$1.00/lbs. = \$3,000.00 This bull is worth \$3,000.00 more than the average bull who will keep your weaning weights the same. Take this formula and put your own figures in and see what you can afford to pay. This equation does not take into consideration the increase in value due to calving ease, higher quality replacement heifers, yearling growth, feedlot gain and improved carcass quality.

Another shared bull calf with Wrights. The dam of this bull goes back to Connors old "Rev" 4H project which Wrights bought a half share of at Red Roundup. This girl had a great show career and then produced a Reserve Grand bull for us at Agribition. Her record led her to the donor pen. We are using a son co-owned with Piro Red Angus and Wrights are also using a son. All daughters have been retained. His sire Renown is a very popular AI sire with tremendous calves. Add the 80 lb birthweight and you have a calving ease bull with a ton of growth and a cow family second to none.

Crazy Train was an embryo calf out of Ruger and elite Dam Sassy Syringa. We kept a half share in him selling the other half to J BAR D. We just used him a bit last year and after the results like 10J here we will be offering quite a few more next year. Easy calving, dark red, stylish and good growth. The dam was included in an impressive group purchased from Mike Howe.

A calving ease specialist out of the famous many times champion Bar E l Erica cow that has been producing high sellers at many sales. Cross that with the S A V National Anthem bull you have something special here. Full siblings have topped sales and I was lucky enough to get this guy bought from Maguire Blair of Blairswest.

64'19 is a bull we were impressed with since the first time we saw him. He carries much body depth and offers as much base width as any sire we have ever used. He stands on four, big, solid, stout legs and has excellent feet. He has sired an excellent group of thick husky bulls, and with having a Forever Lady as your dam how can you go wrong!

Tour of Duty 20C was one of the top selling bulls in the 2016 Peakdot Bull Sale. Tour of Duty 20C is exceeding our expectations as a herd bull. He adds a little frame, extra length of body, big scrotal, and lots of muscle expression while still maintaining a moderate birth weight. These Tour of Duty sons could be used on cows or bigger heifers.

Goal Line 57G is a moderate framed bull with a great look to him! He moves very well and is a breeding machine. Goal Line 57G is a long nicely headed bull with a smooth shoulder. I really like the length of spine and his quiet disposition. All the Goal Line bull calves could be used on heifers.

TERMS AND CONDITIONS

Terms:

The terms of the sale are cash or cheque, payable at par at the sale location. The right of property shall not pass until after settlement has been made; no invoicing on buyers in attendance unless previous arrangements have been made. Every animal sells to the highest bidder and in cases of disputes the auctioneer's decision will be final. Announcements from the auction block will take precedence over the printed matter in the catalogue. Current exchange rates will be announced sale day. All monies are in Canadian funds.

Certificate of Registration:

Each animal will carry papers issued by the Canadian Angus Association or Canadian Charolais Association, unless otherwise specified. A certificate of registry duly transferred will be furnished to the buyer for each animal after payment has been made.

Pedigree Estimates

Pedigree Estimates (PE) are created on the projected mating of the animal's sire and dam based on averages of the two, creating estimated values that do not hold the same accuracy of actual EPDs issued from the association and should be used as such.

Health:

All animals in the sale have met all necessary health requirements.

Liabilities:

All persons attend the sale at their own risk. the sellers, facility owner, auctioneer and sale manager assume no liability, legal or otherwise, for any accidents that occur. It is understood that T Bar C Cattle Co. (2013) Ltd. is acting only as a medium between buyer and seller and is not responsible for any failure on the part of either party to live up to his obligations. Neither

does T Bar C Cattle Co. (2013) Ltd. assume any financial obligations to collect or enforce collection of any monies between parties and any legal action that may, in exceptional cases, be taken must be between the buyer and seller. T Bar C Cattle Co. (2013) Ltd. assumes no responsibility for any credit extended by the seller to the buyer. The buyer must look to the seller for fulfillment of all guarantees and representations made hereunder.

Guarantee:

Each animal becomes the purchaser's risk immediately after the animal has been sold. All animals in this sale will be sold under the terms and guarantees set forth by the Canadian Angus and Canadian charolais Associations with regard to health, freedom from defects and from both reproductive and specific genetic unsoundness.

Delivery:

Every assistance will be given in getting your purchases home. Each animal becomes the risk of the purchaser as soon as sold.

Phone,Mail &Wire Bids:

Bidders unable to attend the sale may phone, wire or mail their bids and instructions to the sale manager, auctioneer or special representatives. Bids must be received in sufficient time prior to the sale.

Insurance:

Agents will be in attendance to insure your purchases. We strongly recommend that insurance is purchased for full value.

Errors:

All announcements at sale time, written or oral, supercede any written material in the catalogue.
