---

**RED ANGUS**

**FIRST ANNUAL BULL SALE**

**March 29, 2019 - 1:30 PM**

**At the Farm | Delburne, Alberta**

## WELCOME TO OUR SALE

It is with a great deal of pride and excitement that we welcome you to our 1st Annual Allison Farms Red Angus Bull Sale and to thank our past customers who placed confidence in our program.

Even if you don't need a bull this year, stop by for a steak and a drink on sale day!

Our operation has been involved in commercial cattle for six generations, which has positioned us to now service the industry with seedstock that we believe will work under the adverse conditions we experience in Western Canada. Our cows are not pampered. They stay out in the fall until early or late November when mother nature shuts down the grazing and they get ready to calve. We select animals that can perform best under these conditions and produce sound, functional progeny that meet a strong criteria for performance. We love our low maintenance, easy doing cows that are around for a long time and we work to replicate these genetics, that is why we are excited about the bulls we have on offer! Time is taken on each cow we breed to assess the mating that will complement her genetics and type. The result, we feel, is more top quality progeny.

We develop the bulls, in a manner that will best display their genetic potential and these bulls are in the sale. We understand our customers want a walking bull first. You want a bull to walk, breed, produce progeny that maximize pounds with a live calf first and a calf that maximizes your cows potential.

Every effort is made to assess the bulls for these traits: growth, structural soundness, longevity and breeding soundness. We sell bulls satisfaction guaranteed.

We are very honoured to have Scott & Orycia Anderson guest consigning a selection of excellent Black Angus bulls to our sale!

If you cannot attend the sale, contact one of us to assist in gathering information you might need for a potential purchase. We want to help get your cows bred!

So please stop by before the sale and we hope to see you sale day. Grab a steak and enjoy the day!

# From the Desk at T Bar...

Welcome to the first Annual Allison Farms Red Angus Bull Sale, March 29th at the farm, Delburne, Alberta. Brent, Lorri and family are looking forward to you visiting and selecting sires from a top lineup of Red Angus bulls along with a select group of Black Angus bulls from Scott Anderson's historic, Mountain View Farms.

The Allison Family are now into it's sixth generation of livestock production. In past years they have used Red Angus sires on the large commercial herd with great success... additionally in the past they operated a fifteen hundred plus feedlot. The Allison's know what it takes to breed them and feed them, the two main essentials for success in the livestock business. Their success using Red Angus bulls in their cow/calf operation prompted Brent and Lorri to select a herd of cows from the very established Bar E-L at Byemoor. This great group of cows mated to their superior sires: 4Aces, Justified, Dynamic, Anthem, Renown and Certified has resulted in a powerful lineup of yearling bulls for you to choose from...thick, deep, with lots of hair and testicle. Power bulls, with calving ease and those that will fit both pastures. Added value bulls with fresh new genetics that are worth the trip!

The bulls are available at the farm for viewing and you can see their mothers at that time as well. Feel free to call the Allison's to discuss the offering and the bulls that are suited for your breeding operation. Come early sale day, view the bulls and be guests for a noon luncheon.

If we, at T Bar C, may be of assistance, prior to or sale day, please contact any of the T Bar team and we will be pleased to offer our professional services.

BW: 89 lbs.      ADJ WW: 754 lbs.      ADJ YW: 1272 lbs.  
 It was a major discussion whether we were going to sell Powder Keg. We decided it was best to put all our top bulls in the sale and use semen this spring to spread his influence through our herd. Powder Keg is a standout bull in the bull pen! He is out of the great Spring Rose 74B cow who has been raising some great calves including Red Bar-E-L Trump Card 21D who sold to W Sunrise Angus for \$20,000. Her udder and foot structure are of the highest standard and she will be joining the flush program this spring with her mother who was flushed last year. Powder Keg has excellent skeletal structure, he is sound, shows tremendous thickness, smoothness of muscle and is sure to make an excellent herd bull! The Spring Rose line is known for low maintenance, strong foot and udder structure as well as longevity. **RETAINING 1/4 SEMEN INTEREST ONLY.**

**Red Bar-E-L Spring Rose 74B Dam**

Owned jointly with Ter-Ron and U2, Reverence will add smoothness, length and a strong foot! His daughters have excellent udders.

# WELCOME...

Welcome to Allison Farms Bull Sale. We are overwhelmed to have been asked to participate in the Allison Farms Bull Sale.

The Allison family's dedication to excellence in raising quality Red Angus seedstock is very evident in this year's sale offering. The bulls have been culled relentlessly for structure, quality and feet. These bulls have been fed a balanced ration for longevity in mind.

I would strongly recommend coming to the farm and taking a look for your self as there is an excellent offering of Red Angus bulls with an amazing family that will stand behind their product.

If I can be of any assistance on your herd bull purchases, please call.

Sincerely,  
**Scott Anderson**  
 587-282-9683

- Guarantee 1 pregnancy by certified technician.
- Exportable.

After noting all the successes of the Aster cow, we made the obvious choice to flush her. A total of 8 female progeny are currently working in our herd and many sons of Aster have went into seed stock programs. We decided to take a full sibling of this embryo package to FarmFair where she was Intermediate Reserve Champion Heifer. This is a very exciting opportunity combining the Frado and Aster cow families to make a maternal power house!

We purchased Miss Burgess as our pick out of the Glesbar dispersal. She raised one of our high selling bulls last year to Cockburn and SVR. She is very sound, solid footed and has a neat udder! The \$33,000 bull Red Bar-E-L Chance 114C that sold to 5L was a perfect match! We have Red and Black calves on the ground from this flush and are loving them!

# LOT 55 Select Group of Unregistered Open Red Heifers

We will be offering approx 15 unregistered open red heifers sorted into small groups. These heifers will be sired by the same herd bulls used in our program and be ready to breed! Refer to sale day supplement sheets for more information. These heifers will make excellent cows and sure to be an economic benefit to any operation!

## TERMS AND CONDITIONS

### Terms:

The terms of the sale are cash or cheque, payable at par at the sale location. The right of property shall not pass until after settlement has been made; no invoicing on buyers in attendance unless previous arrangements have been made. Every animal sells to the highest bidder and in cases of disputes the auctioneer's decision will be final. Announcements from the auction block will take precedence over the printed matter in the catalogue. Current exchange rates will be announced sale day. All monies are in Canadian funds.

### Certificate of Registration:

Each animal will carry papers issued by the Canadian Angus Association, unless otherwise specified. A certificate of registry duly transferred will be furnished to the buyer for each animal after payment has been made.

### Health:

All animals in the sale have met all necessary health requirements.

### Guarantee:

Each animal becomes the purchaser's risk immediately after the animal is sold. All animals in this sale will be sold under the terms and guarantees set forth by the Canadian Angus Association with regard to health, freedom from defects and from both reproductive and specific genetic unsoundness.

### Liabilities:

All persons attend the sale at their own risk. The sellers, facility owner, auctioneer and sale manager assume no liability, legal or otherwise, for any accidents that occur. It is understood that T Bar C Cattle Co. (2013) Ltd. is acting only as a medium between buyer and seller and is not responsible for any failure on the part of either part to live up to his obligations. Neither does T Bar C Cattle Co. (2013) Ltd. assume any financial obligations to collect or enforce collection of any monies between parties and any legal action that may in exceptional cases be taken must be between the buyer and the seller. T Bar C Cattle Co. (2013) Ltd. assumes no responsibility for any credit extended by the seller to the buyer. The buyer must look to the seller for fulfillment of all guarantees and representations made hereunder.

### Delivery:

Every assistance will be given in getting your purchases home. Each animal becomes the risk of the purchaser as soon as sold.

### Phone, Mail, Wire Bids:

Bidders unable to attend the sale may phone, wire or mail their bids and instructions to the sale manager, auctioneer or special representatives. Bids must be received in sufficient time prior to the sale.

### Insurance:

Agents will be in attendance to insure your purchases. We strongly recommend that insurance is purchased for full value.

### Errors:

All announcements at sale time, written or oral, supersede any written material in the catalogue.

Return all undeliverable
