THE
BEST OF THE BREEDS

■ **Selected by many** ■
 ■ **Supplied by few** ■

Bulls on Offer...

- 20 ■ Yearling & Two Year Old Black Angus
- 15 ■ Yearling Red Angus
- 32 ■ Red & White Charolais
- 27 ■ Red, Black & Fleckvieh Simmental
- 17 ■ Red & Black Gelbvieh

- All bulls are semen checked and veterinary inspected.
- Semen tests, all scrotals and weights will be available sale day.
- Half down on sale day with a May 1, 2018 post-dated cheque for the balance.
- Insurance available sale day.
- **Sight Unseen Purchase Program:** For those who cannot attend, we offer a Sight Unseen Purchase Program. Call us with your needs (birth weight, frame, weight, etc.) and we will recommend suitable bulls. We will deliver the bulls to you with a satisfaction guarantee. Your order will be handled in strict confidence. Call the owners, T Bar or any of the sale staff.
- **Right to Draw Semen:** In the event that we would like semen on any of the bulls selling, we reserve the privilege to draw semen in the off season at our expense for in-herd use only.

“Haul your own bull” \$100.00 off per bull - If you bring your own trailer and take your bull home, receive a \$100 credit off your purchase.

Or Pay \$100.00 upfront sale day and we will take the yearling bulls home, feed and deliver them by June 1, 2018.

Payable at the time of settlement.

All bulls to be taken home and boarded must be insured.

Note - All 2 year old bulls must go home with buyer after the sale unless prior arrangements have been made with the breeder.

■ **Delivery:** We will assist in making transportation arrangements outside MB and SK. All costs are the responsibility of the buyer. You may be asked to take your bull early if the truck is in your area. Each animal becomes the risk of the purchaser as soon as sold.

From the desk at T Bar...

Welcome to the 14th Edition of the “Best of the Breeds Bull Sale.” Each year this sale increases in quality, as these breeders have strived to make available the best genetics in their individual breeds and programs for the livestock industry. Since cross-breeding is commonplace in today’s industry, the line up of breeds can fill all your pasture requirements with just one trip to town...it’s a no brainer!

Each program selects only their best bulls for this event. Whether you are looking for Angus, red and black; Gelbvieh, both red and black; Charolais, or Simmental, red, black, blaze or Fleckvieh, you will find what you need. The diversity of breeds and breeders give you a vast genetic pool to select from. Each of these breeders pride themselves in their programs and cow herds, trying to maintain a high maternal factor in the bulls without giving up performance.

The bulls will be available for viewing at Heartland the day prior or feel free to visit any of the breeder’s farms, preview the bulls and see their mothers. Do not hesitate to call any of the consignors and discuss their lineup and which bulls would be suitable for your program. Plan to come early sale morning, view the bulls and be guests for a noon luncheon complete with hot and cold refreshments, then get your “Best of the Breeds” selection!

If we, at T Bar C, may be of any assistance, prior to or sale day, do not hesitate to give myself or any of our professional team a call, as we can help you with your needs.

TWIN HERITAGE FARMS

Red Angus

Welcome to the 14th annual "Best of the Breeds" bull sale. Thank you to all previous buyers and bidders for your interest in the Twin Heritage Farms program.

Another year has passed and we continue to see advancement in our cow herd and in our bull sale offering. The bull pen is as consistent as it has ever been and there are a few gems to take note of. Our offering is catalogued by herdsire grouping with sons from our Soldier 41Z, Trigger 80B, Motivator 4B, and Hustle 13X herdsires. Sons from Soldier 41Z continue to impress, while the Trigger 80B sons are wide based, thick and display excellent scrotal development. The Motivator 4B bull is siring beautiful uddered daughters and the sons in the sale will be calving ease, highly maternal bulls worthy of a second look.

Please accept this as your invitation to join us for lunch on sale day and check out our sale offering. The bulls have grown since taking pictures in early January and we would love for you to be able to see them in person. If you can't make it down sale day, please stop by the farm or give one of us a call with any questions. We also encourage you to check out our website at www.twinheritage.com for a tour of our cowherd as well as viewing of the bull sale videos.

The Soldier sire group this year could be one of the best and is very true to what we have come to expect from Soldier 41Z: dark footed cattle with correct feet and legs, deep red hair coats, and natural thickness. MTH 2E is a wide based, deep bull with excellent testicle development and quiet disposition. TWIN.

Soldier 18E is an impressive bull that rises to the top of the pen. If you have not checked out his video on our website, please do so. He is wide based and long sided with a dark red hair coat. He should throw a little extra hip into his calves given the muscle pattern and mass he displays throughout his hind quarter.

Trigger 5E

MTH 5E leads off our Trigger 80B offering and he is one we think highly of. Loose hided and free moving with good bone and exceptional hair lend to 5E's herd bull potential. He is backed by a top indexing dam that was purchased from the Chickadee Farms dispersal as a calf. She is a broody female that breeds back early each year. Trigger 5E is wide based bull with excellent scrotal development and a solid foot. Check out his video online and come see him in person as he is one that grabs your attention.

Trigger 12E is one of the top power bulls in the offering. He is thick and likely the widest based bull in the pen. He exhibits good muscle pattern and carries his rear quarter depth deep into his leg. His dam has earned Elite Cow status and has been a stand out producer with high selling sons to Chad Poyser and Dean Benko. Consistency and quality run deep in this cow family, as the high selling bull in our sale two years ago, that also sold to Chad Poyser, came out of a maternal sister to 12E.

Trigger 72E is a neat calf; he packs a punch being deep, wide and well muscled and does so on a moderate frame. He is one of the lighter birth weight bulls in our offering, coming in at 72 pounds but has shown he can gain and perform. His hard-working dam from Kenray Farms raised a 78 pound high seller in last year's sales to Diamond Horseshoe Ranch.

We are pretty excited about these Motivator 4B sons as they introduce the black genetics of the breed leading sire, Soo Line Motive 9016. 4B is a highly maternal bull backed by the Goldie cow family at Ter-Ron. His first calf daughters are displaying impressive udder quality. These 4B sons offer outcross genetics and consistent calving ease. Motivator 9E is a maternal powerhouse tracing back to the 293S cow who still has an exceptional udder at the age of 12. 9E is deep red with a solid dark foot. He should leave a top performing set of replacement females.
