

# THREE CHOICE

ANNUAL BULL SALE

SAMTIA ANGUS WHITE LAKE CHAROLAIS

1 PM – TUESDAY, APRIL 2, 2019  
AT BALOG AUCTION

## *A Letter from Balog Auction*

Fellow Cattlemen:

Welcome To The 3rd Annual Three Choice - Samtia & Whitelake Bull Sale.

Once again both outfits have brought you a tremendous offering of Charolais & Black Angus Breeding Bulls!

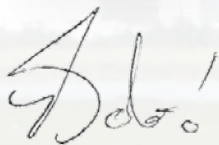

Both (Lee & Layne) and (Jerry) have always used and believed in performance EPD'S, Maternal Traits and Calving Ease in their program.

The bulls in this offering will work great for both the purebred, and the commercial outfits.

Whether you are a repeat buyer, and this sale has many, or a brand new buyer, take advantage of a successful program that will move your operation to a higher level.

See You At the Sale!

Respectfully,

R.C. (Bob) Balog

# *A Letter from Samtia Angus*

## **Welcome to our 3rd Annual Bull Sale**

I want to start by thanking all of the support we have had from our customers over the past number of years. It is your support that keeps us pushing on each and every day through the highs and lows. It is also your support and confidence in our herd that keeps us striving to always improve on our offering each and every year.

Well last year was a very hard year for most cattle producers as mother nature was hard on both the cattle and cattlemen. The winter was just plain tough with lots of cold, snow and sleepless nights. It's amazing as I write the welcome letter this year it is windy but the sun is shining and there is no snow on the ground at all. We might be wishing we had some this spring but with calving underway and last year still fresh in my head I'm thankful for the weather we have had thus far.

Well as cattlemen look forward to another year ahead and new bloodlines to add to their herd....we are optimistic we have brought to town a great group of bulls to chose from. Over the past few years we have concentrated on calving ease without giving up on performance. We are still on this journey but you will see through our offering that we are making great progress towards our goal. Our bulls are developed with longevity in mind. We do not creep feed in the pasture and our bulls are grown on a bull ration and free choice grass hay. The result is that our bulls will not melt away in the pasture like bulls pushed on silage. You will be shocked at how very little they shrink from the beginning of the breeding season until the end. Our bulls are all quiet as these bulls are fed grain by pail twice a day. All of our bulls are on a full vaccination program and have passed a semen test and vet inspection.

Come early to view the offering and enjoy some lunch.

Sale time is 1pm followed by some refreshments.

If you are unable to make the sale DLMS is available for internet viewing/bidding.

We look forward to seeing you at the sale!

If you have any questions on the sale offering please call:

BW 3.3 WW 20 YW 35 MILK 25 TM 35

- We purchased this bull from BJ's Cattle Company at Medicine Hat Spring Bull Sale in 2014 as the high seller.
- He possesses lots of bone along with a good foot and very docile temperament.
- We kept many replacement heifers sired by him that are feminine, have great udders and wonderful temperments.

- We also have a very small and select herd of purebred Speckle Park that we have slowly grown over the past 7 years. We normally sell all of our Speckle Park bulls privately but this year we decided to stir up some excitement and bring this guy to the bull sale to sell along with our Black Angus bulls.
- Dam of this guy was likely our best producer overall and she sold along with some of her other pen mates to River Hill Farms in October.
- This bull can definitely be used in the heifer pen. Commercial cattlemen.....want a heifer bull that will add some chrome to your calves and let you sleep through calving season.

## Heifer Selling

We decided, after much debate, to sell all of our remaining replacement heifers at the sale this year as well. This is the top 15 heifers out of a group of approximately 50 and we had every intention of putting this quality back into our herd as we know everyone of these females will make incredible cows. All but one of these females was sired by our Anarchy 12A bull as this was his last group of calves and what this bull has done for our program is nothing less than extraordinary. The other female is from the dam of Anarchy 12A (Samtia Primrose 2Y) and sired by our Double Vision bull. All of these heifers will be sold as commercial in groups of 5. However, if anyone wants these females registered, we will transfer the papers for an additional 250 dollars per female. Whether you are purchasing for your commercial herd or purebred herd.....you will put on many miles to find 15 quality females like this for sale in one sale. Buy with confidence here.

**Please bring this catalogue with you to the sale!**

## Terms and Conditions

**Terms:** Terms of the sale are cash or cheque, payable at par at the sale location. The right of property shall not pass until after settlement has been made; no invoicing on buyers in attendance, unless previous arrangements have been made. Every animal sells to the highest bidder and in cases of disputes, the auctioneer's decision will be final. Announcements from the auction block will take precedence over the printed material in the catalogue. Buyers are therefore cautioned to pay attention to such disclosures. Current exchange rates will be announced sale day. All monies are in Canadian funds.

**Transfer of ownership:** Proper instructions must be provided at the conclusion of the sale. Ownership will not be transferred until full settlement has been made.

**Guarantee:** Each animal becomes the purchaser's risk immediately after the animal is sold. All bulls are sold sound and come with a responsible breeder's guarantee of satisfaction. All bulls will be semen tested prior to the sale.

**Liabilities:** All persons attend the sale at their own risk. The owners, the employees, sales staff and facility owner assume NO liability, legal or otherwise, for any accidents that may occur.

**Delivery:** Arrangements can be made sale day for pick up or delivery to central points. Each animal becomes the risk of the purchaser as soon as sold. All U.S. Purchases will be delivered to our closest border crossing unless other arrangements are made with the consignors. All livestock **MUST** be insured if not taken home sale day. All bulls to be picked up or delivered by April 30, 2019, unless arrangements have been made.

## *A Letter from White Lake Colony*

### **Welcome to our 3rd Annual Bull Sale.**

We would like to thank all of our customers who have purchased bulls from us over the years. As some of you may know, I have been raising quality Charolais bulls for over 20 years and have been buying outstanding sires and females that produce great calves. I have brought to you today a great offering of 2 year old bulls. These bulls have all been semen tested and are ready to work. I would like all buyers to know that I would like the opportunity to buy your calves in the fall.

Please insure all your bulls if you are not taking them home on sale day. Please call myself or Steven to make arrangements for pickup.

If you have any questions on the sale offering please call.  
Looking forward to seeing you at the sale!

Jerry

Steven 403-332-2284

## REFERENCE SIRE OF LOT 1-4

### LT COMMANDER 4038P

- We bought the Canadian semen rights on this bull from the reputation herd of Lindskov-Thiel in South Dakota. This bull was used as our AI sire on our heifers as he is in the top 10% of the breed for birth weight.
- All of the bulls sired by Commander in the sale are all out of first calf heifers. They are very smooth shouldered and have tremendous length of body.

## UNREGISTERED PUREBRED BULLS

**158E**

These are purebred bulls, but are not registered because the sire of the dams was not DNA tested
