108	1360	36	245	1344	37	16, 27, 39, 66	85, 146, 176	187, 213, 226
117	1195	37	249	1232	37	228, 231, 241	247, 253, 290	303, 464
121	1320	38	256	1080	34	The extra age bulls were all semen tested and the yearlings were just measured and palpated. We will semen test them when the weather straightens out in a month or so. If you need your bull prior to that, we will test him sooner. Bulls sold are guaranteed to pass test or we will replace accordingly.
