on the ranch, Rosemary, AB

Welcome to the 2019 edition.

It seems like we are always saying the same thing about these bulls, but we do believe that year after year they are rising to the top. We have some big goals to raise top end product that will be profitable for our customers. With the way our grass is situated, all calves are sired by our own walking bulls so in turn you will find large sire groups of bulls and females on our ranch. The bulls again are very even from top to bottom which in turn will make for bigger packages of steers for everyone to sell.

We own Copper with Parview and with him being another year older we used him on a few more cows. With calving ease and great performance he was used on second calvers. Pretty hard to find a sire that puts that length in.

With so many Cobra daughters in herd we have run out of places to put him, so this will be the last of his bulls to sell. He might be the most consistent sire ever used here.

There are a few more Rockets this year and most will be from the heifers. The daughters from him are amazing, and are moderate and the easy keeping kind.

Formidable is a new sire that has exceeded all expectations. Deep and soggy is the best way to put them. As dumb luck he wrecked an ankle so calves will be limited in the future. We did collect him for insurance.

Chunk is another new kid on the block that has lots of style and shape. If looking for a splash of white on the face, look here.

Boss never fails always giving a nice mix of calving ease and performance. The daughters are now starting to be in production and we think things will be great.

Kargo is a new one, and the way pasture sizes are there are only two on offer, with one being one of the best ones to find all spring.

Right Turn is a little AI project that we couldn't turn down. Just like last year's two that were on offer, they are impressive.

Escalade is a home grown sire that we kept back to use on heifers that might be one of easiest calving bulls on heifers to date.

That is just a brief description of the bulls, please don't be afraid to phone, or better yet attend the sale.

Hope to see everyone on the 7th.

Sales Management Comments

Welcome to Janzen Ranches 26th annual bull sale. As we at Transcon Livestock gear up to kick off the 2019 Bull Sale Season it's always exciting to get out and tour through breeder's bull pens and see the hard work and accomplishments put forth from the previous year.

As I toured through the Janzen Ranches bull pen in early January it was impressive to see the consistency of type and how free and easy moving this set of bulls is.

The group of bulls on offer are the kind that will go out and last for numerous breeding seasons. Longevity is important to the Janzen's and the product they produce. The bulls are pail fed ...NOT on a self serve feeder. They are free moving, easy doing, hairy and structurally sound in their make-up.

The high number of REPEAT Customers that return to the Janzen Ranches Annual Bull Sale yearly backs up the statement on longevity.

As you sort through the bulls sale day you will find a great cross section of calving ease bulls to bulls with a little extra punch to push the scales down. Keep in mind the young ages on these bulls. Most aren't even a year of age by sale time.

Please join us on February 7th at the Janzen Ranch for some of the best hospitality in Southern Alberta. In the event you are unable to attend the sale but would like to purchase, give us a call. Our phones are always on and we can discuss the bulls that fit your criteria.

Terms & Conditions

TERMS - The terms of the sale are cash, cheque, VISA, Mastercard, or Interac, payable at par at sale location. There will be a 3% administration fee on all VISA or Mastercard purchases applied to the buyer's invoice. The right of property shall not pass until after settlement is made. Transcon Livestock Corp. reserves the right to require a certified cheque as settlement before releasing any sale cattle. Should any purchaser fail to settle for his purchase Transcon Livestock Corp. reserves full power to resell the animal to the best advantage either publicly or privately, without further notice. Any loss arising from such resale together with keep and all other expenses shall be payable by the defaulter. All settlements must be made with the clerks of the sale before any cattle will be released.

BID - Every animal consigned to the sale must be sold by auction. No private sales will be allowed except as otherwise provided for in the terms and conditions. No by-bidding will be permitted. Each animal will be sold to the highest bidder.

SALES TAXES - Applicable sales taxes will be charged on semen, embryos and trucking fees (if listed), respective to the home province of the buyer, not the seller.

DISPUTES - In cases of disputes, bidding will be reopened between the parties involved. If no further bid is made the buyer will be the person from whom the auctioneer accepted the last bid. The auctioneer's decision in such matters will be final.

PURCHASER'S RISK - Each animal becomes the risk of the purchaser as soon as sold. Animals will be cared for at the purchaser's risk for a reasonable length of time.

INFORMATION SUPPLIED - The information contained in this catalog is believed to be true and accurate. However, the information has been supplied by the seller and neither Transcon Livestock Corp. or Jamesway Enterprises Ltd. assume any responsibility if the information supplied is not accurate.

CATTLE PICTURES - The images in this catalog are believed to be accurate representations of the individual animals. Transcon Livestock Corp. and Jamesway Enterprises Ltd. assume no responsibility if the images as received have been altered.

ANNOUNCEMENTS from the auction block will take precedence over the printed matter in the catalog. Buyers are therefore cautioned to pay attention to any such announcements.

CERTIFICATE OF REGISTRY - A registration/reproduction certificate issued by the applicable breed association and duly transferred will be furnished to the buyer of each animal after settlement has been made. It is the responsibility of the buyer to determine the acceptance of this certificate in any other association.

SHIPPING - Assistance will be given in making shipment after the sale but no risk is assumed by the Sales Management or Seller. Expenses incurred are the responsibility of the purchaser. Purchasers are requested to furnish shipping instructions when making settlement.

BREEDERS GUARANTEE - As per applicable Canadian Breed Association Breeding Guarantee guidelines. Copies are available at the sale settlement desk to be picked up by the buyer at any time. In no event shall the seller be responsible for reimbursing more than the purchase price.

EXCEPTION TO GUARANTEE - In cases where the animal is subjected to any hormonal or surgical reproduction techniques after the sale, the guarantee shall be null and void.

HEALTH - It is the buyer's responsibility to determine health requirements for importing any animal into his province or state. Transcon Livestock Corp. assumes no responsibility for the health status of any animal in the sale.

ACCIDENTS - Although every precaution will be taken to protect the safety and comfort of buyers, neither the Sales Management, auctioneer, consignors, or Association assumes any responsibility in this matter and disclaims any liability legal or otherwise in the event of accident or loss of property.

RIGHTS AND OBLIGATIONS - The above terms and conditions of the sale shall constitute a contract between the buyer and the seller and be equally binding to both. Resale of animals following purchase in this sale shall constitute a separate transaction and the rights and obligations of the two parties connected thereto are not covered by the terms and conditions of this sale.

TRANSCON LIVESTOCK CORP. IS AGENT ONLY - It is to be clearly understood that Transcon Livestock Corp. is only acting as a medium between buyer and seller and is in no way responsible for any failure on the part of either party to live up to his obligations, neither does Transcon Livestock Corp. assume any financial obligations to collect or enforce collection of any monies between parties, and any legal action that may, in exceptional cases, be taken, must be between buyer and seller.

The Auctioneer shall have the right to refuse bids from anyone who has a previous record of default in payment or who has not made proper credit clearance prior to the sale with the owner or Sale Managers.
