

18TH ANNUAL **BULL SALE**

FRIDAY, FEBRUARY 24, 2023 • 1:00 PM
AT THE FARM • INNISFAIL, ALBERTA

WELCOME

Well, another year under our belts, and again it's been a trying year for almost everyone with the lack of moisture. We hope you all have been able to secure the feed and retain your cowherd. This year will be better!

The bull pen is looking great. The profile pictures on these bulls do not do them justice. They have thickness and depth in the quarter. Over the last few years, we have concentrated on calving ease and polling in our herd sires without giving up performance. This pen reflects our plan. There are bulls that will do well in your heifer pen and bulls that will do best with cows. Ones that will be best for maternal strengths for retention and those for terminal use for selling. Please contact us if you require assistance for your best choices on your best needs. Better yet come by and check out the pen before sale day. They change drastically (for the better) the last month before the sale. Coffee will be waiting for you and if calving hasn't been too hectic, a homemade treat.

We managed to prolong weaning to September this year, even though pasture were not premium. The calves had no creep. The numbers you see is what they and their dam could do on their own. The TRM ration is formulated with tested feeds to produce 3lb/day gain using the established standards. This pen's average is 3.43lb/day.

Last years' sale was a success thanks to all the visitors, bidders, and buyers. Your support was appreciated and we look forward to seeing you all again this year. Same place. Same Time. So please join us for lunch!

FROM THE DESK AT T BAR...

Welcome to the HEJ Charolais 18th Annual Bull Sale, Friday February 24, 2023, at the ranch just out of Innisfail, Alberta. Each year on the last Friday in February, the Rasmussen Family offer a powerful and diverse lineup of white, red/tan, and black Charolais yearling bulls to add pounds and profit to the calf crop and breeding program.

The HEJ program is unique, although they dabble with A.I., it is their large herd bull battery that is the meat of their program. Henrik wants his bulls with power, performance, and with the ability to convert milk, grass, and grain to pounds of pay weight. Many of their herd bulls are out-cross genetics to the rank and file in the breed. They were selected or bred for required traits to move their program forward and pass on those values to their many repeat customers who have used HEJ sires in their programs.

What a solid lineup.... Precision offers power and performance with optimal birth weights... Hard Core offers proven calving ease and low birth values... Golden Boy is proven through production and as his name suggests, can give you some color.... Everglade is a Duty-Free son and a power bull for the cows... Garrison adds length and frame and will give you some color... Gillette is the athlete with style, fertility and can cover plenty of ground.... Authority represents the A.I. progeny. Every sire has the required temperament factor, the folks at HEJ believe this is an important trait.

Plan to be with us at HEJ for their 18th annual event.... where quality, profitability and affordability all go hand in hand. We urge you to stop by the ranch and preview the bulls any time prior the sale... have a look at their mothers and sires. They are conveniently located just minutes southeast of Innisfail off Highway 2. Feel free to give Henrik, Jeralyn or Marina a call to discuss the bulls and those that will fit your breeding requirements.

If we may be of assistance, prior to or sale day, feel free to contact any of the T Bar Team or myself, we will help you in a professional manner.

**Bull videos will be available online
after the first week of February.**

Sale Management:

Box 2330
Warman, SK S0K 4S0

Ph: 306-933-4200 Fax: 306-934-0744
info@tbarc.com www.buyagro.com

Insurance:

Will be available sale day.

Bid Online With:

Lunch:

Lunch will be served at 11:30AM

Delivery:

Free delivery up to 300 kms. Beyond 300 kms will be at cost.

All bulls are guaranteed to have passed a semen test. All bulls will also be getting first shot of fusoguard at semen check before delivery.

Board:

We will be happy to provide free board until March 30, 2023. After April 1, we will keep them at \$3.00 per day.

Bulls picked up on sale day or within 7 days of sale will be rebated \$100.00. All bulls staying at the farm after sale day must be insured

Right to Semen:

HEJ Charolais retains the option to collect semen on any bull sold in the sale at a future date for their in-herd use only. This would be at the seller's expense and the owner's convenience.

Precision, aka T-Bone, is a JSR Estrada son we purchased from Charmaine in December 2020. He is a performance bull with EPDs that are 2nd to none in weaning, yearling and milk. He has good, big sturdy feet and legs. He is a long bull and we look forward to seeing what his offspring will produce.

A deep thick long soggy boy! Cutting Edge is one of the top bulls in the pen. If time had been more on our side this fall, he would have been on the show road. 60 for wean, 113 yearling and 27 for milk, with numbers like that you can look past his 108lb birth weight. His dam is a big deep tan ledger cow, and at 8 years old she still has a near perfect udder. Cutting Edge is sure to make a good mark on your herd.

Hard Core, a.k.a. Fonzie, is a Paternal brother to Turnbull's Duty Free, a much sought-after bull for the excellent progeny he leaves behind. This fellow is living up to those same qualities. He is an easy calving bull, being successfully used on commercial red angus heifers. The growth and style he puts into his calves is just what we'd hoped for. Check this group of bulls to use in your heifer pen.

80 lbs.	876 lbs.	802	3.18	3.48	1228 lbs.	1296	3.09	3.36

80lb from a Sweet Rushmore heifer, a combination that produced an eye catcher from birth. As quiet a disposition as you can find. In the top 1% for birth weight and 3% for calving ease he is a top notch bull to use on heifers. If you're looking to keep replacements, his dam is a great uddered female and he is in the top 2% for milk. A sound all around great bull to use on all types of females.

We always admired the thickness the Gillette bull put in his calves, but the last couple of years we are also admiring the quality of females he sired. Good structure, good udder and milk. Combined with the easy calving and depth and thickness of Fonzie, this really is a solid cross.

Golden Boy is a soggy meat machine. When we purchase a bull, a quiet disposition is a must, Golden Boy is top notch there, passing it on to his progeny. Although purchased for his ability to use on heifers, he has turned out to be more of a cow bull. He is a paternal ½ brother to RGP Everglade. Both going back to the same paternal grandsire as 'Fonzie's' sire.

He is as thick and soggy as his picture looks! He is as gentle as they come. His maternal grandsire was a double bred Round Up son that put a lot of thickness and hair into his calves. This guy's calves are sure to put a little extra gold in your pocket on sale day.

A little higher birthweight on this guy, but he is the dam's 6th calf. We expect a little more from that age of cow. He has done over 3lb/day gain since birth, which is the average of our pen. A very useable bull.

Gillette has been an awesome find. He is well muscled and stamps his progeny with it! He was given the task last year of catching up the late calvers. He succeeded, maybe a little too well! He is fertile and agile. He is docile and easily handled, something Dogpatch puts an emphasis on too, and we can see it passed on to his progeny.

LOT 49 **HEJ KARL 77K**

108 lbs.	877 lbs.	785	3.30	3.76	1275 lbs.	1343	3.94	3.67

This is a cow bull. He is the 6th calf for his dam and certainly no problem with the birthweight on a larger framed female. Her length and stature along with Gillette's thickness gives this guy a lot of power. The ration for these bulls is set for a 3lb/day gain according to industry charts. Karl has gained almost 4. Efficient gainer.

If you have been scouring the catalogue for the highest gainer, you've now found him! Pretty spiffy looking, isn't he? Nice square hip and carries his thickness smoothly down the back and into the quarters. A typical look for the Gillette on a Rushmore dam. The females from that cross are just as awesome looking with great udders and milk, producing some of the best calves. If you're looking to keep females, Karsen is your guy. If you're looking for performance, Karsen is your guy.

105 lbs.	711 lbs.	726	3.03	3.56	1030 lbs.	1174	2.80	3.28

A little smaller lighter boned bull while still maintaining adequate muscle. He is the 7th calf from this dam, so his birthweight is actually pretty low.

Rather impressed with this young bull. Being born on March 11th, he was too young for the CCA program to adjust his weights, so we did a rough calculation. He will grow up to be a big boy. He already shows masculinity and great muscle expression in that all important money triangle. Her last year's calf is at Brayshar Charolais and doing an awesome job for Brad and Sharaya Quinton.

Larger framed bull carrying lots of muscling. His dam has a long body and muscling along with femininity. Klondike is her 5th calf and certainly calved with no difficulties. The big square hip and wide top will give his calves pounds at auction. While definitely not a hard calving bull, he is a cow bull.

Nice hip, quarter and top thickness on this black charolais bull. He patterns very closely to his sire. The first ¼ black charolais was born on our farm 25 years ago. Mostly through our own breeding to maintain the colour, it is nice to see the performance of Kayne is above average. You can have Charolais proven performance and colour. You will be hard pressed to find a better-quality black Charolais bull.

KNIGHTHAWK

TERMS & CONDITIONS

Terms:

The terms of the sale are cash or cheque, payable at par at the sale location. The right of property shall not pass until after settlement has been made; no invoicing on buyers in attendance, unless previous arrangements have been made. Every animal sells to the highest bidder and in cases of disputes, the auctioneer's decision will be final. Current exchange rates will be announced sale day. All monies are in Canadian funds.

Bidding:

Each animal will sell to the highest bidder... no by-bidding will be permitted. Disputes - Bidding will be reopened between the parties involved in dispute. If no further bidding is made, the buyer will be the person from whom the auctioneer accepted the last bid. The auctioneer's decision on all disputes will be final.

Announcements:

All announcements made from the auction block will take precedence over the printed matter in the catalogue. Buyers are therefore cautioned to pay close attention to such disclosures.

Breeder's Guarantee:

Should any bull fourteen (14) months of age or over fail to prove a breeder after being used on females known to be breeders, the matter shall be reported in writing to the seller within six (6) months following the date of purchase or six (6) months after the bull has reached fourteen (14) months of age. The seller will have the right and privilege of six (6) months to prove the bull a breeder. No guarantee is given that semen collected from the bull will freeze.

Exception Guarantee:

In cases where the animal is subjected to any hormonal or surgical reproduction techniques after the sale, this guarantee shall be null and void.

Certificate of Registration:

Each animal will carry papers issued by the Canadian Charolais Association. A certificate of registry duly transferred will be furnished to the buyer for each animal after payment has been made.

Pedigree Estimates

Pedigree Estimates (PE) are created on the projected mating of the animal's sire and dam based on averages of the two, creating estimated values that do not hold the same accuracy of actual EPDs issued from the association and should be used as such.

Liabilities:

All persons attend the sale at their own risk. The seller, facility owner and sale manager assume no liability, legal or otherwise, for any accidents that occur. It is understood that T Bar C Cattle Co. (2013) Ltd. is acting only as a medium between buyer and seller and is not responsible for any failure on the part of either party to live up to his obligations. Neither does T Bar C Cattle Co. (2013) Ltd. assume any financial obligations to collect or enforce collection of any monies between parties and any legal action that may in exceptional cases be taken must be between the buyer and the seller. T Bar C Cattle Co. (2013) Ltd. assumes no responsibility for any credit extended by the seller to the buyer. The buyer must look to the seller for

fulfillment of all guarantees and representations made hereunder.

Rights and Obligations:

The above terms and conditions of the sale shall constitute a contract between the buyer and seller and be equally binding to both. Resale of animals following purchase in this sale shall constitute a separate transaction and the rights and obligations of the two parties connected thereto are not covered by the terms and conditions of this sale.

Phone, Mail, Wire Bids:

Bidders unable to attend the sale may phone, wire or mail their bids and instructions to the sale managers, auctioneer or special representatives. Bids must be received in sufficient time prior to the sale.

Delivery:

We will assist in arranging transportation wherever possible. Each animal becomes the risk of the purchaser as soon as sold.

Insurance:

Will be available sale day. We strongly recommend that insurance is purchased for full value.

Errors:

All announcements at sale time, written or oral, supersede any written material in the catalogue.
