@LeadingEdgeSpecklePark

Finance Program

The Leading Edge Group wish to announce the extension of our Finance Program for 2023. As progressive breeders we believe it is our responsibility to do what we can to help others reach their goals. We are offering short term (12 month), no interest loans to Leading Edge buyers with 25% down. Commodities such as quality hay, green feed, feed grains etc., can be accepted as payment. Please understand sales group approval is required prior to purchase. Contact Rob at robh@maxies.ca for a simple, no nonsense Leading Edge Breeder's Finance Program application. International buyers are welcome to take advantage of this great opportunity as well!

WELCOME

We're excited to announce The Leading Edge has found a new home. We are so grateful that Harv & Fran have opened their home to us and offering to be the permanent hosts of our sale. Highmark hospitality is second to none so come and experience their genuine warmth and generosity. The Leading Edge Group welcomes our good friend and one of this country's very best auctioneers to swing the gavel at our 2023 bull & female sale. We are thrilled to have Mr. Ryan Hurlburt on the block for us. There is some very fine stock on offer this year with some new lines and unique opportunities. Welcome everyone - rest assured, you will not be disappointed.

The Leading Edge Group

FROM THE DESK AT T BAR C

Welcome to the Annual Leading Edge Speckle Park Sale on Saturday, April 15, 2023 at 5:30 hosted by Highmark Stock Farms, Hague, Saskatchewan. In addition to the folks at Highmark, INC Cattle Company, Pura Vida Acres, and Green Hills Livestock come together to present an exciting lineup of bulls, yearlings and two's, a great group of females, with futuristic frozen genetics.

The bulls come to you with shape and style, lots of needed hair, calving ease and high maternal traits. The age-advantage bulls will cover more ground, bigger cows and are suitable for all types of terrain.

The genetic diversity offers many opportunities for all types of breeding programs... bulls with earning power.

The females selling are foundation material carrying proven genetics. We all know the cattle market is strong and gaining momentum weekly... these fancy females will be an asset to any program while the frozen genetics will add high standard quality to your program.

Stop by any of the farms prior the sale for a preview and see the mothers or give any of these leading seedstock producers a call to discuss their sale slate and those that will fit your breeding intentions.

If we may be of assistance prior to, or sale day, feel free to contact any of the T Bar Team or myself, we will help you in a professional manner.

Chris Poley

Buyers Incentive

The Leading Edge Group wish to offer an additional Buyer's Incentive for 2023. If you take home your purchase on the weekend of the sale directly from Highmark Stock Farms, our group will provide a \$250.00 sale credit to the purchaser. In the event you are unable to arrange pick up immediately post sale, consignors will care for your animals free of charge till May 1st, 2023. Animals requiring feeding & care after this date will be subject to a \$10 a day fee. Please understand your stock must be insured during this time and it is the buyer's responsibility & at the purchaser's expense to arrange for pick up.

ATTENTION INTERNATIONAL BUYERS:

We understand the complications that come with owning animals that are purchased in foreign countries. To help eliminate some of these difficulties we are offering all International buyers 1 year of free board for the feed and care on any animal purchased in the 2023 Leading Edge Sale. In addition, we will work closely with you to help arrange semen or embryo collection for the animal(s) you purchase that need to stay in Canada. We have been proud of the International friendships and collaborations we have established in the past and we welcome new international friends in the future.

Rob & Janice Harasymchuk
INC Cattle Company

WELCOME TO THE 2023 LEADING EDGE SALE!

Janice & I believe in this breed and what it can do for the commercial beef industry. The hybrid calf vigour is unparalleled and our female longevity is unrivalled. It's no secret - more live calves and longer producing females put more dollars in your pocket. However, none of these claims mean anything if we aren't willing to stand behind them. This is our promise to all commercial producers who buy an INC bull at our 2023 sale; INC Cattle Company will buy your calves at fair market value in the fall. No middle man commission and no unfair & unjustifiable coat colour discount some have experienced in the past. Wanting to try a Speckle Park bull for the first time or a repeat buyer, INC takes the risk out your sales program. 2023 marks the first time INC Cattle Company is offering live Outback genetics since acquiring Wayne & Linda Meakin's herd. We are still astounded at how very good these Outback animals truly are.

Black, beautiful and oh so put together. Kingpin rises to the top in any breed. Put him to work this summer, then come fall time, slip his halter back on and dominate the 2023 show season. Tremendous value-added opportunity here.

"A bull will contribute more to the genetics of your herd after a single breeding season than a cow will contribute over her entire lifespan".

Harv & Fran Fehr
Highmark Stock Farm

WELCOME TO THE 2023 LEADING EDGE SALE!

HIGHMARK

STOCK FARM

Welcome to the 5th Annual Leading Edge Sale!

We are so thankful for our wonderful sales group, each one bringing their best offerings to you once again.

Thank you to past bidders and buyers for your support and belief in our breeding program.

Highmark is committed to building long lasting trust with our buyers, so this year for the first time, like our partners at INC, we are offering to buy back any calves at fair market value sired by Highmark bulls purchased by commercial producers at the 2023 sale.

Harv And I are pleased to be hosting this year's sale and hope that you are able to join us in person or online!

Non carrier, homo black, homo polled

Kraken needs little introduction after being shown successfully at Lloyd and Regina. He might be one of the best bulls we've raised. Kraken moves freely with style but still adding performance. Recommended for heifers. Ready to go work in the pasture and your 23 show string.

Joe and Gayle Stookey
Pura Vida Acres

WELCOME TO THE 2023 LEADING EDGE SALE!

"Pura Vida" is Spanish for "the good life". For us, the good life consists of family, friends and pursuing our passions – which include seeking excellence in raising Speckle Park cattle. We believe our offering of cattle this year in the Leading Edge Sale are some of our best in performance and conformation. We hope you agree. And we hope the opportunity for a visit at Pura Vida Acres arises for you soon –and know you are always welcome around our table.

I am happy to say this bull is co-owned with Carla Ducherer from CarMark. We just love young calves that catch your eye and hold it all the way to adulthood. This describes Pura Vida Forecaster 135K who is certain to always attract attention with his width, depth and conformation. He may not bring rain or sunshine when you want it, but his calves should put a smile on your face.

"Eclipses are harbingers of change and represent transformative times". I think this bull will live up to his name, and add performance to his offspring and stamp his calves with his impressive thickness and conformation. No doubt his dam, who was Grand Champion Speckle Park Female at Agribition in 2019, and his popular sire, both contributed to making him extra special.

Hometown Hero is downright gorgeous. Long, smooth and he has such an impressive stride. 213J will stamp his calves with high style and big performance. This herd sire will produce the very best mama cows.

Females

Once again INC Cattle Company holds nothing back. The females we offer in 2023, both purebred and commercial, are the top end of our pen.

Ocean liner capacity, beautiful-fronted, so much top and a tremendous hip - this is just the tip of the iceberg when describing 54K. They simply do not - can not come any better than this.

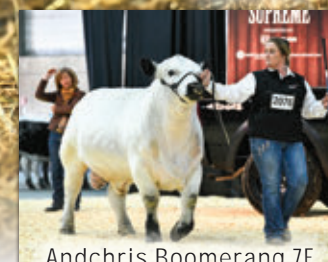

"The beef outlook for 2023 is very positive. Cash prices have gone up and still have room for more. A decreasing cattle supply resulting from contraction in the cattle industry should combine with adequate demand to provide support for prices throughout the year".

≡ 33b **Pen of 2 Heifers**

"The year-over-year decline in the U.S. beef production will drive fed cattle prices higher, starting in March, 2023. And improve margins for finishing feedlots on both sides of the border".

-Derry Klassen

GRAINNEWS JAN. 6, 2023

"Cattle prices are higher and will continue to trend higher in 2023".

-Derrell Peel

OKLAHOMA STATE UNIVERSITY LIVESTOCK ECONOMIST

Frozen Genetics

We've had plenty of good calves born over at INC, great ones. But never have we seen such consistent excellence as we have this year with our Talladega offspring. No matter if it's out of a first calf heifer or mature matriarch, these 11J calves are up in minutes, and exhibit the incredible characteristics of their sire. These great pairings on offer are very different and will not disappoint.

"The auction price for 500lb steers at Saskatoon Livestock Sales for the week 03/14/2023 was \$2.85 - \$3.45/lb or between \$1,425 - \$1,725/steer. What does that make a commercial bull worth?"

Green Hills Livestock

We are excited to once again be involved in another Leading Edge sale. Working with like-minded breeders who want to be innovative is always exciting. Just looking at this catalogue, how can one not get excited for the sale and working with people who are so enthusiastic and dedicated. We look forward to seeing everyone at the new location – Highmark Stock Farms for our 5th Annual Leading Edge Speckle Park Sale.

1 Package of 3 Embryos | 3 Different Outcross Matings

This was a difficult decision but, we wanted to offer something special. So here it is - genetics we have collected over the past few years. One package - three embryos, three different matings, all outcross. Whether you are a new or established breeder seeking genetic value or to expand your bloodlines this might be that herd defining opportunity.

TERMS & CONDITIONS

TERMS: The terms of the sale are cash or cheque, payable at par at the sale location. The right of property shall not pass until after settlement has been made; no invoicing on buyers in attendance unless previous arrangements have been made. Every animal sells to the highest bidder and in cases of disputes, the auctioneer's decision will be final. Announcements from the auction block will take precedence over the printed matter in the catalogue. Current exchange rates will be announced sale day. All monies are in Canadian funds.

CERTIFICATE OF REGISTRATIONS: Each purebred animal will carry papers issued by the Canadian Speckle Park Association. A certificate of registry duly transferred will be furnished to the buyer for each animal after payment has been made.

PEDIGREE ESTIMATES: Pedigree Estimates (PE) are created on the projected mating of the animal's sire and dam based on averages of the two, creating estimated values that do not hold the same accuracy of actual EPDs issued from the association and should be used as such.

HEALTH: All animals in the sale have met all necessary health requirements.

GUARANTEE: All sellers and buyers of Speckle Park cattle in this sale are expected to be knowledgeable of and to abide by the Guidelines for Seller and Buyer Expectations and the By-laws of the Canadian Speckle Park Association. These documents are available from the Association's office.

PREGNANCY INFORMATION: All serviceable age females have been pregnancy examined by an accredited veterinarian, giving an estimated length of gestation. This estimated gestation period shall be used only as a guideline to calving and is not a guarantee of actual service.

LIABILITIES: All persons attend the sale at their own risk. The seller, facility owner and sale manager assume no liability legal or otherwise, for any accidents that occur. It is understood that T Bar C Cattle Co. (2013) Ltd. is acting only as a medium between buyer and seller and is not responsible for any failure on the part of either party to live up to his obligations. Neither does T Bar C Cattle Co. (2013) Ltd. assume any financial obligations to collect or enforce collection of any monies between parties and any legal action that may in exceptional cases be taken must be between the buyer and the seller. T Bar C Cattle Co. (2013) Ltd. assumes no responsibility for any credit extended by the seller to the buyer. The buyer must look to the seller for fulfillment of all guarantees and representations made hereunder.

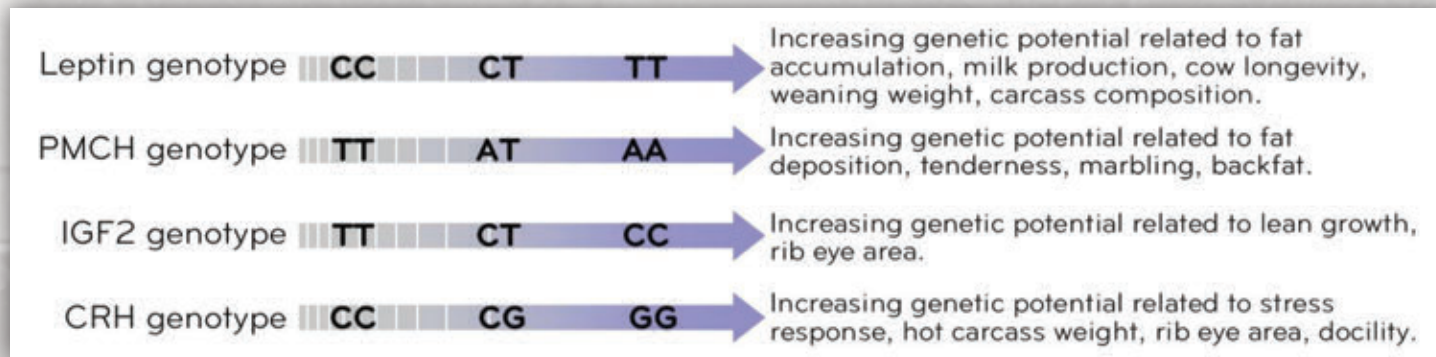

DELIVERY: Every assistance will be given in getting your purchases home. Each animal becomes the risk of the purchaser as soon as sold. Buyers are responsible for all costs involved with shipping of semen and embryos.

PHONE, MAIL, WIRE BIDS: Bidders unable to attend the sale may phone, wire or mail their bids and instructions to the sale manager, auctioneer or special representatives. Bids must be received in sufficient time prior to the sale.

INSURANCE: We strongly recommend that insurance is purchased for full value.

ERRORS: All announcements at sale time, written or oral, supersede any written material in the catalogue.
