THE LEADING EDGE GROUP

 @LeadingEdgeSpecklePark

FROM THE DESK AT T BAR C

Welcome to the “Leading Edge” Speckle Park Sale on Saturday, April 13, 2024, at Highmark Stock Farms, Hague, Saskatchewan. Come early, view the great lineup, be guests for supper at 4:30 followed by the sale at 5:30. This being the 6th Annual event, it is hosted by Harv and Fran Fehr along with Rob and Janice from INC and Glen and Barb from Green Hills.

The 2024 offering of sires is powerful and exciting... yearlings and two-year-olds with performance and presence. Their fresh genetics are designed to add value to all types of breeding programs whether you are a purebred breeder or a cow/calf producer, we have a bull for you. For those who are serious about the breed and the years that lie ahead, check out “Valley of the Kings” ... quite possibly the best Speck in the world!

The heifers have been selected from the top cut herd replacements.... destined to be future foundation females and donors. Unlimited opportunities come with this outstanding group of breeding females. In the years ahead beef females for breeding will be the most valuable commodity in agriculture... April 13th will be a great day to plan for tomorrow... be it purebred or commercial.

Plan to stop by any of the operations and preview their offering in their natural surroundings to get a “Leading Edge”. Feel free to give a call to any of these progressive producers to discuss their offering.

Plan to be at Highmark on April 13th in person, on the phone or online, and do not hesitate to give any of us at T Bar a call as we can assist you with your purchases in a professional and confidential manner.

TWO YEAR OLD BULLS

Our good friend Keith Kissee once said to us, in his wonderful southern drawl, "The cheapest thing a cattleman can buy in an expensive bull." We still feel his loss deeply and hardly a day goes by that we don't think of him. INC and Prestwoud worked closely together for a number of years and it's from this relationship that some of our offerings have resulted.

An outstanding big, black bull from INC. Jake Brake 27K has tons of rib and is a thick as they come. So much bull here. His momma was the high selling female at the very first Leading Edge sale who went in to make her own mark in the industry. And I'm pretty sure a few of you have heard of his daddy as well. What a combination.

VALLEY *of the* KINGS

It isn't everyday that an opportunity like this rolls around - the chance to own a mature Grand Champion Bull that still has a year left of eligibility to be campaigned this coming fall.

We are offering %100 possession and %75 interest in INC Valley of the Kings 6K. VOK is by far one of the best to come out of the Saskatchewan hill country - Champion Yearling Bull & Reserve Grand Champion Bull 2023 PA Exhibition. Champion Yearling Bull 2023 Manitoba AG Ex. Champion Yearling Bull 2023 Edmonton Farmfair International. Champion Yearling Bull & Grand Champion Bull 2024 Oklahoma Cattlemen's Congress... Valley Of The Kings is as real as it gets.

6K has more nuts than a squirrel convention, a beautiful foot and is so long we need to get a special permit from the Department of Highways whenever he needs to be hauled anywhere. At nearly 2000 lbs this smooth-built beast has so much to offer. Put him to work on your cows this summer, then slip his halter back on in the fall and take him town. 6K will bring you outstanding calves and a barn full of banners.

It isn't an easy decision to see this bull leave INC, but right now we are limited to where we can use this Logic son. We know he needs to go out and work for a new owner.

When Keith Kissee bought the pick of the INC heifers in 2021 he got it right. Winter bloomed into a big, beautiful momma cow with tons of milk and a great udder. When paired with Colgan's General INC Sharp Dressed Man 245K was the result. One of the best two year olds to come out of our program. 245K has all the right pieces in all the right places.

Everyone needs to pay attention to this pair of brothers - big & long, wide as they come with extra rib. With Northern Legend as their momma and sired by General, they have greatness stamped all over them. Can't make anymore like these ever again. They have the size to compete with any breed. Made right and ready to prove themselves.

INC Gone to Vegas 15L is one of the very best examples of this pairing. Sleek, smooth & perfectly built, Gone to Vegas is show broke and ready to bring home the banners as a bred heifer in 2024. She will have the milk production and maternal characteristics of her incredible momma and it's impossible to miss the flash Talladega gave her. The odds are stacked in your favour, Gone to Vegas is a sure bet.

COMMERCIAL HEIFERS

At INC we strive to describe our animals to the best of our ability and try to be as creative as we can when doing our narratives. It gets tougher and tougher each year to be unique and to find new things to say about our lots. However our commercial heifers make this job incredibly easy ... they are simply very good Exceptional.
