## From The Desk At T Bar...

Welcome to this year's edition of the Proudly Western Bull Sale held in Whitewood. This sale has proven to be your one stop shop for elite Simmental genetics.

This year's offering will consist of a variety of Simmental genetics from a group of breeders who have deep Simmental roots in the beef business. The common goal to raise a product with longevity and efficiency in mind for producers has never changed. Burly beef bulls, as well as elite calving ease bulls will be on offer. Red and black, as well as one of the largest offerings of baldy bulls this spring, will be for your appraisal. These producers have combed their bull pens, only offering the very best to come to town and put before you. Rest assured, this offering will impress the most astute cattlemen.

The Proudly Western group has always been noted for top Simmental genetics as well as excellent customer service; expect only the best of both. The T Bar C team is very familiar with these operations and hope to see you sale day but if you unable to attend, can assist with any appraisals or absentee buying requirements you may have.

See you in Whitewood,

*Shane Michelson*

# 61 *Offering* Yearling, Red, Black & SimmAngus Bulls

# Swan Lake Farms

Welcome to the 13th Annual Proudly Western Sale.

We would like to thank all the people that have trusted our genetics over the years. We strive to raise bulls that will go out and work for you. Our success is because of you, your belief in a great product, your trust in our program and your ingenuity to see what can be produced by top quality and hard work. We thank you.

The bulls are fed barley silage, mixed with hay and bull developer pellets made from the co-op feeds. Bulls are in large spacious pens for lots of exercise. We strive for the bulls to gain between 3 and 3.5 lbs. a day, while some gain more. You will notice a large portion of the bulls are homo polled and/or homo black. You will also notice the udder quality of many of the females and we are quite proud of that. The other area we really work hard on is buying and using herd bulls with a good foot and body structure.

The bulls have been on a full health program since birth and we work closely with our local vet. Bulls will be given both shots of Fusogard for your convenience.

We were quite excited to win Grand Champion Bull at Agribition and make top 10 in the Supreme Show.

We are quite proud of our sale bulls this year, we feel they are as good as you will find anywhere. Swan Lake will stand behind your purchases and if you have any issues, we will strive to rectify any issues.

If you have any questions give me a call at 306-457-7730 or Brandon at 306-631-8818. Please check the T Bar C website for videos of the bulls prior to the sale.

We also reserve the right to collect semen on any bull being sold, for in herd use only.

*"I have been buying bulls and females for about eight years now from Swan Lake. The quality of the bulls have been excellent and at an affordable price. The first bull I bought was everything Greg said he would be, easy calving, good feet, quiet disposition, long and deep with a wide top. The calves that sold from that bull were exceptional. Since then I have bought at least one bull every year from Swan Lake Farms, sometimes several. I sell direct to feedlots and the Simmental cross calves are proven performers for me. Greg stands behind his bulls and I'm glad to be a return customer."*

HOMO POLLED. This red blaze, Right Call son is a definite sale feature and a contender to be lead bull for me. I feel with his outcross pedigree and the fact that he is out of two black parents makes him one interesting and intriguing red baldy bull to sell all spring. When you analyze Trailblazer from front to back, you see a beautiful neck extension, attractive profile and great length of body. Trailblazer has a great dam and she can really produce. Good red baldies are hard to come by. He is worth the drive to take a look at.

Walks On Water is definitely one of the top herd bulls in this powerful black division. We believe this guy has a big future in the industry. He adds the depth of his dam and the length of his sire, to make a complete powerful herd bull in the making. His dam is a powerful Red Label daughter out of the great U056 cow of Jimmy Jo Henderson's. Walks On Water is 7/8 but qualifies as purebred to our USA customers.

ET calf. Swan Lake Riddler excels in performance, rib shape and length of body. 1F is also packed with power and muscle mass, while maintaining a smooth structure. This comes by no surprise with the Heaven Sent cow and Riddler sire. Swan Lake Riddler will be one the top black performance bulls selling this year, calves will pound the scales down. Take a serious look at this fella as he has a lot of potential.

# Scissors Creek Cattle Company

Welcome to the 13th Annual Proudly Western Bull Sale. We are proud to have sold bulls through this sale every year since it started. We continue to strive to produce the best quality bulls possible. Our 2019 offering is as consistent of a set of bulls as we have ever offered and they are the cream of the crop of the 50 plus bulls born in 2018.

The bulls and the cow herd are on a full vaccination program. We creep feed the bulls 30 to 45 days prior to weaning to help transition them onto feed. They were fed an oats based ration until December and then they were switched to a TMR which includes corn silage, hay and pellets. The TMR is designed to promote longevity and allow them to reach their genetic potential without adding a bunch of extra fat.

Customer satisfaction is very important to us and if any problems arise we will do our best to make things right. If you have time to stop at the farm before the sale we would love to tour you through the bull pen but if not, we look forward to seeing you on sale day. Give us a call at any time so that we can discuss your bull needs and help you pick out a bull that will work for your program. Also, at this time we would like to thank all of our past bidders and buyers for their support and trust in our program.

HOMO POLLED

The picture of this bull does not do him enough justice as he is very good and is hard not to notice in the pen. He is blood liver red and has that extra nice hair coat as well. He is fault free, wide topped and square hiped. His grand dam raised a great Platinum son that was one of last year's high sellers going to Gordon Jones Simmentals. We believe strongly in this calf and think he is a very strong herd sire prospect.

We believe he has a bright future and would be one to build a herd around.

HOMO BLACK

Here is a power calf that maintains a high degree of structural integrity. He is square hipped, wide topped and moves freely. His dam, 24Z, is a powerful cow that is a heavy milker and produced a full brother that sold in last year's sale to Calvin Mantell.

Welcome to the 13th Annual Proudly Western Bull Sale. The Sun Rise herd has grown to where we are calving 60 cows, which include 16 embryo calves.

2019 is starting off on a positive note, with feeder and cull cow prices improving. We look forward to the year ahead.

Our production of percentage cattle over the past 15 years has always been a planned program. We have used proven calving ease Angus AI bulls such as S A V Final Answer on our first calf heifers. This program has expanded to where we are using top sires such as Bank Note on some of our top cows resulting in our lead off black bull, JTC 4F.

We continue to enjoy time with our grandsons, camping, tubing, skiing and listening about their adventures on the hockey ice. We are grateful to enjoy a life filled with family, friends, and cattle.

Evan & Linda

Videos and pictures are available on our website.

We reserve the right to collect 100 doses of semen on sale bulls for in herd use only.

# Prairie Wind Farms Ltd.

Welcome to the 13th Annual Proudly Western. We are very proud and excited about the group of bulls we are bringing to town. Without question, the strongest set of bulls we have offered. Bulls that are stout, deep bodied and sound structured. Combining calving ease with performance, you will find our bulls athletic, big nitted with heavy hair coats and all sired by our waling herd bulls. Consistency in the type and color throughout the pen. Backed by solid producing cow families and a program nearly 50 years in the making. You can be assured we have a bull that will work in your operation!

Thank you for your interest, your past support and confidence in our program! We look forward to visiting about your next herd bull.

JFRS Absolute 42A will go down in history as one of the greatest herd bulls to walk the pastures at Prairie Wind. Such a consistent set of bulls in terms of their kind, color and type. They combine modest birth weight, muscle dimension, length, depth and structure. His females are amazing, good uddered, good milking, power and performance and so broody. This will be your final opportunity to acquire one of his sons, as we lost him to an injury. Starting this sire group comes this high powered calf with a huge quarter hip and top, long and deep with that beautiful blaze face. His mother is a solid red, good uddered, Crosby granddaughter. A predictable, proven pedigree. He is a good one!

Prairie Wind Alamo 6F is a calf I feel has a lot to offer. A calf with a moderate 88 lb. birth weight but explosive in his design and muscle mass. He is stout from one end to the other. A huge quarter and top on this free moving, good footed calf. Sired by a Cobra son we purchased for \$17,000 from the McIntosh family at Maidstone. A solid red powerhouse who bred the heifers with great success. Prairie Wind Miss 12D did a remarkable job on her first calf, a testament to the maternal strength in her cow family. ## Terms & Conditions...

### TERMS...

The terms of the sale are cash or cheque, payable at par at the sale location. The right of property shall not pass until after settlement has been made; no invoicing on buyers in attendance, unless previous arrangements have been made. Every animal sells to the highest bidder and in cases of disputes, the auctioneer's decision will be final. Current exchange rates will be announced sale day. All monies are in Canadian funds.

### BIDDING...

Each animal will sell to the highest bidder...no by-bidding will be permitted. Disputes - Bidding will be reopened between the parties involved in dispute. If no further bidding is made, the buyer will be the person from whom the auctioneer accepted the last bid. The auctioneer's decision on all disputes will be final.

### ANNOUNCEMENTS...

All announcements made from the auction block will take precedence over the printed matter in the catalogue. Buyers are therefore cautioned to pay close attention to such disclosures.

### BREEDER'S GUARANTEE...

All bulls sold are guaranteed breeders by the owners. We guarantee to provide you with a sound breeding bull. Should any bull fail to be an unsatisfactory breeder, he will be replaced with a bull of equal value or a credit will be given toward the purchase of another bull. If you have a problem with your bull please notify us immediately. Under no circumstances will the seller be liable for more than the purchase price of the animal.

### EXCEPTION GUARANTEE...

In cases where the animal is subjected to any hormonal or surgical reproduction techniques after the sale, this guarantee shall be null and void.

### CERTIFICATE OF REGISTRATION...

Each animal will carry papers issued by the Canadian Simmental Association. A certificate of registry duly transferred will be furnished to the buyer for each animal after payment has been made.

### LIABILITIES...

All persons attend the sale at their own risk. The seller, facility owner and sale manager assume no liability, legal or otherwise, for any accidents that occur. It is understood that T Bar C Cattle Co. (2013) Ltd. is acting only as a medium between buyer and seller and is not responsible for any failure on the part of either party to live up to his obligations. Neither does T Bar C Cattle Co. (2013) Ltd. assume any financial obligations to collect or enforce collection of any monies between parties and any legal action that may in exceptional cases be taken must be between the buyer and the seller. T Bar C Cattle Co. (2013) Ltd. assumes no responsibility for any credit extended by the seller to the buyer. The buyer must look to the seller for fulfillment of all guarantees and representations made hereunder.

### RIGHTS AND OBLIGATIONS...

The above terms and conditions of the sale shall constitute a contract between the buyer and seller and be equally binding to both. Resale of animals following purchase in this sale shall constitute a separate transaction and the rights and obligations of the two parties connected thereto are not covered by the terms and conditions of this sale.

### PHONE, MAIL, WIRE BIDS...

Bidders unable to attend the sale may phone, mail or wire their bids and instructions to the sale managers, auctioneer or special representatives. Bids must be received in sufficient time prior to the sale.

### DELIVERY...

We will assist in arranging transportation wherever possible. Each animal becomes the risk of the purchaser as soon as sold. \$100 rebate on bulls taken home sale day. Bull must be insured by buyer.

### INSURANCE...

Will be available sale day. We strongly recommend that insurance is purchased for full value.

### ERRORS...

All announcements at sale time, written or oral, supersede any written material in the catalogue. The seller reserves the right to draw semen from any bull in the sale for in-herd use only. The collection will be at the purchaser's convenience and the seller's expense.
