Bull Sale

Sunday March 2, 2025 ▪ 1:00 pm
Heartland Livestock
Swift Current, SK

Welcome to the Southland Bull Sale

We want to invite everyone to the Southland Bull Sale. We are very excited for this year's set of bulls. They bring a lot of common sense attributes to the table. These cattle are bred to work in our environment. They have excelled through many consecutive years of drought. Good cattle will always get you through tough times and I believe we are entering a new year with lots of promise and optimism.

Please join us March 2 for a great lunch and refreshments after.

God bless everyone, and we hope to see you at the sale!

Heartland Livestock Swift Current, SK
7.3 km West of Swift Current on Hwy #1

**Bulls will begin arriving at Heartland Livestock on
Saturday, March 1.**

Join us for lunch at noon before the sale.

From the desk at T Bar...

On the first Sunday in March, Shane, Lexi and family host their annual spring bull sale at Heartland Livestock, Swift Current, Saskatchewan. The Cadieux family have been breeding and supplying high quality seedstock over the decades to ranchers and breeders in the industry. Raised on the shortgrass country in the southwest region of the province, they provide breeding stock with soundness, fertility and bulls that can adapt to what ever mother nature throws at them. Southland had an enjoyable and competitive fall show season in all their owned breeds.

Their Black Angus section offers a premium lineup of Deadwood sons... calving ease with performance. They have lots of hair, muscle, and great temperament. The superstar in the group is "Sugar Ray", a son of Renegade, who will command breeders' attention.

The Red Angus division is small in numbers but elite in quality... Headlined by "Youngblood", the Mossy Oak son that was an attention getter in the fall season. The Red Bear sire group combines muscle, style and hair along with calving ease data.

The Charolais offering combines the heavy weaning/yearling influence for todays market. "Bold Move 91M" is a feature being an outcross genetic package. The Arctic Blast bull is a calving ease sire but does not sacrifice performance. The genetic power bulls, Mayfield and Holy Water will add pounds into your calf crop.

The folks at Southland have covered all the bases to supply high value profit earning sires whether you are needing black, red or white. Stop by the ranch at Shaunavon, preview the bulls and check out their mothers or just give Shane or Lexi a call to discuss the offering.

If we, at T Bar C may be of any assistance prior to or sale day, do not hesitate to call any of our team and we will be pleased to assist in a professional and confidential manner.

- Truly the most talked about bull we have ever raised.
- With his strong, good feet and bone under him, 55M checks all the boxes from the ground up.
- Just out of a first calf heifer, he hit the ground running and never looked back.
- His dam has strong feet and a perfect udder.
- She has an incredible Hennessey heifer calf at foot at the moment, and is entering the Southland donor program this spring.
- Youngblood has a ton of character and is all man!
- He is extremely docile and a great individual to work with.

CAD 117M • March 02, 2024 • 2359325

- This big numbered ET calf absolutely crushed the scales every time he walked across them.
- Full sisters have laid down beautiful udders and are really doing a great job.
- National Champion Spring Bull Calf at Farmfair International.
- He will add docility and power wherever he goes.

CAD 147M • March 28, 2024 • MC884218 • Homo Polled • PAF

Retaining 1/3 semen interest

- A calving ease bull recommended for Charolais heifers.
- Homozygous polled with tremendous 100K EPDs.
- Top 1% TSI, CW, & REA
- Top 2% WW & YW
- Top 15% Marbling
- Don't overlook this power bull sale day, as he is almost an April calf.
- The Blast 2 year olds are now in production and are very easy fleshing, milky females.
- We plan on incorporating 147M heavily in our herd as he is backed by a good footed, super uddered, beautifully haired dam.

TERMS & CONDITIONS

Terms

The terms of the sale are cash, cheque, or E-Transfer payable at Par. The right of property shall not pass until settlement is made. Every animal sells to the highest bidder, and in cases of disputes, the auctioneer's decision will be final. Announcements made from the auction block will take precedence over the printed matter in the catalogue. All settlement is made with the clerks of the sale before any cattle will be released. Current exchange rates will be announced sale day. All monies are in Canadian Funds.

Purchaser's Risk & Insurance

Each animal becomes the risk of the purchaser as soon as the sale closes. Insurance is recommended.

Breeder's Guarantee

All cattle are sold sound and right with a responsible breeder guarantee of satisfaction. In the event of an unlikely dispute the terms and conditions standard with the Canadian Angus Association and Canadian Charolais Association shall apply. All bulls are guaranteed exportable. Southland will incur the cost of health work. All bulls are guaranteed to pass a semen test prior to delivery. All decision deferred bulls will come back to Southland free of charge until a satisfactory breeding soundness evaluation is achieved.

Delivery

Any bulls paid for and picked up sale day will receive a \$100 discount per bull. Delivery will begin the last week of March. Bulls will be fed for free up to the time delivery begins. Purchasers must take delivery of their bull(s) at the time Southland is in their general area. Any purchasers unable to take delivery of their bull(s) at this time will forfeit the free delivery, and will be charged \$8/head/day. Pick up will then be the responsibility of the purchaser.
