Janzen

Ranches

RED & BLACK SIMMENTAL / RED ANGUS BULL SALE

Thursday, March 21st, 2024
2:00 pm MST | At the Ranch, Rosemary, AB

WELCOME FROM THE JANZEN'S

Well another year has come and trying to think of something to write hasn't gotten easier. So just go with the usual and give brief rundown of the sire groups.

The Epic calves are the higher performing group, more frame and muscle shape that stamps this group. The daughters are just starting to calve and look very promising with great udders developing. High Grade brings in a nice group of moderate easy keeping kind that will pass onto the daughters. He is one of the better calving bulls we have ever walked and most are from first calvers. Bennington is a new bull brought into the heifer pen that brought some nice muscle shaped calves. He got a cut on his foot at start of breeding, so hopefully there will be few more next year. Top Tier is another new group that has a tremendous hair coats and real nice muscle shape. The daughters have high hopes in the futre here. Yuma is new black group, he seems to be shorter gestation, was the last bull turned out and his calves are coming first. He wasn't registered yet so no EPD's. He calved great and is probably homo black. The angus group is the same two sires. Each sire has couple heifer bulls with some performance to help keep the weights up in fall. This is the last year for bulls from these guys.

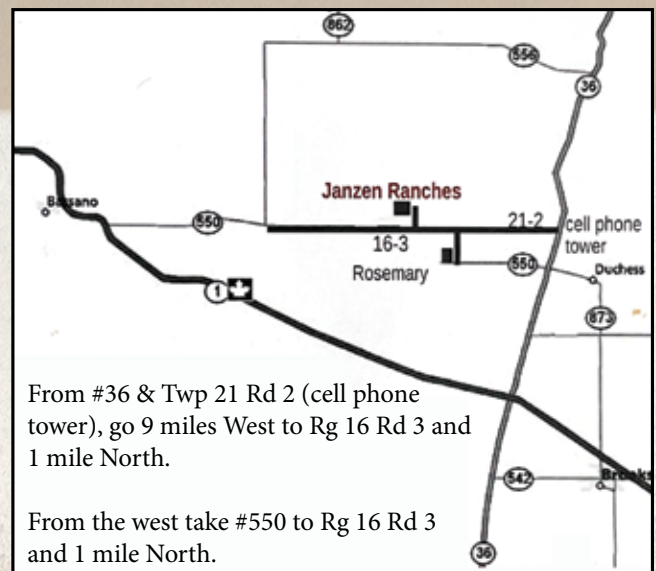

Hopefully the cattle market says like this for lots of more years to come. Sold some tailend steers last week and was very pleased and can only hope to ride the wave.

Please feel free to reach out if have any questions and join us March 21st.

JANZEN RANCH SALE LOCATION
2:00pm - Rosemary, AB

WELCOME FROM TRANSCON

As we enter into the fourth decade of hosting their own bull sale, not to mention the years prior exhibiting at the Calgary Bull Sale and private sales, this is a testament to the staying power of Janzen Ranches. The demeanour is humble, but also very wise, always considering the needs of their valued and many repeat customers. The search is continually on for the next herdsire, which has been astutely analyzed and then purchased from a logistic business value. In essence, they operate as a business, understanding you are also!

Not only is every bull in the sale sired by their own resident herdbulls, but if you were to take a look at the extended pedigrees of each bull offered, the bottom side would read Janzen cows right to the edge of the paper and beyond! This cowherd has to raise calves and breed back all in their rugged, steep river pastures and/or the large prairie East of Hanna that many of the matrons call their summer home.

We hope to see you at the sale, but of course, if you're not able to attend, feel free to call on us to utilize our free absentee buyer service. Or call to just to get an overview prior to your arrival we're always happy to chat.
